If assets are carried at historical cost on debtor's accounting records and debtor elects to show them as such on the monthly reports, note the change above and include remarks on FORM 2-F (Narrative). All subsequent reports must then carry these assets at that value. Do not use historical cost one month and fair market value the next.

*This number includes the sum total of bonuses earned and payroll tax liability accrued during the reporting period extending from August 29 - October 2, 2012. Bonuses earned and payroll tax liability accrued prior to the filing of the petition on September 11, 2012, constitute priority debt. The debtor intends to pay both bonuses earned and payroll taxes which have accrued pre-petition pursuant to authority granted by orders issued by the United States Bankruptcy Court for the Western District of Louisiana.

Narrative for March 2013

For information purposes, please note that the company operates on a 4-4-5 fiscal calendar, making month to month comparisons difficult. The Debtors did not draw any additional funds in March under the DIP Financing Stipulation.

During the month of March, the Debtors continued negotiations on the two master lease agreements and of other leases. The agreement in principle that was noted in the February narrative to restructure the master leases has been delayed and is still under negotiation. However, year to date 2013, the Debtors were successful in the renegotiation of eight other leases saving the company about \$275K annually while deferring over a million dollars in cure payments for rent and property taxes to later this year on many of the assumed leases.

Merchants Foodservice (“Merchants”) rebuilt the inventory of Piccadilly proprietary products by the beginning of March. This caused a decrease in food cost when compared to all prior months after filing for bankruptcy because the company was paying higher prices on these products. The Debtors expect to maintain a lower food cost assuming food inflation is under control. Results for March were better than plan despite the fact that sales were negatively impacted by a combination of severe weather and rapidly increasing gas prices. Operating EBITDA was \$91K better than plan for the month even with sales below plan. Same store sales were up 3.3% vs. prior year which ranks among some of the largest monthly gains since the recession began in 2007. The company expects the upward trend in same store sales to continue through April.

The results for the month of March include \$357,000 of accrued legal fees and expenses associated with the bankruptcy that is booked as Nonrecurring Expenses. The Debtors have accrued (but not paid) the monthly anticipated interest expenses to their Secured Lenders. To date, all reconciled PACA claims have been paid and the company has cured all defaults associated with restaurant leases that will be assumed except for those cases where the landlord has agreed to defer. The Debtors also permanently closed an unprofitable restaurant in Miami, FL early this month. That restaurant lost approximately \$80K in the first quarter of 2013. The total principal balance due on the DIP Financing remains \$36,753.77.

By Order entered on March 28, 2013 (Docket #692) (the “Exclusivity Order”), the Bankruptcy Court granted the Debtors’ *Second Motion for (i) an Increase of the Exclusive Period in which the Debtors May File a Plan in Order to Maintain the Exclusive Period, (ii) an Increase of the Time in which the Debtors Have Been Ordered to File a Plan, and (iii) an Increase of the Period in which the Plan Must Be Accepted in Order to Maintain the Exclusive Period* (Docket #526) (the “Second Exclusivity Motion”). Pursuant to the Exclusivity Order, the Debtors have been ordered to file a plan (and the exclusive period has been likewise extended) through July 8, 2013. The Debtors also have been granted the exclusive right, through September 9, 2013, to gain acceptance of a plan.

{N2625910.1}

Through March, the Debtors (a) have assumed twenty-one (21) cafeteria leases in the Order (Docket #684) that approved the Debtors' *Motion for an Order, Pursuant to Section 365 of the Bankruptcy Code, Authorizing the Debtors to (1) Assume Certain Unexpired Leases of Nonresidential Real Property, and (2) Satisfy Cure Amounts in Respect Thereof* (Docket #532), and (b) and have moved to assume six (6) additional cafeteria leases in the *Debtors' Second Motion for an Order, Pursuant to Section 365 of the Bankruptcy Code, Authorizing the Debtors to (1) Assume Certain Unexpired Leases of Nonresidential Real Property, and (2) Satisfy Cure Amounts in Respect Thereof* (Docket #676), which is set for hearing on April 23, 2013.

The Debtors continue to renegotiate leases and vendor contracts, with the assistance of its real estate advisor and counsel.
