Secured Claim Under 11 U.S.C. § 506(a)
A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim.

Examples of liens on property include a mortgage on real estate or a security's interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim
An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. § 507(a)
Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Administrative Claim
An administrative claim is a claim of the type described in sections 503 and 507 of title 11 of the United States Code. Among other things, these sections provide that certain types of claims are entitled to administrative expense priority, including, without limitation: (i) the action, necessary costs and expenses of preserving the estate, including wages, salaries, or commissions for services rendered after the commencement of the bankruptcy case; (ii) certain taxes and penalties related thereto; (iii) compensation and reimbursement of certain officers; (iv) the actual, necessary expenses incurred by (a) certain creditors, (b) a creditor, an indenture trustee, an equity security holder, or a committee representing any such entities, in making a substantial contribution to a debtor's chapter 11 case, (c) a custodian, and (v) compensation for services rendered by an indenture trustee. Claims alleged to be entitled to an administrative expense pursuant to 11 U.S.C. § 503(b)(9) should be listed in item 6 of the form, but not in item 1a.

Administrative Claim Under 11 U.S.C. § 503(b)(9)
Claims that are based upon facts or circumstances arising or occurring after the date of the Bankruptcy filing and that qualify as an administrative expense under section 503(b)(9) (excluding 503(b)(9) of the Bankruptcy Code).

Redacted
A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

Evidence of Perfection
Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Acknowledgment of Filing of Claim
To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system (www.pacer.psc.uscourts.gov) for a small fee to view your filed proof of claim.

Offers to Purchase a Claim
Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

Estimated Annual Income (EAI) & Estimated Yield (EY) - EAI is an estimate of annual income for a specific security position over the next rolling 12 months. **EY** is calculated by dividing the current EAI for a security position by its statement closing date market value. **EY** reflects only the income generated by an investment; it does not reflect changes in its price, which may fluctuate.

For certain types of securities, EAI and EY could include the return of principal or capital gains which would render them overstated. EAI and EY are estimates provided for informational purposes only and should not be relied on for making investment, trading, or tax decisions. There is no guarantee that your investments will actually generate the EAI or EY presented. Actual income and yield might be higher or lower. EAI and EY should not be confused with a security's 30-day Yield or 7-day Yield, if provided, as such yield quotations reflect the actual historical performance of a security. For additional information, including calculation details, refer to the "Additional Information and Endnotes" section at the end of your statement.

Estimated Cash Flow rolling as of July 31, 2013

The table below presents the estimated monthly interest and dividend income and return of principal that your current holdings may generate over the next rolling 12 months. The cash flows displayed are estimates provided for informational purposes only and there is no guarantee that you will actually receive any of the amounts displayed. These estimates should not be relied upon for making investment, trading or tax decisions. The estimates for fixed rate domestic bond and CD income are calculated using the security's coupon rate. The estimates for domestic common stock and mutual fund income are calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. IADs are sourced from third party vendors believed to be reliable, but no assurance can be made as to accuracy. There are circumstances in which these estimates will not be presented for a specific security you hold. **Please refer to Help/Glossary on Fidelity.com for additional information on these calculations.**

Additional Information and Endnotes

EAI for fixed rate domestic bonds and CDs is calculated using the coupon rate. For all other securities, EAI is calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. IADs are sourced from third party vendors believed to be reliable, but no assurance can be made as to accuracy. This third party data may not be promptly updated to reflect various corporate actions (for example, when an issuer has missed a scheduled dividend payment, announced changes to a payment schedule, or declared a stock split) and, as a result, the EAI and EY may be over or understated. Interest and dividend rates are subject to change at any time, and may be affected by current and future economic, political and business conditions. **Please refer to the Help/Glossary on Fidelity.com for additional information regarding these calculations.**

EAI and EY are not provided for: preferred stocks, exchange traded products (ETFs & ETNs), UITs, variable rate bonds, and international stocks & bonds, but may be included in the future. EAI is not displayed for amounts less than \$10.

Income Summary Shows income by tax status for the statement and year-to-date periods. Except for interest income earned on, or distributed by, tax-exempt securities, Fidelity reports dividends and capital gains held in taxable accounts as taxable income. A portion of income reported as tax-exempt income may be subject to alternative minimum taxes and/or state and local taxes. In Traditional IRAs, Rollover IRAs, SEP-IRAs, SIMPLE IRAs and Keoghs, earnings are reported as tax-deferred income. In Roth IRAs and HSAs, earnings are reported as tax-exempt income as they may be federally tax-exempt if certain conditions are met.

