INTERIM ORDER UNDER 28 U.S.C. § 156(c) AUTHORIZING THE RETENTION OF THE BMC GROUP, INC. AS NOTICE, BALLOTING, AND CLAIMS AGENT FOR THE DEBTOR

This matter comes before the Court on the *Application For Order Under 28 U.S.C. § 156(c) Authorizing the Retention of The BMC Group, Inc. as Notice, Balloting, and Claims Agent for the Debtor* (the "Application") filed by Madison Park Church of God, Inc. d/b/a Madison Park Church of God, as debtor and debtor-in-possession (the "Debtor").

The Application seeks an order authorizing the appointment and retention of The BMC Group, Inc. ("BMC") as notice, balloting, and claims agent under 28 U.S.C. § 156(c) to, among other things, (i) distribute copies of notices and other filings to creditors and parties-in-interest,

(ii) receive, maintain, docket, and otherwise administer the proofs of claims filed in the chapter 11 case of the Debtor, (iii) receive and tabulate ballots cast on any plan of reorganization; and (iv) provide such other administrative services that the Debtor may require. As set forth in the Affidavit of Tinamarie Feil, the Debtor submits to the Court that BMC is disinterested within the meaning of 11 U.S.C. § 101(14). The Debtor further submits that it has more than 300 creditors, many of which are still yet to be fully identified by the Debtor, and administering proofs of claim, providing copies of filings, and overseeing the balloting process would be unduly time consuming and burdensome for the Debtor, as would noticing procedures for those filings required to be served upon all creditors. Retention of a noticing, balloting and claims agent is also required under S.D. Ind. L.R. B-1007-2 given the number of creditors in this case.

The Court, having reviewed the Application and being duly advised in the premises, hereby finds: (1) that the Debtor is authorized, on an interim basis and pursuant to 28 U.S.C. § 156(c) and S.D. Ind. L.R. B-1007-2, to employ BMC: (a) to provide copies of notices and filings to creditors and parties-in-interest in this chapter 11 case; (b) to receive, docket, maintain, photocopy, and transmit proofs of claim; and (c) to receive and tabulate ballots cast with respect to a plan of reorganization; (2) that BMC has the capability and experience to provide such services; and (3) that BMC does not hold an interest adverse to the Debtor or its estate with respect to the matters upon which it is to be engaged and that it is a disinterested person; that good and sufficient notice of the Application has been given and no other further notice is required; and it is the best interests of the estate to employ BMC as notice, balloting, and claims agent in this matter on an interim basis pending expiration of the August 9, 2013 objection deadline.

IT IS THEREFORE CONSIDERED AND ORDERED that the Debtor is authorized to retain BMC as its noticing, balloting and claims agent on an interim basis.

IT IS THEREFORE FURTHER CONSIDERED AND ORDERED that BMC may be retained as noticing, balloting and claims agent on a final basis *nunc pro tunc* to July 12, 2013 without a hearing if no objections to the Application are received on or before August 9, 2013. If any objections are received, the Court will conduct a hearing on the Application, notice of which will be provided via a separate filing.
