Re: Willie McCafferty v. ATA, Signature Flight Support
Date of Accident: January 20, 2003
MMH File No. 20-015

Dear Mr. Gronholm:

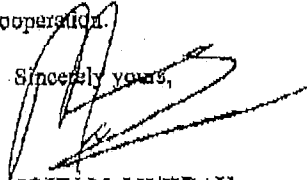

This firm represents Signature Flight Support Corporation and the City of Chicago/Midway Airport in the case styled *Willie McCafferty v. Signature Flight Support Corporation, Midway Airport and the City of Chicago*, Case No. 04 L 000655, filed in Circuit Court of Cook County, Illinois.

Pursuant to the Ground Handling Agreement between ATA and Signature Flight Support, Signature rendered the defense and indemnity of all Defendants to ATA via correspondence on April 9, 2004 and again on July 20, 2004. We attach copies of both tender letters for your convenience. To date, we have received no response to our tender.

Please be advised that we are exploring settlement opportunities with Mr. McCafferty and may be settling his claim within the next two weeks. While we understand ATA is currently in bankruptcy, we intend to pursue a claim for breach of contract of the Ground Handling Agreement at the first opportunity and will request a lifting of the stay in order to proceed directly against ATA's insurers. As such, you are requested to place your insurance company on notice of the potential settlement of the claim and ask them to contact us as soon as possible to discuss same in greater detail.

Thank you for your assistance and cooperation.

Sincerely yours,

JOHN M. MURRAY
MATTHEW L. EVANS
