ORDER MODIFYING THE AUTOMATIC STAY
AS TO UNSECURED CREDITOR ESTATE OF NEVIN SELKE

This matter has come before the Court on the *Agreed Motion for Relief from the Automatic Stay* [DN 559] (the "**Motion**") filed by unsecured creditor Nevin Selke, by John Christopher Selke ("**Selke**") and Fayette Memorial Hospital Association, Inc. d/b/a/ Fayette Regional Health Systems ("**Fayette**" or the "**Debtor**"), and the Court being duly advised, now GRANTS the relief requested in the Motion as specifically set forth below:

It is HEREBY ORDERED, that the automatic stay is modified to allow Selke to pursue and liquidate the personal injury claims asserted against the Debtor in the lawsuit pending in Fayette County Superior Court as Cause No. 21D01-1907-CT-000736 (the "**Lawsuit**"). The automatic stay is further modified to allow Selke to proceed against available insurance proceeds only, and any judgment that may be entered in the Lawsuit, shall be satisfied only from such insurance proceeds and not from the assets of the Debtor's bankruptcy estate.
