INTRODUCTION

A. Overview

On July 15, 2013, (the “Petition Date”), AgFeed USA, LLC (“AgFeed USA”) and its above-captioned affiliated debtors and debtors in possession (collectively, the “Debtors”), each Filed voluntary petitions under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. On December 18, 2013, the Debtors Filed the Debtors’ Joint Chapter 11 Plan of Liquidation [Docket No. 699]. On May 9, 2014, the Debtors Filed the Debtors’ First Amended Chapter 11 Plan of Liquidation Supported by the Official Committee of Equity Security Holders (including all exhibits thereto and as amended, modified or supplemented from time to time, the “Plan”). A copy of the Plan is attached hereto as Exhibit A. The Debtor strongly urges all Creditors to vote in favor of the Plan.

This Disclosure Statement describes certain aspects of the Plan, the Debtors’ operations, history and significant events that occurred during the Chapter 11 Cases, the process relating to confirmation of the Plan by the Bankruptcy Court, and related matters. The Plan provides for substantive consolidation of the Consolidated AgFeed USA Debtors and the liquidation of the Debtors' assets. The majority of the Debtors' assets have been liquidated pursuant to the AgFeed USA Sale and the AgFeed Industries Stock Sale. The Plan further provides for the Estates' Assets to be allocated in accordance with the terms of the Plan and distributed to holders of the Allowed Claims and Interests. On the Effective Date, all of the Estates' Assets will vest in and be transferred to the Liquidating Trust. The Liquidating Trust shall be administered by the Liquidating Trustee who shall, among other things, liquidate the remaining Estates' Assets, resolve any disputed Claims, wind-down the affairs of the Debtors, and make initial and final Distributions pursuant to the Plan.

A. Settlement By and Between Debtors and the Equity Holders' Committee

Pursuant to Section 1123(b)(3)(A) and Bankruptcy Rule 9019, the Plan incorporates a settlement, by and between the Debtors and the Equity Holders' Committee or the Plan Supporter on the allocation of Cash and future recoveries between the Holders of Subordinated Claims and Interests. Under the Plan, the SEC and Class Plaintiffs are granted Allowed Claims and in turn contribute all or a portion of their respective Allowed Claims to the Liquidating Trust for Distribution to Holders of Subordinated Claims and/or Interests in accordance with the Plan.

More specifically, the Plan provides that, on the Effective Date of the Plan, the SEC, in full and final satisfaction of any and all Claims (including its proof of claim) or cause of action it has or may have against any of the Debtors, shall have an Allowed Claim in the amount of \$18.0 million payable from the AgFeed Industries Net Distributable Cash which the SEC shall immediately contribute to the Liquidating Trust, with \$12.5 million designated for Distribution to the Holders of Class 5B Interests and \$5.5 million designated for the Plan Fairness Fund established under the Plan. On the Effective Date, the Liquidating Trustee shall also allocate the Cash remaining, after payment of all Allowed Administrative Claims, Allowed Priority Claims, Allowed Secured Claims and Allowed General Unsecured Claims or the establishment of appropriate reserves in accordance with the Plan, plus any unallocated or unreserved Cash for Distribution, to the Holders of Class 5B Interests as of the Distribution Record Date. The Holders of Class 5B Interests as of the Distribution Record Date shall receive their Pro Rata share of the Cash available for Distribution from the funds contributed by the SEC and from the AgFeed Industries Net Distributable Cash which shall include any Cash remaining after Distributions are made from the Plan Fairness Fund. Additionally, Class 5B Interests shall be entitled to additional Distributions from the net proceeds, if any, available as the result of the Liquidating Trustee's pursuit of Causes of Action.

On the Effective Date of the Plan, the Class Plaintiffs shall receive, in full and final settlement of any and all Claims (including proofs of claim) or causes of action against the Debtors or any defendant in the Class Action Litigation, an Allowed Claim in the amount of \$7.0 million, approximately \$3.15 million of which shall be paid from the AgFeed Industries Net Distributable Cash and approximately \$3.85 million of which shall be paid from available insurance proceeds. The Class Plaintiffs' counsel shall be entitled to payment of legal fees and expenses in connection with the Class Action Litigation in an amount up to \$1.75 million payable from the Allowed Class Plaintiff's Claim. The Class Plaintiffs shall immediately contribute the balance of the \$7.0 million, (an amount of at least \$5.25 million), to the Plan Fairness Fund for distribution in accordance with the Plan Fairness Fund Distribution Procedures. Holders of Allowed Subordinated Claims shall receive Distributions from the Plan Fairness Fund in accordance with the Plan Fairness Fund Distribution Procedures.

Additionally, on the Effective Date, all existing stock and equity interests in AgFeed Industries shall be deemed canceled and extinguished and AgFeed Industries shall reissue one (1) share of common stock to the Liquidating Trust. Upon the closing of the bankruptcy cases, the Liquidating Trustee will have authority to take any and all steps necessary to dissolve the Debtors.

A Claim or Interest is placed in a particular Class only to the extent that the Claim or Interest falls within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Interest falls within the description of such other Classes. A Claim or Interest is also placed in a particular Class for the purpose of receiving Distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim in that Class and such Claim or Interest has not been paid, released or otherwise settled prior to the Effective Date. Unless otherwise specified, the information in the following table is based on calculations as of the date hereof.

ALTHOUGH THE DEBTORS BELIEVE FROM THEIR REVIEW OF THE CLAIMS THAT THEIR ESTIMATION OF CLAIMS AND RECOVERIES IS REASONABLE, THERE IS NO ASSURANCE THAT THE ACTUAL AMOUNT OF ALLOWED CLAIMS IN EACH CLASS WILL NOT MATERIALLY EXCEED THE ESTIMATED AGGREGATE AMOUNTS SHOWN HEREIN. THE DEBTORS ARE CONTINUING THEIR INVESTIGATION OF THE CLAIMS AND HAVE NOT MADE A FINAL DETERMINATION OF ALL THE CLAIMS THAT MAY BE OBJECTED TO, AS SUCH DETERMINATION MAY BE MADE BY THE DEBTORS. THE ACTUAL RECOVERIES UNDER THE PLAN WILL BE DEPENDENT UPON A VARIETY OF FACTORS INCLUDING, BUT NOT LIMITED TO, WHETHER, AND IN WHAT AMOUNT, CONTINGENT CLAIMS, IF ANY, AGAINST ANY OF THE DEBTORS BECOME NON-CONTINGENT AND FIXED AND WHETHER, AND TO WHAT EXTENT DISPUTED CLAIMS, IF ANY, ARE RESOLVED IN FAVOR OF THE ESTATES RATHER THAN THE CLAIMANTS.

IV.

HISTORY OF THE DEBTORS AND COMMENCEMENT OF THE CASES

A. Corporate Structure and History and Overview of Business Operations

1. Corporate Structure and History.

AgFeed Industries was established in 1995 as a feed producer in China and has subsequently become one of the leading hog producers in China. Its operations are conducted through its various non-Debtor foreign subsidiary entities in China and the British Virgin Islands. At its inception, its primary focus was the sale of pre-mix feed product which was developed for use at various stages of a hog's life. It subsequently became a public company and listed on the NASDAQ. In 2007, in an effort to establish itself as a larger market participant and to better utilize its feeding mills, AgFeed Industries, through its non-Debtor foreign subsidiary entities, expanded its operations in China by entering the Chinese hog production market, thus also making it a leading hog producer in China.

AgFeed Industries subsequently sought to further expand its operations into the U.S. hog production market and take advantage of the more advanced and modernized production facilities and management techniques in the U.S. market. Accordingly, in September 2010, AgFeed Industries purchased (the "M2P2 Acquisition") a leading U.S. hog producer, M2P2, LLC (now known as AgFeed USA) and each of its subsidiaries from AF Sellco ("AF Sellco").

Accordingly, AgFeed USA, a Delaware limited liability company, is a wholly-owned subsidiary of AgFeed Industries. M2P2 General Operations, LLC ("M2P2 General"), MGM, LLC ("MGM"), TS Finishing, LLC ("TS Finishing"), New York Finishing, LLC ("New York Finishing"), M2P2 Facilities, LLC ("M2P2 Facilities") and M2P2 AF, JV, LLC ("M2P2 AF"), each Delaware limited liability companies, are wholly-owned subsidiaries of AgFeed USA. Midwest Finishing, LLC ("Midwest Finishing"), a Delaware limited liability, Genetics Operating LLC ("Genetics Operating"), a Colorado limited liability company, Pork Technologies, L.C. ("Pork Technologies"), an Iowa limited liability company, New Colony Farms, LLC ("New

Colony Farms”), a North Carolina limited liability company and Heritage Farms, LLC (“Heritage Farms”), a Colorado limited liability company, are each wholly-owned subsidiaries of M2P2 General. Heritage Land, LLC (“Heritage Land”), a Colorado limited liability company, New Colony Land Company, LLC (“New Colony Land”), a North Carolina limited liability company, and Genetics Land, LLC (“Genetics Land”) are wholly-owned subsidiaries of M2P2 Facilities. For the convenience of parties in interest, a corporate organizational chart is attached hereto as **Exhibit C**.

2. Overview and Business Operations.

a. AgFeed Industries and Its Non-Debtor Subsidiaries

AgFeed Industries oversees and manages the Chinese operations (the “Chinese Operations”) of its non-Debtor Chinese affiliates through its subsidiary, AgFeed Industries, Inc. (BVI) (“AgFeed Industries BVI”) (collectively, the “Foreign Non-Debtors”). Through the Chinese Operations, the Foreign Non-Debtors maintain twenty-one (21) commercial farms and five (5) feed mills in China which produce over a quarter million hogs annually. AgFeed Industries employs five (5) full-time staff whose expertise in the hog production field provides oversight and management services to both the Foreign Non-Debtors and to AgFeed USA and its Debtor subsidiaries. Pursuant to a management services agreement, AgFeed USA pays for the services provided to it and its subsidiaries through monthly intercompany transfers from AgFeed USA to AgFeed Industries.

b. AgFeed USA and Its Debtor Subsidiaries

As the result of the M2P2 Acquisition, AgFeed USA and its Debtor subsidiaries retained the then existing purchase and supply arrangements with Hormel Foods Corporation (“Hormel”) and immediately became one of the leading hog producers in the U.S. Through their approximately 200 full-time and part-time employees and their integrated use of ten (10) sow farms in North Carolina, Oklahoma and Colorado and two (2) feed mills located in North Carolina and Colorado, the Debtors produced over one (1) million hogs annually.³ The hog production operation was known in the industry as a “Two Site Production,” which included all hog production phases from breeding, to farrowing, to grow-finishing, to producing the actual finished hogs to market.

As a part of their U.S. operations, certain of the Debtors either purchased their hogs or bred their hogs at one of their sow farms using boars purchased from certain third parties. The Debtors’ feed mill in North Carolina produced Sow feed products for use at the Debtors’ North Carolina sow farms, and the feed mill in Colorado produced Sow feed products for the Debtors’ Colorado and Oklahoma sow farms.

Once the hogs were weaned from the sow they were transported to one of the contracted finishing farms (collectively, the “Finishing Farms”) located in Iowa until the hog reaches approximately 265 lbs. In accordance with the terms and conditions of separate agreements, the

³ The Debtors also maintained offices in Turbin, Oklahoma; Lamar, Colorado; and Columbia, North Carolina to manage day-to-day operations at their sow farms and feed mills.

“finishing” was conducted on a “finishing farm” by one of the Debtors’ approximately 200 independent contractors known as “contract growers” (collectively, the “Contract Growers”). The Contract Growers, the vast majority of which were family farmers, were responsible for all aspects involved in getting the hogs to market, including, but not limited to, feeding and providing veterinary care. The Debtors, however, procured the feed used by the Contract Growers from eight (8) separate independent feed mills in Iowa. At the completion of the finishing process, the Debtors’ hogs were marketed and sold, almost exclusively to Hormel, pursuant to certain hog procurement agreements and weanling agreements (as subsequently amended or modified) which are more fully described below.

In 2012, the Debtors’ gross revenue as the result of the U.S. business operations was approximately \$244 million.

B. Pre-Petition Secured Debt Structure

Prior to the Petition Date, AgFeed USA and certain of its Debtor subsidiaries, as borrowers (collectively, the “Borrowers”), and Farm Credit Services of America, PCA and Farm Credit Services of America, FLCA, as the lenders, were parties to that certain Credit Agreement, dated June 7, 2006, as amended, supplemented or otherwise modified from time to time (the “Farm Credit Loan Agreement”), pursuant to which Farm Credit made available to the Debtors certain credit facilities (collectively, the “Farm Credit Facility”). As of the Petition Date, the Farm Credit Facility consisted of a revolving loan in the approximate amount of \$60.1 million (the “Farm Credit Revolving Loan”) and a term loan in the approximate amount of \$8.4 million (the “Farm Credit Term Loan”).⁴

On the Petition Date, the principal balance on the Farm Credit Revolving Loan was approximately \$60.1 million. Pursuant to the Farm Credit Loan Agreement, the Borrowers made monthly payments on the accrued interest and it matured on or about February 1, 2013. On the Petition Date, the principal balance on the Farm Credit Term Loan was approximately \$8.4 million. Pursuant to the Farm Credit Loan Agreement, the Borrowers made monthly installment payments, on account of the Farm Credit Term Loan, in the approximate amount of \$181,500. The Farm Credit Term Loan also matured on or about February 1, 2013. The Borrowers’ obligations under the Farm Credit Loan Agreement were secured by substantially all of the Borrowers’ assets.

C. Events Leading to the Debtors’ Chapter 11 Cases

Prepetition, certain of the Debtors and affiliates of Hormel were parties to two (2) long-term weanling agreements; namely, (i) that certain Weanling Pig Sales Agreement, dated January 1, 2010, by and between TS Finishing, LLC and Mountain Prairie, LLC (the “TS Finishing Weanling Agreement”), and (ii) that certain Weanling Pig Sales Agreement, dated January 1, 2010, by and between Midwest Finishing, LLC and CHAMP, LLC (the “Midwest Weanling Agreement,” and together with the TS Finishing Weanling Agreement, the “Weanling Agreements”). Pursuant to the Weanling Agreements, Hormel agreed to sell and the Debtors

⁴ As described more fully in Article V(D), all obligations and indebtedness related to the Farm Credit Facility have been satisfied from the proceeds from the AgFeed USA Sale.

agreed to buy approximately 640,000 weanling pigs per year or roughly a little more than half of the Debtors' hog supply. The balance of the Debtors' hogs that are ultimately produced to market are almost exclusively bred by the Debtors at their own sow farms.

In addition, certain of the Debtors (collectively, the "Producers") were also parties to three (3) long-term hog procurement agreements with Hormel; namely, (i) that certain Hog Procurement Agreement, dated January 1, 2010, by and between MGM, LLC, as producer, and Hormel (the "MGM Procurement Agreement"), (ii) that certain Hog Procurement Agreement, dated January 1, 2010, by and between Midwest Finishing, LLC, as producer, and Hormel (the "Midwest Finishing Procurement Agreement"), and (iii) that certain Hog Procurement Agreement, dated January 1, 2010, by and between TS Finishing, LLC, as producer, and Hormel (the "TS Finishing Procurement Agreement," and together with the Midwest Finishing Procurement Agreement and the MGM Procurement Agreement, collectively, the "Procurement Agreements"). It is through the Weanling Agreements and Procurement Agreements (together, the "Hormel Agreements") that the Debtors produce their finished hogs.

Pursuant to the Procurement Agreements, certain Debtors, as producers, agreed to sell, and Hormel agreed to buy, the Debtors' entire hog output. Through the use of various independent shippers, the hogs that were produced were delivered to one of Hormel's two largest processing facilities located in Austin, Minnesota and Fremont, Nebraska. In the fiscal year 2012, the Debtors delivered over 1.3 million hogs to the Hormel facilities, making the Debtors the largest supplier of hogs to those locations. All of the Producers' obligations under the Procurement Agreements were guaranteed by AgFeed USA.

Pursuant to the Procurement Agreements, Hormel agreed to pay the Debtors, upon delivery of a load of hogs to their facility, an agreed upon percentage of the actual market price (the "Market Price") of the hog as reported on a weekly basis by the USDA Market News. These payments were typically made within one (1) week of a delivery of a lot of hogs.

The Procurement Agreements also each utilized certain pricing mechanisms; namely, market ledgers, production ledgers and quarterly settlements which were designed to lessen the negative impact on AgFeed USA of market fluctuations in production costs and the market prices for hogs. In addition, the parties contemporaneously executed a Sales Price Adjustment Addendum which was also designed to further adjust for the fluctuations in market price and production costs. As the result of these pricing mechanisms, Hormel essentially absorbed any temporary imbalances in the market pricing and the appropriate adjustments were made on a quarterly basis through the quarterly settlements and the Sales Price Adjustment Addendum (as defined in the *Keith A. Maib Declaration in Support of First Day Pleadings*, Docket No. 4 (the "First Day Declaration")).

On August 31, 2012, as the result of the previously described business relationship, Hormel initiated an arbitration proceeding over the alleged misallocation of certain overhead costs of AgFeed Industries to AgFeed USA which resulted in an alleged overstatement with respect to AgFeed USA's production costs. On September 12, 2012, AgFeed USA Filed a counterclaim against Hormel for damages as the result of Hormel supplying the Debtors with

unhealthy hogs and for its failure to make certain payments due to the Debtors under the Hormel Agreements.

On September 10, 2012, Hormel also gave written notice of its intent to terminate the Weanling Agreements. Thus, pursuant to its terms, the Midwest Weanling Agreement was set to terminate on September 10, 2014 (or two (2) years after the notice was given), and the TS Finishing Weanling Agreement was set to terminate on April 27, 2018. Simultaneously, Hormel also gave written notice of its intent to terminate the MGM Procurement Agreement and the TS Finishing Procurement Agreement. By its terms, the MGM Procurement Agreement was set to terminate either on (i) September 10, 2014 if the Market Ledger Balance (as defined in the First Day Declaration) was zero or (ii) such date after September 10, 2014 when the Market Ledger Balance became zero. Per the agreement, the TS Finishing Procurement Agreement would terminate either on (i) October 5, 2018 if the Market Ledger Balance was zero or (ii) such date after October 5, 2018 when the Market Ledger Balance became zero. The Midwest Finishing Procurement Agreement terminated when the last hogs from the Midwest Weanling Agreement were delivered to Hormel.

In connection with the arbitration, on January 9, 2013, the arbitrator issued a partial final award pursuant to which he found in favor of Hormel with respect to the misallocation of AgFeed Industries' overhead costs and the overstatement of production costs and found in favor of the Debtors with respect to the poor health of certain of the hogs supplied to the Debtors and the late payment in certain quarters. The arbitrator's decision resulted in Hormel receiving a net award of \$7.9 million which was satisfied in full by a setoff against amounts that were otherwise payable by Hormel to the Debtors in January 2013 as part of the quarterly settlements under the Procurement Agreements.

Hormel subsequently initiated a second arbitration proceeding seeking changes to the standard prices used in calculating the quarterly settlement payments under the Procurement Agreements and seeking unspecified monetary damages. The Debtors believed that a major portion of the arbitration award to Hormel, as well as some of the new claims that were asserted by Hormel in the second arbitration proceeding, were attributable to the accounting practices employed by M2P2, LLC with respect to the Hormel Agreements prior to the Sale. Accordingly, the Debtors believed that they were entitled to indemnification from AF Sellco with respect to certain portions of the arbitrator's award. Accordingly, on November 29, 2012 and January 16, 2013, the Debtors delivered their demand for indemnification to AF Sellco and, on the Petition Date, were in the process of pursuing those claims. As more fully described in Article V(H) of the Plan, the parties subsequently entered into a settlement agreement resolving the Debtors' claims against AF Sellco and certain of AF Sellco's claims against the Debtors.

The aforementioned arbitration decision constituted an event of default under the Farm Credit Loan Agreement.

In addition, the obligations under the Farm Credit Facility matured on or about February 1, 2013, and, as of the Petition Date, the Borrowers had not repaid the amounts due thereunder.

1. Hormel Settlement.

Notwithstanding Hormel's notice of intent to terminate the Hormel Agreements and the ongoing arbitration, the parties initiated negotiations in an effort to reach a global resolution with respect to the business relationship going forward and the ongoing disputes related thereto. As the result of subsequent discussions, AgFeed USA, Midwest Finishing, LLC, MGM, LLC, and TS Finishing, LLC (collectively, the "AgFeed USA Parties") and Hormel Foods Corporation, Hormel Financial Services Corporation, Champ, LLC, and Mountain Prairie, LLC (collectively, the "Hormel Parties") entered into that certain Termination and Settlement Agreement, dated April 1, 2013 (the "Settlement and Termination Agreement"), which provided for, among other things, (i) the winding down of the business relationship by December 31, 2013 through the termination or amendment of certain procurement and weanling agreements, (ii) the dismissal of the arbitration action against the AgFeed USA Parties, (iii) the granting of mutual releases between the AgFeed USA Parties and the Hormel Parties, and (iv) the issuance of a non-interest bearing, unsecured note in the approximate amount of \$2.84 million by certain of the Debtors to Hormel, payable on December 31, 2014.⁵

As part of AgFeed Industries' due diligence in connection with the M2P2 Acquisition, AF Sellco provided AgFeed Industries with copies of M2P2's financial statements for the years 2007 through 2009, and with its unaudited consolidated and combined balance sheet for the portion of the year 2010 ending on August 14th. Likewise during the due diligence process, AF Sellco procured from Hormel and delivered to AgFeed Industries a letter dated September 1, 2001 (the "Estoppel Letter") addressing various facets of the Hormel/M2P2 relationship. The Estoppel Letter stated, among other things, that to Hormel's knowledge "none of the M2P2 Entities have violated, breached, or defaulted any term or provision of the Hormel Agreements." AgFeed Industries has not released any claims and defenses that may arise under the Estoppel Letter.

Contemporaneously upon entry into the Settlement and Termination Agreement, certain of the Debtors entered into three (3) new short-term hog procurement agreements with Hormel; namely, (i) that certain Hog Procurement Agreement, dated April 1, 2013, by and between MGM, LLC, as producer, and Hormel (the "2013 MGM Procurement Agreement"), (ii) that certain Hog Procurement Agreement, dated April 1, 2013, by and between Midwest Finishing, LLC, as producer, and Hormel (the "2013 Midwest Finishing Procurement Agreement"), and (iii) that certain Hog Procurement Agreement, dated April 1, 2013, by and between TS Finishing, LLC, as producer, and Hormel (together with the MGM Procurement Agreement and the Midwest Finishing Procurement Agreement, collectively, the "2013 Procurement Agreements").⁶ Pursuant to the 2013 Procurement Agreements, certain of the Debtors agreed to sell, and certain Hormel entities agreed to buy, all of the hogs that the Debtors produce to market at an agreed upon base price for each hog produced minus certain agreed upon deductions. Under the terms

⁵ The Debtors believe, as part of the Hormel Settlement, that AgFeed Industries did not release any of the potential causes of action that it may have against Hormel, and therefore, it still retains those potential causes of action as further described in Article V(L) of the Disclosure Statement. It should be noted that Hormel has taken the position, however, that pursuant to the terms of the Hormel Settlement, AgFeed Industries also released any potential claims that it may have against Hormel.

⁶ The descriptions of the 2013 Procurement Agreements are being provided for the benefit of the Court and other parties-in-interest. However, to the extent that there are inconsistencies between the descriptions provided herein and the actual terms and conditions of the 2013 Procurement Agreements, the actual terms and conditions of the 2013 Procurement Agreements shall govern.

of the 2013 Procurement Agreements, the agreements terminate the earlier of: (i) December 31, 2013; or (ii) the date on which the last hog purchased by a Debtor under the Weanling Agreements (as amended) is delivered to Hormel.

Also, in connection with the Termination and Settlement Agreement, on April 1, 2013, certain of the Debtors and Hormel also executed amendments to the TS Finishing Weanling Agreement and the Midwest Weanling Agreement which, among other things, terminated the Weanling Agreements effective June 30, 2013.

2. Farm Credit Forbearance Agreement.

As the result of subsequent negotiations between the Debtors and Farm Credit, the parties entered into that certain forbearance agreement by and between the Debtors and Farm Credit, dated February 1, 2013, as subsequently amended, supplemented or otherwise modified from time to time (the “Forbearance Agreement”), pursuant to which Farm Credit agreed not to take any action to enforce its rights under the Farm Credit Loan Agreement as the result of the Borrowers’ default until the earlier of (i) the Borrowers’ breach of the Forbearance Agreement or (ii) July 1, 2013, to enable the Debtors and Farm Credit time to explore restructuring options. The Forbearance Agreement was not extended, but Farm Credit took no action to exercise remedies since the expiration.

D. Special Committee Investigation into Accounting Irregularities in China Operations

In 2011, the Board of Directors of AgFeed Industries discovered certain accounting irregularities related to certain of the Chinese farm assets. As a result, in September 2011, the Board of Directors appointed a special committee (the “Special Committee”) to investigate, among, other things, (i) the accounting relating to certain Chinese farm assets (acquired during 2007 and 2008) used in AgFeed Industries’ hog production business and (ii) the validity and collectability of certain of the Company’s accounts receivable relating to its Chinese animal nutrition business. The Special Committee, whose members were Milton P. Webster, III and Bruce Ginn, were authorized to retain experts and advisers to carry out its investigation. To that end, the Special Committee engaged the law firm of Latham & Watkins, LLP and FTI Consulting, Inc. who conducted the investigation (the “Special Committee Investigation”) which focused on determining the existence of fraud and the effects that such a fraud may have on AgFeed Industries’ previously reported results and financial positions..

