CLERK

Let me be **perfectly clear** in my response to your objection to my claim against ATA in Exhibit A (included here for reference) that I received this past week.

The objection code assigned to my claim was (A) which you define as either duplicative or a previous claim or amended by a subsequently filed claim.

I am not sure what kind of legal wrangling is going on here but I have submitted all required documentation and proof of my claim on time and in the manner that was requested by you all.

I am tired of the exhaustive legalese that is being used in your letters and think that is simply part of your ploy to get out of paying people like me who would like their money back.

**Here is what I am requesting of you:**

1. A response to this letter (IN PLAIN ENGLISH) specifically stating what your problem is with my claim. I do not want some wishy-washy B.S. fourteen paragraph response either.
2. Tell me if you need additional information to process my claim and if so what (EXACTLY) do you want / need.
3. If you have my claim and some how it has been processed twice please clarify that point and let me know how my claim will handled.
4. Simply telling me that you wish to Disallow and Expunge my claim is NOT acceptable.

In my mind this is a pretty simple issue:

- I paid ATA for airline tickets.
- ATA did not deliver the services paid for
- I want my money back

What am I missing here?

Sincerely

  
Bret Parker