Change in Investment Value The appreciation or depreciation of your holdings due to price changes, plus any distributions and income earned during the statement period, less any transaction costs, sales charges, or fees. **Cost Basis, Gain/Loss, and Holding Period Information** Cost basis is the original amount paid to purchase a security, including the amount of reinvested dividends and capital gains. Generally, we adjust cost basis on events such as returns of capital (including dividend reclassifications) and disallowed losses on wash sales on identical securities within the same account. NFS is required to report certain cost basis and holding period information to the IRS on Form 1099-B. However, cost basis, realized gain and loss, and holding period information may not reflect adjustments required for your tax reporting purposes. Fidelity and NFS specifically disclaim any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information. Unless otherwise specified, NFS determines cost basis at the time of sale using its default methods of average cost for open-end mutual funds (except ETFs) and first-in, first-out (FIFO) for all other securities (including ETFs and shares held in dividend reinvestment plans). Customers should consult their tax advisors for further information.

Cost Fidelity provides purchase cost information for securities held in retirement and HSA accounts. Such information may be adjusted for certain transactions and does not reflect dividends or capital gains reinvestments. Fidelity reports transaction profit or loss information when securities are sold within a retirement or HSA account. Transaction profit or loss is calculated by subtracting purchase cost from sales proceeds using the FIFO method if shares were purchased at different times or prices.

Additional Information About Your Brokerage Account, if Applicable

Customer Free Credit Balance You are entitled to free credit balances in your brokerage account, subject to open commitments of your cash accounts. Free credit balances are not segregated and may be used in NFS business in accordance with federal securities law. There is no free credit balance in a retirement or HSA. **Assets Separate from Your Brokerage Account** Only securities in the margin portion of your brokerage account contribute to margin and maintenance requirements. Other assets, which may be reported on your statement, including insurance products that are distributed by FBS and Fidelity Insurance Agency, Inc. and mutual fund only accounts held directly with the fund (Fidelity Mutual Fund Accounts) are not carried by NFS, not covered by the Securities Investor Protection Corporation (SIPC) and do not count toward your margin and maintenance requirements. Assets held by Portfolio Advisory Services (PAS) are carried by NFS and are covered by SIPC but do not contribute toward your margin and maintenance requirements.

Short Account Balances Securities sold short are held in a segregated short account. These securities are marked-to-market for margin purposes, and any increase or decrease from the previous week's value is transferred weekly to your margin account. Fidelity represents your short account balance as of the last weekly mark-to-market, not as of the statement end date.

Information About Your Option Transactions Each transaction confirmation previously delivered to you contains full information about commissions and other charges. Assignments of American and European-style options are allocated among customer short positions pursuant to a random allocation procedure, a description is available upon request. Short positions in American-style options are liable for assignment anytime. The writer of a European-style option is subject to exercise assignment only during the exercise period. For more information about these, please call Fidelity at 800-544-6666.

Equity Dividend Reinvestment Shares credited to your account resulted from transactions by FBS acting as agent for your account, or the Depository Trust Company (DTC). **Price Information/Total Market Value** The Total Market Value has been calculated out to 9 decimal places; however, the individual unit price is displayed in 5 decimal places. The Total Market Value represents prices obtained from various sources, may be impacted by the frequency with which such prices are reported and such prices are not guaranteed. Prices received from pricing vendors are generally based on current market quotes, but when such quotes are not available the pricing vendors use a variety of techniques to estimate value. These estimates, particularly for fixed income securities, may be based on certain minimum principal amounts (e.g. \$1 million) and may not reflect all of the factors that affect the value of the security, including liquidity risk. The prices provided are not firm bids or offers. Certain securities may reflect N/A or unavailable if the price for such security is generally not available from a pricing source. The Market Value of a security, including those priced at par value, may differ from its purchase price and may not closely reflect the value at which the security may be sold or purchased based on various market factors. The sale or redemption of any fixed income security prior to maturity may result in a loss. Prices for Certificates of Deposit (CDs) on your statement are generally estimates and are not based on actual market prices. The secondary market for CDs is generally illiquid. You should always request a current valuation for your securities prior to making a financial decision of placing an order. In executing orders on the Floor of the NYSE, the Floor broker may permit

Wash Sales If a wash sale occurs, the loss from the transaction is disallowed for federal income tax purposes but may be added to the cost basis of the newly-purchased shares. Fidelity adjusts the cost basis of newly-purchased shares when a wash sale occurs within an account as the result of an identical security purchase. Fidelity does not report disallowed losses or adjust cost basis related to wash sales triggered by sales and purchases of the same security within different accounts or by sales and purchases of "substantially identical" securities within the same or different accounts.

We deliver statements at least four times during the calendar year for any account with a balance. Please review your statement and report any inaccuracies or discrepancies. Inquires, concerns or questions regarding your brokerage account or the activity therein should be directed to Fidelity Brokerage Services LLC (FBS) by calling 800-544-6666, and NFS, who carries your brokerage accounts, by calling 866-408-1138. Any oral communications regarding inaccuracies or discrepancies should be reconfirmed in writing to protect your rights, including those under the Securities Investor Protection Act ("SIPA"). Please advise us of material changes in your investment objectives or financial situation related to your brokerage account(s).