On or about December 2011, at the conclusion of the Special Committee Investigation, the Special Committee found that there was evidence to suggests that there were, in fact, accounting irregularities in AgFeed Industries’ legacy farm hog operations and feed mills in China, including the misstatement of revenues, inventory, property and equipment, and cost of goods sold and that the periods affected by these practices included the 2008 fiscal year and the subsequent periods through the first two quarters of 2011. Specifically, there was evidence that there were practices in China during that time period designed to increase the profitability in the legacy hog farms by artificially inflating several different accounts such as sales, inventory of feed and hogs, construction in process, fixed assets and accounts receivable. In addition, the Special Committee discovered evidence that the Chinese management falsified documents to support these transactions and maintained two separate sets of books – one real set of books and

one that would be sent to management and the Board in the U.S. It was further determined by the Special Committee that the parties solely responsible for these accounting irregularities were Chinese nationals based in China and that no members of the U.S. management team of the Debtors or their U.S. subsidiaries were involved.

As the result of the Special Investigation, the Board of Directors of AgFeed Industries terminated all of the parties that it believed were involved in the accounting irregularities, reconstituted the Board of Directors, and restructured the management team. Additionally, on January 31, 2012, AgFeed Industries concluded that its audited financial statements for the year ended December 31, 2008 should no longer be relied upon. Accordingly, as described more fully below, management and the Board of Directors engaged a U.S. based consulting firm with significant operations in China to assist with the process of restating its historical financials for the affected periods, and it voluntarily delisted from the NASDAQ on February 1, 2012.

In the first quarter of 2012, and as the result of the Special Committee Investigation, the Debtors engaged Marcum Bernstein & Pinchuk LLP ("Marcum"), AgFeed Industries' accounting consultant, to assist management with the restatement process leading to restated financial statements to be subjected to audit. As part of the restatement process, Marcum, from its China office and under the supervision of AgFeed Industries' management, among other things, (i) inspected the hog farms and feed mills, (ii) interviewed the then current management of the hog farms and feed mills, and (iii) reviewed electronic and hard copy accounting records.

Management and the Board of Directors further engaged its independent auditors, McGladrey, LLP ("McGladrey") to review and comment on management's restatement approach. Additionally, Goldman Kurland Mohidin, LLP ("Goldman"), the Debtor's predecessor independent auditors to McGladrey, were engaged to opine on the opening balance sheet related to the Debtor's intended Securities and Exchange Commission filings of its restated financials.

The restatement process was conducted over a 14-month period prior to its cessation in May 2013. During this time, AgFeed Industries, Marcum, McGladrey and Goldman coordinated their restatement process efforts, which lead to management's development of a restatement tool reflecting management's internal representation of the restated financial results (balance sheets and income statements). Neither McGladrey nor Goldman concluded their respective audits of the restated results. Accordingly, the adjustments discussed subsequently and reflected in the restated balance sheets and income statements are presented as internal and unaudited.

1. Hog Farm Assets.

As the result of the restatement process, it was confirmed that certain of AgFeed Industries' twenty-nine (29) "Legacy" farms reported fictitious purchase and sale transactions involving hog inventory during 2008, 2009, 2010 and the first half of 2011. In the second quarter of 2012, AgFeed Industries visited each of the hog farms, interviewed the current management of the farms, and reviewed the available electronic and hard copy accounting records. As part of the restatement process, AgFeed Industries, through Marcum, identified the questionable customer sales and supplier purchases related to those questionable accounts receivable by, among other things:

- a. Identifying “questionable” customer accounts and sales, where the various information regarding those customer accounts and the underlying sales to those customer accounts have led AgFeed Industries to conclude that such customer accounts did not truly reflect customer activity and such sales did not in fact occur;
- b. Identifying “questionable” supplier accounts and purchases, where the various information regarding those supplier accounts and the underlying purchase from those suppliers have led AgFeed Industries to conclude that such supplier accounts did not truly reflect supplier activity and such purchases did not in fact occur;
- c. Identifying “questionable” products, which are products purportedly sold in the questionable sales transactions;
- d. Further supporting the identification of “questionable” products by comparing the gross profit ratio of such products to the ratios for other AgFeed feed products and corresponding industry data, as well as conducting detailed transaction testing on a scope basis; and
- e. Calculating proposed adjustments by taking the previously reported amounts, reduced by the amounts of the questionable transactions/

As the result of the restatement process, AgFeed Industries, through Marcum, identified the questionable customer sales and supplier purchases based on overall indicia of questionable transactions such as evidence of (i) abnormally large purchase or sale amounts, (ii) insufficient supporting documentation, (iii) significant sales just before a period ended, and (iv) sales made to unnamed customers for cash with the proceeds immediately used to settle a related questionable purchase. After identifying the questionable transactions, AgFeed Industries and adjusted the previously reported amounts based on that analysis. A summary of the results of those adjustments are as follows:

<i>USD Thousands</i>	2008	2009	2010	6 mos. ended 6/30/2011
Amounts reported:				
Revenues	91,916	109,556	64,613	24,708
Cost of goods sold	71,243	97,283	71,774	21,096

Gross profit	9,015	4,379	(4,049)	4,763

Accordingly, AgFeed Industries believes that the following adjustments should be made 2008 through the first half of 2011:

2. Purchase Price Accounting.

In August or September 2011, AgFeed Industries also discovered the existence of two sets of “Schedule C’s” for eighteen (18) of the twenty-eight (28) “Legacy” farms purchased in 2008. There was one Schedule C used to support the purchase price allocation, as recorded (the “Reported Schedule C’s”), that had different quantities than a subsequently identified Schedule C representing the schedule supporting the contract (the “Original Schedule C’s”). AgFeed Industries reviewed both Schedule C’s and determined that neither Schedule C was more reliable than the other.

For each of the purchase transactions, AgFeed Industries acquired inventoried livestock, medicine and animal feed, breeding herds (sows, gilts and boars), long-term leases pertaining to animal and worker buildings and land use rights. Under pre-codification SFAS 141, the definition of a business is “an integrated set of activities and assets that is capable of being conducted and managed for the purpose of providing a return in the form of dividends, lower costs, or other economic benefits directly to investors or other owners, members, or participants.” SFAS 141 refers to EITF 98-3, which further classifies the elements of the transferred set to include inputs, processes and outputs. Following are the elements and what was acquired in the transactions that satisfy the elements:

- Inputs—breeding herd, long-term leases for buildings, equipment for animal and worker housing and long-term land-use rights;
- Processes—systems, standards, protocols, conventions and rules are in place for normal, self-sustaining operations. The breeding herd and existence of

- marketable livestock, medicine and feed are indicative of an operating commercial hog-production farm; and
- Outputs—access to markets through customers (generally brokers) is available.

Based on satisfying the necessary elements and viewing the subsequent securing of business licenses for the assets purchased provides additional assurance supporting the satisfaction of these elements as well as contemporaneous comments in investor presentations, which correlate acquisitions to current year multiples, the Company concluded that the asset purchases individually constitute a business combination subject to SFAS 141.

Based on the review and analysis of the Schedule Cs by AgFeed Industries, the Original Schedule C documents reflect the total purchase value being allocated completely to assets other than goodwill. AgFeed Industries found significant differences in the live animal counts, weight adjustments and values used in the Original Schedule Cs compared to the Reported Schedule Cs. Given the differences, AgFeed Industries performed a legal review of the contracts for references to finality at signing versus allowing for post-closing adjustments, legal authorization based on Chop or other legal authorizations customary to Chinese contracts of this type and calculating an expected production flow for the farms for comparison to the purchased breeding herd and inventoried offspring.

Though it was determined that the original counts for 6 of the 18 farm entities were the more likely reflection of the breeding stock and inventoried animals purchased, AgFeed Industries concluded overall that neither the Original Schedule C's nor the Reported Schedule C's provided definitive clarity as to which was the more accurate reflection of the purchased assets. As a result, AgFeed Industries decided to (1) recreate the opening balance sheets under purchase price accounting through analytics and inquiries regarding original source documents, including the respective Schedule Cs, and third party information where available and (2) expand its procedures and analysis to cover all 28 farms purchased in 2008.

AgFeed Industries recalculated the value of acquired live animal inventory using published historical market prices for pigs and piglets derived from websites to correlate market prices with the projected market hog production flows of the purchased farms. Based on such market prices and assuming that the purchased inventory would be valued in accordance with SFAS 141's general valuation guidance (*i.e.*, estimated selling prices, less the cost to complete the growth of the purchased inventory (pigs) to market weights and a reasonable gross profit margin), AgFeed Industries calculated a potential understatement of acquired inventory value.

In accordance with SFAS 141, the breeding herd for a commercial farm operation aligns itself with plant and equipment for purposes of valuation. Under SFAS 141 guidance, the value would be set at the current replacement cost for similar capacity unless the expected future use of the assets indicates a lower value. Under this guidance, AgFeed Industries viewed the makeup of the farm's herd as representative of a commercial hog production operation with internal breeding herd replacement practices. Consistent with this view, AgFeed Industries estimated the cost to replace a sow and boar using an internally developed formula based on the then current market prices for feed inputs and estimates of other costs (e.g. labor and overhead).

Based on the foregoing, AgFeed Industries made the following adjustments to the 2008 legacy farm entity acquisitions:

From Schedule C analysis:

Amounts in USD (Thousands)	Implied Understatement (Overstatement) vs. Reported
Inventory	548
Fixed assets	62
Accumulated depr.	(21)
Goodwill	(610)
Depreciation expense	21

From the SFAS 141 analysis:

Amounts in USD (Thousands)	Implied Understatement (Overstatement) vs. Reported
Inventory	2,162
Fixed assets	(3,863)
Accumulated depr.	364
Construction in process	(489)
Goodwill	(8,545)
Depreciation expense	(364)
Cost of goods sold	10,735

3. Feed Mills Accounts Receivable.

During the restatement process, it was discovered that AgFeed Industries five (5) feed mills reported fictitious purchase and sale transactions involving feed inventory for parts of 2007, 2008, 2009, 2010 and the first half of 2011. As the result of the restatement, AgFeed Industries believes that the “Founders” inflated or created fraudulent account receivables and then sold those invalid or fraudulent account receivable balances to certain agents at an approximately 40% discount. As part of the restatement process, AgFeed Industries, through Marcum, identified the questionable customer sales and supplier purchases related to those questionable accounts receivable by, among other things:

- a. Identifying “questionable” customer accounts and sales, where the various information regarding those customer accounts and the underlying sales to those customer accounts have led AgFeed Industries to conclude that such customer accounts did not truly reflect customer activity and such sales did not in fact occur;
- b. Identifying “questionable” supplier accounts and purchases, where the various information regarding those supplier accounts and the underlying

purchase from those suppliers have led AgFeed Industries to conclude that such supplier accounts did not truly reflect supplier activity and such purchases did not in fact occur;

- c. Identifying “questionable” products, which are products purportedly sold in the questionable sales transactions;
- d. Further supporting the identification of “questionable” products by comparing the gross profit ratio of such products to the ratios for other AgFeed feed products and corresponding industry data, as well as conducting detailed transaction testing on a scope basis; and
- e. Calculating proposed adjustments by taking the previously reported amounts, reduced by the amounts of the questionable transactions.

AgFeed Industries concluded that all customer accounts whose receivables were factored (the “Factored Accounts”) were questionable customer accounts or accounts not involving a true customer and to whom sales did not truly occur. AgFeed Industries then reviewed data in the accounts receivable sub-module in the feed mills’ EAS and K3 accounting systems and identified common characteristics of the Factored Accounts, such as all sharing the same unusual account number sequence, sharing the same unusual credit terms, having the same unusual account representative designated in the accounting system and no transactions after the factoring in May 2011. Other customer accounts that shared these common characteristics were also considered to be questionable customers.

By reviewing the EAS and K3 accounts receivable sub-ledger information for the questionable customers, AgFeed Industries identified certain products (including series of products) that it considered to be questionable. Such questionable product had all [or most of] the following characteristics at each feed mill: (i) they were sold to [most or] all of the of the Factored Customers; (ii) they had unusually high volumes of sales to the Factored Customers compared to volumes sold to other customers; (iii) they had unusually high gross profit margins in years prior to 2011 compared to other AgFeed products and industry averages; (iv) they had no inventory quantities as of the 2007 – 2010 year ends (so the overstatement could not have been detected by year-end physical inventories) and at June 30, 2011; and (v) the production and sale of such products suddenly declined or ceased in May or June 2011, in spite of their high margins.

AgFeed Industries then identified any other customer accounts that purchased the questionable products as additional “questionable” accounts. AgFeed Industries attempted to contact all of the questionable customers to gather more information about the accounts receivable, but either could not reach a person behind each questionable account or found them to be uncooperative, putting the validity of the receivables and related sales into further doubt. All sales to questionable customer accounts were considered to be questionable sales that should be reversed.

AgFeed Industries identified questionable supplier accounts or accounts not involving a true supplier and from whom purchases did not truly occur by reviewing data in the accounts payable and inventory sub-module in the feed mills’ EAS and K3 accounting systems and

reviewing on-line public records of the local Tax Bureau and the local Industrial and Commercial Bureau. Questionable supplier accounts had some combination of the following or other unusual characteristics: (i) no purchase transactions occurred after the factoring transactions; (ii) the sharing of the same unusual account number sequence; (iii) the expiration of the tax certificate of the supplier, (iv) un-renewed business license of the supplier; (v) the People's Republic of China tax invoice issued by this supplier could not be validated; (vi) the supplier was a natural person or otherwise a person that would not be expected to be a supplier of feed raw materials; (vii) and the authorized business scope of the supplier per its business license did not include the sales of the inventory that the feed mill purportedly purchased from the supplier. The purchases from these suppliers increased significantly in 2009 and 2010, before declining precipitously in May and June 2011, consistent with the surge and sudden drop in questionable sales described above.

By scrutinizing the EAS and K3 inventory sub-ledgers, AgFeed Industries identified questionable products and inventory, products sharing the same unusual account number sequence and no period-ending balances of inventory for certain of the products. Finally, AgFeed Industries identified irregularities in the bills of materials for the questionable products, which placed the production and sales of those products into further doubt.

All purchases from questionable suppliers, purchases of questionable raw materials and the inventory buildup of questionable products (finished goods inventory) were considered to be questionable transactions that should be reversed.

Based on its work, AgFeed Industries concluded that only two of the feed mills overstated sales and gross margins in 2007 and only three of the feed mills overstated sales and gross margins in 2008. Because less information was available for 2007 and 2008, AgFeed Industries had to make certain changes in its procedures and make certain assumptions or estimates when calculating the restatements for those periods in order to complete the restatement. In particular, because no purchasing detail was available, AgFeed Industries assumed that the gross profit on questionable sales was the same for 2007 and 2008 as the corresponding average gross profit on such questionable sales for 2009 and 2010, and adjusted the previously reported amounts based on that analysis. A summary of the results of those adjustments are as follows:⁷

<u>USD Thousands</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>6 mos. ended 6/30/2011</u>

⁷ Based on the restatement efforts, AgFeed concluded that only two of the feed mills overstated sales and gross margins in 2007 and only three of the feed mills overstated sales and gross margins in 2008. Because less information was available for 2007 and 2008, AgFeed Industries made certain assumptions or estimates when calculating the restatements for those periods in order to complete the restatement. In particular, AgFeed Industries assumed that the gross profit on the questionable sales was the same in 2007 and 2008 as the corresponding gross profit on such questionable sales for 2009 and 2010 because less information was available for 2007 and 2008.

4. Miscellaneous Restatement Matters.

During the course of the restatement process, AgFeed Industries discovered other facts that were not related to the Special Committee Investigation, but that nonetheless warranted adjustments to the company's financials. These adjustments include reversals and recalculations of prior-period recordings impacted by the restatement process, adoption of liability accounting for outstanding warrants, and other adjustments surfacing from the in-depth nature of the restatement effort.

a. Goodwill

Given the nature of the investigation findings and adjustments related to the goodwill-bearing legacy farms and the Hainan Hopejia feed mill, AgFeed Industries determined that testing for impairment of goodwill under pre-codification SFAS 142 was warranted beginning with 2008, the year of acquisition. AgFeed Industries prepared discounted cash flow models by reporting unit (e.g. regions) to estimate fair value of the reporting unit. The discounted cash flow models incorporated a third-party determined discount rate and key assumptions formulated for marketed pigs, feed conversion, marketed weight and CPI adjustments to cost drivers. The model further considered other restatement process adjustments prior to determining the

impairment to the adjusted goodwill balance. Accordingly, the table below reflects the comparative adjustments to the income statement by period.

<u>USD Thousands</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>6 mos. ended 6/30/2011</u>
Reported amounts				
Goodwill impairment	0	0	21,612	0
Restated amounts:				
Goodwill impairment	13,447	10,476	8,640	0

If the testing for impairment of goodwill resulted in impairment to the reporting unit, the long-lived assets of the reporting unit were tested for recoverability under pre-codification SFAS 144 using a non-discounted cash flow model. The comparative calculated impairments to long-lived assets by period is as follows:

<u>USD Thousands</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>6 mos. ended 6/30/2011</u>
Reported amounts				
Asset impairment	0	0	9,022	0
Restated amounts:				
Asset impairment	0	685	3,560	0

b. Warrant/Convertible Debt Accounting

In 2008 and 2009, AgFeed Industries entered into securities purchase agreements with institutional investors granting the investors warrants to purchase the common stock of AgFeed Industries at contracted exercise prices. At initial accounting for the warrants, they were deemed qualifying for equity treatment under EITF 00-19. Under this treatment, a warrant typically represents a one-time expense upon issuance based on the Black-Scholes Pricing Model. Subsequently, a review of the agreements highlighted a cash buyout provision available to the investors under specific events. The cash buyout provision subjects the warrants to liability accounting for derivative instruments. This treatment requires the warrant to be reported as a liability on the balance sheet that is marked-to market each reporting period based on a binomial pricing model, with the changes in market value recorded to the income statement.

The adjustments for converting the warrants to liability accounting from equity accounting follow:

<u>USD Thousands</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>6 mos. ended 6/30/2011</u>

c. Ganzhou Green Legacy Farm Entity

In May 2009, AgFeed Industries entered into an agreement to exchange its 60% ownership interest in Ganzhou AgFeed farm for the minority-owned 40% interest in Ganzhou Green (LvFeng) and RMB 14,700,000. AgFeed Industries recorded the ownership exchange in 2009 and in 2012 reached agreement with the counterparty to settle the outstanding cash amount due for RMB 10,000,000.

The following adjustments have been recorded:

d. Other Reversals and Adjustments

During the normal course, adjustments are made to the accounting books at the local and consolidated level for U.S. GAAP reporting. These adjustments record lower of cost or market changes to inventory, changes in the valuation of unborn pigs, general accruals, income taxes, post-closing, but pre-reporting adjustments, and goodwill, which is carried on the consolidated books and not the local books.

The following adjustments primarily result from or “respond” to the overall restatement process adjustments:

5. Effect of Accounting Irregularities and Restatement Process.

Based on the findings of the Special Committee, AgFeed Industries made every reasonable effort to produce restated financials, and in doing so, spent millions of dollars in professional fees. In the first quarter of 2012, the Debtors began to run out of time and money as they began to experience a liquidity crisis which was due, in part, to the cost of the Special Committee Investigation, along with the declining performance of the Chinese hog farm and feed mills, exacerbated by adverse movements in China's commodity prices for feed and market hogs. Accordingly, in an effort to raise capital, in February 2012, AgFeed Industries retained BDA Advisors and its parent company Business Development Asia (HK) Ltd. ("**BDA**") to assist the AgFeed Industries in seeking a possible investor(s) or pursuing a possible divestiture, joint venture, or other strategic partnership with any third party involving the sale of either their legacy farms or feed business. However, despite extensive marketing efforts, the inability to get the restatements completed (due to the complexity of the situation and the extremely high costs associated with the restatement) hampered AgFeed Industries' ability to raise capital outside of bankruptcy. Ultimately, in July 2013, the Debtors, in consultation with their professionals, concluded that it was in the Debtors' best interest to terminate the restatement process and commence the Chapter 11 Cases in order to implement an orderly sale process, under the supervision of the Bankruptcy Court designed to maximize the estates value for the benefit of all creditors and stakeholders. The Debtors believe that the restatement process is internally complete to the point of producing restated balance sheets and income statements reflecting restated amounts in the areas of findings identified by the Special Committee and other areas identified by the Debtor in the course of the restatement process. The restated balance sheets and income statements remain subject to full independent auditor comments and possible adjustments. Accordingly, the restated balance sheets and income statements, attached hereto as **Exhibit D**, are presented as unaudited.

E. Prepetition Litigation

In connection with the above described accounting irregularities, at the time of the filing of these Chapter 11 Cases, AgFeed Industries and a number of its current and former executive officers and directors were parties to certain class action litigation commenced by a number of shareholders and were also the subjects of an investigation conducted by the Securities and Exchange Commission. Attached hereto as **Exhibit E** is a list identifying the directors and officers of AgFeed Industries beginning in 2006, some of which may or may not be parties to the below described litigation.

1. Derivative Class Action Litigation.

This is a consolidation of three (3) shareholder derivative suits brought in the Middle District of Tennessee against several of AgFeed Industries' current and former officers and directors, consolidated under the case captioned, *Arshi v. Stadler, et al.*, United States District Court for the Middle District of Tennessee, Case No. 3-11-cv-01087, which alleges, among other things, breaches of fiduciary duties, gross mismanagement, abuse of control, waste of corporate assets, unjust enrichment, contribution and indemnification.⁸ AgFeed Industries is named as a nominal defendant, which means that the suits are actually brought on behalf of AgFeed Industries and any recovery in connection with the Derivative Class Action Litigation would go to AgFeed Industries. The suit seeks to recover certain amounts alleged to have been lost by AgFeed Industries as the result of the alleged misconduct. As a derivative cause of action, the Derivative Class Action Litigation became property of the AgFeed Industries Estate upon the filing of the Chapter 11 Cases. Although the Derivative Class Action Litigation was subsequently dismissed, any and all causes of action in connection therewith shall remain property of the AgFeed Industries Estate and may be subsequently prosecuted by the Liquidation Trustee in accordance with the terms of the Plan.

2. Class Action Litigation.

This is a consolidation of two (2) separate actions brought against AgFeed Industries and certain of its current and former officers and directors by certain shareholders in the United States District Court for the Middle District of Tennessee which were filed in 2011 and which have been consolidated as *Blitz v. AgFeed Industries, Inc., et al.*, Case No. 3-11-cv-0992. The Class Action Litigation, brought on behalf of shareholders (the "Class Plaintiffs") who purchased or other acquired shares in AgFeed Industries between March 16, 2009 through September 29, 2011 (the "Class Period") filed against AgFeed Industries and certain of its former and current officers and directors, as the defendants, alleges damages resulting from violations of Sections 10(b) and 20(a) of the Securities and Exchange Act of 1934, 15 U.S.C. §§ 78J(b) and 78t(a), and SEC Rule 10b05 promulgated thereunder by SEC, 17 C.F.R. § 240.10b-5. The Class Action Litigation alleges, among other things, that AgFeed Industries raised funds from Wall Street investors and sustained its stock price through fraudulent means by creating overstating the

Stadler et al.*, Middle District of Tennessee, Case No. 3-11-cv-01069; (ii) *Ashi v. Stadler, et al.*, Middle District of Tennessee, Case No. 3-11-cv-01087, and (iii) *Spinella v. assets of the Chinese operations, including its accounts receivable. At the time of the filing of the Chapter 11 Cases, the Class Action Litigation was the subject of numerous motions to dismiss, including one such motion filed by AgFeed Industries. However, upon the filing of the Chapter 11 Cases, the Class Action Litigation, as it relates to AgFeed Industries, has been stayed pursuant to Section 362 of the Bankruptcy Code.⁹

3. Securities and Exchange Commission Investigation.

The Securities and Exchange Commission (the “SEC”) issued a formal order of investigation on January 3, 2012 (In the Matter of AgFeed Industries, Inc. (D-03246)). The scope of the AgFeed Industries investigation related primarily to the financial reporting issues raised by the Special Committee Investigation. The SEC completed its investigation in August 2013. The SEC’s position is that United States management was apprised of a number of “red flags,” which show the existence of fraud and the falsity of AgFeed Industries’ financial reporting, and that United States management was aware of the falsity of AgFeed Industries’ financial statements when AgFeed Industries filed its August 9, 2011 Form 10-Q. On August 29, 2013, the SEC issued Wells notices (“Wells Notices”) to AgFeed Industries, as well as to four former officers or directors of AgFeed (the “Individual Defendants”). These notices indicated that the SEC made a preliminary determination to recommend that the SEC file enforcement actions against AgFeed Industries and the Individual Defendants, alleging violations of: Section 17(a) of the Securities Act of 1933, Sections 10(b), 13(a), 13(b)(2)(A), 13(b)(2)(B), and 13(b)(5) of the Securities Exchange Act of 1934, and Rules 10b-5, 12-20, 13a-11, and 13a-13 thereunder.

