Proceedings:

HELD: The court granted debtor's Motion to Shorten Time on Debtor's Motion for Judicial Notice (Docket No. 1903) and debtor's Motion to Take Judicial Notice (Docket No. 1902) as supplemented orally.

During the confirmation hearing the court heard comments of counsel and the following four witnesses were called Mr. Michael Miller, Father Michael Savelesky, Bishop William S. Skylstad and Mr. Leo Driscoll (pro se objector). Exhibit Nos. 23, 24, 25 and 26 were admitted. See attached exhibit index.

The court found that all the provisions of the Code have been met and will confirm the Second Amended Plan of Reorganization. The court had some concerns regarding the language in the proposed Order regarding post-confirmation fees. The court indicated that the language on post-confirmation fees in the order is not what was represented in the plan To solve the problem, the court ordered debtor's counsel to serve the confirmation order (without exhibits) on the master mailing list together with a notice to creditors of the process should they have an objection to post-confirmation fees. Debtor's notice must also indicate where the exhibits to the confirmation order can be viewed See confirmation order for specifics.
