[1] Hawaiian Airlines is paying a total of $800 for all of the Miscellaneous Assets.

PLEASE TAKE FURTHER NOTICE that the Miscellaneous Assets are located in the terminal at the Oakland International Airport. The Debtor has vacated its leased terminal space at this airport, and the cost of shipping the Miscellaneous Assets to one of the three staging locations for the Debtor's assets to include in an auction greatly exceeds the value of the Miscellaneous Assets, which are old, have been heavily used and are in poor condition. The proposed purchaser (Hawaiian Airlines) is the new tenant of the Debtor's terminal space at the airport.

PLEASE TAKE FURTHER NOTICE that this Notice is being filed with the Bankruptcy Court and served upon the Notice Parties as required by the Sale Notice Procedures previously approved by the Bankruptcy Court.

PLEASE TAKE FURTHER NOTICE that you shall have five (5) business days after service of this Notice (the "Notice Period") to serve Debtor's counsel with a written objection to the Proposed Transaction in a manner so your objection is actually received by counsel for the Debtor at the address below prior to the expiration of the Notice Period. In the absence of any objection, the Debtor will submit to the Bankruptcy Court a form of order setting forth that: (i) the notice procedures for the sale of the Miscellaneous Assets have been satisfied;

(ii) no objection to the sale of the Miscellaneous Assets was timely made or such objection has been resolved; (iii) the Debtor may proceed with the sale of the Miscellaneous Assets; and (iv) the order authorizing the Proposed Transactions shall be immediately effective notwithstanding the ten (10) day stay of sales of assets set forth in Federal Rule Bankruptcy Procedure 6004(g). The form of order will also provide that to the extent any person or entity has any lien, security interest, encumbrance, or other interest ("Lien") in any of the Miscellaneous Assets sold in the Proposed Transaction, that the Miscellaneous Assets are sold free and clear of such Lien in accordance with 11 U.S.C. § 363(f), and the Lien shall attach to the sales proceeds of the particular Miscellaneous Asset that was subject to the Lien. To the extent that any party other than JPMorgan Chase Bank, N.A. asserts a Lien on the proceeds of a sale, the Debtor has the right to place such proceeds in one or more segregated bank accounts pending a determination or consensual resolution of the validity and priority of such Lien(s).

PLEASE TAKE FURTHER NOTICE that upon Court approval of the order authorizing the Miscellaneous Assets sale, the Debtor may consummate the Proposed Transaction and take such actions as are necessary to close the sale and obtain the sale proceeds without further notice or Court order.

PLEASE TAKE FURTHER NOTICE that if the Debtor timely receives a written objection with respect to the sale of any Miscellaneous Asset, and the Debtor is unable to resolve such objection, the Debtor will not take any additional steps to consummate the sale of the Miscellaneous Asset or Assets subject to the objection without first obtaining the Court's approval.