As a result of the SEC’s investigation, on March 11, 2014, the SEC filed a complaint in the United States District Court for the Middle District of Tennessee styled the *Securities and Exchange Commission v. AgFeed Industries, Inc. et. al.* (Case No. 3:14-cv-00663) (the “SEC Complaint”), pursuant to which the SEC alleges, from May 1, 2008 through December 19, 2011, violations of: Section 17(a) of the Securities Act of 1933, Sections 10(b), 13(a), 13(b)(2)(A), 13(b)(2)(B), and 13(b)(5) of the Securities Exchange Act of 1934, and Rules 10b-5, 12-20, 13a-11, and 13a-13 by AgFeed Industries and certain officers and directors in connection with the financial reporting and disclosures made by AgFeed Industries.¹⁰ By the SEC Complaint, in part because of the alleged damages incurred by the Defrauded Investors (as defined below), the SEC seeks an order: (i) finding that each of the defendants committed the violations alleged in the SEC Complaint; (ii) an injunction permanently restraining and enjoining each of the defendants from violating the laws and rules alleged in the SEC Complaint; (iii) permanently prohibiting each of the defendants from acting as an officer or director of a public company; (iv) disgorgement of any ill-gotten gains; (v) payment of civil monetary penalties; and (vi) reimbursement of bonuses, incentive-based and equity-based compensation, and/or profits received by Selina Jin, Junhong Xiong and Edward J. Pazdro as the result of the AgFeed Industries Stock Sale (as defined herein).¹¹

⁹ In connection with the Class Action Litigation, the Class Plaintiffs have filed a proof of claim in these Chapter 11 Cases in the amount of \$26 million.

¹⁰ The individual defendants in the SEC Complaint are: Junhong Xiong, Selina Jin, Songyan Li, Shaobo Ouyang, Edward J. Pazdro and K. Ivan Gothner.

¹¹ Also, in connection with the SEC investigation, on or about March 11, 2014, AgFeed Industries’ former chairman and interim Chief Executive Officer, John A. Stadler, consented to an order from the SEC (the “Stadler Cease and”

Additionally, in connection with the SEC investigation, AgFeed Industries and the SEC entered into a settlement agreement (the “SEC 12(j) Settlement Agreement”) addressing AgFeed Industries’ failure to file the (i) restated financial reports with the SEC or the annual report on Form 10-K since March 16, 2011 or (ii) periodic or quarterly reports on Form 10-Q for the fiscal period subsequent to its fiscal quarter ending June 30, 2011. Pursuant to the SEC 12(J) Settlement Agreement, AgFeed Industries consented to, among other things, the revocation of its registration pursuant to section 12(j) of the Exchange Act.

On March 11, 2014, pursuant to Bankruptcy Rule 9019, AgFeed Industries filed a motion [Docket No. 961] (the “SEC 9019 Motion”) in the Bankruptcy Court, seeking approval of the SEC 12(j) Settlement Agreement. On March 31, 2014, the Court entered an order [Docket No. 1001] approving the relief requested and the SEC 12(j) Settlement Agreement.

F. National Economic Research Associates, Inc. (NERA) Analysis

In December 2013, the Equity Holders’ Committee engaged National Economic Research Associates, Inc. (“NERA”) as an economic consultant. As the composition of the Holders of Interests in AgFeed Industries, on the one hand, and the composition of the purchasers of shares in AgFeed Industries prior to December 19, 2011 (the “Defrauded Investors”), on the other hand, potentially impacted the timing and the structure of any proposed plan of liquidation, NERA was instructed by the Equity Holders’ Committee, as part of its engagement conduct an analysis into the extent of any overlap of the Holders of Interests in AgFeed Industries and the Defrauded Shareholders. That analysis, the “NERA Analysis”, is attached hereto as **Exhibit F**.

G. Director and Officer Insurance Coverage and Relation to Prepetition Litigation

1. Overall Coverage.

In the ordinary course of business, the Debtors maintained insurance policies which provided primary coverage and, in certain instances, excess umbrella coverage for, among other things, workers compensation, automobile liability, general liability, farm and ranch liability, equipment breakdown, property, and directors’ and officers’ liability (collectively, the “Policies”). The Policies were and continue to be essential to the preservation of Debtors’ assets. As one of their First Day Pleadings filed with the Bankruptcy Court, the Debtors Filed a motion [Docket No. 10] which sought authority, in their discretion, honor insurance policies and to continue financing arrangements for the Policies. At the time of the filing of the Chapter 11 Cases, the Debtors’ director and officer liability insurance provided coverage in the aggregate amount of \$10 million and provided coverage for claims for wrongful acts and omissions committed by directors and officers in their capacity as such. The Bankruptcy Court entered an order [Docket No. 32] granting the relief requested. In addition, on November 7, 2013, the

Desist Order”), which among other things, barred him from acting as an officer or director of a publicly-traded company and required him to pay a \$100,000 civil penalty. Additionally, on or about March 11, 2014, AgFeed Industries former Chief Financial Officer, Clayton T. Marshall, consented to an order from the SEC (the “Marshall Cease and Desist Order”), which among other things, (i) suspended him from practicing as an accountant on behalf of any publicly-traded company or other entity regulated by the SEC for at least five (5) years and (ii) required him to cease and desist from committing or violating any future violations of the Exchange Act.

Debtors Filed a motion to acquire additional director and officer liability insurance [Docket No. 559] which provided \$5 million in coverage for the Debtors' directors and officers, for a term of one year beginning on October 23, 2013. On November 22, 2013, the Bankruptcy Court entered an order granting the relief requested on an interim basis. *See* Docket No. 627. On December 16, 2013, the Bankruptcy Court entered an order granting the relief requested on a final basis. *See* Docket No. 692. The Debtors' interests in these Policies, including any director and officer insurance policies become Liquidating Trust Assets and are a potential source of recovery for Holders of Allowed Claims and Allowed Interests.

2. Issues Regarding Payments Under D&O Coverage.

The applicable directors and officers liability insurance coverage ("D&O Coverage") for the pending Class Action and Derivative lawsuits against AgFeed Industries and certain of its current and former officers and directors, as well as for costs related to the SEC investigations involving certain current and former officers and directors, is found in policies issued for the 2010-2011 policy years. These policies provide per claim and aggregate coverage limits totaling \$20 million, subject to various limitations. These limits are generally depleted by both defense costs and the costs of any settlements or judgments arising from a covered claim.

The majority of the governing terms and conditions for the D&O Coverage are found in a primary policy (the "Primary Policy") that was issued by Chartis Insurance Company China Limited ("Chartis") and PICC Property and Casualty Company Limited ("PICC"). The Primary Policy contains a \$5 million per claim and aggregate coverage limit. Each of Chartis and PICC are responsible for 50% of this limit. After the Primary Policy, there are three follow form excess policies, each of which provide limits of \$5 million per claim and in the aggregate.

a. Derivative Class Action Litigation and Class Action Litigation

There are currently few, if any, issues relative to coverage for costs directly arising from the Class Action and Derivative lawsuits. Thus, the full \$20 million of coverage limits should be available to pay for defense costs and any settlement or judgment arising from these matters. In this regard, Chartis has issued a fairly minimal reservation of rights letter relative to these lawsuits, and the Debtors believe it will provide reimbursement for defense costs and any judgment or settlement to which it consents, up to its \$2.5 million (50%) share of the limits of this policy. However, PICC, has neither taken an active role in the claim nor acknowledged its coverage obligations. PICC has hired outside legal counsel, who has discussions with the Debtors concerning the claim, and has requested various additional information relative to the placement of the policy and the underlying claims. The Debtors have responded to these inquiries and have provided PICC's outside counsel with many of the requested documents. However, PICC remains unwilling to acknowledge its coverage obligations under the insurance policies.

If PICC ultimately does not admit to coverage and live up to its coverage obligations, it would effectively create a coverage gap which AgFeed Industries or individual directors and officers would then need to fill that gap, in order to gain access to the limits of the excess policies, likely while separately pursuing litigation against PICC to force it to live up to its coverage obligations.

b. Securities and Exchange Investigation

The Primary Policy contains a \$1 million sublimit of coverage for “Investigation Costs” related to the SEC investigation of current and former officers and directors. The costs related to the representation of individual directors and officers that received SEC subpoenas already far exceed this amount, and Chartis has paid its share of the sublimit (\$500,000). The Debtors continue to pursue PICC for its 50% share of the sublimit.

After exhaustion of the \$1 million sublimit, there is no further coverage under either the Primary Policy, or the excess policies, for Investigation Costs arising from SEC subpoenas issued to individual directors and officers (either for costs already incurred in excess of \$1 million, or for any future costs that are incurred and which are associated with the SEC investigation). Furthermore, there is no D&O Coverage for costs associated with any investigation of AgFeed Industries, as an entity, by the SEC. It should also be noted that Wells Notices served on any individual are subsumed within the definition of an “investigation” under the D&O Coverage. Therefore, the costs associated with defending individuals relative to any Wells Notice would fall within the Investigation Cost sublimit, which has been exhausted. However, if the SEC were to institute a formal proceeding against an individual director or officer, the costs associated with such a proceeding would generally be eligible for reimbursement under the D&O Coverage, as such proceedings fall outside the policy definition of an “Investigation” and into the policy definition of a “Claim,” which is subject to the full policy limits.

V.

THE CHAPTER 11 CASES

A. Commencement of Chapter 11 Cases

On July 15, 2013, the Debtors Filed a voluntary petition under chapter 11 of the Bankruptcy Code and continued in the management and possession of their business and properties as a debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. On July 23, the Official Committee of Unsecured Creditors (the “Creditors’ Committee”) was appointed. On August 23, 2013, the Equity Holders’ Committee (together with the Creditors’ Committee, the “Committees”) was appointed. No trustee or examiner has been appointed in the Chapter 11 Cases.

An immediate effect of the filing of the Chapter 11 Cases was the imposition of the automatic stay under the Bankruptcy Code, which, with limited exceptions, enjoins the commencement or continuation of all collection efforts by Creditors, the enforcement of liens against property of the Debtors and the continuation of litigation against the Debtors. The automatic stay of an act against property of the Debtors’ Estates remains in effect, unless modified by the Bankruptcy Court, until such property no longer is property of the Debtors’ Estates; the stay of all other acts encompassed by the automatic stay continues until the earlier of the time the Debtors’ chapter 11 cases are closed or dismissed.

B. First Day Orders

Concurrent with the filing of their chapter 11 petitions, the Debtors Filed several “first-day” applications and motions (collectively, the “First Day Pleadings”) with the Bankruptcy Court. The First Day Pleadings, as set forth more fully therein, were intended to minimize the adverse effects of the Chapter 11 Cases on the Debtors and were necessary to enable the Debtors to operate effectively as chapter 11 debtors in possession. Pursuant to the First Day Pleadings, the Debtors sought and obtained Bankruptcy Court approval to, among other things: (i) jointly administer the Chapter 11 Cases [Docket No. 26], (ii) authorize the Debtors’ continuation of the prepetition cash management system [Docket No. 28], (iii) establish, initially on an interim and thereafter on a final basis, adequate assurance procedures with respect to its utility providers [Docket Nos. 33 and 161]; (iv) honor prepetition obligations to certain feed component providers, finishing farms and feed providers [Docket No. 30], (v) pay prepetition claims of shippers [Docket No. 31], (vi) honor and continue prepetition insurance coverage and premium financing agreements [Docket No. 32] and (vii) use cash collateral [Docket Nos. 34, 104, 25, 310 and 416].

C. AgFeed USA Sale

Prepetition, the Debtors, in consultation with their professional advisors, diligently evaluated a number of options to address their current liquidity issues. Based on the Debtors’ evaluation, the Debtors concluded that a sale of all or substantially all of the assets of Consolidated AgFeed USA Debtors was the best way to maximize value for their stakeholders. To that end, on or about March 25, 2013, the Debtors and their professional advisors began a robust and aggressive marketing effort which resulted in several expressions of interests. After consideration of the various expressions of interest, the Consolidated AgFeed USA Debtors entered into that certain Asset Purchase Agreement Among The Maschhoffs, LLC (“The Maschhoffs”), as buyer, and AgFeed USA, LLC, M2P2 General Operations, LLC, Midwest Finishing LLC, Genetics Operating LLC, Pork Technologies, L.C., New Colony Farms LLC, Heritage Farms LLC, MGM, LLC, TS Finishing, LLC, M2P2 Facilities, LLC, Heritage Land, LLC, New Colony Land Company, LLC, Genetics Land, LLC, and M2P2 AF JV, LLC, as sellers, dated July 15, 2013, pursuant to which, subject to Court approval, The Maschhoffs agreed to purchase substantially all of the assets of the Consolidated AgFeed USA Debtors for approximately \$79 million, subject to certain working capital adjustments. The Debtors determined that the floor established by the proposed sale to The Maschhoffs, acting as the stalking horse bidder and subject to higher and better bids with approval of the Bankruptcy Court in an open auction process pursuant to section 363 of the Bankruptcy Code, afforded the Consolidated AgFeed USA Debtors the best opportunity to maximize value for their stakeholders.

Accordingly, on July 17, 2013, the Debtors Filed the *Debtors’ Motion for Entry of (A) an Order (I) Scheduling a Hearing on the Approval of the Sale of All or Substantially All of the Assets of AgFeed USA, LLC and Its Debtor Subsidiaries, and the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, (II) Approving Certain Bidding Procedures, Certain Assumption and Assignment Procedures, the Break-Up Fee, and the Expense Reimbursement, and the Form and Manner of Notice Thereof, and (IV) Granting Related Relief; and (B) an Order (I) Approving a Certain Asset Purchase Agreement, (II) Authorizing the Sale of*

All or Substantially All of the Sellers' Assets Free and Clear of All Encumbrances, (III) Authorizing the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (IV) Granting Related Relief [Docket No. 43] (the "AgFeed USA Sale Motion"), pursuant to which the Debtors sought entry of an order, which, among other things approved certain bidding procedures, scheduled an auction and provided for certain bidding protections for The Maschhoffs as the stalking horse bidder. On August 1, 2013, the Bankruptcy Court entered an order approving the bidding procedures [Docket No. 103] (the "AgFeed USA Bidding Procedures Order").

Pursuant to the AgFeed USA Bidding Procedures Order, the Debtors conducted an auction on August 26, 2013, at the conclusion of which a competing bid submitted by High Plains Pork, LLC, Cohoma Pork, LLC and Murphy-Brown LLC was selected as the Prevailing Bidders (as defined in the AgFeed USA Bidding Procedures Order). The Debtors valued the net bid value of the Prevailing Bidders, after payment of certain fees and expenses and proceeds to be received from the sale and collection of assets not being acquired at \$79,228,406. On August 29, 2013, the Bankruptcy Court held a hearing (the "AgFeed USA Sale Hearing") to consider the relief requested in the AgFeed USA Sale Motion. For the reasons set forth on the record, the Bankruptcy Court entered the order [Docket No. 257] (the "AgFeed USA Sale Order") which approved the sale (the "AgFeed USA Sale") of substantially all of the assets of the Consolidated AgFeed USA Debtors to Plains Pork, LLC, Cohoma Pork, LLC and Murphy-Brown LLC (the "AgFeed USA Purchasers"). The AgFeed USA Sale closed on September 12, 2013.

Pursuant to the asset purchase agreement with the AgFeed USA Purchasers which was approved by the AgFeed USA Sale Order, the Consolidated AgFeed USA Debtors assumed and assigned many of their unexpired leases and executor contracts to the AgFeed USA Purchasers, and in conjunction therewith, subsequently rejected those outstanding leases and contracts that the AgFeed USA Purchasers elected not to acquire. In addition, pursuant to the asset purchase agreement, the AgFeed USA Purchasers, who did not acquire the Consolidated AgFeed USA Debtors' North Carolina finishing herd as part of the AgFeed USA Sale, agreed to manage that finishing herd which had been previously marketed to Hormel. As a result, the Consolidated AgFeed USA Debtors were able to market the finishing herd to Hormel were able to realize the receivable due from Hormel under certain procurement agreements.

The AgFeed USA Sale closed on September 17, 2013, at which time AgFeed USA paid Farm Credit \$48 million from the AgFeed USA Sale proceeds to pay down a portion of the prepetition indebtedness, with the remainder of the prepetition indebtedness to be paid from the proceeds from the hogs sold to Hormel during the wind down process. On November 12, 2013, the Debtors paid the remainder of their indebtedness with respect to Farm Credit and Farm Credit released any and all liens and claims related to the Farm Credit Facility.

The Consolidated AgFeed USA Debtors' known remaining assets consist of primarily Cash on hand.

D. AgFeed Industries Stock Sale

Prepetition, the Debtors, in consultation with their professional advisors, also evaluated a number of options with respect to AgFeed Industries to address their current liquidity issues. To

that end, the Debtors and their professional advisors began a robust and aggressive marketing effort on behalf of AgFeed Industries and its foreign subsidiaries in an effort to maximize the value of the AgFeed Industries estate for the benefit of its stakeholders. The marketing effort resulted in several expressions of interest. After consideration of the various expressions of interests, AgFeed Industries entered into that certain Agreement for Sale and Purchase of Shares among AgFeed Industries, Inc., as Seller, and Good Charm International Development Ltd, as Purchaser (“Good Charm” or the “Purchaser”) and Ningbo Tech-Bank Co., Ltd., as Parent (“NTB”), dated September 13, 2013 (the “SPA”). Pursuant to the SPA, subject to Bankruptcy Court approval, Good Charm agreed to purchase and AgFeed Industries has agreed to sell 100% of the outstanding shares of AgFeed Industries, Inc. (British Virgin Islands) (the “Target Shares”) for \$50.5 million.¹² The Debtors determined that the floor established by the proposed sale to Good Charm, acting as the stalking horse bidder and subject to higher and better bids with approval of the Bankruptcy Court in an open auction process pursuant to section 363 of the Bankruptcy Code, afforded AgFeed Industries the best opportunity to maximize value for their stakeholders.

Accordingly, on September 18, 2013, the Debtors Filed the *AgFeed Industries, Inc.’s Motion for Entry of (A) an Order (I) Scheduling a Hearing on the Approval of the Proposed Stock Purchase Agreement Regarding the Sale and Purchase of the Stock of AgFeed Industries, Inc. (British Virgin Islands), (II) Approving Certain Bidding Procedures, Certain Assumption and Assignment Procedures, the Break-Up Fee, and the Expense Reimbursement, and the Form and Manner of Notice Thereof, and (IV) Granting Related Relief; and (B) an Order (I) Authorizing and Approving AgFeed Industries, Inc.’s Sale of the Stock of AgFeed Industries, Inc. (British Virgin Islands), (II) Approving a Certain Stock Purchase Agreement, (III) Authorizing and Approving AgFeed Industries, Inc.’s Entry Into and Consummation of the Stock Purchase Agreement, and (IV) Granting Related Relief* [Docket No. 331] (the “AgFeed Industries Stock Sale Motion”), pursuant to which the Debtors sought entry of an order, which, among other things approved certain bidding procedures, scheduled an auction and provided for certain bidding protections for Good Charm as the stalking horse bidder. On October 10, 2013, the Bankruptcy Court entered an order approving the bidding procedures [Docket No. 436] (the “AgFeed Industries Bidding Procedures Order”).

In accordance with the AgFeed Industries Bidding Procedures Order, Good Charm was deemed the Highest and Best Bidder and its bid the Highest and Best Bid. However, despite exhaustive marketing efforts by the Debtors and their professionals, no other Qualified Bids (as defined in the AgFeed Industries Bidding Procedures Order) were received prior to the Bid Deadline (as defined in the AgFeed Industries Bidding Procedures Order). As a result, the auction was cancelled on November 13, 2013 and Good Charm was deemed the Highest and Best Bidder. After no competing Qualified Bids were received for AgFeed Industries’ assets, AgFeed Industries began discussions with Good Charm to attempt to quantify the extent of the Purchase Price Adjustments (as defined in the SPA) and address other issues raised by Good Charm in connection with closing on the SPA. Specifically, Good Charm raised concerns over the exposure to historical taxes relating to the Shangdong feed mill operations, AgFeed Industries’ estimated cost of remediating environmental issues at the Xinyu farm, the overall

deterioration of the feed mill operations, and the payment of the Sale Bonuses (as defined in the SPA) pursuant to Section 2.5.2 of the SPA. At the conclusion of the negotiations, the parties reached an agreement on an amendment to the SPA (the “First Amendment”), that provided for, among other things, (i) a reduction of \$3,450,000 to the Base Purchase Price which resulted in an adjusted Purchase Price of \$47.13 million, (ii) the Sale Bonuses to be paid by Good Charm at the Closing, (iii) the Company’s Group (as defined in the SPA) to use commercially reasonable best efforts basis to cause Xinyu farm operations to commence any capital expenditures relating to the Xinyu farm that Good Charm or NTB directs and approves, including seeking approval from the requisite local authorities, and (iv) Good Charm and NTB to close the sale on or before December 6, 2013.

On November 26, 2013, the Bankruptcy Court held a hearing (the “AgFeed Industries Stock Sale Hearing”) to consider the relief requested in the AgFeed Industries Sale Motion. For the reasons set forth on the record, the Bankruptcy Court entered the order [Docket No. 640] (the “AgFeed Industries Stock Sale Order”) which approved the SPA (as amended) and the sale (the “AgFeed Industries Stock Sale”) of the Target Shares to Good Charm. The AgFeed Industries Stock Sale closed on December 6, 2013.

AgFeed Industries’ known remaining assets consist of primarily Cash on hand as a result of the AgFeed Industries Stock Sale.

E. Key Employee Programs

On July 31, 2013, the Debtors Filed the *Debtors’ Motion Pursuant to Section 105, 363(b) and 503(c) of the Bankruptcy Code, for Entry of an Order: (I) Authorizing the Debtors to Honor Obligations in Connection with Certain Key Executive Employment and Incentive Agreements with Edward Pazdro and Gerard R. Daignault, (II) Approving the Debtors’ Key Executive Incentive Plan and Key Manager Incentive Plan, and (III) Authorizing Payment of Earned Bonus Program Holdbacks to Certain Key Executives* [Docket No. 96] (the “KEIP Motion”). By the KEIP Motion, the Debtors sought authorization to implement a key employee incentive plan (the “KEIP”) for four (4) of their executive officers and a key manager incentive plan (“KMIP”) for two (2) of their key operational, non-insider employees (the KEIP, together with the KMIP, the “Key Employee Programs”). The Key Employee Programs were designed to ensure that the Debtors’ key employees remained with the Debtors throughout the Consolidated AgFeed USA and/or AgFeed Industries sale processes. On August 29, 2013, the Bankruptcy Court entered an order approving the Key Employee Programs (as modified) [Docket No. 256] (the “KEIP Order”).

On November 4, 2013, the United States Trustee for the District of Delaware (the “U.S. Trustee”) Filed a motion to reconsider the KEIP Order as they related to Messrs. Pazdro and Daignault [Docket No. 546] (the “Reconsideration Motion”), arguing that the Wells Notices and the information gathered in connection with Examiner Motion (defined below) constituted “newly discovered evidence” pursuant to Bankruptcy Rules 9023 and 9024. The Debtors objected to the Reconsideration Motion [Docket No.586] and the matter was heard by the Bankruptcy Court on November 21, 2013, at the conclusion of which the Bankruptcy Court took the matter under advisement. At the hearing on November 26, 2013, ruling from the bench, the Bankruptcy Court denied the Reconsideration Motion. *See* Docket No. 651.

F. U.S. Trustee's Motion to Appoint an Examiner

On September 13, 2013, the U.S. Trustee Filed the United States Trustee's Motion for Entry of an Order, Pursuant to 11 U.S.C. § 1104(c)(1), Directing the Appointment of an Examiner [Docket No. 307] (the "Examiner Motion"). By the Examiner Motion, the U.S. Trustee argued that the given the allegations of prepetition misconduct against the Debtors and certain of its officers and directors, the Bankruptcy Court should exercise its discretion in appointing an examiner to conduct a review of the existence and the nature of the AgFeed Industries' Chinese assets and to report on potential causes of action that may exist as the result of the Debtors' operations in China. The Debtors Filed an objection [Docket No. 307] arguing, among other things that (i) the appointment of an examiner would put the proposed AgFeed Industries Stock Sale in jeopardy as it may have been deemed an event of default under the SPA, (ii) it would have been a waste of estate resources given the fact that an investigation was already conducted by the Special Committee, and (iii) it would have served as a distraction of the Debtors' professionals and management at a crucial time in the Chapter 11 Cases; namely the proposed AgFeed Industries Stock Sale. The Creditors' Committee, the Equity Holders' Committee and AF Sellco also filed objections to the Examiner Motion [Docket Nos. 358, 360 and 367]. A hearing on the Examiner Motion was held on September 30, 2013, at the conclusion of which, the Bankruptcy Court denied the Examiner Motion, without prejudice. See Docket No. 409.

G. U.S. Trustee's Motion to Appoint a Trustee

On November 4, 2013, the U.S. Trustee Filed the Motion of the United States Trustee for an Order Directing the Appointment of a Trustee [Docket No. 550] (the "Trustee Motion"). By the Trustee Motion, the U.S. Trustee sought entry of an order appointing a trustee pursuant to Section 1104(a) of the Bankruptcy Code, arguing that cause existed to appoint a trustee because there was evidence of fraud, dishonest, incompetence or gross mismanagement by the current management both pre-and postpetition. The U.S. Trustee argued, among other things, that the issuance of Wells Notices in connection with the SEC investigation and the Debtors failure to issue restated financials justified the appointment of a trustee in the Chapter 11 Cases. The Debtors intend to oppose the Trustee Motion. However, in light of the ongoing progress in these Chapter 11 Cases, Debtors and the U.S. Trustee have agreed to adjourn the Trustee Motion until a date and time to be agreed upon by the parties.

