CREDITOR GE CAPITAL RAILCAR SERVICE RESPONSE
TO DEBTORS FIRST OMNIBUS OBJECTION TO CLAIMS
UNDER SECTION 502(d) AND 542(b) OF THE BANKRUPTCY CODE

COMES NOW Creditor GE Capital Railcar Service ("GE"), by and through their attorneys, and hereby responds to Debtors' First Omnibus Objection To Claims Under Section 502(d0 and 542(b) of the Bankruptcy Code (the "Omnibus Objection"), and in support thereof, respectfully states as follows:

1. The Omnibus Objection alleges that Claimants listed on Exhibit "A" of the Omnibus Objection failed to pay the Debtors for goods or services provided by the Debtors subsequent to the "Petition Date." Accordingly, the Debtors object to those claims pursuant to 11 U.S.C. §§ 502(d) and 542(b). Omnibus Objection ¶ 1.

2. The Debtors have listed GE on Exhibit "A" and has therefore objected to GE's prepetition claim on the above described basis. The Debtors' claims lack merit. To the best of its knowledge, GE has not been the beneficiary of any services provided to the Debtors nor has GE purchased any goods from the Debtors.

WHEREFORE,. GE respectfully requests that this Court deny the Debtors' objection to GE's proof of claim and such further relief as this Court deems just and proper.
