Claim for ATA Ticket Credit Refund:

**Amount Owed \$761.00**

In August of 2007, I purchased an ATA ticket to Hawaii. The trip was delayed due to a hurricane in the area and I received a credit for \$761.00 toward anywhere ATA flies.

Now that ATA has filed for bankruptcy, this credit must be paid in full to refund ticket.

### Important Travel Reminder

Allow 60-90 minutes to check in (depending on whether or not you have luggage to check). Plan to arrive at the gate 30 minutes before the scheduled departure time. Most airlines require that passengers be onboard and in their seats at least 20 minutes before the scheduled departure time.

The following heightened security measures may be in place:

- No passenger drop-off
- Severely restricted parking close to the airport
- Only ticketed passengers permitted through the security checkpoints
- All carry-on baggage subject to search

Should you wish to reconfirm your flight (though it is not required) or check the status of your flight, please refer to the airline's individual Web site.