H. AF Sellco Settlement

Pursuant to the terms of the M2P2 Acquisition, at closing, AgFeed Industries (i) paid approximately \$11.3 million and (ii) executed a promissory note (as amended) (the "AF Sellco Secured Note"), in the approximate amount of \$8.6 million. Additionally, AgFeed Industries was required to deliver to AF Sellco certain shares of AgFeed Industries' common stock. AF Sellco has alleged that a pre-petition event of default occurred under the Note. In connection with the M2P2 Acquisition, AgFeed Industries and AF Sellco also executed a Pledge Agreement, dated September 13, 2010 (the "Pledge Agreement"), pursuant to which AgFeed Industries pledged to and granted AF Sellco a perfected first priority lien on and security interest in all of the outstanding membership interest of AgFeed USA as collateral for AgFeed Industries' obligations under the AF Sellco Secured Note. On November 4, 2013, AF Sellco filed proof of

claim number 168 (the “Proof of Claim”) against AgFeed Industries in connection with the AF Sellco Secured Note and the M2P2 Acquisition. By the Proof of Claim, AF Sellco asserted a secured claim in the amount of \$8,600,985.77 for sums allegedly due under the AF Sellco Secured Note. However, as discussed in Article IV(C) above, the Debtors believed that a major portion of the arbitration award to Hormel, as well as some of the new claims that were asserted by Hormel in the second arbitration proceeding, were attributable to the accounting practices employed by M2P2, LLC with respect to the Hormel Agreements prior to the Sale. Accordingly, the Debtors believed that they were entitled to indemnification from AF Sellco with respect to certain portions of the arbitrator’s award. Accordingly, on November 29, 2012 and January 16, 2013, the Debtors delivered their demand for indemnification to AF Sellco and, on the Petition Date, were in the process of pursuing those claims.

As the result of subsequent substantial good faith postpetition discussions between the Debtors and AF Sellco, the parties reached an agreement which fully and finally resolved AF Sellco’s claims against AgFeed Industries and any potential indemnification claims that the Debtors had against AF Sellco. Pursuant to the terms of the stipulation (the “AF Sellco Stipulation”) which was approved by order of the Bankruptcy Court, dated March 13, 2014 [Docket No.965], (i) AF Sellco received an Allowed Claim in the amount of \$4,300,000, (ii) upon payment, AF Sellco agreed to withdraw, with prejudice, any and all unresolved objections that it may have filed in the Chapter 11 Cases, (iii) upon payment, AF Sellco agreed to release all liens held by AF Sellco on the equity interest of AgFeed USA, and (iv) the Debtors and AF Sellco granted mutual releases. The AF Sellco Allowed Claim was paid on or about March 17, 2014.

I. Exclusivity

The Bankruptcy Code grants a debtor an initial period of 120 days after the commencement of a chapter 11 case during which time the debtor has the exclusive right to propose and to File a plan of reorganization or liquidation. If a debtor proposes and Files a plan within this initial 120-day exclusivity period, then the debtor has until the end of the period ending on the 180th day after the commencement of a chapter 11 case to solicit and to obtain acceptances of such plan. These exclusive periods may be extended for a limited period of time by an order of the court. The Debtors have received subsequent extensions from the Bankruptcy Court to propose and File a plan of reorganization [Docket Nos. 605, 841], the last of which extended the deadlines to April 21, 2014, to File a plan and June 18, 2014, to solicit and obtain acceptances of such plan. On April 21, 2014, the Debtors filed their fourth motion to extend the exclusivity periods to June 5, 2014, to File a plan and August 4, 2014, to solicit and obtain acceptances of such plan.¹³

J. Mediation

Subsequent to the Debtors filing the Debtors’ Joint Plan of Liquidation on December 18, 2013, the Debtors and certain constituencies agreed to engage in mediation in an effort to reach a

¹³ Pursuant to Local Rule 9006-2, the filing of the fourth motion to extend the exclusivity periods prior to the expiration of the current exclusivity periods automatically extended the exclusivity periods until the Court acts on the motion. The motion is scheduled to be heard on May 28, 2014 at 1:30 p.m. (ET).

consensual resolution with respect to several issues related to the Plan confirmation process. To that end, on February 13, 2014, a mediation was convened at the offices of Debtors' counsel. Representatives of the Debtors, the Creditors' Committee, the Equity Holders' Committee, the SEC, the Class Plaintiffs, several indemnification claimants, several of the Debtors' insurers attended with Judge William Cahill serving as the mediator. Although the mediation did not result in an immediate resolution, the continuing discussions did provide the vehicle upon which the settlement embodied in the Plan was reached with the Plan Supporter.

K. Claims Process and Bar Date

1. Schedules and Statements.

On August 23, 2013, the Debtors Filed their (i) Schedules of Assets and Liabilities (as amended) and (ii) Statements of Financial Affairs. In the aggregate, the Schedules identified secured claims of \$82,842,894, priority claims of \$1,494,962, and general unsecured claims in the approximate amount of \$69,182,206.

2. Bar Date.

By order entered on September 27, 2013 (the "Bar Date Order") [Docket No. 379], the Court established November 12, 2013, at 4:00 p.m. (ET) as the deadline by which an Entity, other than Governmental Units, asserting (i) a Claim against any of the Debtors (including Claims arising under Section 503(b)(9) of the Bankruptcy Code) that arose prior to the Petition Date and/or (ii) an administrative expense claim pursuant to Section 503 of the Bankruptcy Code against the Consolidated AgFeed USA Debtors arising post-petition through September 12, 2013 must File a proof of claim (the "General Bar Date"). The Bar Date Order also established January 13, 2014, at 4:00 p.m. (ET) as the deadline by which Governmental Units asserting a Claim that arose prior to the Petition Date must File a proof of claim (the "Governmental Bar Date").

To date, approximately 447 Claims have been Filed in the Chapter 11 Cases. Any Holder of an Administrative Claim against any of the Consolidated AgFeed USA Debtors that accrued on or before September 12, 2013, that was required to File a Proof of Claim for such Administrative Claim and did not File a Proof of Claim for such Administrative Claim so as to be received by the Claims Agent by the aforesaid bar date, or, for Claims accruing after September 12, 2013, by thirty (30) days after the Effective Date, absent an order from the Bankruptcy Court shall be forever barred from asserting such Administrative Claim against any of the Debtors, their Estates, their respective successors or their respective property, and such Administrative Claim shall be deemed discharged and released as of the Effective Date.

L. Preparation of Claims Estimates and Recoveries.

The Debtors have prepared their estimates of Claims and recoveries by Holders of such Claims based primarily on: (a) projections based on anticipated future Claim reconciliations and Claim objections and (b) other legal and factual analyses unique to particular types of Claims.

The Debtors' estimates of Allowed Claims are identified in the chart set forth in Article III ("Overview of the Plan") above and form the basis of projected recoveries in each of the

Classes. NOTWITHSTANDING THE DEBTORS' EFFORTS IN DEVELOPING THEIR CLAIMS ESTIMATES, THE PREPARATION OF SUCH ESTIMATES IS INHERENTLY UNCERTAIN, AND, ACCORDINGLY, THERE IS NO ASSURANCE THAT SUCH ESTIMATES WILL ACCURATELY PREDICT THE ACTUAL AMOUNT OF ALLOWED CLAIMS IN THE DEBTORS' CHAPTER 11 CASES. AS A RESULT, THE ACTUAL AMOUNT OF ALLOWED CLAIMS MAY DIFFER MATERIALLY FROM THE DEBTORS' CLAIMS ESTIMATES CONTAINED HEREIN.

M. Assets of the Estates

1. Consolidated AgFeed USA Debtors.

As of the Confirmation Date, the Debtors anticipate that the Consolidated AgFeed USA Debtors will have approximately \$[_____] in Cash remaining from the AgFeed USA Sale and the liquidation of the remaining AgFeed USA Assets.

2. AgFeed Industries.

As of the Confirmation Date, the Debtors anticipate that AgFeed Industries will include, but may not be limited to (i) approximately \$[_____] in Cash, (ii) security deposits, (iii) accounts receivable, (iv) certain personal property, (v) interests in the Debtors' insurance policies, (vi) interests in all Causes of Action, (vii) the net proceeds from the AgFeed Industries Stock Sale, (viii) Initial Distributable AgFeed USA Estate Assets, (ix) books and records preserved and retained by AgFeed Industries, and (x) Remaining Distributable AgFeed USA Estate Assets.

3. Potential Causes of Action.

Causes of Action which shall become part of the Estates' Assets shall be all actions, causes of action, choses in action, suits, debts, dues, damages, defenses, judgments, third-party claims, counterclaims, and cross claims, involving any of the Debtors or the Estates that are or may be pending or existing on the Effective Date or may subsequently be brought against any Person, Entity or Debtor, based in law or equity, including, but not limited to, under the Bankruptcy Code except for causes of action arising under Section 547, whether direct, indirect, known or unknown, derivative, or otherwise and whether asserted or unasserted as of the date of entry of the Confirmation Order, including the Unknown Causes of Action that have not been previously settled by the Debtors or released by the Plan, or any other order of the Bankruptcy Court, and including, without limitation, those identified on **Exhibit G**, attached hereto.

VI.

SUMMARY OF THE PLAN OF LIQUIDATION

A. Introduction

This Article provides a summary of the terms and provisions of the Plan, including the classification and treatment of Claims and Interests under the Plan and the means for implementation of the Plan. The summary is qualified in its entirety by reference to the Plan, which is attached to this Disclosure Statement as **Exhibit A**. The statements contained in this

Disclosure Statement include summaries of the provisions contained in the Plan and in documents referred to therein. The statements contained in this Disclosure Statement do not purport to be precise or complete statements of all the terms of the Plan or the documents referred to therein; reference is made to the Plan and to such documents for the full and complete statements of such terms.

The Plan itself and the documents referred to therein control the actual treatment of Claims against and Interests in the Debtors under the Plan and will, upon the Effective Date, be binding upon all Holders of Claims against and Interests in the Debtors, their Estates and other parties in interest.

The structure of the Plan and the Distributions to Holders of Claims and Interests thereunder reflect the result of negotiations among the Debtors and the Committees. After careful review of the estimated recoveries in a chapter 11 plan scenario and a chapter 7 liquidation scenario, the Debtors have concluded that the recoveries to Creditors will be maximized by consummating and making Distributions pursuant to the Plan. The Debtors believe that their Estates have value that would not be fully realized by Creditors in a chapter 7 liquidation primarily due to: (1) the additional administrative expenses that would be incurred in a chapter 7 liquidation and (2) the additional delay in distributions that may occur if the Debtors' chapter 11 cases were converted to cases under chapter 7.

Accordingly, the Debtors believe that the Estates are worth more to their stakeholders if the Debtors' liquidation is completed as described above, and Distributions are made, under chapter 11 pursuant to the Plan.

B. Overall Structure of the Plan

The Plan incorporates a settlement, by and between the Debtors and the Plan Supporter which provides for the SEC and Class Plaintiffs to contribute all or a portion of their respective Allowed Claims to the Liquidating Trust for Distribution in accordance with the Plan. More specifically, the Plan provides that, on the Effective Date of the Plan, the SEC, in full and final satisfaction of any and all Claims (including its proof of claim) or cause of action it has or may have against any of the Debtors, shall have an Allowed Claim in the amount of \$18.0 million payable from the AgFeed Industries Net Distributable Cash which the SEC shall immediately contribute to the Liquidating Trust, with \$12.5 million designated for Distribution to the Holders of Class 5B Interests and \$5.5 million designated for the Plan Fairness Fund established under the Plan. The Plan further provides for the treatment of Claims against the Debtors and Interests in the Debtors. As described in detail in Article IV of this Disclosure Statement, the majority of the Debtors' assets have been liquidated pursuant to the AgFeed USA Sale and the AgFeed Industries Stock Sale (together, the "Sales"). Thus, the Plan provides for the Estates' Assets to be allocated in accordance with the terms of the Plan and distributed to holders of the Allowed Claims and Interests. Pursuant to the Plan, on the Effective Date, all of the Estates' Assets will vest in and be transferred to the Liquidating Trust. The Liquidating Trust shall be administered by the Liquidating Trustee who shall, among other things, liquidate the remaining Estates' Assets, resolve any disputed Claims, wind-down the affairs of the Debtors, prosecute Causes of Action and make initial and final Distributions pursuant to the Plan. On the Effective Date, all existing stock and equity interest in AgFeed Industries shall be deemed canceled and

extinguished and AgFeed Industries shall reissue one (1) share of common stock to the Liquidating Trust. Upon the closing of the Chapter 11 Cases, the Liquidating Trustee will have authority to take any and all steps necessary to dissolve the Debtors.

The Debtors believe that the Plan provides the best and most prompt possible recovery to Holders of Claims or Interests. Under the Plan, Claims against and Interests in the Debtors are divided into different Classes. Under the Bankruptcy Code, “claims” and “equity interests” are classified rather than “creditors” and “shareholders” because such entities may hold claims or equity interests in more than one class. For purposes of this Disclosure Statement, the term “Holder” refers to the holder of a Claim or Interest, respectively, in a particular Class under the Plan. If the Plan is confirmed by the Bankruptcy Court and consummated, then on the Effective Date or within the time periods set forth in the Plan, the Debtors and/or the Liquidating Trustee shall make Distributions in respect of certain Classes of Claims or Interests as provided for in the Plan. The Classes of Claims against and Interests in the Debtors created under the Plan, the treatment of those Classes under the Plan and Distributions to be made under the Plan are described below.

C. Classification and Treatment of Claims and Equity Interests Under the Plan

1. Classification Generally.

The Plan provides for the substantive consolidation of the Consolidated AgFeed USA Debtors. Accordingly, the Plan provides for classification and treatment of the Claims against and Interest in (i) the Consolidated AgFeed USA Debtors and (ii) AgFeed Industries.

Section 1123 of the Bankruptcy Code provides that, except for administrative expense claims and priority tax claims, a plan of reorganization must categorize claims against and equity interests in a debtor into individual classes. Although the Bankruptcy Code gives a debtor significant flexibility in classifying claims and interests, section 1122 of the Bankruptcy Code dictates that a plan may only place a claim or an equity interest into a class containing claims or equity interests that are substantially similar.

The Plan creates several “Classes” of Claims and Interests. These Classes take into account the differing nature and priority of Claims against and Interests in the Debtors. Administrative Expense Claims and Priority Tax Claims are not classified for purposes of voting or receiving Distributions under the Plan, but are treated separately as unclassified Claims.

A Claim or Interest shall be deemed classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or Interest is in a particular Class only to the extent that such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date.

The Plan provides specific treatment for each Class of Claims or Interests. Only Holders of Allowed Claims are entitled to vote on and receive Distributions under the Plan.

Unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim or Interest under the Plan will be in full satisfaction, settlement, release and discharge of, and in exchange for, such Claim or Interest.

The categories of Claims and Interests and their treatment listed below classify Claims and Interests for all purposes, including voting, confirmation and Distribution pursuant to the Plan, except as otherwise provided herein or in the Plan, and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code.

For purposes of brevity and convenience, the classification of Claims and Interests set forth below applies to each Debtor individually. Unclassified Claims are Unimpaired by the Plan. The following are the unclassified Claims: Administrative Expense Claims and Priority Tax Claims.

2. Unclassified Claims Under the Plan.

a. Administrative Expense Claims

Administrative Expense Claims are Claims for costs and expenses of administration of the Chapter 11 Cases allowed under Sections 503(b), 507(b) or, if applicable, 1114(e)(2) of the Bankruptcy Code, including but not limited to: (a) any actual and necessary costs and expenses incurred after the Petition Date of preserving the Estates and operating the businesses of the Debtors (including, but not limited to, wages, salaries, commissions for services and payments in connection with unfinished hogs, leased equipment and premises) and Claims by Governmental, Units for taxes (including Claims related to taxes which accrued after the Petition Date, but excluding Claims related to taxes which accrued on or before the Petition Date); (b) compensation for legal, financial, advisory, accounting and other services and reimbursement of expenses allowed by the Bankruptcy Court under Sections 328, 330, 331, 363 or 503(b) of the Bankruptcy Code to the extent incurred on or prior to the Effective Date; (c) all fees and charges assessed against the Debtors' Estates under Section 1930, chapter 123 of title 28 of the United States Code; (d) any 503(b)(9) Claims, and (e) any Claims that have been designated "Administrative Expense Claims" by order of this Court.

Bar Date for Administrative Expense Claims. Holders of Administrative Expense Claims (other than Professional Fee Claims) either (i) against the Consolidated AgFeed USA Debtors accruing after September 12, 2013, through the Effective Date, or (ii) against AgFeed Industries accruing from the Petition Date through the Effective Date, shall File with the Claims Agent and serve on the Debtors or the Liquidating Trustee, as applicable, requests for payment, in writing, together with supporting documents, substantially complying with the Bankruptcy Code, the Bankruptcy Rules and the Local Rules, **so as to actually be received on or before the Second Administrative Expense Bar Date.** Any such Claim not Filed by the Second Administrative Expense Bar Date shall be deemed waived and the Holder of such Claim shall be forever barred from receiving payment on account thereof. The notice of Confirmation and Plan Effective Date to be delivered pursuant to Bankruptcy Rules 2002(c)(3) and 2002(f) shall set forth the Second Administrative Expense Bar Date and shall constitute notice of such Bar Date. The Liquidating Trustee shall have ninety (90) days following the Second Administrative Expense Bar Date to review and object to such Administrative Expense Claims, which time may

be extended upon request of the Liquidating Trustee without notice or a hearing if the Liquidating Trust Oversight Committee unanimously consents, or otherwise, upon notice and a hearing.

Claims for Substantial Contribution by Ad Hoc Equity Holders' Committee. In recognition of the contribution of the Ad Hoc Committee of Equity Security Holders and its professionals, as demonstrated by the record in these Chapter 11 Cases, including without limitation their contribution to the formation of the Equity Holders' Committee and its substantial role as Plan Supporter and otherwise in these Chapter 11 Cases, and as further demonstrated on the record at the Confirmation Hearing to the extent requested or required, the professionals retained by the Ad Hoc Committee of Equity Security Holders ("Ad Hoc Committee Professionals") shall be entitled to reimbursement of their reasonable fees and expenses incurred in that role as Administrative Expense Claims. The fees and expenses incurred by the Ad Hoc Committee Professionals in that role are as follows:

- (i) Elliott Greenleaf - \$48,550.00
- (ii) Sugar Felsenthal Grais & Hammer LLP - \$ 49,856.50
- (iii) Gavin/Solmonese - \$38,426.30

The Ad Hoc Committee Professionals shall file a collective claim document with supporting invoices by ECF and submit a copy of such document to the Court and the Office of the United States Trustee (the "Submission Date") no later than ten (10) days following entry of the Confirmation Order. If no objection is lodged by a party in interest or the United States Trustee within thirty (30) days of the Submission Date, and except to the extent ordered by the Bankruptcy Court, the claims of the Ad Hoc Committee Professionals for reimbursement of fees and expenses pursuant to this section shall be deemed Allowed Administrative Claims, and paid in accordance with Section 7.2(b) of the Plan.

The Bankruptcy Code does not require that administrative expense claims be classified under a plan. It does require, however, that allowed administrative expense claims be paid in full in Cash in order for a plan to be confirmed, unless the holder of such claim consents to different treatment.

Treatment: Within the time period provided in Article VII of the Plan, each Holder of an Allowed Administrative Expense Claim shall receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Administrative Expense Claim: (a) Cash equal to 100% of the amount of such Allowed Administrative Expense Claim; or (b) such other treatment as to which the Debtors, in consultation with the Committees, or the Liquidating Trustee, and the Holder of such Allowed Administrative Expense Claim shall have agreed upon in writing.

b. Professional Fees

Bar Date for Applications for Professional Fees. Professional Fee Claims and all applications for allowance and payment of Professional Fee Claims shall be Filed with the Bankruptcy Court on or before the Professional Fee Bar Date. If an application for a

Professional Fee Claim is not Filed by the Professional Fee Bar Date, such Professional Fee Claim shall be deemed waived and the Holder of such Claim shall be forever barred from receiving payment on account thereof. The notice of Confirmation to be delivered pursuant to Bankruptcy Rules 2002(c)(3) and 2002(f) shall set forth the Professional Fee Bar Date and shall constitute notice of such Bar Date.

c. Priority Tax Claims

A Priority Tax Claim is a Claim or a portion of a Claim for which priority is asserted under section 507(a)(8) of the Bankruptcy Code.

The taxes entitled to priority are: (a) taxes on income or gross receipts that meet the requirements of section 507(a)(8)(A); (b) property taxes meeting the requirements of section 507(a)(8)(B); (c) taxes that were required to be collected or withheld by the Debtors and for which the Debtors are liable in any capacity as described in section 507(a)(8)(C); (d) employment taxes on wages, salaries, or commissions that are entitled to priority pursuant to section 507(a)(4), to the extent such taxes also meet the requirements of section 507(a)(8)(D); (e) excise taxes of the kind specified in section 507(a)(8)(E); (f) customs duties arising out of the importation of merchandise that meet the requirements of section 507(a)(8)(F); and (g) prepetition penalties relating to any of the foregoing taxes to the extent such penalties are in compensation for actual pecuniary loss as provided in section 507(a)(8)(G).

The Bankruptcy Code does not require that claims such as the Priority Tax Claims be classified under a plan. It does require, however, that such claims receive the treatment described below in order for a plan to be confirmed unless the holder of such claims consents to different treatment.

Treatment: Within the time period provided in Article VII of the Plan, each Holder of an Allowed Priority Tax Claim shall receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Priority Tax Claim: (a) Cash equal to 100% of the amount of such Allowed Priority Tax Claim; or (b) such other treatment as to which the Debtors, in consultation with the Plan Supporter, or the Liquidating Trustee, and the Holder of such Allowed Administrative Expense Claim shall have agreed upon in writing.

Accordingly, (a) the assets and liabilities of the Consolidated AgFeed USA Debtors will be deemed to be the assets and liabilities of a single, consolidated entity, (b) each and every Claim Filed or to be Filed in the Chapter 11 Cases against any of the Consolidated AgFeed USA Debtors shall be considered Filed against the Consolidated AgFeed USA Debtors and shall be considered one Claim against and obligation of the Consolidated AgFeed USA Debtors on and after the Effective Date, (c) all joint obligations of two or more of the Consolidated AgFeed USA Debtors, and all multiple Claims against such entities on account of such joint obligations, are considered a single claim against the Consolidated AgFeed USA Debtors, (d) Intercompany Claims between the Consolidated AgFeed USA Debtors shall be waived and eliminated, and (e) all guaranties by any of the Consolidated AgFeed USA Debtors of the obligations of any Consolidated AgFeed USA Debtor arising prior to the Effective Date shall be deemed eliminated under the Plan so that any Claim against any Consolidated AgFeed USA Debtor and any guaranty thereof executed by any other Consolidated AgFeed USA Debtor and any joint and several liability of any of the Consolidated AgFeed USA Debtors shall be deemed to be one obligation of the deemed Consolidated AgFeed USA Debtors. Such deemed consolidation, however, shall not (other than for purposes related to funding Distributions under the Plan) affect (a) the legal and organizational structure of the Debtors, (b) executory contracts or unexpired leases that were entered into during the Chapter 11 Cases or that have been or will be assumed or rejected, (c) any agreements entered into by the Liquidating Trust on or after the Effective Date and (d) the Debtors' or the Liquidating Trust's ability to subordinate or otherwise challenge Claims on an entity by entity basis. Moreover, the Debtors reserve the right to seek confirmation of the Plan on an entity-by-entity basis.

Such deemed consolidation, however, shall not (other than for purposes related to funding Distributions under the Plan) affect (a) the legal and organizational structure of the Debtors, (b) executory contracts or unexpired leases that were entered into during the Chapter 11 Cases or that have been or will be assumed or rejected, (c) any agreements entered into by the Liquidating Trustee on or after the Effective Date and (d) the Debtors' or the Liquidating Trustee's ability to subordinate or otherwise challenge Claims on an entity-by-entity basis. Notwithstanding the substantive consolidation called for herein, each and every Debtor shall remain responsible for the payment of U.S. Trustee Fees pursuant to 28 U.S.C. § 1930 until its particular case is closed, dismissed or converted. Moreover, the Debtors reserve the right to seek confirmation of the Plan on an entity-by-entity basis.

2. Plan Funding.

The Plan shall be funded from Cash held by the Debtors as well as Cash contributions from the SEC and Class Plaintiffs and from any recoveries from the settlement, litigation or otherwise on account of the Liquidation Trustee's pursuit of Causes of Action.

3. The Liquidating Trust.

a. Appointment of the Liquidating Trustee.

JLL Consulting, Inc. shall serve as the Liquidating Trustee and shall serve in such capacity pursuant to the terms of the Liquidating Trust Agreement. The appointment of JLL Consulting, Inc. as the Liquidating Trustee shall be approved in the Confirmation Order, and such appointment shall be as of the Effective Date.

In accordance with the Liquidating Trust Agreement, the Liquidating Trustee shall serve in such capacity through the earlier of (i) the date that the Liquidating Trust is dissolved in accordance with Section 6.2(l) and (ii) the date such Liquidating Trustee resigns, is terminated or is otherwise unable to serve, provided, however, that, in the event that the Liquidating Trustee resigns, is terminated or is unable to serve, then the Liquidating Trust Oversight Committee, upon notice shall appoint a successor within thirty (30) days. To the extent that the Liquidating Trust Oversight Committee does not appoint a successor within thirty (30) days, then the Court, upon the motion of any party-in-interest, including, but not limited to, counsel to the Liquidating Trust, shall approve a successor to serve as the Liquidating Trustee. Any such successor Liquidating Trustee shall serve in such capacity until the Liquidating Trust is dissolved.

b. Responsibilities of Liquidating Trustee. Responsibilities of the Liquidating Trustee shall include, but are not limited to:

- i. making Distributions as contemplated herein;
- ii. conducting an analysis of any and all Claims and Interests and prosecuting objections thereto or settling or otherwise compromising such Claims and Interests, if necessary and appropriate, in accordance with Article VIII of the Plan;
- iii. in consultation with the Liquidating Trust Oversight Committee, maintaining and administering the Reserves in accordance with the terms of the Plan and the Confirmation Order;
- iv. pursuing, litigating or settling Causes of Action in accordance with the Plan and paying all associated costs;
- v. making payments in connection with Liquidation Trustee Expenses;

- vi. marshaling and liquidating Estates' Assets, including abandoning any property constituting the Estates' Assets that cannot be sold or otherwise disposed of for value and whose Distribution to Holders of Allowed Claims would not be feasible or cost-effective in the Liquidating Trustee's reasonable judgment;
- vii. preparing and filing post-Effective Date operating reports;
- viii. filing appropriate tax returns in the exercise of the Liquidating Trustee's fiduciary obligations;
- ix. retaining such professionals as are necessary and appropriate in furtherance of Liquidating Trustee's fiduciary obligations; and
- x. taking such actions as are necessary and reasonable to carry out the purposes of the Liquidating Trust, including winding down the Debtors' business affairs.

