AGREED ORDER EXTENDING DEADLINE FOR OBJECTIONS TO THE DEBTORS THIRD MOTION FOR INTERIM AND FINAL ORDERS UNDER §1121(d) EXTENDING EXCLUSIVITY PERIODS AND FOR OTHER RELIEF

Mississippi Chemical Corporation, et al, Debtor and Debtors-in-Possession herein (the "Debtor") and DSC Chemicals, L.P. ("DSC"), as Supplemental DIP Collateral Agent, and the investors party to the Supplemental Post-Petition Credit Agreement among the Debtor and DSC (collectively, the "Investors") have respectfully requested that this Court extend the deadline for the Investors to file an objection to the Debtors' Third Motion for Interim and Final Orders Under § 1121(d) Extending Exclusivity and For Other Relief (the "Motion"), and the Court, finding that it has jurisdiction over the matter and good cause exists for the granting of such relief, states that it is hereby:

ORDERED AND ADJUDGED that the deadline for the Investors to file an objection to the Motion is extended from March 18, 2004, until March 25, 2004. Any such objection by the Investors to said Motion shall be filed with the Clerk of the Court so as to be stamped "Filed" by March 25, 2004, and served on the counsel for the Debtor and the U.S. Trustee by such date.
