See below. The correct answer was indeed to let Steve handle it.

Rich -- I spoke to Gary and relayed to Chuck the conversation The "7 year" language sgould be taken out. I assume that Chuck will deal with Vicky on this.

~~I'm headed to~~ Croatia tonight. Back on Saturday. Blackberry will work, but my cell will not, so leave voice messages at my office in NY.

Steve.....I think we should speak 1st think tomorrow am (unless you are in the modd tonight, up to u). Vicky (our attorney) was speaking with Chuck this morning about the latest draft APA It sounds to me like everything is fine on the APA front EXCEPT for one surprise. It seems that Chuck is of the view that all NHL Consent Agreements now have a clause which says that a team cannot relocate under any circumstances for seven years, and he intends to personally take this up with David Zimmerman (NHL General counsel). This, of course, is news to us and is completely opposite to what was discussed at GB's office 12 days ago. I am concerned that there may be a move by part of the Sellers partnership to try and scupper this deal.

I would be grateful if you could look into this.
If you need to reach me by phone, my cell is best. Thanks.
