Secured Claim Under 11 U.S.C. § 506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim.

Examples of liens on property include a mortgage on real estate or a security's interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. § 507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Administrative Claim

An administrative claim is a claim of the type described in sections 503 and 507 of title 11 of the United States Code. Among other things, these sections provide that certain types of claims are entitled to administrative expense priority, including, without limitation: (i) the action, necessary costs and expenses of preserving the estate, including wages, salaries, or commissions for services rendered after the commencement of the bankruptcy case; (ii) certain taxes and penalties related thereto; (iii) compensation and reimbursement of certain officers; (iv) the actual, necessary expenses incurred by (a) certain creditors, (b) a creditor, an indenture trustee, an equity security holder, or a committee representing any such entities, in making a substantial contribution to a debtor's chapter 11 case, (c) a custodian, and (v) compensation for services rendered by an indenture trustee. Claims alleged to be entitled to an administrative expense pursuant to 11 U.S.C. § 503(b)(9) should be listed in item 6 of the form, but not in item 1a.

Administrative Claim Under 11 U.S.C. § 503(b)(9)

Claims that are based upon facts or circumstances arising or occurring after the date of the Bankruptcy filing and that qualify as an administrative expense under section 503(b)(9) (excluding 503(b)(9) of the Bankruptcy Code).

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Acknowledgment of Filing of Claim

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system (www.pacer.psc.uscourts.gov) for a small fee to view your filed proof of claim.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

Order Flow Practices: As the introducing broker for your account, FBS routes your orders to our clearing firm affiliate, National Financial Services ('NFS'). In deciding where to send orders received for execution, NFS looks at a number of factors, such as size of the order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement), access to reliable market data, availability of efficient automated transaction processing and execution cost. Some market centers or broker-dealers may execute orders at prices superior to the publicly quoted market. NFS's order routing policies are designed to result in transaction processing that is favorable to its customers. Where a customer directs the market center to which an order is routed, FBS or NFS will route the order to such market center in accordance with the customer's instructions without regard to its general order-routing practices.
