Re: Proposed Scheduling Order
and Date of Pretrial Conference on September 15, 2003 at 9:30 a.m.

As counsel for the TWA Inc. Post Confirmation Estate ("Estate"), we are writing to you because our records show that you are a defendant, counsel for a defendant, or otherwise have an interest in an adversary action brought by the Estate presently pending before the United States Bankruptcy Court for the District of Delaware. If you are represented by counsel, please forward this correspondence to your counsel. This letter addresses several issues of importance to your case. Please review it closely. If you have any questions or comments about this memo or the enclosures, please contact the primary attorney for your adversary action identified on the enclosed chart.

First, please be advised that a pretrial conference, which by Local Rule is a scheduling conference (the "Status Hearing"), has been scheduled for September 15, 2003 at 9:30 a.m. Eastern Time, Courtroom 2, United States Bankruptcy Court for the District of Delaware, 824 Market Street, Wilmington, Delaware 19801.

Second, the Estate has prepared the enclosed Status Report and intends to file it with the Court. The Status Report lists currently unresolved adversary actions scheduled for the Status Hearing on September 15, 2003 at 9:30 a.m. The Status Report also shows the currently scheduled answer date, whether an answer was received, and primary attorney information. It is intended to provide the Court with a brief overview of all of the pending adversary actions. Since there are many adversary actions presently pending, and their status is changing on a daily basis, there may be some inaccuracies. **Please advise the primary attorney identified on the Status Report of any questions or comments about the Status Report with respect to your case <u>by September 10, 2003</u> by 12:00 noon so that we can advise the Court of any corrections in the Notice of Agenda for the Status Hearing, which will be filed on or about September 11, 2003.**

Third, this letter constitutes part of the Estate's effort to confer pursuant to Del. Bankr. L.R. 7016-1. At the Status Hearing, the Court will hear a report on the status of the pending adversary actions and consider entry of the enclosed scheduling order (the "Scheduling Order"). In general, the Scheduling Order places the pending adversary actions on the same track, proposing, among other items, common deadlines for the close of discovery and for the filing of dispositive motions. The proposed Scheduling Order also leaves open the possibility of a future status hearing at which the parties could, with respect to individual defendants, amend or alter the Scheduling Order to place certain cases on separate tracks. Given the number of adversary actions pending before the Court, we urge you to consent to the entry of the enclosed scheduling order at this time and retain unique issues for another day. **If parties have objections to any deadlines in the proposed Scheduling Order, we strongly urge you to contact the primary**

attorney with respect to your case to resolve any such issues PRIOR to the Status Hearing, as our experience suggests that the Court will not entertain argument on the Scheduling Order at the September 15, 2003 Status Hearing. We intend to propose entry of the enclosed Scheduling Order in your adversary action unless you affirmatively contact us or object to same in a writing received by us on or before September 10, 2003 at 12:00 noon.

With respect to attendance at the Status Hearing, the Court has indicated that it will not require defendants or defendants' counsel to be present (assuming, of course, that there are no contested issues that you wish to present). However, counsel may appear telephonically, if they wish. If you intend to appear telephonically, please send a telecopy request to our Delaware co-counsel, James O'Neill, at 302-652-4400 **not later than 12:00 noon, prevailing Eastern time, on September 10, 2003, to advise that you wish to be included in such a teleconference**. Include your name, telephone number, e-mail address (if available), and the case number of your adversary action. His office will inform the Court about the teleconference and will advise you how you can join by telephone.
