To Whom It May Concern

Lightners Discount Foods has experienced lost revenue due to Fleming Foods Fleming has not maintained an adequate service level in the distribution of product, resulting in a loss of rebate monies from vendors and manufactures Performance monies were not attainable because of Fleming Foods relationship with the vendor and manufacturing community

Lightners Discount Foods puts our accrued amount at an estimated $50,000 00 dollars due to the ongoing problem of service level and vendor monies not attainable

We are enclosing invoices that reflect the recent service level of Fleming Companies Inc to validate our losses

Sincerely,

Darrell Lightner