Information About Mutual Funds and Their Performance An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the fund. Before investing, consider the fund's investment objectives, risks, charges, and expenses. Contact Fidelity for a prospectus containing this information. Read it carefully. Performance data shown represents past performance and is no guarantee of future results. Investment return and principal value will fluctuate, so you may have a gain or loss when shares are sold. Current performance may be higher or lower than that quoted. Visit www.fidelity.com/performance for most recent month-end performance.

Each fund reserves the right to terminate or modify its exchange privilege in the future. In connection with access to, purchase of, and/or maintenance of positions in mutual fund and other investment products ("funds"), FBS or NFS may receive the sales loads and 12b-1 fees described in the prospectus, as well as additional compensation, paid by the funds, their investment advisors or affiliates. Additional information about the source(s) and amount(s) of compensation, as well as other remuneration received by FBS or NFS will be furnished to you upon written request. At the time you purchase shares of funds those shares will be assigned either a load, transaction fee (TF), or no transaction fee (NTF) status. When you subsequently sell those shares, any fees applicable to your transaction will be assessed based on the status assigned to the shares at the time of purchase.

The specialist to trade on parity with the order for some or all of the executions associated with filling that order, if such permission would not be inconsistent with the broker's best execution obligations. Individual securities trades placed for your Fidelity Personalized Portfolios account are completed on an agency basis by FBS. ("A") Alternative Investments - Investments such as direct participation program securities (e.g., partnerships, limited liability companies, and real estate investment trusts which are not listed on any exchange), commodity pools, private equity, private debt and hedge funds are generally illiquid investments and their current values may be different from the purchase price. Unless otherwise indicated, the values shown in this statement for such investments have been provided by the management, administrator or sponsor of each program or a third-party vendor without independent verification by FBS and represent their estimate of the value of the investor's participation in the program, as of a date no greater than 18 months from the date of this statement. Therefore, the estimated values shown herein may not necessarily reflect actual market values or be realized upon liquidation. If an estimated value is not provided, valuation information is not available.

Securities in accounts carried by NFS, a Fidelity Investments company, are protected in accordance with the Securities Investor Protection Corporation ("SIPC") up to \$500,000 (including cash claims limited to \$250,000). For details, including the SIPC brochure, please see www.sipc.org or call 1-202-371-8300. NFS has arranged for additional protection for cash and covered securities to supplement its SIPC coverage. Neither coverage protects against a decline in the market value of securities.

Fidelity Distributors Corporation (FDC) is the distributor for Fidelity Funds with marketing and shareholder services provided by FBS or NFS. Brokerage services are provided by FBS, which clears all transactions through its affiliate, NFS. NFS carries all brokerage accounts of FMR LLC. Upon written request, Fidelity and SIPC, FBS, NFS, and FDC are direct or indirect subsidiaries of FMR LLC. Upon written request, Fidelity will mail an NFS financial statement, which is also available for inspection at its office. Fidelity® Personalized Portfolios may be offered through the following Fidelity Investments Companies: Strategic Advisers, Inc., Fidelity Personal Trust Company, FBS ("FPT"), a federal savings bank, or Fidelity Management Trust Company ("FMTC"). Non-deposit investment products and trust services offered through FPT and FMTC and their affiliates are not insured or guaranteed by the FDIC or any other government agency, are not obligations of any bank, and are subject to risk, including possible loss of principal. These services provide discretionary money management for a fee. Fidelity Investments (with Pyramid logo) is a trademark of FMR LLC; insurance products are distributed by FBS, Fidelity Insurance Agency, Inc., and Fidelity Investments Insurance Agency of Texas, Inc. Mutual fund shares, other securities held in your account, and insurance products are neither deposits or obligations of, nor endorsed or guaranteed by, any bank or other depositing institution, nor are they federally insured by the FDIC or any other agency. If you request a reprint of your statement, the disclosure information may not be the same as the information originally provided. Estimated Annual Income (EAI) & Estimated Yield (EY) - EAI is an estimate of annual income for a specific security position over the next rolling 12 months. EY is calculated by dividing the current EAI for a security position by its statement closing date market value. EY reflects only the income generated by an investment; it does not reflect changes in its price, which may fluctuate.

For certain types of securities, EAI and EY could include the return of principal or capital gains which would render them overstated. EAI and EY are estimates provided for informational purposes only and should not be relied on for making investment, trading, or tax decisions. There is no guarantee that your investments will actually generate the EAI or EY presented. Actual income and yield might be higher or lower. EAI and EY should not be confused with a security's 30-day Yield or 7-day Yield, if provided, as such yield quotations reflect the actual historical performance of a security. For additional information, including calculation details, refer to the "Additional Information and Endnotes" section at the end of your statement.
