RESPONSE OF THE CITY OF ST. LOUIS, MISSOURI
TO NOTICE OF HEARING ON SIXTH OMNIBUS OBJECTION TO CLAIMS
(Relates to Docket No. 4361)

COMES NOW, the City of St. Louis, Missouri (the "City"), by and through the undersigned counsel, and responds to the Sixth Omnibus Objection to Claims filed by the TWA Inc. Post Confirmation Estate (the "Estate").

1. By its Sixth Omnibus Objection to Claims, the Estate has requested the entry of an order disallowing and expunging Claim No. 1003200, filed on or about July 18, 2002, in the amount of $426,896.41. The sole basis for the Estate's objection is that Claim No. 1003200 is duplicative of Claim No. 1000700, filed by the City on April 19, 2002, in the amount of $426,896.41.

2. The City has no objection to the entry of an order disallowing and expunging Claim No. 1003200, as the City has no record of Claim No. 1003200 and denies having filed the same.

3. Notwithstanding the foregoing, the City does not waive and hereby preserves its right to respond and defend against any other and further objections made against or relating to Claim No. 1000700, which claim is identified as the "surviving claim" on Exhibit A of the Sixth Omnibus Objection to Claims.

4. The City requests any reply to this response and/or other and further objections made against or relating to Claim No. 1000700 be directed to the undersigned counsel.

Dated: January 31, 2003

Respectfully submitted,
