PG REP. - MJ

objection to Fifteenth omnibus objection to claims.
Note: I, William E Williams USA Retired have had ~~two~~ claim against Conseco since it took over my Second Mortage from Green Tree finance Co. There was a clause for Arbitration. This has been Put off for Five years. Green Tree Finance had the 2nd Mortage; Conseco took them over; Now Green Tree has bought out Conseco. ? Did one of these Conspire and took over knowing bankruptcy possibly could happen? Now, I can't touch Green Tree Finance Co. which was part of Conseco Finance Corp. Is this justice?

continued.

I am, a modist home owner, who is not able to work. Have limited funds and can't aford more lawyers etc. Therefore, I ask the court to let the arbitration go foward.

Respectfully Submitted
