Danny L. Miller, Clerk of Court
VIA ECF FILING

Attn: Wanda Watson

**Re: *Mississippi Phosphates Corporation, et al./ Jackson County, Mississippi*
Chapter 11; Case No. 14-51667-KMS**

Dear Ms. Watson:

Please accept this as a response of the Debtor to your request for a status report in connection with Scheduling Order, DK #1062.

I have not received any discovery responses yet from the Respondent in this contested matter so we have not been able to move forward to finalize this and/or to set a hearing on the motion I filed. I have discussed this with opposing counsel though.

In the absence of discovery responses in two weeks, we will have no choice but to file a motion to compel to move this matter forward.

In the meantime, I have no objection to discussing a trial setting with the Court if that meets with the Court's approval.

If you need anything further from me, please let me know.

With best wishes, I remain.

Respectfully yours,
