Pursuant to sections 330 and 331 of title 11 of the United States Code (the "Bankruptcy Code"), rule 2016 of the Federal Rules of Bankruptcy Procedures (the "Bankruptcy Rules"), rule 2016 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Bankruptcy Rules"), and the Court's Order Under 11 U.S.C. §§ 105(a) and 331 Establishing Procedures For Interim Compensation and Expense Reimbursement of Professionals and Committee Members approved on November 5, 2003 (the "Compensation Order"), Irell & Manella LLP ("Irell") hereby files this Final Fee Application of Irell & Manella LLP for Compensation for Services Rendered and Reimbursement of Expenses as General Insolvency Counsel to Debtors for the Period October 8, 2003 through December 27, 2005 (the "Application") for compensation for professional legal services rendered in the chapter 11 cases (the "Cases") of the above-captioned debtors (collectively, the "Debtors"). By this Application, Irell seeks a final allowance of compensation in the amount of $5,808,086.25 and reimbursement of actual and necessary expenses in the amount of $149,965.25 for a total of $5,958,051.50 for the period October 8, 2003 through December 27, 2005 (the "Fee Period"). In support of this Application, Irell respectfully represents as follows:

BACKGROUND

1. On October 8, 2003, certain of the Debtors filed voluntary chapter 11 petitions in this Court (the "First Petition Date"). On October 21, 2003, the remaining Debtors filed voluntary chapter 11 petitions with this Court (the "Second Petition Date").

2. The Debtors operated their businesses and managed their affairs as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

3. On December 15, 2005, this Court entered its Order and Findings of Fact, Conclusions of Law Confirming First Amended Joint Plan of Liquidation Proposed by the Debtors and the Official Committee of Unsecured Creditors (Dated October 28, 2005), as Modified (the "Confirmation Order").

MONTHLY FEE APPLICATIONS COVERED HEREIN

4. Prior to the filing of this Application, the monthly fee applications of Irell for the Fee Period had been filed with the Court. Attached hereto as Exhibits 1 through 27 are copies of the monthly fee applications filed by Irell in the Debtors' cases.

5. The monthly fee applications covered by this Application contain detailed daily time logs describing the actual and necessary services provided by Irell during the Fee Period as well as other detailed information required to be included in the fee applications.

REQUESTED RELIEF

6. By this Application, Irell requests that the Court approve the final allowance of compensation for professional services rendered and reimbursement of actual and necessary expenses incurred by Irell from October 8, 2003 through December 27, 2005. As stated above, the full scope of the services provided and the related expenses incurred are fully described in the monthly fee

applications for the Fee Period that already have been filed with the Court and are attached hereto as Exhibits 1 through 27.

7. At all relevant times, Irell has been a disinterested person as that term is defined in Section 104(14) of the Bankruptcy Code and has not represented or held an interest adverse to the interest of Debtors.

8. All services for which compensation is requested by Irell were performed for or on behalf of the Debtors and not on behalf of any committee, creditor or other person.

9. During the Fee Period, Irell has received no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with Debtors' cases. There is no agreement or understanding between Irell and any other person, other than members of the Firm, for the sharing of compensation to be received for services rendered in these cases.

10. As part of the plan negotiation process, Irell agreed to reduce its final fee request by $500,000 (the "Fee Reduction"). The Fee Reduction was incorporated into that certain Settlement and Mutual Release Agreement (the "Agreement"), a true and correct copy of which is attached hereto a Exhibit "28". The Agreement was specifically approved by the Court pursuant to the terms of the Confirmation Order.

11. The professional services and related expenses for which Irell requests final allowance of compensation and reimbursement of expenses were rendered and incurred in connection with these cases in the discharge of Irell's professional responsibilities as attorneys for the Debtors in their chapter 11 cases. Irell's services have been necessary and beneficial to the Debtors and their estates, creditors, and other parties in interest.

12. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by Irell is fair and reasonable given the (a) complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of

such services, and (e) the costs of comparable services other than in a case under this title. Moreover, Irell has reviewed the requirements of Del. Bankr. L.R. 2016-2 and believes that this Application complies with that Rule.

WHEREFORE, Irell respectfully requests that the Court enter an order, substantially in the form attached hereto providing that, for the period October 8, 2003 through December 27, 2005, a final allowance be made to Irell in the sum of $5,808,086.25 as compensation for reasonable and necessary professional services rendered to Debtors and in the sum of $149,965.25 for reimbursement of actual and necessary costs and expenses incurred, for a total of $5,958,051.50; that Debtors be authorized and directed to pay to Irell the outstanding amount of such sums; and for such other and further relief as this Court deems just and proper.
