IT IS HEREBY ORDERED that**:**

1. The Motion is granted as set forth in this Order.

2. For the months of February, March, April, and May 2019, the professionals retained pursuant to an order of the Court in this case (collectively, "Professionals") are permitted to seek interim payment of compensation and reimbursement of expenses in accordance with the following Compensation Procedures:

(a) On or before the 20th of each month following the month for which compensation is sought (the "Statement Due Date"), each Professional may file an itemized monthly fee and expense statement in compliance with the provisions of the Local Bankruptcy Rules and the United States Trustee guidelines, setting forth in detail the fees and expenses for which payment is sought for the preceding month

[2] Capitalized terms used but not defined have the meanings given to them in the Motion.

(the "Monthly Statement").[3] The Professionals must serve a copy of the Monthly Statement on the Debtors, the Debtors' counsel, counsel for Debtors' secured lenders, counsel for any official committees, the United States Trustee, and such additional parties as the Court may designate.

(b) Each Monthly Statement must include, as an exhibit, records that itemize the services and expenses provided for the period in conformity with the Federal Rules of Bankruptcy Procedure and the Local Bankruptcy Rules.

(c) Objections to the Monthly Statement must be filed within 14 days from the date of service of the Monthly Statement. If no objection to a Monthly Statement is timely filed, Debtors are authorized to pay, in the ordinary course of business, unless the Court orders otherwise: (i) 80% of the professional fees incurred by the Professional for the period covered by the Monthly Statement; and (ii) 100% of the expenses incurred by the Professional for the period covered by the Monthly Statement.

(d) The 20% professional fee holdback will be paid only in accordance with the Federal Rules of Bankruptcy Procedure, E.D. Mich. LBR 2016-1, and 11 U.S.C. § 330 and 331 governing the approval of fees and expenses.

(e) Any objection to any Monthly Statement must be filed and served on the affected Professional. The objection must specify in detail the nature and basis of the objection and the amount not disputed.

(f) Pending resolution of the objection, Debtors are authorized to pay the Professional the amount requested in the particular Monthly Statement less the greater of: (i) the amount in dispute; or (ii) the Professional fee holdback provided in subparagraph (d) above. The parties must endeavor to resolve any objection within 5 business days of the objection's filing. If a resolution is not achieved, the Professional may request a hearing

[3] A Monthly Statement seeking compensation for the month of February may be included in the Monthly Statement for March.

before the Court to resolve the objection.

(g) All Professionals using these Compensation Procedures in this Order acknowledge that they are subject to disgorgement of the fees sought if necessary.

(h) The failure of any party to object to a Monthly Statement or to request a hearing after filing an objection will not constitute a waiver of the right to object to any interim or final fee application filed by any Professional or preclude any disgorgement of fees or expenses paid.

3. Beginning with the fees and expenses incurred in the month of June 2019, the monthly Compensation Procedures set forth above shall no longer be applicable and Professionals may file interim fee applications for approval of fees and expenses incurred.

4. Professionals may file their first interim fee application 120 days after the petition date, with subsequent interim fee applications every 60 days thereafter under 11 U.S.C. §§ 330 and 331. For the avoidance of doubt, Professionals will seek Court approval of all fees and expenses via fee application incurred from the petition date, inclusive of all fees and expenses reflected in the monthly fee statements contemplated under paragraph 2 of this Order.

5. The terms and conditions of this Order are immediately effective and enforceable upon its entry.

6. The Court retains jurisdiction over all matters related to the

implementation of this Order.