Notwithstanding any of the foregoing, the Liquidating Trustee may (i) modify or change the amounts in Reserves, (ii) make Distributions under the Plan, or (iii) extend any applicable Bar Date, in consultation with the Liquidating Trust Oversight Committee or by entry of an order by the Bankruptcy Court.

- c. **Establishment of a Liquidating Trust.** Except as otherwise provided for in the Plan, any and all of the Estates' Assets accruing to the Debtors or assertable as accruing to the Debtors shall remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date shall be transferred to and vest in the Liquidating Trust free and clear from any and all Claims and liens for the uses and purposes set forth herein and for the benefit of the Liquidating Trust Beneficiaries. Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Liquidating Trust and the Liquidating Trustee shall have the right to pursue or not to pursue, or, subject to the terms of the Plan and the Liquidating Trust Agreement, compromise or settle any Liquidating Trust Assets. From and after the Effective Date, the Liquidating Trust and the Liquidating Trustee may commence, litigate and settle any Causes of Action or Claims relating to the Liquidating Trust Assets or rights to payment or Claims that belong to the Debtors as of the Effective Date or are instituted by the Liquidating Trust and Liquidating Trustee on or after the Effective Date, except as otherwise expressly provided in the Plan and the Liquidating Trust Agreement. Other than as set forth herein, no other Person may pursue such Liquidating Trust Assets on or after the Effective Date. The Liquidating Trustee shall be deemed hereby substituted as plaintiff, defendant, or in any other capacity for either of the Committees or each Debtor in any Causes of Action pending before the Bankruptcy Court or any other court that relates to a Liquidating Trust Asset without the need for Filing any motion for such relief. On the Effective Date, the

Debtors and the Liquidating Trustee shall execute the Liquidating Trust Agreement and shall have established the Liquidating Trust pursuant to the Plan. In the event of any conflict between the terms of this Article VI and the terms of the Liquidating Trust Agreement, the terms of this Article VI shall control.

- d. **Liquidating Trust Assets.** Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidating Trust Assets become available, the Debtors shall be deemed to have automatically transferred to the Liquidating Trust all of their right, title, and interest in and to all of the Liquidating Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, including the Debtors' attorney-client privilege, all such assets shall automatically vest in the Liquidating Trust free and clear of all Claims and liens, subject only to the Allowed Claims or Allowed Interests of the Liquidating Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidating Trust as set forth herein and in the Liquidating Trust Agreement. Thereupon, the Debtors shall have no interest in or with respect to the Liquidating Trust Assets or the Liquidating Trust.

- e. **Treatment of Liquidating Trust for Federal Income Tax Purposes; No Successor in-Interest.** The Liquidating Trust shall be established for the primary purpose of liquidating and distributing the assets transferred to it, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust. Accordingly, the Liquidating Trustee shall, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidating Trust Assets, make timely distributions to the Liquidating Trust Beneficiaries and not unduly prolong its duration. The Liquidating Trust shall not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidating Trust Agreement. Beneficial interests in the Liquidating Trust are not and will not be represented by any certificate or other instrument.

The Liquidating Trust is intended to qualify as a "grantor trust" for federal income tax purposes with the Liquidating Trust Beneficiaries treated as grantors and owners of the Liquidating Trust. For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) shall treat the transfer of the Liquidating Trust Assets by the Debtors to the Liquidating Trust, as set forth in the Liquidating Trust Agreement, as a transfer of such assets by the Debtors to the Holders of Allowed Claims or Allowed Interests of Liquidating Trust Beneficiaries entitled to distributions from the Liquidating Trust Assets, followed by a transfer by such Holders to the Liquidating Trust. Thus, the Liquidating Trust

Beneficiaries shall be treated as the grantors and owners of a grantor trust for federal income tax purposes.

As soon as reasonably practicable on or after the Effective Date, the Liquidating Trustee (to the extent that the Liquidating Trustee deems it necessary or appropriate in the Liquidating Trustee's sole discretion) shall value the Liquidating Trust Assets based on the good faith determination of the value of such Liquidating Trust Assets. The valuation shall be used consistently by all parties (including the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) for all federal income tax purposes. The Bankruptcy Court shall resolve any dispute regarding the valuation of the Liquidating Trust Assets.

The right and power of the Liquidating Trustee to invest the Liquidating Trust Assets transferred to the Liquidating Trust, the proceeds thereof, or any income earned by the Liquidating Trust, shall be limited to the right and power to invest such Liquidating Trust Assets (pending distributions in accordance with the Plan) in Permissible Investments.

- f. **The Liquidating Trust Oversight Committee.** The Equity Holders' Committee, in consultation with the Debtors, shall propose three (3) individuals to serve as members of the Liquidating Trust Oversight Committee, which shall have the responsibility to review and consult with the Liquidating Trustee with respect to the liquidation and distribution of the Estates' Assets in accordance with the Liquidating Trustee Agreement and the Plan. The Debtors or counsel to the Equity Holders' Committee shall File a notice identifying the proposed members of the Liquidating Trust Oversight Committee no later than five (5) days prior to the Voting Deadline. Once approved pursuant to the Confirmation Order, in the event that a member is no longer willing or able to serve in such capacity, the remaining members shall endeavor to select another similarly situated individual to serve in that capacity. Any successor appointed pursuant to this Section shall become fully vested with all of the rights, powers, duties and obligations of his or her predecessor. For the avoidance of doubt, no member of the Liquidating Trust Oversight Committee shall be compensated for serving as a member of the Liquidating Trust Oversight Committee, provided, however, that such member may be reimbursed from the Liquidation Trust Expense Reserve for reasonable out of pocket expenses subject to approval by the Liquidating Trustee or the Bankruptcy Court.

Pursuant to the Liquidating Trust Agreement, the Liquidating Trustee will need either the consent of the Liquidating Trust Oversight Committee or approval of the Bankruptcy Court for the following actions::

- (iv) the sale or liquidation of the Estates' Assets for an amount in excess of \$100,000;
 - (v) the settlement of a Cause of Action for an amount greater than \$100,000;
 - (vi) the allowance of a Disputed Claim that was Filed in an unliquidated amount or in an amount greater than \$100,000 or is unliquidated;
 - (vii) the estimation of Disputed Claim for the purposes of maintaining Reserves in accordance with the Plan or for other purposes; and
 - (viii) the granting of releases entered into on behalf of the Debtors' Estates.
- g. **Expenses of Liquidating Trustee.** Fees and expenses incurred by the Liquidating Trustee shall be paid from the Liquidating Trust Expense Reserve in accordance with Article VII of the Plan.
 - h. **Bonding of Liquidating Trustee.** The Liquidating Trustee shall not be obligated to obtain a bond but may do so, in his or her sole discretion, in which case the expense incurred by such bonding shall be paid by the Liquidating Trust.
 - i. **Fiduciary Duties of the Liquidating Trustee.** Pursuant to the Plan and the Liquidating Trust Agreement, the Liquidating Trustee shall act in a fiduciary capacity on behalf of the interests of all Holders of Claims and Interests that will receive Distributions pursuant to the terms of the Plan.
 - j. **Dissolution of the Liquidating Trust.** The Liquidating Trust shall be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion Filed prior to the third anniversary or the end of any extension period approved by the Bankruptcy Court (the Filing of which shall automatically extend the term of the Liquidating Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion), determines that a fixed period extension is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets. The Liquidating Trust shall require that each extension be approved by the Bankruptcy Court within six (6) months of the beginning of the extended term. After (a) the final Distribution of the Reserves and the balance of the assets or proceeds of the Liquidating Trust pursuant to the Plan, (b) the Filing by or on behalf of the Liquidating Trust of a certification of dissolution with the Bankruptcy Court in accordance with the Plan, and (c) any other action deemed appropriate by the Liquidating Trustee, the Liquidating Trust shall be deemed dissolved for all purposes without the necessity for any other or further actions.

- k. **Liability, Indemnification of the Liquidating Trust Protected Parties.** The Liquidating Trust Protected Parties shall not be liable for any act or omission of any other member, designee, agent, or representative of such Liquidating Trust Protected Parties, nor shall such Liquidating Trust Protected Parties be liable for any act or omission taken or not taken in their capacity as Liquidating Trust Protected Parties other than for specific acts or omissions resulting from such Liquidating Trust Protected Parties' willful misconduct, gross negligence, or fraud. The Liquidating Trustee or the Liquidating Trust Oversight Committee may, in connection with the performance of the Liquidating Trustee's functions and the Liquidating Trust Oversight Committee's functions, and in the Liquidating Trustee's and/or the Liquidating Trust Oversight Committee's sole and absolute discretion, consult with the Liquidating Trustee's attorneys, accountants, financial advisors and agents. Notwithstanding such authority, the Liquidating Trustee and the Liquidating Trust Oversight Committee shall not be under any obligation to consult with its attorneys, accountants, financial advisors, and agents, and the Liquidating Trustee's and the Liquidating Trust Oversight Committee's determination not to do so shall not result in the imposition of liability on the Liquidating Trustee or the Liquidating Trust Protected Parties, unless such determination is based on willful misconduct, gross negligence, or fraud. The Liquidating Trust shall indemnify and hold harmless the Liquidating Trust Protected Parties from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements and related expenses), which such Liquidating Trust Protected Parties may incur or to which such Liquidating Trust Protected Parties may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Liquidating Trust Protected Parties arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidating Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Liquidating Trust Protected Parties for actions or omissions as a result of their willful misconduct, gross negligence, or fraud.
- l. **Full and Final Satisfaction against Liquidating Trust.** On and after the Effective Date, the Liquidating Trust shall have no liability on account of any Claims or Interests except as set forth in the Plan and in the Liquidating Trust Agreement. All payments and all Distributions made by the Liquidating Trustee under the Plan shall be in full and final satisfaction, settlement, and release of and in exchange for all Claims or Interests against the Liquidating Trust; provided, however, that nothing contained in the Plan, the Disclosure Statement, the Confirmation Order, the Liquidating Trust Agreement, or any other document or agreement

shall constitute, be deemed to constitute or shall result in a discharge of any Debtor under section 1141(d) of the Bankruptcy Code.

- m. **Transfer Taxes.** Any transfer of the Estates' Assets to the Liquidation Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

- n. **Settlement of Claims and Controversies.** The Plan represents settlements by and between the Debtors and the Plan Supporter. Pursuant to section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration of the Distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all released claims against the Released Parties, and the Plan constitutes a request for the Bankruptcy Court to authorize and approve such compromise and settlement, to release all of the released claims belonging to the Debtors' Estates and any other Person that is deemed to have given a release pursuant to the Plan against each and every and all Released Parties (the "Settlement"). Distributions to be made pursuant to the Plan shall be made on account of and in consideration of the Settlement. Entry of the Confirmation Order shall confirm the Bankruptcy Court's approval, as of the Effective Date of the Plan, of all components of the Settlement and the Bankruptcy Court's finding that the Settlement is in the best interests of the Debtors, their respective Estates, the Liquidating Trustee, and the Holders of Claims and interests, and is fair, equitable and reasonable.

- o. **Closing the Chapter 11 Cases.** The Liquidating Trust Protected Parties shall not be liable for any act or omission of any other member, designee, agent, or representative of such Liquidating Trust Protected Parties, nor shall such Liquidating Trust Protected Parties be liable for any act or omission taken or not taken in their capacity as Liquidating Trust Protected Parties other than for specific acts or omissions resulting from such Liquidating Trust Protected Parties' willful misconduct, gross negligence, or fraud. The Liquidating Trustee or the Liquidating Trust Oversight Committee may, in connection with the performance of the Liquidating Trustee's functions and the Liquidating Trust Oversight Committee's functions, and in the Liquidating Trustee's and/or the Liquidating Trust Oversight Committee's sole and absolute discretion, consult with the Liquidating Trustee's attorneys, accountants, financial advisors and agents. Notwithstanding such authority, the Liquidating Trustee and the Liquidating Trust Oversight Committee shall not be under any obligation to consult with its attorneys, accountants, financial advisors, and agents, and the Liquidating Trustee's and the Liquidating Trust Oversight Committee's determination not to do so shall not result in the imposition of liability on the Liquidating Trustee or the Liquidating

Trust Protected Parties, unless such determination is based on willful misconduct, gross negligence, or fraud. The Liquidating Trust shall indemnify and hold harmless the Liquidating Trust Protected Parties from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements and related expenses), which such Liquidating Trust Protected Parties may incur or to which such Liquidating Trust Protected Parties may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Liquidating Trust Protected Parties arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidating Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Liquidating Trust Protected Parties for actions or omissions as a result of their willful misconduct, gross negligence, or fraud.

- p. **Cancellation of Instruments and Stock.** On the Effective Date, all instruments evidencing or creating any indebtedness or obligation of the Debtors, except such instruments that are authorized or issued under the Plan, shall be canceled and extinguished. Additionally, as of the Effective Date, all Interests, and any and all warrants, options, rights or interests with respect to Interests that have been issued, could be issued or that have been authorized to be issued but that have not been issued, shall be deemed canceled and extinguished without any further action of any party provided, however, that AgFeed Industries shall issue one (1) share of common stock to the Liquidating Trust, and the Liquidating Trustee shall serve as the sole officer and director of AgFeed Industries. The Holders of, or parties to, the canceled notes, membership interests, share certificates and other agreements and instruments shall have no rights arising from or relating to such notes, share certificates and other agreements and instruments or the cancellation thereof, except the rights provided pursuant to the Plan.
- q. **Operating Reports.** Prior to the Effective Date, the Debtors shall timely File all reports, including without limitation, monthly operating reports required by the Bankruptcy Court, Bankruptcy Code, Bankruptcy Rules or the Office of the United States Trustee. - r. **Disposition of Books and Records.** After the Effective Date, the Debtors shall transfer the Debtors' books and records in the Debtors' possession, relating to the conduct of the Debtors' business prior to the Effective Date

to the Liquidating Trust. From and after the Effective Date, the Liquidating Trustee shall continue to preserve and maintain all documents and electronic data transferred to the Liquidating Trust by the Debtors and the Liquidating Trustee, subject to Section 6.5, shall not destroy or otherwise abandon any such documents and records (in electronic or paper format) absent further order of the Court after a hearing upon notice to parties-in-interest provided, however, that the Liquidating Trustee may destroy or abandon such books and records upon entry of a Final Order closing the last Chapter 11 Case.

- t. **Corporate Existence and Dissolution of Debtors.** Upon the Effective Date, the Consolidated AgFeed USA Debtors, except for AgFeed USA, shall be deemed dissolved and the Liquidating Trustee shall be authorized to file a certificate of cancellation or any other documents necessary to cancel the legal existence of the Consolidated AgFeed USA Debtors other than AgFeed USA. Upon the final distributions, including the payment of the Remaining Distributable AgFeed USA Estate Assets to AgFeed Industries, each of the Consolidated AgFeed USA Debtors shall be deemed dissolved for all purposes without the necessity for other or further actions to be taken by or on behalf of the Debtors and the Liquidating Trustee shall be authorized to file any certificate of cancellation or other documents as may be necessary or desirable to terminate the legal existence of AgFeed USA. Upon the final distributions with respect to the Remaining AgFeed Industries Estate Assets, AgFeed Industries shall be deemed dissolved for all purposes without the necessity for other or further actions to be taken by or on behalf of the Debtors and the Liquidating Trustee shall be authorized to file any certificate of dissolution or other documents as may be necessary or desirable to terminate the legal existence of AgFeed Industries.

In addition, on the Effective Date and prior to making any Distributions, the Debtors, in consultation with the Plan Supporter shall also establish the Liquidating Trust Expense Reserve from the AgFeed Industries Estate Assets, and shall transfer thereto the amount of Cash as determined by the Liquidating Trustee that is necessary to fund the estimated Liquidating Trust Expenses, including, but not limited to the pursuit of Causes of Action. Following the Effective Date, the Liquidating Trustee shall be authorized to make any appropriate and necessary adjustments to the Reserves in consultation with the Liquidating Trust Oversight Committee or upon order by the Bankruptcy Court after notice and a hearing.

With respect to the AgFeed USA SAP Claims Reserve, the AgFeed Industries SAP Expense Claims Reserve, the AgFeed USA General Unsecured Claims Reserve, the AgFeed Industries General Unsecured Claims Reserve, Insider Interests Reserve and any reserves established under the Plan Fairness Fund Distributions Procedures, the amount of Cash deposited or designated for each of the foregoing reserves shall be equal to the percentage of Cash that Holders of Disputed Claims or Interests in each reserve would be entitled under the Plan if such Disputed Claims or Interests were Allowed Claims or Interests in the amount of such Disputed Claims or Interests such lesser amount as authorized in Section 7.2(a) of the Plan. With respect to the Liquidating Trust Expense Reserve, the amount of Cash deposited into such reserve shall be equal to the amount of Cash necessary to fund the expenses expected to be incurred by the Liquidating Trustee as determined in the Liquidating Trustee's discretion.

- a. Upon resolution of a Disputed Claim or Disputed Interest, the funds in the applicable Reserve to pay such Claim or Interests to the extent Allowed shall be released for Distribution to the holder of such Claim or Interest pursuant to Section 7.7. The balance of funds in a Disputed Claim or Disputed Interests Reserve remaining following the release of funds sufficient for distribution to the Allowed Claim or Interest, or any other available Cash, shall be contributed to the Liquidating Trust Expense Reserve which, to the extent overfunded upon the anticipated dissolution of the Liquidating Trust in accordance with Section 6.3(j), shall become Net Distributable Cash for distribution in accordance with the Plan.

In lieu of estimating, fixing or liquidating the amount of any

3. Establishment of Plan Fairness Fund.

On or before the Effective Date, and after all Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed General Unsecured Claims, and Allowed Secured Claims have been paid (or the appropriate Reserves as set forth in the Plan have been funded), the Debtors or the Liquidating Trustee shall establish the Plan Fairness Fund in the initial amount of at least \$10.75 million which amount represents the at least \$5.25 million contribution from the Class Plaintiffs on account of their Allowed Claim and the \$5.5 million contribution from the SEC on account of its Allowed Claim.

- vi. Net proceeds or recoveries from settlement, litigation or otherwise as the result of the Liquidating Trustee's pursuit of Causes of

Action shall be Distributed Pro Rata to Allowed Class 5B Interests, provided, however, that Insider Interests are deemed Disputed until Allowed after the conclusion of the Liquidating Trustee's investigation into potential Causes of Action, and therefore, there shall be no Distributions to Holders of Insider Interests unless and until Allowed.

7. Distributions Upon Allowance of Disputed Claims or Disputed Interests.

The Holder of a Disputed Claim or Disputed Interest that becomes an Allowed Claim or Allowed Interest subsequent to the Effective Date shall receive a Distribution from the applicable Reserve as soon as reasonably practicable following the date on which such Disputed Claim or Disputed Interest becomes an Allowed Claim pursuant to a Final Order or by agreement of the parties in accordance with Article VII of the Plan. Consistent with Section 6.3 of the Plan, the Liquidating Trustee is authorized to make such periodic Distributions in a manner and time period as the Liquidating Trustee deems appropriate in the Liquidating Trustee's sole discretion. Such Distributions shall be made in accordance with the Plan based upon the Distributions that would have been made to such Holder under the Plan if the Disputed Claim or Disputed Interest had been an Allowed Claim or Allowed Interest on or prior to the Effective Date. No Holder of a Disputed Claim or Disputed Interest shall have any Claim against the applicable Reserve, the Disbursing Agent, the Liquidating Trustee, the Liquidating Trust Oversight Committee, the Estates' Assets, the Debtors or the Estates with respect to such Claim or Interest until such Disputed Claim or Disputed Interest becomes an Allowed Claim or Allowed Interest, and no Holder of a Disputed Claim or Disputed Interest shall have any right to interest, dividends or other Distributions on such Disputed Claim or Disputed Interest except as provided in the Plan.

8. Undeliverable and Unclaimed Distributions.

If the Distribution to any Holder of an Allowed Claim or Allowed Interest is returned to the Disbursing Agent as undeliverable or is otherwise unclaimed, no additional Distributions shall be made to such Holder unless and until the Disbursing Agent is notified in writing of such Holder's then-current address. Nothing contained in the Plan shall require the Disbursing Agent to attempt to locate any Holder of an Allowed Claim or Allowed Interest.

- a. **After Distributions Become Deliverable.** If the Distribution to any Holder of an Allowed Claim is returned to the Disbursing Agent as undeliverable or is otherwise unclaimed, no additional Distributions shall be made to such Holder unless and until the Disbursing Agent is notified in writing of such Holder's then-current address. Nothing contained in the Plan shall require the Disbursing Agent to attempt to locate any Holder of an Allowed Claim.
- b. **Failure to Claim Unclaimed/Undeliverable Distributions.** Any Holder of an Allowed Claim or Allowed Interest that does not assert a claim pursuant to the Plan for an undeliverable or unclaimed Distribution within

six (6) months after the Distribution Date shall be deemed to have forfeited its right to such undeliverable or unclaimed Distribution and any subsequent Distribution on account of its Allowed Claim or Allowed Interest and shall be forever barred and enjoined from asserting any such Claim for an undeliverable or unclaimed Distribution or any subsequent Distribution on account of its Allowed Claims or Allowed Interests against the Debtors, their Estates, their property or the Estates' Assets. In such cases, Unclaimed Distributions shall be paid to Holders of Allowed Claims or Allowed Interests according to the parameters set forth in Article IV above within the time periods provided in Section 7.7 of the Plan, free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary.

- c. **Charitable Donations.** On or about the time that a final distribution is made and upon the Liquidating Trustee determining that there are insufficient funds remaining in the Liquidating Trust to warrant a further distribution to Holders of Claims or Interests under the Plan, the Liquidating Trustee may donate any undistributed funds to one or more charities selected by the Liquidating Trustee, provided that any charity selected shall not be affiliated with or connected to the Debtors or the Liquidating Trustee.

9. Interest on Claims.

Post-petition interest on an Allowed Claim shall accrue only as provided for in the Plan and as described above in Sections V(C)(4)(a)(iii) and V(C)(4)(b)(v), or in the Confirmation Order.

10. No Distribution in Excess of Allowed Amount of Claim.

Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim will receive, in respect of such Claim, Distributions under the Plan in excess of the Allowed amount of such Claim.

Cash payments made pursuant to the Plan shall be in U.S. funds, by the means, including by check or wire transfer, determined by the Liquidating Trustee.

12. Delivery of Distribution.

Except as otherwise set forth in the Plan, Distributions to Holders of Allowed Claims or Allowed Interests shall be made (a) at the addresses set forth on the proofs of Claim or proofs of Interest Filed by such Holders (or at the last known addresses of such Holders if no proof of Claim is Filed or if the Disbursing Agent has been notified of a change of address), (b) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent, or (c) if no proof of Claim or proof of Interest has been Filed and the Disbursing Agent has not

received a written notice of a change of address, at the addresses reflected in the Schedules, if any.

13. Record Date for Distributions.

The Liquidating Trustee will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the 5:00 p.m. (prevailing Eastern Time) on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims or Allowed Interests that are Holders of such Claims, Interests, or participants therein, as of the close of business on the Distribution Record Date. The Liquidating Trustee shall instead be entitled to recognize and deal for all purposes under the Plan with only those record holders stated on the official claims register as of the close of business on the Distribution Record Date.

14. No Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, no payments or Distributions by the Disbursing Agent shall be made with respect to all or any portion of a Disputed Claim, Disputed Interest, or any holder of a Claim that is the subject of pending litigation commenced by the Debtors or the Liquidating Trustee, unless and until all Objections to such Disputed Claim or Disputed Interest, or the litigation against the holder of a Claim that is subject to pending litigation by the Debtors or the Liquidating Trustee have been settled or withdrawn by agreement of the parties or have been determined by Final Order, and the Disputed Claim, Disputed Interest, or the holder of a Claim that is subject to pending litigation, or some portion thereof, has become an Allowed Claim or Allowed Interest; provided however, that the Liquidating Trustee may, in his or her sole discretion, pay any undisputed portion of a Disputed Claim, Disputed Interest, or Claim of a Holder that was subject to pending litigation.

15. Withholding and Reporting Requirements.

In connection with the Plan and all Distributions hereunder, the Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all Distributions hereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent shall be authorized to take any and all actions that may be reasonably necessary or appropriate to comply with such withholding and reporting requirements. Each Holder of an Allowed Claim or Allowed Interest shall be required to provide any information necessary to effect information reporting and the withholding of such taxes. Notwithstanding any other provision of the Plan, each Holder of an Allowed Claim or Allowed Interest that is to receive a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding and other tax obligations, on account of such Distribution.

