[1] Average monthly cash collections from December 2018 - July 2018 straightlined over 4 weeks. We have applied a factor of 1.04x to the cash collections to more accurately estimate the collections for June & July.
Clarksdale collections have been adjusted based upon system conversion issues and discussions with management.
[2] Average monthly Physician group cash collections from December 2018 - July 2018 straightlined over 4 weeks.
[3] See MHAP detail schedule
[4] Salaries, Contract Labor & Benefits disbursements based on June 2018 expense from the income statement. This includes weekly payment of medical self insurance claims of $250K.
[5] Based upon the average monthly expenses April 2018 - June 2018 straightlined over 4 weeks, but reduced by 10% due to recent expense control.
[6] Average monthly expenses April 2018 - June 2018 straightlined over 4 weeks.
[7] Per Lease Schedule
[8] Based upon the average monthly expenses April 2018 - June 2018 straightlined over 4 weeks. Due to seasonility of historical expenses, the weekly average has been utiilized.
[9] Per Insurance Schedule
[10] Represents MHAP payment (payments were due quarterly in FY2018 (changed to monthly in FY2019), but have been adjusted for just a monthly payment during the last two quarters of FY2018) required to be paid to State of Mississippi. No invoice has been issued by the State for 3Q2018.
[11] Based upon the average monthly expenses April 2018 - June 2018 straightlined over 4 weeks.
[12] Based upon MedHost CapEx schedule.
[13] Case Costs as defined below:

First Month

BANKRUPTCY PROFESSIONAL FEES
