In re	)	Chapter 11
ST. FRANCIS' HOSPITAL, POUGHKEEPSIE, NEW YORK, *et al.,*[1]	)	Case No. 13-37725 (CGM)
Debtors.	)	(Jointly Administered)

OBJECTION OF PRECYSE SOLUTIONS, L.L.C.
TO PROPOSED CURE AMOUNTS

Precyse Solutions, L.L.C. ("Precyse"), by and through its undersigned counsel, hereby files this limited objection (this "Objection") to the cure amounts proposed by the above-captioned debtors and debtors-in-possession (collectively, the "Debtors") in the Notice of

[1] The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number include: St. Francis' Hospital, Poughkeepsie, New York (8503), Saint Francis Home Care Services Corporation (3842), SFH Ventures, Inc. (0024), Saint Francis Health Care Foundation, Inc. (5066), Saint Francis Hospital Preschool Program (1079).

Proposed Assumption and Assignment of Executory Contracts (Dkt. No. 98) (the "Cure Notice").[2]

In support of this Objection, Precyse respectfully represents as follows:

1. Precyse provides services to certain of the Debtors pursuant to two Professional Services Agreements, the first effective November 14, 2013 and expiring November 13, 2016, and the second effective December 15, 2011 and expiring December 14, 2015 (together, the "Agreements"), in each case subject to the terms, conditions, limitations and exclusions contained in such Agreements. Among other obligations, the Agreements require that the Debtors pay certain amounts due to Precyse thereunder.

2. As set forth in the Cure Notice, the Debtors seek to assume and assign the Agreements pursuant to the Asset Purchase Agreement. The Debtors have indicated in the Cure Notice that the Cure Amount that the Debtors must pay in order to assume and assign the Agreements is $57,310.32.

3. As of the date hereof, the Debtors owe Precyse $86,409.18 (the "Precyse Cure Amount") under the Agreements, as reflected in the invoices and summary spreadsheet attached hereto as Exhibit A. Unless and until the Debtors satisfy such Precyse Cure Amount, they are prohibited from assuming the Agreements. 11 U.S.C. § 365(b)(1).

RESERVATION OF RIGHTS

4. Precyse expressly reserves all of its rights, claims, defenses and remedies under the Agreements, any related agreements, applicable law and otherwise. Nothing contained herein shall constitute a waiver of any of Precyse's rights and remedies, including, without limitation, its rights of setoff and/or recoupment, or a waiver of any other objection that Precyse may assert.

[2] Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Cure Notice.

WHEREFORE, Precyse respectfully requests that the Court enter an order (1) conditioning the assumption and assignment of the Agreements upon the payment to Precyse by the Debtors of the Precyse Cure Amount, and (2) granting Precyse such other relief as is just and appropriate under the circumstances.