16. Setoffs.

The Liquidating Trustee, as applicable, may, but shall not be required to, setoff against any Claim or Interest, claims of any nature whatsoever that a Debtor may have against the Holder of such Claim or Interest; provided, however, neither the failure to do so nor the

allowance of any Claim or Interest hereunder shall constitute a waiver or release by the Liquidating Trustee of any such claim that the Debtor may have against such Holder, unless otherwise agreed to in writing by such Holder and the Liquidating Trustee.

17. *De Minimis* Distributions.

Notwithstanding any provision in the Plan to the contrary, no payment of less than one-hundred dollars (\$100.00) shall be made on account of any Allowed Claim or Allowed Interest. All Distributions not made pursuant to Section 7.16 of the Plan shall be treated as Unclaimed Distributions and are subject to Section 7.7 of the Plan.

18. Extensions of Time.

The Liquidating Trustee, with the unanimous consent of the Liquidating Trust Oversight Committee may submit an order to the Bankruptcy Court under certification of counsel extending any deadlines for making of Distributions or the establishment of Reserves hereunder prior to the occurrence of any such deadline. If the Liquidating Trust Oversight Committee does not unanimously consent, the Liquidating Trustee may File a motion, upon notice and a hearing, to extend any such deadlines prior to the occurrence of any such deadlines, to the extent necessary, which deadlines shall be deemed automatically extended after the Filing of such motion, and pending the entry of an order by the Bankruptcy Court extending any such deadline.

G. Procedures for Claims Objections and Estimation of Claims

1. Claims Objection Deadline; Prosecution of Claims Objections.

Except as otherwise provided for in the Plan, as soon as reasonably practicable on or after the Effective Date, but in no event later than the Claims Objection Deadline (unless extended by an Order of the Bankruptcy Court), the Liquidating Trustee shall File Objections to Claims and Interests and serve such objections upon the Holders of each of the Claims and Interests to which Objections are made. The Liquidating Trustee shall be authorized to resolve all Disputed Claims or Disputed Interests by withdrawing or settling such Objections thereto, or by litigating to judgment in the Bankruptcy Court, or such other court having competent jurisdiction, the validity, nature, and/or amount thereof. If the Liquidating Trustee agrees with the Holder of a Disputed Claim or Disputed Interest to compromise, settle, and resolve a Disputed Claim or Disputed Interest by granting such Holder an Allowed Claim or Allowed Interest, then the Liquidating Trustee may compromise, settle, or resolve such Disputed Claim without Bankruptcy Court approval, subject to Liquidating Trust Oversight Committee approval as required by Section 6.2(b) of the Plan.

2. Estimation of Claims.

The Liquidating Trustee, may at any time, request that the Bankruptcy Court estimate any Contingent or unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code regardless of whether the Debtors, the Liquidating Trustee or any party in interests previously objected to such Claim. The Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation or a hearing concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Subject to the

provisions of Section 502(j) of the Bankruptcy Code, in the event that the Bankruptcy Court estimates any Contingent or unliquidated Claim, the amount so estimated shall constitute the maximum allowed amount of such Claim. If the estimated amount constitutes the maximum allowed amount of such Claim, the Liquidating Trustee may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court, or in accordance with the Plan.

H. Executory Contracts and Leases

1. Executory Contracts and Unexpired Leases Deemed Rejected.

Except as otherwise provided for in the Plan, on the Effective Date, all of the Debtors' Executory Contracts and unexpired leases will be deemed rejected as of the Effective Date in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code, except to the extent: (a) the Debtors previously have assumed, assumed and assigned or rejected such Executory Contract or unexpired lease, or (b) prior to the Effective Date, the Debtors have Filed a motion to assume, assume and assign, or reject an Executory Contract or unexpired lease on which the Bankruptcy Court has not ruled. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all rejections of Executory Contracts and unexpired leases pursuant to this Section 9.1 and Sections 365(a) and 1123 of the Bankruptcy Code.

2. Insurance Policies.

Notwithstanding anything to the contrary in the Plan or Confirmation Order, any insurance policies of the Debtors in which the Debtors are or were insured parties (including, without limitation, any policies covering directors' or officers' conduct) or any related insurance agreement issued prior to the Petition Date shall continue in effect after the Effective Date pursuant to the respective terms and conditions and shall be treated as if assumed. To the extent that any insurance policy or related insurance agreement are deemed executory contracts, then, notwithstanding anything to the contrary in the Plan, the Plan shall constitute a motion to assume, assume and assign, or ratify such insurance policies or insurance agreements. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to section 365 of the Bankruptcy Code and a finding by the Bankruptcy Court that such assumption is in the best interest of the Estates. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed upon by the parties prior to the Effective Date, no payments shall be required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to the respective insurance policy or insurance agreement assumed by the Debtors pursuant to the Plan.

3. Bar Date for Rejection Damages Claims.

If the rejection by the Debtors of an Executory Contract or an unexpired lease pursuant to Section 9.1 of the Plan results in damages to the other party or parties to such Executory Contract or unexpired lease, a Claim for such damages arising from such rejection shall not be enforceable

against the Debtors or their Estates or agents, successors, or assigns, unless a Proof of Claim is Filed with the Claims Agent so as to actually be received on or before the Rejection Bar Date.

J. Insurance

Confirmation of the Plan and the occurrence of the Effective Date shall have no effect on insurance policies of the Debtors in which the Debtors are or were insured parties. Each insurance company is prohibited from, and the Confirmation Order shall include an injunction against, denying, refusing, altering or delaying coverage on any basis regarding or related to these Chapter 11 Cases, the Plan or any provision within the Plan, including the treatment or means of liquidation set out within the Plan for insured Claims.

K. Successors and Assigns

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Person.

L. Governing Law

Except to the extent that the Bankruptcy Code or Bankruptcy Rules or other federal laws is applicable, and subject to the provisions of any contract, instrument, release, or other agreement or document entered into in connection with the Plan, the construction, implementation and enforcement of the Plan and all rights and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without giving effect to conflicts of law principles which would apply the law of a jurisdiction other than the State of Delaware or the United States of America.

M. Exhibits and Schedules

All exhibits and schedules annexed hereto, and all documents submitted in support hereof, are incorporated into and are a part of the Plan as if set forth in full herein. Holders of Claims and Interests may obtain copies of the Filed exhibits and schedules upon written request

to the Debtors. Upon their Filing, the exhibits and schedules may be inspected in the Office of the Clerk of the Bankruptcy Court or its designee during normal business hours. The documents contained in the exhibits and schedules shall be approved by the Bankruptcy Court pursuant to the Confirmation Order. To the extent any exhibit or schedule annexed hereto is inconsistent with the Plan, the contents of the Plan shall control.

N. Computation of Time

In computing any period of time prescribed or allowed by the Plan, the provisions of Bankruptcy Rule 9006(a) shall apply.

XI.

CERTAIN RISK FACTORS TO BE CONSIDERED

ALL IMPAIRED HOLDERS OF CLAIMS OR INTERESTS SHOULD READ AND CAREFULLY CONSIDER THE FACTORS SET FORTH BELOW AS WELL AS THE OTHER INFORMATION SET FORTH OR OTHERWISE REFERENCED IN THIS DISCLOSURE STATEMENT, PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN.

A. Financial Information; Disclaimer

Although the Debtors have used their best efforts to ensure the accuracy of the financial information provided in this Disclosure Statement, the financial information contained in this Disclosure Statement has not been audited and is based upon an analysis of data available to the Debtors at the time of the preparation of the Plan and Disclosure Statement. While the Debtors expect that such financial information fairly reflects the financial condition of the Debtors, the Debtors are unable to warrant or represent that the information contained herein and attached hereto is without inaccuracies.

B. Failure to Confirm Plan

Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting creditor or equity holder of the Debtors might challenge the confirmation of the Plan or the balloting procedures and/or voting results as not being in compliance with the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that the Disclosure Statement and the balloting procedures and results are appropriate, the Bankruptcy Court could still decline to confirm the Plan if it finds that any of the statutory requirements for confirmation have not been met, including that the terms of the Plan are fair and equitable to non-accepting Classes.

Section 1129 of the Bankruptcy Code sets forth the requirements for confirmation and requires, among other things, a finding by the Bankruptcy Court that the Plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting Classes and that the value of Distributions to non-accepting Holders of Claims or Interests within a particular Class under the Plan will not be less than the value of Distributions such Holders would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. While there can be no assurance that these requirements will be met, the Debtors believe that non-accepting Holders

within each Class under the Plan will receive Distributions at least as great as would be received following a liquidation under chapter 7 of the Bankruptcy Code when taking into consideration all administrative claims and costs associated with any such chapter 7 case.

If the Plan is not confirmed, it is unclear what Distributions Holders of Claims or Interests ultimately would receive with respect to their Claims and Interests. If an alternative Plan could not be agreed to, it is possible that the Debtors would convert these Chapter 11 Cases to chapter 7 cases or dismiss these Chapter 11 Cases, in which case it is likely that Holders of Claims or Interests would receive substantially less favorable treatment than they would receive under the Plan.

In addition, in the event that the Plan is not confirmed, the Debtors will incur substantial expenses related to the development and confirmation of a new plan and possibly the approval of a new disclosure statement. This would only unnecessarily prolong the administration of the Debtors' assets and negatively affect Creditors' and Interest Holders recoveries on their Claims and Interests.

Similarly, as described above, in the event these Chapter 11 Cases are converted to cases under chapter 7 of the Bankruptcy Code, the Debtors will incur substantial expenses related to hiring additional professionals and paying the fees of the chapter 7 trustee. As the Debtors' assets have already been liquidated, the additional cost will only serve to reduce Distributions to Creditors and Interest Holders.

C. Nonconsensual Confirmation

Pursuant to the "cramdown" provisions of section 1129(b) of the Bankruptcy Code, the Bankruptcy Court can confirm the Plan notwithstanding the nonacceptance of the Plan by an Impaired Class of Claims or Equity Interests if at least one other Impaired Class has accepted the Plan (with such acceptance being determined without including the acceptance of any insider (as defined in section 101(31) of the Bankruptcy Code) in such Class) and, as to each Impaired Class which has not accepted the Plan, the Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to Impaired Classes. In accordance with section 1129(a)(8) of the Bankruptcy Code, the Debtors intend to request confirmation of the Plan in accordance with section 1129(b) of the Bankruptcy Code.

Although the Debtors believe that the Plan satisfies the requirements of section 1129(b), there is no guaranty that the Bankruptcy Court will reach that conclusion. Moreover, although the Debtors encourage all Creditors in an impaired Class to vote in favor of the Plan and the Debtors believe that they are likely to have at least one impaired Class vote in favor of the Plan, there is no guaranty that this will occur. If no impaired Class votes in favor of the Plan, the Plan cannot be confirmed as written.

D. Delays of Confirmation or Effective Date

Any delays of either confirmation or effectiveness of the Plan could result in, among other things, increased administrative costs, including professional fee claims. These negative effects of delays of either confirmation or effectiveness of the Plan could endanger the ultimate approval of the Plan by the Bankruptcy Court.

E. Certain Bankruptcy Considerations

Although the Debtors believe that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no assurance that modifications of the Plan will not be required for confirmation or that such modifications would not necessitate the resolicitation of votes. In addition, although the Debtors believe that the Effective Date will occur during the first calendar quarter of 2014, there can be no assurance as to such timing.

F. Certain Tax Considerations

There are a number of material United States federal income tax considerations, risks and uncertainties associated with consummation of the Plan. Interested parties should read carefully the discussion set forth in Article XI of this Disclosure Statement ("Certain United States Federal Income Tax Consequences of the Plan") for a discussion of the material United States federal income tax consequences and risks for Holders of Claims resulting from the transactions occurring in connection with the Plan.

G. No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. The Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

H. No Representations Outside This Disclosure Statement Are Authorized

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than as contained in, or included with, this Disclosure Statement should not be relied upon by you in arriving at your decision.

I. Claims Could Be More Than Projected, Assets Could Be Less Than Projected

The Allowed amount of Claims in each Class could be greater than projected, which in turn, could cause the amount of distributions to creditors to be reduced substantially. Likewise, the amount of cash realized for the liquidation of the Debtors' assets could be less than projected, which could cause the amount of distributions to creditors to be reduced substantially.

J. No Legal Or Tax Advice Is Provided To You By This Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each Claim or Equity Interest Holder should consult his, her, or its own legal counsel and accountant as to legal, tax, and other matters concerning his, her, or its Claim or Equity Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

XII.

CERTAIN UNITED STATES FEDERAL INCOME

TAX CONSEQUENCES OF THE PLAN

THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX. ALL HOLDERS OF CLAIMS AGAINST AND INTERESTS IN THE DEBTORS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF THE PLAN AND THE OWNERSHIP AND DISPOSITION OF PROCEEDS FROM CLAIMS INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR FOREIGN (NON-US) TAX LAWS AND OF ANY CHANGE IN APPLICABLE TAX LAWS.

This discussion is provided for information purposes only, and is based on provisions of the Internal Revenue Code of 1986, as amended (the “IRC”), Treasury Regulations promulgated thereunder, judicial authorities, and current administrative rulings and practice, all as in effect on the date hereof. Legislative, judicial, or administrative changes or interpretations enacted or promulgated after the date hereof could alter or modify the analyses set forth below with respect to the United States federal income tax consequences of the Plan. Any such changes or interpretations may be retroactive and could significantly, and adversely, affect the United States federal income tax consequences of the Plan. To the extent that the following discussion relates to the consequences to Holders of Allowed Claims or Interests, it is limited to Holders that are United States persons within in the meaning of the IRC. For purposes of the following discussion, a “United States person” is any of the following:

- An individual who is a citizen or resident of the United States;
- A corporation created or organized under the laws of the United States or any state or political subdivision thereof;
- An estate, the income of which is subject to federal income taxation regardless of its source; or
- A trust that (a) is subject to the primary supervision of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust, or (b) has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

This discussion does not address all aspects of U.S. federal income taxation that may be relevant to a particular Holder in light of its particular facts and circumstances, or to certain types of Holders subject to special treatment under the IRC. Examples of Holders subject to special treatment under the IRC are governmental entities and entities exercising governmental authority,

foreign companies, persons who are not citizens or residents of the United States, banks and certain other financial institutions, broker-dealers, insurance companies, tax-exempt organizations, real estate investment trusts, small business investment companies, regulated investment companies, Holders that are or hold their Claims or Interests through a partnership or other pass-through entity, dealers in securities or foreign currency, persons that have a functional currency other than the U.S. dollar, and persons holding Claims that are a hedge against, or that are hedged against, currency risk or that are part of a straddle, constructive sale, or conversion transaction. This discussion assumes that Holders hold their Claims or Interests as capital assets for U.S. federal income tax purposes. Generally, a capital asset is property held for investment. This discussion does not address other U.S. federal taxes or the foreign, state, or local tax consequences of the Plan. Furthermore, this discussion generally does not address the U.S. federal income tax consequences to Holders that are unimpaired under the Plan.

The tax treatment of Holders of Claims or Interests and the character, amount and timing of income, gain or loss recognized as a consequence of the Plan and the Distributions provided for by the Plan may vary, depending upon the following factors, among others: (i) whether the Claim or portion thereof constitutes a Claim for principal or interest; (ii) the type of consideration received by the Holder in exchange for the Claim, and whether the Holder receives Distributions under the Plan in more than one taxable year; (iii) whether the Holder is a citizen or resident of the United States for tax purposes, is otherwise subject to U.S. federal income tax on a net basis, or falls into any special class of taxpayers, such as those that are excluded from this discussion as noted above; (iv) the manner in which the Holder acquired the Claim; (v) the length of time that the Claim has been held; (vi) whether the Claim was acquired at a discount; (vii) whether the Holder has taken a bad debt deduction or a worthless securities deduction with respect to the Claim or any portion thereof in the current or prior taxable years; (viii) whether the Holder has previously included in gross income accrued but unpaid interest with respect to the Claim; (ix) the method of tax accounting of the Holder; (x) whether the Claim is an installment obligation for U.S. federal income tax purposes; (xi) whether the Claim, and any instrument received in exchange therefor, is considered a "security" for U.S. federal income tax purposes; and (xii) whether the "market discount" rules apply to the Holder. Therefore, each Holder should consult such Holder's own tax advisor for tax advice with respect to that Holder's particular situation and circumstances, and the particular tax consequences to such Holder of the transactions contemplated by the Plan.

A significant amount of time may elapse between the date of the Disclosure Statement and the receipt of a final Distribution under the Plan. Events occurring after the date of the Disclosure Statement, such as new or additional tax legislation, court decisions, or administrative changes, could affect the U.S. federal income tax consequences of the Plan and the transactions contemplated thereunder. No ruling has been or will be sought from the IRS with respect to any of the tax aspects of the Plan, and no opinion of counsel has been or will be obtained by the Debtors with respect thereto. No representations are being made regarding the particular tax consequences of the confirmation or implementation of the Plan as to any Holder of a Claim or Interest. This discussion is not binding upon the IRS or other taxing authorities. No assurance can be given that the IRS or another authority would not assert, or that a court would not sustain, a different position from any discussed herein.

THE FOLLOWING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN, AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE FOLLOWING DISCUSSION IS FOR INFORMATION PURPOSES ONLY AND IS NOT TAX ADVICE. THE TAX CONSEQUENCES ARE IN MANY CASES UNCERTAIN AND MAY VARY DEPENDING ON A HOLDER'S PARTICULAR CIRCUMSTANCES. ACCORDINGLY, EACH HOLDER IS STRONGLY URGED TO CONSULT SUCH HOLDER'S TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, AND LOCAL INCOME TAX CONSEQUENCES, AND NON-U.S. INCOME AND OTHER TAX CONSEQUENCES OF THE PLAN.

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, HOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY HOLDERS OF CLAIMS OR INTERESTS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS OF CLAIMS OR INTERESTS UNDER THE IRC; (B) SUCH DISCUSSION IS BEING USED IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE DEBTORS OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDER OF CLAIMS OR INTERESTS SHOULD SEEK ADVICE BASED ON EACH HOLDER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

A. Certain U.S. Federal Income Tax Consequences to Holders of Claims and Interests

A Holder of an Allowed Claim or Interest will generally recognize ordinary income to the extent that the amount of Cash or property received (or deemed received) under the Plan is attributable to interest that accrued on a Claim or Interest but was not previously paid by the Debtors or included in income by the Holder of the Allowed Claim or Interest. A Holder of an Allowed Claim or Interest will generally recognize gain or loss equal to the difference between the Holder's adjusted basis in its Claim or Interest and the amount realized by the Holder in respect of its Claim or Interest. The amount realized generally will equal the sum of Cash and the fair market value of other consideration received (or deemed received) by the Holder under the Plan on the Effective Date or subsequent distribution date, in respect of the Holder's Claim or Interest, less the amount, if any, attributable to accrued but unpaid interest.

The character of any gain or loss that is recognized as such will depend upon a number of factors, including the status of the Creditor or Interest Holder, the nature of the Claim or Interest in the Creditor's or Interest Holder's hands, whether the Claim or Interest was purchased at a discount, whether and to what extent the Creditor or Interest Holder has previously claimed a bad debt deduction with respect to the Claim or Interest, and the Creditor's or Interest Holder's holding period of the Claim or Interest. If the Claim or Interest in the Creditor's or Interest Holder's hands is a capital asset, the gain or loss realized will generally be characterized as a capital gain or loss. Such gain or loss will constitute long-term capital gain or loss if the Creditor or Interest Holder held such Claim or Interest for longer than one year, or short-term capital gain or loss if the Creditor or Interest Holder held such Claim or Interest for one year or less. Any capital loss realized generally may be used by a corporate Holder only to offset capital

gains, and by an individual Holder only to the extent of capital gains plus \$3,000 of ordinary income in any single taxable year.

A Holder of an Allowed Claim or Interest who receives, in respect of the Holder's Claim or Interest, an amount that is less than that Holder's tax basis in such Claim or Interest may be entitled in the year of receipt, and possibly in an earlier or later year, to a bad debt deduction under IRC Section 166(a) or a worthless securities deduction under IRC Section 165(g). The rules governing the character, timing, and amount of bad debt or worthless securities deductions place considerable emphasis on the facts and circumstances of the Holder, the obligor, and the instrument with respect to which a deduction is claimed. Holders of Claims or Interests, therefore, are urged to consult their tax advisors with respect to the ability to take either deduction. A Holder that has previously recognized a loss or deduction in respect of that Holder's Claim or Interest may be required to include in gross income (as ordinary income) any amounts received under the Plan to the extent such amounts exceed the Holder's adjusted basis in such Claim or Interest.

Holders of Claims or Interests who were not previously required to include any accrued but unpaid interest with respect to a Claim or Interest may be treated as receiving taxable interest income to the extent any consideration they receive under the Plan is allocable to such interest. A Holder previously required to include in gross income any accrued but unpaid interest with respect to a Claim or Interest may be entitled to recognize a deductible loss to the extent such interest is not satisfied under the Plan.

Holders of a Claim or Interest constituting an installment obligation for tax purposes may be required to currently recognize any gain remaining with respect to such obligation if, pursuant to the Plan, the obligation is considered to be satisfied at other than at face value or distributed, transmitted, sold or otherwise disposed of within the meaning of IRC Section 453B.

The Holders of certain Claims are expected to receive only a partial Distribution of their Allowed Claims. Whether the Holder of such Claims and Interests will recognize a loss, a deduction for worthless securities or any other tax treatment will depend upon facts and circumstances that are specific to the nature of each Holder and its Claims. Accordingly, a Holder of such Claim should consult such Holder's own tax advisor.

Under backup withholding rules, a Holder of an Allowed Claim may be subject to backup withholding with respect to payments made pursuant to the Plan unless such Holder (i) is a corporation or is otherwise exempt from backup withholding and, when required, demonstrates this fact or (ii) provides a correct taxpayer identification and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding because of failure to report all dividend and interest income. Any amount withheld under these rules will be credited against the Holder's federal income tax liability. Holders of Claims may be required to establish an exemption from backup withholding or to make arrangements with regard to payment of any backup withholding.

B. Certain U.S. Federal Income Tax Consequences to the Debtors

Under the IRC, a taxpayer generally must include in gross income the amount of any cancellation of indebtedness income (“COD Income”) realized during the taxable year. Section 108 of the IRC provides an exception to this general rule, however, if the cancellation occurs in a case under the Bankruptcy Code, but only if the taxpayer is under the jurisdiction of the bankruptcy court and the cancellation is granted by the court or is pursuant to a plan approved by the court.

Section 108 of the IRC requires the amount of COD Income so excluded from gross income to be applied to reduce certain tax attributes of the taxpayer. The tax attributes that may be subject to reduction include the taxpayer's net operating losses and net operating loss carryovers (collectively, “NOLs”), certain tax credits and tax credit carryovers, capital losses and capital loss carryovers, tax bases in assets, and passive activity loss carryovers. Attribute reduction is calculated only after the tax for the year of the discharge has been determined. Section 108 of the IRC further provides that a taxpayer does not realize COD Income from cancellation of indebtedness to the extent that payment of such indebtedness would have given rise to a deduction.

Under the Plan, Holders of certain Allowed Claims or Interests are expected to receive less than full payment on their Claims or Interests. The Debtors’ liability to the Holders of such Allowed Claims or Interests in excess of the amount satisfied by Distributions under the Plan will be canceled and therefore will result in COD Income to the Debtors. The Debtors should not realize any COD Income, however, to the extent that payment of such Allowed General Unsecured Claims would have given rise to a deduction to the Debtors had such amounts been paid. In addition, any COD Income that the Debtors realize should be excluded from the Debtors’ gross income pursuant to the bankruptcy exception to section 108 of the IRC described above, because the cancellation will occur in a case under the Bankruptcy Code, while the taxpayer is under the jurisdiction of the bankruptcy court, and the cancellation is granted by the court or is pursuant to a plan approved by the court.

The exclusion of the COD Income, however, will result in a reduction of certain tax attributes of the Debtors, such as the NOLs, as described above. Each of the Debtors has elected to be taxed as an “S” corporation for federal income tax purposes and, as a result, attribute reduction required as a result of the exclusion of COD Income may reduce NOLs that have passed through to the Debtors’ stockholders in current and prior taxable years. Because attribute reduction is calculated only after the tax for the year of discharge has been determined, the COD Income realized by the Debtors under the Plan should not diminish the NOLs and other tax attributes that may be available to offset any income and gains recognized by the Debtors in the taxable year that includes the Effective Date.

C. Consequences of the Liquidating Trust

The Liquidating Trust will be organized for the primary purpose of liquidating the assets transferred to it with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust. Thus, the Liquidating Trust is intended to be classified for federal income tax

purposes as a “grantor trust” within the meaning of Treasury Regulation Section 301.7701-4(d) and Revenue Procedure 94-45, 1994-2 C.B. 684. No request for a ruling from the IRS will be sought on the classification of the Liquidating Trust. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of the Liquidating Trust. If the IRS were to challenge successfully the classification of the Liquidating Trust as a grantor trust, the federal income tax consequences to the Liquidating Trust and the Holders of Claims could vary from those discussed herein (including the potential for an entity-level tax).

