SCHEDULE A

3M Company ("3M") is a manufacturer of thousands of products, including disposable and reusable dust masks and respirators. While the 3M dust masks and respirators do not contain asbestos, 3M has been named as a co-defendant with the Debtor in various judicial proceedings throughout the United States (the "3M Claims"). Attached hereto is a list of judicial proceedings in which 3M has been named as a co-defendant with the Debtor.

The claims alleged against 3M are based solely on plaintiffs' alleged exposure to asbestos products manufactured or sold by, among others, the Debtor, and the alleged failure of 3M's dust masks or respirators to protect the plaintiffs from inhaling asbestos. Absent proof that the Debtor's products released asbestos fibers that caused injury to the plaintiffs, there can be no sustainable claim against 3M. Therefore, any liability that 3M faces as a result of the 3M Claims gives rise to indemnification, contribution, subrogation or other claims by 3M against the Debtor's estate.

While 3M is entitled to file a separate proof of claim for every judicial proceeding in which it is named as a co-defendant with the Debtor, 3M is filing this consolidated master proof of claim encompassing the numerous claims it holds against the Debtor for the purpose of administrative convenience. The filing of this consolidated master proof of claim does not in any way affect 3M's ability to separately vote each claim on any plan of reorganization that is filed in the Debtor's case. 3M reserves its right to amend this consolidated master proof of claim, including its right to file separate, individual proofs of claim for every judicial proceeding in which 3M is named as a co-defendant with the Debtor.
