Debtors.	)	

THOMPSON BROTHERS SUPPLY, INC.'S NOTICE OF CONTINUED PERFECTION PURSUANT TO 11 U.S.C. § 546(b)(2) AS TO LIEN NO. 02-ML-74

COMES NOW THOMPSON BROTHERS SUPPLY, INC. ("Thompson"), by and through counsel, Roger H. Templin of Payne & Jones, Chartered and John R. Horst of John R. Horst, P.A., and hereby submits its Notice of Continued Perfection Pursuant to 11 U.S. C. § 546(b)(2). In support of this Notice, Thompson states and alleges as follows:

1. Thompson is a corporation with its principal place of business at 2319 West 8th, Coffeyville, Kansas 67337.

2. At the request and consent of the debtor, Thompson last furnished labor, equipment, materials or supplies used or consumed for improvements to real estate situated in Montgomery County, Kansas, commonly known as the Farmland Industries, Inc. Nitrogen Facility at 400 North Linden, Coffeyville, Kansas 67337, and legally described in full in the Mechanic's Lien Statement described below (the "Real Estate"), on May 31, 2002.

3. On or about June 20, 2002, Thompson filed a Mechanic's Lien Statement against the Real Estate in Montgomery County, Kansas, Mechanic's Lien No. 02-ML-74. The Mechanic's Lien Statement was served upon the registered agent of the Debtor, by certified mail. True and correct copies of the full Mechanic's Lien Statement is available from the Clerk of the Court of Montgomery County, Kansas or can be made available to any party upon request of Thompson's counsel.

4. Under the laws of the State of Kansas, Thompson has a valid perfected Mechanic's Lien on the Real Estate. Under the laws of the State of Kansas, Thompson must commence an action to foreclose its Mechanic's Lien upon said Real Estate on or before June 20, 2003 or the lien will cease to exist.

5. The automatic stay provisions of § 362(a) of the Bankruptcy Code prevents Thompson from commencing an action to foreclose its Mechanic's Lien against Farmland. As a result, Thompson submits this Notice of Continued Perfection Pursuant to 11 U.S.C. § 546(b)(2) and declares that its Mechanic's Lien against the Real Estate continues to be perfected and will continue to exist and be perfect after June 20, 2003.

Dated this 4th day of November, 2002

Respectfully submitted,
PAYNE & JONES, CHARTERED