For all U.S. federal income tax purposes, all parties with respect to the Liquidating Trust (including, without limitation, the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) must treat the transfer of Liquidating Trust Assets to the Liquidating Trust as (i) a transfer of the Liquidating Trust Assets by the Debtors to the Liquidating Trust Beneficiaries, followed by (ii) a transfer of the Liquidating Trust Assets by such beneficiaries to the Liquidating Trust, with the beneficiaries being treated as the grantors and owners of the Liquidating Trust. Each Holder that is a beneficiary of the Liquidating Trust generally will recognize gain or loss in its taxable year that includes the Effective Date in an amount equal to the difference between the amount realized in respect of its Claim or Interest and its adjusted tax basis in the Claim or Interest. The amount realized generally should equal the fair market value of the Liquidating Trust Assets deemed received for U.S. federal income tax purposes under the Plan in respect of each Holder’s Claim or Interest, less the amount, if any, attributable to accrued but unpaid interest. A Holder that is deemed to receive for U.S. federal income tax purposes the Liquidating Trust Assets under the Plan in respect of its Claim or Interest generally should then have a tax basis in the Liquidating Trust Assets in an amount equal to the fair market value of the Liquidating Trust Assets on the date of receipt, less the amount, if any, attributable to accrued but unpaid interest.

Because each Holder’s share of the Liquidating Trust Assets in the Liquidating Trust may change depending upon the resolution of Disputed Claims, a Holder may be prevented from recognizing for tax purposes all of its loss from the consummation of the Plan until all Disputed Claims have been resolved.

In general, a liquidating trust is not a separate taxable entity but rather is treated as a grantor trust, pursuant to IRC Sections 671 *et. seq.*, owned by the persons who are treated as transferring assets to the Trust. Each Holder of a beneficial interest in the Liquidating Trust must report on its federal income tax return its allocable share of income, gain, loss, deduction and credit recognized or incurred by the Liquidating Trust. None of the Debtors’ loss carry-forwards will be available to reduce any income or gain of the Liquidating Trust. Moreover, upon the sale or other disposition (or deemed disposition) of any of the Liquidating Trust Assets, each Liquidating Trust Beneficiary must report on its federal income tax return its share of any gain or loss measured by the difference between (1) its share of the amount of cash and/or the fair market value of any property received by the Liquidating Trust in exchange for the Liquidating Trust asset so sold or otherwise disposed of and (2) its adjusted tax basis in its share of the Liquidating Trust asset. The character of any such gain or loss to the Holder will be determined as if such Holder itself had directly sold or otherwise disposed of the Liquidating Trust asset. The character of items of income, gain, loss, deduction and credit to any Holder of a beneficial interest in the Liquidating Trust, and the ability of the Holder to benefit from any deductions or losses, will depend on the particular circumstances or status of the Holder.

Given the treatment of the Liquidating Trust as a grantor trust, each Liquidating Trust Beneficiary has an obligation to report its share of the Liquidating Trust's tax items (including gain on the sale or other disposition of a Liquidating Trust asset) which is not dependent on the distribution of any cash or other Liquidating Trust assets by the Liquidating Trust. Accordingly, a Liquidating Trust Beneficiary may incur a tax liability as a result of owning a share of the Liquidating Trust Assets, regardless of whether the Liquidating Trust distributes cash or other assets. Due to the requirement that the Liquidating Trust maintain certain reserves, the Liquidating Trust's ability to make current cash distributions may be limited or precluded. In addition, due to possible differences in the timing of income on, and the receipt of cash from the Liquidating Trust Assets, a Liquidating Trust Beneficiary may be required to report and pay tax on a greater amount of income for a taxable year than the amount of cash received by the Holder during the year.

The Liquidating Trust will file annual information tax returns with the IRS as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a) that will include information concerning certain items relating to the holding or disposition (or deemed disposition) of the Liquidating Trust assets (e.g., income, gain, loss, deduction and credit). Each Holder of a beneficial interest in the Liquidating Trust will receive a copy of the information returns and must report on its federal income tax return its share of all such items. The information provided by the Liquidating Trust will pertain to Liquidating Trust Beneficiaries who received their interests in connection with the Plan.

THE FOREGOING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE ABOVE DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. THE TAX CONSEQUENCES ARE IN MANY CASES UNCERTAIN AND MAY VARY DEPENDING ON A HOLDER'S INDIVIDUAL CIRCUMSTANCES. ACCORDINGLY, HOLDERS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS ABOUT THE FEDERAL, STATE, LOCAL AND FOREIGN INCOME AND OTHER TAX CONSEQUENCES OF THE PLAN.

XIII.

PROCESS OF VOTING AND CONFIRMATION

The following is a brief summary regarding the voting procedures and the requirements for confirmation of the Plan. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code or to consult their own attorneys. Additional information regarding voting procedures is set forth in the Notice accompanying this Disclosure Statement.

A. Voting Instructions

This Disclosure Statement, accompanied by a Ballot to be used for voting on the Plan, is being distributed to Holders of Allowed Claims in Class 6B and Class 7. Only such Holders of

Allowed Claims are entitled to vote to accept or reject the Plan, and may do so by completing the Ballot and returning it to the Voting Agent:

Via Post office:

BMC Group, Inc.
Attn: AgFeed USA, LLC Ballot Processing
PO Box 3020
Chanhassen, MN 55317-3020

Via FedEx or hand-delivery:

BMC Group, Inc.
Attn: AgFeed USA, LLC Ballot Processing

Chanhassen, MN 55317

In light of the benefits to be attained under the Plan by the Holders in each Impaired Class of Claims, the Debtors recommend that Holders of Claims in the Impaired Classes vote to accept the Plan and return the Ballot prior to the Voting Deadline referred to below.

BALLOTS MUST BE RECEIVED BY THE VOTING AGENT ON OR BEFORE THE VOTING DEADLINE OF [____], 2014 AT 5:00 P.M., (PREVAILING EASTERN TIME). ANY BALLOTS RECEIVED AFTER THE FOREGOING TIME MAY NOT BE COUNTED. ANY BALLOT WHICH IS EXECUTED BY THE HOLDER OF AN ALLOWED CLAIM BUT WHICH DOES NOT INDICATE AN ACCEPTANCE OR REJECTION OF THE PLAN SHALL NOT BE COUNTED AS AN ACCEPTANCE OR REJECTION OF THE PLAN. A BALLOT TRANSMITTED TO THE VOTING AGENT BY FACSIMILE, EMAIL OR OTHER ELECTRONIC METHOD WILL NOT BE COUNTED.

Except to the extent permitted by the Bankruptcy Court, Ballots received after the Voting Deadline will not be accepted or counted by the Debtors in connection with the Debtors' request for confirmation of the Plan. The Debtors expressly reserve the right to amend, at any time and from time to time, the terms of the Plan (subject to compliance with the requirements of section 1127 of the Bankruptcy Code). If the Debtors make a material change to the terms of the Plan or waive a material condition thereof, the Debtors will disseminate additional solicitation materials and will extend the Voting Deadline, in each case to the extent required by law.

If a Ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other Person or Entity acting in a fiduciary or representative capacity, such person must so indicate and, unless otherwise determined by the Debtors, must submit evidence satisfactory to the Debtors of such person's authority.

Except as provided below or as ordered by the Bankruptcy Court, unless the Ballot being furnished is timely submitted on or prior to the Voting Deadline, the Debtors may, in their

discretion, reject such Ballot as invalid and decline to recognize such Ballot in connection with confirmation of the Plan by the Bankruptcy Court.

In the event that a Claim is Disputed or a designation is requested under section 1126(e) of the Bankruptcy Code, any vote cast to accept or reject the Plan with respect to such Claim will not be counted for purposes of determining whether the Plan has been accepted or rejected, unless the Bankruptcy Court orders otherwise.

The method of delivery of Ballots to be delivered to the Voting Agent is at the election and risk of each Holder of a Claim. Except as otherwise provided herein, such delivery will be deemed made only when actually received by the Voting Agent. Instead of effecting delivery by mail, it is recommended that such Holders use an overnight or hand delivery service. In all cases, sufficient time should be allowed to assure timely delivery.

Any Holder of Impaired Claims that has delivered a valid Ballot may withdraw its vote solely in accordance with Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

Subject to any contrary order of the Bankruptcy Court, the Debtors, in consultation with the Committees, reserve the absolute right to reject any and all Ballots not proper in form and the acceptance of which would, in the opinion of the Debtors or its counsel, not be in accordance with the provisions of the Bankruptcy Code. Subject to contrary order of the Bankruptcy Court, the Debtors further reserve the right to waive any defects or irregularities or conditions of delivery as to any particular Ballot unless otherwise directed by the Bankruptcy Court. Unless waived or as ordered by the Bankruptcy Court, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Bankruptcy Court) determine. Neither the Debtors, nor any other Person or Entity, will be under any duty to provide notification of defects or irregularities with respect to the delivery of Ballots and neither the Debtors, nor any other Person or Entity, will incur any liability for failure to provide such notice. Unless otherwise directed by the Bankruptcy Court, delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots as to which any irregularities have not theretofore been cured or waived will not be counted.

B. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires that the Bankruptcy Court, after notice, hold a hearing on confirmation of a plan (the "Confirmation Hearing"). Section 1128(b) of the Bankruptcy Code provides that any party-in-interest may object to confirmation of such plan.

The Confirmation Hearing in respect of the Plan has been scheduled for [____], 2014 at [____] (ET), or as soon thereafter as counsel may be heard, before the Honorable Brendan L. Shannon, United States Bankruptcy Judge, in the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 6th Floor, Wilmington, Delaware 19801. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for any announcement of the adjourned date made at the Confirmation Hearing or any adjournment thereof.

Objections to confirmation of the Plan must be Filed and served on or before [____], 2014 at [____] (ET) in accordance with the Notice accompanying this Disclosure Statement.

UNLESS OBJECTIONS TO CONFIRMATION OF THE PLAN ARE TIMELY SERVED AND FILED IN COMPLIANCE WITH THE DISCLOSURE STATEMENT APPROVAL ORDER, THEY WILL NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

C. Statutory Requirements for Confirmation of the Plan

At the Confirmation Hearing, the Bankruptcy Court shall determine whether the requirements of section 1129 of the Bankruptcy Code have been satisfied. If so, the Bankruptcy Court shall enter the Confirmation Order. The Debtors believe that the Plan satisfies or will satisfy the applicable requirements, as follows:

- The Plan complies with the applicable provisions of the Bankruptcy Code.
- The Debtors have complied with the applicable provisions of the Bankruptcy Code.
- The Plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or to be made under the Plan for services or for costs and expenses in or in connection with the Debtors' Chapter 11 Cases has been disclosed to the Bankruptcy Court and any such payment made before the confirmation of the Plan is reasonable or if such payment is to be fixed after the confirmation of the Plan, such payment is subject to the approval of the Bankruptcy Court.
- With respect to each Class of Impaired Claims, either each Holder of a Claim in such Class had accepted the Plan or each such Holder will receive or retain under the Plan on account of such Claim property of a value as of the Effective Date of the Plan that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated on such date under chapter 7 of the Bankruptcy Code.
- Each Class of Claims that is entitled to vote on the Plan has either accepted the Plan or is not impaired under the Plan.
- Except to the extent that the Holder of a particular Claim agrees to a different treatment of such Claim, the Plan provides that Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Non-Tax Priority Claims and Allowed Secured Claims will be paid in full on the Effective Date or as soon thereafter as practicable.
- At least one Class of Impaired Claims (not including any acceptance of the Plan by any Insider (as defined in section 101(31) of the Bankruptcy Code) holding a Claim in such Class) has accepted the Plan.
- Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtors or any successor to the Debtors under the Plan, unless such liquidation or reorganization is proposed in the Plan.

- The Debtors have no retiree benefits within the meaning of section 1129(a)(13) of the Bankruptcy Code. The Debtors 401(K) plans, and any other pension programs, if not already cancelled or terminated, will be cancelled or terminated prior to the Effective Date.
- All fees of the type described in 28 U.S.C. § 1930, including the fees of the United States Trustee, will be paid as of the Effective Date.

The Debtors believe that (1) the Plan satisfies or will satisfy all of the statutory requirements of chapter 11 of the Bankruptcy Code; (2) they have complied or will have complied with all of the requirements of chapter 11 of the Bankruptcy Code; and (3) the Plan has been proposed in good faith.

1. Best Interests of Creditors Test.

Before the Plan may be confirmed, the Bankruptcy Court must find (with certain exceptions) that the Plan provides, with respect to each Class, that each Holder of a Claim in such Class either (a) has accepted the Plan or (b) will receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the amount that such Holder would receive or retain if the Debtors liquidated under chapter 7 of the Bankruptcy Code.

In chapter 7 liquidation cases, unsecured creditors and equity interest holders of a debtor are paid from available assets generally in the following order, with no lower class receiving any payments until all amounts due to senior classes have been paid fully or payment has been provided for:

- Secured creditors (to the extent of the value of their collateral).
- Priority creditors.
- Unsecured creditors.
- Debt expressly subordinated by its terms or by order of the Bankruptcy Court.
- Equity interest holders.

This is a liquidating plan. In any event, whether by the Liquidating Trust, or a chapter 7 trustee, the Debtors' Estates' assets will be liquidated. Accordingly, there is no reorganization value to be calculated, or distribution scenarios related thereto. In addition, the activities of the Liquidating Trust Committee and the Liquidating Trustee after the Effective Date are the very same ones that would be pursued by a chapter 7 trustee. However, unlike a chapter 7 trustee, who may seek to charge statutory fees of up to 3% of disbursements, the members of the Liquidating Trust Committee will not be compensated for their services. Additionally, it is likely that a chapter 7 trustee will retain counsel who would likely be required to spend a significant amount of time and expense becoming familiar with the case – time and expense that would not be required if the Plan is confirmed.

The Debtors have performed a careful review of the estimated recoveries in a chapter 11 liquidation scenario and a chapter 7 liquidation scenario which is attached hereto as **Exhibit H** (the “Liquidation Analysis”). As the result of the Liquidation Analysis, the Debtors have concluded that the recoveries to Creditors will be maximized by completing the liquidation of any remaining assets of the Debtors under chapter 11 of the Bankruptcy Code and making distributions pursuant to the Plan. The Debtors believe that the Debtors’ Estates have value that would not be fully realized by Creditors in a chapter 7 liquidation primarily because, among other reasons, (i) additional administrative expenses would be incurred in a chapter 7 liquidation, specifically those of a chapter 7 trustee charging statutory fees of up to 3% of disbursements and any costs of counsel to the chapter 7 trustee to become familiar with the facts and circumstances of these cases, and (ii) the additional delay in distributions that would occur if the Debtors’ Chapter 11 Cases were converted to a case under chapter 7.

D. Plan Feasibility

Pursuant to section 1129(a)(11) of the Bankruptcy Code, the Bankruptcy Court must determine, among other things, that confirmation of the Plan is not likely to be followed by the liquidation or need for further financial reorganization of the Debtors or any successors to the Debtors under the Plan (unless such liquidation or reorganization is proposed in the Plan). In addition, section 1129(a)(13) requires that all fees payable under section 1930 of title 28, as determined by the court at the hearing on confirmation of the plan, have been paid or the plan provides for the payment of all such fees on the Effective Date of the plan. These conditions are often referred to as the “feasibility” of the Plan. The Plan is a liquidating plan and, accordingly, all of the Debtors’ remaining assets will be distributed to Holders of Allowed Claims pursuant to the terms of the Plan and, provided the Plan is confirmed and consummated, the Estates will no longer exist to be subject to future reorganization or liquidation. As a result, the Plan satisfies the feasibility test. Moreover, the Plan provides for payment of all statutory fees due and owing to the United States Trustee. Accordingly, the Debtors believe that the Plan satisfies the requirements of feasibility under section 1129(a) of the Bankruptcy Code.

E. Section 1129(b): Unfair Discrimination and the “Fair and Equitable” Test

The Debtors will request Confirmation of the Plan under section 1129(b) of the Bankruptcy Code, and they have reserved the right to modify the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification. The Bankruptcy Court may confirm the Plan over the rejection or deemed rejection of the Plan by an Impaired Class of Claims or Interests if the Plan “does not discriminate unfairly” and is “fair and equitable” with respect to such Class.

1. No Unfair Discrimination.

The “unfair discrimination” test applies to Impaired Classes of Claims or Interests that are of equal priority and are receiving disparate treatment under the Plan. The test does not require that the treatment of such Classes be the same or equivalent, but only that the treatment be “fair.” The Plan does not classify separately Claims against the Debtors, into two or more Impaired Classes of equal priority. Accordingly, there is no basis for any Claimant to assert that

the Plan unfairly discriminates. Accordingly, the Plan does not discriminate (let alone unfairly) and satisfies the “unfair discrimination” test. Simply put, all Claims of equal rank are classified in the same Class and are treated equally.

2. Fair and Equitable Test: “Cramdown”.

The Bankruptcy Code provides a non-exclusive definition of the phrase “fair and equitable.” The Bankruptcy Code establishes “cramdown” tests for dissenting classes of secured creditors, unsecured creditors and equity holders. As to each dissenting class, the test prescribes different standards, depending on the type of claims or equity interests in such class:

Secured Creditors. With respect to each Class of Secured Claims that rejects the Plan, the Plan must provide (i)(a) that each Holder of a Secured Claim in the rejecting class retain the liens securing those Claims, whether the property subject to those liens is retained by the Debtors or transferred to another entity, to the extent of the allowed amount of such Secured Claim and (b) that the Secured Creditor receives on account of its secured claim deferred cash payments having a value, as of the Effective Date of the Plan, of at least the value of the allowed amount of such Secured Claim; (ii) for the sale of any property that is subject to the liens securing the Claims included in the rejecting Class, free and clear of such liens, with such liens to attach to the proceeds of the sale, and the treatment of such liens on proceeds under clause (i) or (iii) of this subparagraph; or (iii) for the realization by the Secured Creditor of the “indubitable equivalent” of its Secured Claim.

Unsecured Creditors. With respect to each Impaired Class of unsecured Claims that rejects the Plan, the Plan must provide (i) that each Holder of a Claim in the rejecting Class will receive or retain on account of that claim property that has a value, as of the Effective Date of the Plan, equal to the allowed amount of such claim; or (ii) that no Holder of a Claim or Interest that is junior to the Claims of such rejecting Class will receive or retain under the Plan any property on account of such junior Claim or Interest.

Interests. With respect to each Impaired Class of Interests that rejects the Plan, the Plan must provide (i) that each Holder of an Interest included in the rejecting Class receive or retain on account of the Interests property that has a value, as of the Effective Date of the Plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such Holder is entitled, any fixed redemption price to which such holder is entitled, or the value of such Interests; or (ii) that no Holder of an Interest that is junior to the Interests of such rejecting Class will receive or retain under the plan any property on account of such junior Interest.

The Debtors believe that the Plan may be confirmed pursuant to the above-described “cramdown” provisions, over the dissent of certain Classes of Claims and Interests, in view of the treatment proposed for such Classes. The Debtors believe that the treatment under the Plan of the Holders of Class 4, 6B and 7 will satisfy the “fair and equitable” test. Additionally, as noted above, the Debtors do not believe that the Plan unfairly discriminates against any dissenting Class because all dissenting Classes of equal rank are treated equally under the Plan.

XIV.

ALTERNATIVES TO THE PLAN

A. Liquidation Under Chapter 7

If the Plan or any other chapter 11 plan for the Debtors cannot be confirmed under sections 1129(a) and (b) of the Bankruptcy Code, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, and a trustee would be elected or appointed to liquidate any remaining assets of the Debtors for Distribution to Holders of Allowed Claims and Interests pursuant to chapter 7 of the Bankruptcy Code. If a trustee is appointed and the remaining assets of the Debtors are liquidated under chapter 7 of the Bankruptcy Code, all Creditors and Interest Holders under the Plan may receive Distributions of a lesser value on account of their Allowed Claims and may have to wait a longer period of time to receive such Distributions than they would under the Plan.

B. Dismissal

If these Chapter 11 Cases are dismissed, the protections of the Bankruptcy Code would disappear, thereby resulting in costly, uncontrolled and protracted litigation in various jurisdictions among and between the Debtors and the Holders of Claims and Interests. Therefore, the Debtors believe that dismissal of the Chapter 11 Cases is not a viable alternative to Confirmation of the Plan.

C. Alternative Plan of Reorganization

The Debtors, with the assistance of their professionals, have considered their options and have concluded that the Plan offers the best and highest recoveries for Creditors and that the Plan provides greater potential recoveries for Creditors than any feasible alternative.

XV.

RECOMMENDATION

In the opinion of the Debtors, the Plan is preferable to the alternatives described herein. It provides for larger distribution to the Holders than would otherwise result in a liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than confirmation of the Plan could result in extensive delays and increased administrative expenses resulting in smaller distributions to the Holders of Claims. Accordingly, the Debtors recommend that Holders of Claims entitled to vote to accept or reject the Plan support confirmation of the Plan and vote to accept the Plan.

XVI.

CONCLUSION

It is important that you exercise your right to vote on the Plan. The Debtors believe that the Plan fairly and equitably provides for the treatment of all Claims against, and Interests in, the Debtors and recommend that you cast your Ballot in favor of the Plan.

INTRODUCTION

AgFeed USA, LLC (“AgFeed USA”) and its above-captioned affiliated debtors and debtors in possession (collectively, the “Debtors”), hereby propose the following Plan, supported by the Official Committee of Equity Security Holders (the “Equity Holders’ Committee” or the “Plan Supporter”) for the liquidation of the Debtors’ remaining assets and for the resolution of all outstanding Claims against and Interests in the Debtors.

The Plan provides for substantive consolidation of the Consolidated AgFeed USA Debtors and the liquidation of the Debtors’ assets. The majority of the Debtors’ assets have been liquidated pursuant to the AgFeed USA Sale and the AgFeed Industries Stock Sale. The Plan further provides for the Estates’ Assets to be allocated in accordance with the terms of the Plan and distributed to holders of the Allowed Claims and Interests. On the Effective Date, all of the Estates’ Assets will vest in and be transferred to the Liquidating Trust. The Liquidating Trust shall be administered by the Liquidating Trustee who shall, among other things, liquidate the remaining Estates’ Assets, resolve any disputed Claims, wind-down the affairs of the Debtors, and make initial and final Distributions pursuant to the Plan.

The Plan incorporates a settlement, by and between the Debtors and the Plan Supporter which provides for the SEC and Class Plaintiffs to contribute all or a portion of their respective Allowed Claims to the Liquidating Trust for Distribution in accordance with the Plan. More specifically, the Plan provides that, on the Effective Date of the Plan, the SEC, in full and final satisfaction of any and all Claims (including its proof of claim) or cause of action it has or may have against any of the Debtors, shall have an Allowed Claim in the amount of \$18.0 million payable from the AgFeed Industries Net Distributable Cash which the SEC shall immediately contribute to the Liquidating Trust, with \$12.5 million designated for Distribution to the Holders of Class 5B Interests and \$5.5 million designated for the Plan Fairness Fund established under the Plan. On the Effective Date, the Liquidating Trustee shall also allocate the Cash remaining, after payment of all Allowed Administrative Claims, Allowed Priority Claims, Allowed Secured Claims and Allowed General Unsecured Claims or the establishment of appropriate reserves in accordance with the Plan, plus any unallocated or unreserved Cash as a result of the claims administration process from the AgFeed Industries Net Distributable Cash for Distribution, to the Holders of Class 5B Interests as of the Distribution Record Date. The Holders of Class 5B Interests as of the Distribution Record Date shall receive their Pro Rata share of the Cash available for Distribution from the funds contributed by the SEC and allocated from the AgFeed Industries Net Distributable Cash and any Cash remaining after Distributions are made for the Plan Fairness Fund. Additionally, Class 5B Interests shall be entitled to additional Distributions from the net proceeds, if any, available as the result of the Liquidating Trustee’s pursuit of Causes of Action.

On the Effective Date of the Plan, the Class Plaintiffs shall receive, in full and final settlement of any and all Claims (including proofs of claim) or causes of action against the Debtors or any defendant in the Class Action Litigation, an Allowed Claim in the amount of \$7.0 million, approximately \$3.15 million of which shall be paid from the AgFeed Industries Net Distributable Cash and approximately \$3.85 million of which shall be paid from available insurance proceeds. The Class Plaintiffs’ counsel shall be entitled to payment of legal fees and expenses in connection with the Class Action Litigation in an amount up to \$1.75 million payable from the Allowed Class Plaintiff’s Claim. The Class Plaintiffs shall immediately contribute the

balance of the \$7.0 million, (an amount of at least \$5.25 million), to the Plan Fairness Fund for distribution in accordance with the Plan Fairness Fund Distribution Procedures. Holders of Allowed Subordinated Claims shall receive Distributions from the Plan Fairness Fund in accordance with the Plan Fairness Fund Distribution Procedures.

Additionally, on the Effective Date, all existing stock and equity interests in AgFeed Industries shall be deemed canceled and extinguished and AgFeed Industries shall reissue one (1) share of common stock to the Liquidating Trust. Upon the closing of the bankruptcy cases, the Liquidating Trustee will have authority to take any and all steps necessary to dissolve the Debtors.

For a discussion of the Debtors' history, businesses, properties, operations, the Chapter 11 Cases, risk factors, summary and analysis of the Plan, and certain other related matters, reference is hereby made to the Disclosure Statement that is distributed herewith. In the event of any inconsistencies between the Plan and the Disclosure Statement, the terms and provisions of the Plan shall control.

ALL HOLDERS OF CLAIMS AGAINST AND INTERESTS IN THE DEBTORS ARE ENCOURAGED TO READ THE PLAN AND THE DISCLOSURE STATEMENT IN THEIR ENTIRETY, AND TO CONSULT WITH AN ATTORNEY, BEFORE VOTING TO ACCEPT OR REJECT THE PLAN. SUBJECT TO CERTAIN RESTRICTIONS AND REQUIREMENTS SET FORTH IN SECTION 1127 OF THE BANKRUPTCY CODE, BANKRUPTCY RULE 3019, AND IN THE PLAN, THE DEBTORS RESERVE THE RIGHT TO ALTER, AMEND, MODIFY, REVOKE OR WITHDRAW THE PLAN, OR ANY PART THEREOF, PRIOR TO ITS SUBSTANTIAL CONSUMMATION.

