Debtor(s).	)

APPLICATION TO REQUIRE FILING OF OVERDUE TAX RETURNS AND FOR EXTENSION OF TIME TO FILE CLAIMS

Comes now the Missouri Department of Revenue (DOR) and states as follows:

1. The DOR does not have on file tax returns for the following:

Farmland Industries – 2000 Corporation Income tax;
Farmland Foods, Inc. – 1997, 1998, 1999 and 2000 Corporation Income tax; and
Farmland Transportation, Inc. – December 2001 Use Tax; and 1997, 1998, 1999 and 2000 Corporation Income tax.

2. These tax returns are necessary to complete claims for the DOR so that claims are based on actual rather than estimated figures.

WHEREFORE, the DOR requests the Court to compel the Debtors to promptly file corporation income tax and use tax returns for these periods and enter an order granting an extension of time to file its claims in this case until a reasonable time after Debtors have filed the tax returns requested.
