Unsecured Claim

If a claim is not a secured claim, it is an unsecured claim A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full

Unsecured Priority Claim

Certain types of unsecured claims are given priority so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims) The most common types of priority claims are listed on the proof of claim form Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*
