Secured Claim Under 11 U.S.C. § 506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim.

Examples of liens on property include a mortgage on real estate or a security's interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. § 507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Administrative Claim

An administrative claim is a claim of the type described in sections 503 and 507 of title 11 of the United States Code. Among other things, these sections provide that certain types of claims are entitled to administrative expense priority, including, without limitation: (i) the action, necessary costs and expenses of preserving the estate, including wages, salaries, or commissions for services rendered after the commencement of the bankruptcy case; (ii) certain taxes and penalties related thereto; (iii) compensation and reimbursement of certain officers; (iv) the actual, necessary expenses incurred by (a) certain creditors, (b) a creditor, an indenture trustee, an equity security holder, or a committee representing any such entities, in making a substantial contribution to a debtor's chapter 11 case, (c) a custodian, and (v) compensation for services rendered by an indenture trustee. Claims alleged to be entitled to an administrative expense pursuant to 11 U.S.C. § 503(b)(9) should be listed in item 6 of the form, but not in item 1a.

Administrative Claim Under 11 U.S.C. § 503(b)(9)

Claims that are based upon facts or circumstances arising or occurring after the date of the Bankruptcy filing and that qualify as an administrative expense under section 503(b)(9) (excluding 503(b)(9) of the Bankruptcy Code).

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Acknowledgment of Filing of Claim

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system (www.pacer.psc.uscourts.gov) for a small fee to view your filed proof of claim.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

General instructions and disclosures

About this statement

Clearing services

First Clearing, LLC ("FCC"), an indirect wholly owned subsidiary of Wells Fargo & Company, is a clearing broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the New York Stock Exchange ("NYSE"), the Financial Industry Regulatory Authority ("FINRA") and all principal U.S. exchanges. FCC carries your account(s) and acts as your custodian for funds and securities deposited with us directly by you, through Your Introducing Firm as identified on the front of this statement or as a result of transactions we process for your account. Twice a year, FCC publishes on its web site www.firstclearingllc.com a statement of the firm's financial condition. Alternatively, a printed statement is available to you upon request. Unless and until we receive written notice from you to the contrary, FCC may, without inquiry or investigation, accept from Your Introducing Firm (i) orders for the purchase or sale of securities for your account on margin or otherwise, and (ii) any other instructions concerning your account.

Trade date statement

All activity and positions on this statement are shown as of the date a trade is entered on the brokerage trading system (i.e., the trade date). Proceeds from the sale of securities and costs for the purchase of securities are not transacted through your account until the actual settlement date of the trade, which may be up to three business days after the trade date (or longer for certain securities with an extended settlement date).

Pricing of securities

Securities prices reflected on your statement may vary from actual liquidation value. Prices shown are provided by outside quotation services which we believe to be reliable but due to the nature of market data the accuracy of such prices cannot be guaranteed, or in the absence of such pricing, are estimated by First Clearing, LLC using available information and its judgment. Such estimates may not reflect actual trades and do not reflect a commitment by the firm to buy or sell at those prices. Securities listed on a national exchange such as the NYSE or Nasdaq Stock Market are priced as of the close of the statement period. Unlisted shares may be valued at the current best published "bid-price", and, if none exists, the last reported transaction if occurring within the last 45 days. Prices of securities not actively traded may not be available and are indicated by "N/A". Corporate and municipal bonds and other fixed income securities are priced by a computerized pricing service or, for less actively traded issues, by utilizing a yield-based matrix system to arrive at an estimated market value. Listed options are priced based on the closing "bid-ask" prices and the last reported trade. Mutual fund shares are priced at net asset value. Shares of direct participation program ("DPP") and real estate investment trust ("REIT") securities that are not listed on a national exchange are generally illiquid. Because no formal trading market may exist for these investments, their values are estimated. Unless otherwise indicated, the values shown for DPP and REIT securities have been provided by the management of each program and represent that management's estimate of the investor's interest in the net assets of the program. See statement sections for additional pricing information. Prices for hedge funds and certain managed futures funds are provided on a month delay basis. Other managed futures funds may be priced more frequently. Long-term certificates of deposit (maturity beyond one year from date of issue) are priced using a market value pricing model. Generally, the sale or redemption price of your securities may be higher or lower than the prices shown on your statement. For an actual quote, contact the individual servicing your account.

Estimated annual income/yield

Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors; FCC and our Firm are not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.

Income summary

The Income summary displays all income as recorded in the tax system as of period end date. The totals in the Cash flow snapshot may not match the totals in the Income snapshot due to reclassifications or other corrections made in the tax system. Remember, you may have certain products that are not included in these figures and whose income is only available on the tax forms sent to you at year-end. Reclassifications and other tax reporting requirements may alter these numbers both during and after year end. You should rely only on tax reporting documents. Contact your tax advisor if you have any questions about the tax consequences of your brokerage activity.

SIPC Protection

Securities and cash in client accounts have two sources of protection. First Clearing, LLC ("First Clearing") is a member of the Securities Investor Protection Corporation ("SIPC"). SIPC protects the clients of its member firms against the loss of their securities in the event of the member's insolvency and liquidation. Each client is insured up to a maximum of \$500,000 (including \$250,000 for claims for cash). For more information on SIPC coverage, please see the explanatory brochure at www.sipc.org or contact SIPC at (202) 371-8300. In addition, First Clearing maintains a program of additional protection. This additional insurance coverage is provided through London Underwriters (led by Lloyd's of London Syndicate) ("Lloyd's"). For clients who have received the full SIPC payout limit, First Clearing's policy with Lloyd's provides additional coverage above the SIPC limits for any missing securities and cash in client brokerage accounts up to a First Clearing aggregate limit of \$1 billion (including up to \$1.9 million for cash per client). SIPC and the additional protection do not insure the quality of investments or protect against losses from fluctuating market value.

Free credit balances

Free credit balances are not segregated and may be used by FCC in the operation of its business in accordance with 17CFR Section 240.15c3-2 & -3 under the Securities and Exchange Act of 1934. You have the right to receive from us in the course of normal business operations, subject to any open commitments in any of your accounts, any free credit balances to which you are entitled.

Investment objectives/Risk tolerances

Please inform us promptly of any material change that might affect your investment objectives, risk tolerances or financial situation, or if you wish to impose or change any reasonable restrictions on the management of your account. A copy of the Investment Advisory Services Disclosure document is available without charge upon request. Please contact the individual denoted on the front of your statement to update your information and to receive a copy of this document.

Tax reporting

We are required by federal law to report annually to you and to the Internal Revenue Service ("IRS") on Form(s) 1099 interest income, dividend payments and sales proceeds including cost basis information for applicable transactions credited to your account.
