MOTION OF STATE OF ILLINOIS DEPARTMENT OF REVENUE FOR LEAVE TO FILE OBJECTION TO CONFIRMATION LATE

The State of Illinois, Department of Revenue ("Illinois"), by its attorney, Lisa Madigan, Illinois Attorney General, requests that the Court grant it leave to file its objection to the Debtors' First Amended Joint Plan of Reorganization late. In support of the motion Illinois states as follows:

1. When the Court approved the disclosure statement and set the Debtors' plan of reorganization for hearing, it set deadline for filing objections to the plan of January 23, 2006.

2. Illinois is a creditor with an asserted priority tax claim of approximately $500,000 pursuant to audit. The plan proposes to pay priority tax claims over a 6 year period from assessment with interest at the 90 day U.S. Treasury Bill rate. This rate is clearly too low to provide Illinois with the "present

value" of its claim. In addition, there is a question concerning whether the Debtors would pay interest on administrative tax claims under the plan as proposed.

3. After the undersigned was assigned the case, he prepared an objection and also attempted to obtain a login for the Court's ECF filing system in time to file a timely objection. Unfortunately he was not able to obtain an ECF login until January 24, 2006. This motion and the objection which is being filed simultaneously are both being filed on January 24, 2006.

4. There is no prejudice to other parties as Illinois served a copy of the objection on all parties upon whom objections were to be served by fax or email on January 23, 2006.

WHEREFORE, Illinois requests that the Court grant it leave to file the objection to confirmation late.
