Attn The Honorable John C Akard

As a third-party GNB Technologies (a subsidiary of Exide Corporation) sales agent who provides warranty and repair services, Battery Power Systems, Inc is requesting addition to your list of chapter 11 petitions under the debtors' motion to pay critical vendor claims

Attached is a statement showing all outstanding invoices, warranty claims, and commissions due to BPS as of today's date BPS will continue to provide services to GNB/Exide which of course will result in ongoing changes to their account status

Please include BPS on the distribution list for all creditor materials in this matter as well as identify any case specific reporting requirements which may apply

Sincerely,

Jammie Smith
Finance Assistant