Notwithstanding any of the foregoing, the Liquidating Trustee may (i) modify or change the amounts in Reserves, (ii) make Distributions under the Plan, or (iii) extend any applicable Bar Date, in consultation with the Liquidating Trust Oversight Committee or by entry of an order by the Bankruptcy Court.

Establishment of a Liquidating Trust. Except as otherwise provided for in the Plan, any and all of the Estates' Assets accruing to the Debtors or assertable as accruing to the Debtors shall remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date shall be transferred to and vest in the Liquidating Trust free and clear from any and all Claims and liens for the uses and purposes set forth herein and for the benefit of the Liquidating Trust Beneficiaries. Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Liquidating Trust and the Liquidating Trustee shall have the right to pursue or not to pursue, or, subject to the terms of the Plan and the Liquidating Trust Agreement, compromise or settle any Liquidating Trust Assets. From and after the Effective Date, the Liquidating Trust and the Liquidating Trustee may commence, litigate and settle any Causes of Action or Claims relating to the Liquidating Trust Assets or rights to payment or Claims that belong to the Debtors as of the Effective Date or are instituted by the Liquidating Trust and Liquidating Trustee on or after the Effective Date, except as otherwise expressly provided in the Plan and the Liquidating Trust Agreement. Other than as set forth

herein, no other Person may pursue such Liquidating Trust Assets on or after the Effective Date. The Liquidating Trustee shall be deemed hereby substituted as plaintiff, defendant, or in any other capacity for either of the Committees or each Debtor in any Causes of Action pending before the Bankruptcy Court or any other court that relates to a Liquidating Trust Asset without the need for Filing any motion for such relief. On the Effective Date, the Debtors and the Liquidating Trustee shall execute the Liquidating Trust Agreement and shall have established the Liquidating Trust pursuant to the Plan. In the event of any conflict between the terms of this Article VI and the terms of the Liquidating Trust Agreement, the terms of this Article VI shall control.

- (d) **Liquidating Trust Assets.** Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidating Trust Assets become available, the Debtors shall be deemed to have automatically transferred to the Liquidating Trust all of their right, title, and interest in and to all of the Liquidating Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, including the Debtors' attorney-client privilege, all such assets shall automatically vest in the Liquidating Trust free and clear of all Claims and liens, subject only to the Allowed Claims or Allowed Interests of the Liquidating Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidating Trust as set forth herein and in the Liquidating Trust Agreement. Thereupon, the Debtors shall have no interest in or with respect to the Liquidating Trust Assets or the Liquidating Trust.
- (e) **Treatment of Liquidating Trust for Federal Income Tax Purposes; No Successor in Interest.** The Liquidating Trust shall be established for the primary purpose of liquidating and distributing the assets transferred to it, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust. Accordingly, the Liquidating Trustee shall, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidating Trust Assets, make timely distributions to the Liquidating Trust Beneficiaries and not unduly prolong its duration. The Liquidating Trust shall not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidating Trust Agreement. Beneficial interests in the Liquidating Trust are not and will not be represented by any certificate or other instrument.

The Liquidating Trust is intended to qualify as a "grantor trust" for federal income tax purposes with the Liquidating Trust Beneficiaries treated as grantors and owners of the Liquidating Trust. For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) shall treat the transfer of the Liquidating Trust Assets by the Debtors to the Liquidating Trust, as set forth in the Liquidating Trust Agreement, as a transfer of such assets by the Debtors to the Holders of Allowed Claims or Allowed Interests of Liquidating Trust Beneficiaries entitled to distributions from the Liquidating Trust Assets, followed by a transfer by such

Holders to the Liquidating Trust. Thus, the Liquidating Trust Beneficiaries shall be treated as the grantors and owners of a grantor trust for federal income tax purposes.

As soon as reasonably practicable on or after the Effective Date, the Liquidating Trustee (to the extent that the Liquidating Trustee deems it necessary or appropriate in the Liquidating Trustee's sole discretion) shall value the Liquidating Trust Assets based on the good faith determination of the value of such Liquidating Trust Assets. The valuation shall be used consistently by all parties (including the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) for all federal income tax purposes. The Bankruptcy Court shall resolve any dispute regarding the valuation of the Liquidating Trust Assets.

The right and power of the Liquidating Trustee to invest the Liquidating Trust Assets transferred to the Liquidating Trust, the proceeds thereof, or any income earned by the Liquidating Trust, shall be limited to the right and power to invest such Liquidating Trust Assets (pending distributions in accordance with the Plan) in Permissible Investments.

- (f) **The Liquidating Trust Oversight Committee.** The Equity Holders' Committee, in consultation with the Debtors, shall propose three (3) individuals to serve as members of the Liquidating Trust Oversight Committee, which shall have the responsibility to review and consult with the Liquidating Trustee with respect to the liquidation and distribution of the Estates' Assets in accordance with the Liquidating Trustee Agreement and the Plan. The Debtors or counsel to the Equity Holders' Committee shall File a notice identifying the proposed members of the Liquidating Trust Oversight Committee no later than five (5) days prior to the Voting Deadline. Once approved pursuant to the Confirmation Order, in the event that a member is no longer willing or able to serve in such capacity, the remaining members shall endeavor to select another similarly situated individual to serve in that capacity. Any successor appointed pursuant to this Section shall become fully vested with all of the rights, powers, duties and obligations of his or her predecessor. For the avoidance of doubt, no member of the Liquidating Trust Oversight Committee shall be compensated for serving as a member of the Liquidating Trust Oversight Committee, provided, however, that such member may be reimbursed from the Liquidation Trust Expense Reserve for reasonable out of pocket expenses subject to approval by the Liquidating Trustee or the Bankruptcy Court.

Pursuant to the Liquidating Trust Agreement, the Liquidating Trustee will need either the consent of the Liquidating Trust Oversight Committee or approval of the Bankruptcy Court for the following actions:

- (i) the sale or liquidation of the Estates' Assets for an amount in excess of \$100,000;
- (ii) the settlement of a Cause of Action for an amount greater than \$100,000;

- (iii) the allowance of a Disputed Claim that was Filed in an unliquidated amount or in an amount greater than \$100,000;
 - (iv) the estimation of a Disputed Claim for the purposes of maintaining Reserves in accordance with the Plan or for other purposes; and
 - (v) the granting of releases entered into on behalf of the Debtors' Estates.
- (g) **Expenses of Liquidating Trustee.** Fees and expenses incurred by the Liquidating Trustee shall be paid from the Liquidating Trust Expense Reserve in accordance with Article VII below.
- (h) **Bonding of Liquidating Trustee.** The Liquidating Trustee shall not be obligated to obtain a bond but may do so, in his or her sole discretion, in which case the expense incurred by such bonding shall be paid by the Liquidating Trust.
- (i) **Fiduciary Duties of the Liquidating Trustee.** Pursuant to the Plan and the Liquidating Trust Agreement, the Liquidating Trustee shall act in a fiduciary capacity on behalf of the interests of all Holders of Claims and Interests that will receive Distributions pursuant to the terms of the Plan.
- (j) **Dissolution of the Liquidating Trust.** The Liquidating Trust shall be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion Filed prior to the third anniversary or the end of any extension period approved by the Bankruptcy Court (the Filing of which shall automatically extend the term of the Liquidating Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion), determines that a fixed period extension is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets. The Liquidating Trust shall require that each extension be approved by the Bankruptcy Court within six (6) months of the beginning of the extended term. After (a) the final Distribution of the Reserves and the balance of the assets or proceeds of the Liquidating Trust pursuant to the Plan, (b) the Filing by or on behalf of the Liquidating Trust of a certification of dissolution with the Bankruptcy Court in accordance with the Plan, and (c) any other action deemed appropriate by the Liquidating Trustee, the Liquidating Trust shall be deemed dissolved for all purposes without the necessity for any other or further actions.
- (k) **Liability, Indemnification of the Liquidating Trust Protected Parties.** The Liquidating Trust Protected Parties shall not be liable for any act or omission of any other member, designee, agent, or representative of such Liquidating Trust Protected Parties, nor shall such Liquidating Trust Protected Parties be liable for any act or omission taken or not taken in their capacity as Liquidating Trust Protected Parties other than for specific acts or omissions resulting from such Liquidating Trust Protected Parties' willful misconduct, gross negligence, or fraud. The Liquidating Trustee or the Liquidating Trust Oversight Committee may, in connection with the performance of the Liquidating Trustee's functions and the Liquidating Trust Oversight Committee's functions, and in the Liquidating

Trustee's and/or the Liquidating Trust Oversight Committee's sole and absolute discretion, consult with the Liquidating Trustee's attorneys, accountants, financial advisors and agents. Notwithstanding such authority, the Liquidating Trustee and the Liquidating Trust Oversight Committee shall not be under any obligation to consult with its attorneys, accountants, financial advisors, and agents, and the Liquidating Trustee's and the Liquidating Trust Oversight Committee's determination not to do so shall not result in the imposition of liability on the Liquidating Trustee or the Liquidating Trust Protected Parties, unless such determination is based on willful misconduct, gross negligence, or fraud. The Liquidating Trust shall indemnify and hold harmless the Liquidating Trust Protected Parties from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements and related expenses), which such Liquidating Trust Protected Parties may incur or to which such Liquidating Trust Protected Parties may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Liquidating Trust Protected Parties arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidating Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Liquidating Trust Protected Parties for actions or omissions as a result of their willful misconduct, gross negligence, or fraud.

- (l) **Full and Final Satisfaction against Liquidating Trust.** On and after the Effective Date, the Liquidating Trust shall have no liability on account of any Claims or Interests except as set forth in the Plan and in the Liquidating Trust Agreement. All payments and all Distributions made by the Liquidating Trustee under the Plan shall be in full and final satisfaction, settlement, and release of and in exchange for all Claims or Interests against the Liquidating Trust; provided, however, that nothing contained in the Plan, the Disclosure Statement, the Confirmation Order, the Liquidating Trust Agreement, or any other document or agreement shall constitute, be deemed to constitute or shall result in a discharge of any Debtor under section 1141(d) of the Bankruptcy Code.

6.4 Transfer Taxes. Any transfer of the Estates' Assets to the Liquidation Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

6.5 Settlement of Claims and Controversies. The Plan represents settlements by and between the Debtors and the Plan Supporter. Pursuant to section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration of the Distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all released claims against the Released Parties, and the Plan constitutes a request for the Bankruptcy Court to authorize and approve such compromise and settlement, to release all of the released claims belonging to the Debtors' Estates and any other Person that is deemed to have given a release pursuant to the Plan against each and every and all Released Parties (the "Settlement"). Distributions to be made pursuant to the Plan shall be made on account of and in

consideration of the Settlement. Entry of the Confirmation Order shall confirm the Bankruptcy Court's approval, as of the Effective Date of the Plan, of all components of the Settlement and the Bankruptcy Court's finding that the Settlement is in the best interests of the Debtors, their respective Estates, the Liquidating Trustee, and the Holders of Claims and interests, and is fair, equitable and reasonable.

6.6 Closing the Chapter 11 Cases. The Liquidating Trust Protected Parties shall not be liable for any act or omission of any other member, designee, agent, or representative of such Liquidating Trust Protected Parties, nor shall such Liquidating Trust Protected Parties be liable for any act or omission taken or not taken in their capacity as Liquidating Trust Protected Parties other than for specific acts or omissions resulting from such Liquidating Trust Protected Parties' willful misconduct, gross negligence, or fraud. The Liquidating Trustee or the Liquidating Trust Oversight Committee may, in connection with the performance of the Liquidating Trustee's functions and the Liquidating Trust Oversight Committee's functions, and in the Liquidating Trustee's and/or the Liquidating Trust Oversight Committee's sole and absolute discretion, consult with the Liquidating Trustee's attorneys, accountants, financial advisors and agents. Notwithstanding such authority, the Liquidating Trustee and the Liquidating Trust Oversight Committee shall not be under any obligation to consult with its attorneys, accountants, financial advisors, and agents, and the Liquidating Trustee's and the Liquidating Trust Oversight Committee's determination not to do so shall not result in the imposition of liability on the Liquidating Trustee or the Liquidating Trust Protected Parties, unless such determination is based on willful misconduct, gross negligence, or fraud. The Liquidating Trust shall indemnify and hold harmless the Liquidating Trust Protected Parties from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements and related expenses), which such Liquidating Trust Protected Parties may incur or to which such Liquidating Trust Protected Parties may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Liquidating Trust Protected Parties arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidating Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Liquidating Trust Protected Parties for actions or omissions as a result of their willful misconduct, gross negligence, or fraud.

6.7 Cancellation of Instruments and Stock. On the Effective Date, all instruments evidencing or creating any indebtedness or obligation of the Debtors, except such instruments that are authorized or issued under the Plan, shall be canceled and extinguished. Additionally, as of the Effective Date, all Interests, and any and all warrants, options, rights or interests with respect to Interests that have been issued, could be issued or that have been authorized to be issued but that have not been issued, shall be deemed canceled and extinguished without any further action of any party provided, however, that AgFeed Industries shall issue one (1) share of common stock to the Liquidating Trust, and the Liquidating Trustee shall serve as the sole officer and director of AgFeed Industries. The Holders of, or parties to, the canceled notes, membership interests, share certificates and other agreements and instruments shall have no rights arising from or relating to such notes, share certificates and other agreements and instruments or the cancellation thereof, except the rights provided pursuant to the Plan.

6.8 Operating Reports. Prior to the Effective Date, the Debtors shall timely File all reports, including without limitation, monthly operating reports required by the Bankruptcy Court, Bankruptcy Code, Bankruptcy Rules or the Office of the United States Trustee. On and after the Effective Date, the Liquidating Trustee shall timely File all reports, including without limitation, quarterly operating reports as required by the Bankruptcy Court, Bankruptcy Code, Bankruptcy Rules or the Office of the United States Trustee until entry of an order closing or converting the Chapter 11 Cases.

6.9 Disposition of Books and Records. After the Effective Date, the Debtors shall transfer the Debtors' books and records in the Debtors' possession, relating to the conduct of the Debtors' business prior to the Effective Date to the Liquidating Trust. From and after the Effective Date, the Liquidating Trustee shall continue to preserve and maintain all documents and electronic data transferred to the Liquidating Trust by the Debtors and the Liquidating Trustee, subject to Section 6.5, shall not destroy or otherwise abandon any such documents and records (in electronic or paper format) absent further order of the Court after a hearing upon notice to parties-in-interest provided, however, that the Liquidating Trustee may destroy or abandon such books and records upon entry of a Final Order closing the last Chapter 11 Case.

6.10 Corporate Action. On the Effective Date, all matters expressly provided for under the Plan that would otherwise require approval of shareholders or directors of one or more of the Debtors, including, but not limited to dissolution or merger of any of the Debtors, shall be deemed to have occurred and shall be in effect upon the Effective Date.

6.11 Corporate Existence and Dissolution of Debtors. Upon the Effective Date, the Consolidated AgFeed USA Debtors, except for AgFeed USA, shall be deemed dissolved and the Liquidating Trustee shall be authorized to File a certificate of cancellation or any other documents necessary to cancel the legal existence of the Consolidated AgFeed USA Debtors other than AgFeed USA. Upon the final distributions, including the payment of the Remaining Distributable AgFeed USA Estate Assets to AgFeed Industries, AgFeed USA shall be deemed dissolved for all purposes without the necessity for other or further actions to be taken by or on behalf of the Debtors and the Liquidating Trustee shall be authorized to File any certificate of cancellation or other documents as may be necessary or desirable to terminate the legal existence of AgFeed USA. Upon the final distributions with respect to the Remaining AgFeed Industries Estate Assets, AgFeed Industries shall be deemed dissolved for all purposes without the necessity for other or further actions to be taken by or on behalf of the Debtors and the Liquidating Trustee shall be authorized to File any certificate of dissolution or other documents as may be necessary or desirable to terminate the legal existence of AgFeed Industries.

ARTICLE VII.

PROVISIONS GOVERNING ACCOUNTS AND RESERVES AND DISTRIBUTIONS

7.1 Establishment of Accounts Reserves. On or before the Effective Date, and prior to making any Distributions, the Debtors, in consultation with either the Plan Supporter or the Committees to the extent set forth in the Plan, shall establish, each in amounts approved by the Confirmation Order or other order of the Bankruptcy Court, the Post-Confirmation Operating

Account, the AgFeed USA SAP Claims Reserve, the AgFeed Industries SAP Claims Reserve, the AgFeed USA General Unsecured Claims Reserve, the AgFeed Industries General Unsecured Claims Reserve, the AgFeed USA Professional Fee Claims Reserve, the AgFeed Industries Professional Fee Claims Reserve, the Insider Claims Reserve and the Insider Interests Reserve and shall transfer thereto the amount of Cash, as set forth herein, in the Confirmation Order or other Order of the Bankruptcy Court, which has been deemed necessary to fund each Reserve which may be in one or more bank accounts or designated within one account. In addition, on the Effective Date and prior to making any Distributions, the Debtors, in consultation with the Plan Supporter shall also establish the Liquidating Trust Expense Reserve from the AgFeed Industries Estate Assets, and shall transfer thereto the amount of Cash as determined by the Liquidating Trustee that is necessary to fund the estimated Liquidating Trust Expenses, including, but not limited to the pursuit of Causes of Action. Following the Effective Date, the Liquidating Trustee shall be authorized to make any appropriate and necessary adjustments to the Reserves in consultation with the Liquidating Trust Oversight Committee or upon order by the Bankruptcy Court after notice and a hearing.

7.2 Funding of Reserves; Released Reserve Funds.

- (a) With respect to the AgFeed USA SAP Claims Reserve, the AgFeed Industries SAP Expense Claims Reserve, the AgFeed USA General Unsecured Claims Reserve, the AgFeed Industries General Unsecured Claims Reserve, Insider Interests Reserve and any reserves established under the Plan Fairness Fund Distributions Procedures, the amount of Cash deposited or designated for each of the foregoing reserves shall be equal to the percentage of Cash that Holders of Disputed Claims or Interests in each reserve would be entitled under the Plan if such Disputed Claims or Interests were Allowed Claims or Interests in the amount of such Disputed Claims or Interests such lesser amount as authorized in Section 7.2(a) of the Plan. With respect to the Liquidating Trust Expense Reserve, the amount of Cash deposited into such reserve shall be equal to the amount of Cash necessary to fund the expenses expected to be incurred by the Liquidating Trustee as determined in the Liquidating Trustee's discretion.
- (b) Upon resolution of a Disputed Claim or Disputed Interest, the funds in the applicable Reserve to pay such Claim or Interests to the extent Allowed shall be released for Distribution to the holder of such Claim or Interest pursuant to Section 7.7. The balance of funds in a Disputed Claim or Disputed Interests Reserve remaining following the release of funds sufficient for distribution to the Allowed Claim or Interest, or any other available Cash, shall be contributed to the Liquidating Trust Expense Reserve which, to the extent overfunded upon the anticipated dissolution of the Liquidating Trust in accordance with Section 6.3(j), shall become Net Distributable Cash for distribution in accordance with the Plan.
- (c) For the purposes of effectuating the provisions of this section and the Distributions to Holders of Allowed Claims, the Liquidating Trustee may, at any time and regardless of whether an objection to a Disputed Claim has been brought, request that the Bankruptcy Court estimate, set, fix or liquidate the amount of such Disputed Claims pursuant to Section 502(c) of the Bankruptcy Code, in which

event the amounts so estimated, fixed or liquidated shall be deemed the Allowed amounts of such Claims for purposes of Distribution under the Plan and establishment of the necessary Reserve. In lieu of estimating, fixing or liquidating the amount of any Disputed Claims, the Bankruptcy Court may determine the amount to be reserved for such Disputed Claims (singularly or in the aggregate), or such amount may be fixed by an agreement in writing by and between the Liquidating Trustee and the Holder of such Disputed Claims.

7.3 Establishment of Plan Fairness Fund. On or before the Effective Date, and after all Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed General Unsecured Claims, and Allowed Secured Claims have been paid (or the appropriate Reserves as set forth in the Plan have been funded), the Debtors or the Liquidating Trustee shall establish the Plan Fairness Fund in the initial amount of at least \$10.75 million which amount represents the at least \$5.25 million contribution from the Class Plaintiffs on account of their Allowed Claim and the \$5.5 million contribution from the SEC on account of its Allowed Claim.

7.4 Disbursing Agent. On and after the Effective Date, the Liquidating Trustee shall serve as the Disbursing Agent, provided that, in the Liquidating Trustee's discretion, the Liquidating Trustee may retain a third party to act as Disbursing Agent to assist in or make the Distributions required by the Plan.

7.5 Distributions by Disbursing Agent. Within the time periods provided in Sections 7.6 and 7.7 of the Plan, the Disbursing Agent shall make periodic and final distributions of the Estates' Assets on hand, except that the Liquidating Trustee shall reserve such amounts as are necessary to maintain the Reserves in accordance with the terms of the Plan. The Liquidating Trustee may withhold from amounts distributable to any Person any and all amounts, determined in the Liquidating Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

The Liquidating Trustee shall require any Holders of Allowed Claims or Interests or other distributee to furnish to the Liquidating Trustee in writing an Employer Identification Number or Taxpayer Identification Number as assigned by the Internal Revenue Service and the Liquidating Trustee may condition any Distribution to any Holders of Allowed Claims or Interests or other distributee upon receipt of such identification number. If the Employer Identification Number or Taxpayer Identification Number are not provided by the required deadline established by the Liquidating Trustee, the Claim of any Holders of Allowed Claims or Interests or other distributee may be expunged and no Distribution will be issued by the Disbursing Agent to such Holders of Allowed Claims or Interests or other distributee.

7.6 Timing of Distributions.

- (a) *For Claims Against and Interests In the Consolidated AgFeed USA Debtors*
 - (i) The Disbursing Agent shall pay each Allowed Administrative Expense Claim, Allowed Priority Tax Claim, Allowed Priority Non-Tax Claim, Allowed Secured Claim, Allowed General Unsecured Claim (or reserved

for each as set forth in the Plan or Confirmation Order) and the Initial Distributable AgFeed USA Estate Assets (i) as soon as is reasonably practicable on or after the Effective Date, or (ii) on the later of: (x) as soon as practicable after the date on which such Claim becomes an Allowed Claim by Final Order, or (y) such other date as may be agreed upon by the Liquidating Trustee, in consultation with the Liquidating Trust Oversight Committee, or the Debtors, in consultation with the Plan Supporter and the Holder of such Allowed Claim; provided, however, that Allowed General Unsecured Claims shall be paid no later than ten (10) business days after the Claim is Allowed; and

- (ii) As soon as reasonably practicable, after all Claims against the Consolidated AgFeed USA Debtors, U.S. Trustee Fees, Professional Fees and the Liquidating Trustee Expenses have been Allowed and paid or Disallowed by Final Order, the Remaining Distributable AgFeed USA Estate Assets shall be distributed by the Disbursing Agent in accordance with the Plan.
- (b) *For Claims Against and Interests in AgFeed Industries*
- (i) The Disbursing Agent shall pay each Allowed Administrative Expense Claim, Allowed Priority Tax Claim, Allowed Priority Non-Tax Claim, Allowed General Unsecured Claim, and Allowed Secured Claim, or reserved for each as set forth in the Plan as soon as is reasonably practicable on or after the Effective Date. For each Administrative Expense Claim, Priority Tax Claim, Priority Non-Tax Claim, General Unsecured Claim, and Secured Claim that is subsequently Allowed, the Disbursing Agent shall pay the Holder of such Claim on the later of: (x) as soon as practicable after the date on which such Claim becomes an Allowed Claim by Final Order or (y) such other date as may be agreed upon by the Liquidating Trustee, in consultation with the Liquidating Trust Oversight Committee, or Debtors, in consultation with the Plan Supporter, and the Holder of such Allowed Claim; provided, however, that any Allowed General Unsecured Claims shall be paid no later than ten (10) business days after the Claim is Allowed;
 - (ii) As soon as reasonably practicable after all Claims identified in subsection (i) above have been paid, or reserved for each as set forth in the Plan, the Allowed SEC Claim, which shall be payable from the AgFeed Industries Net Distributable Cash, shall be deemed contributed under the Plan as follows: \$12.5 million of the recovery on its Allowed Claim to the Liquidating Trust for Distribution to the Holders of Class 5B Interests and \$5.5 million of the recovery on its Allowed Claim to the Plan Fairness Fund established under the Plan;
 - (iii) As soon as reasonably practicable, after all Claims identified in subsections (i) and (ii) above have been paid, or reserved for each as set forth in the Plan, the Liquidation Trustee shall Distribute their Pro Rata share of the \$12.5 million from the contribution from the SEC Claim plus the AgFeed Industries Net Distributable Cash to the Holders of the Class 5B Interests as of the Distribution Record Date;

- (iv) As soon as reasonably practicable, after all the Claims identified in subsections (i), (ii) and (iii) above have been paid, or reserved for as set forth in the Plan, the Class Plaintiffs Allowed Claim shall be satisfied as follows: \$3.15 million from the AgFeed Industries Net Distributable Cash and \$3.85 million from contributed insurance proceeds. The Class Plaintiffs shall be deemed to have contributed at least \$5.25 million of such \$7.0 million Allowed Claim to the Plan Fairness Fund to be distributed by the Liquidating Trustee in accordance with Plan Fairness Fund Distribution Procedures, with the balance of the \$7.0 million payable to the Class Plaintiffs' counsel to pay legal fees and expenses incurred in connection with the Class Action Litigation in an amount up to \$1.75 million which shall be solely payable from the Allowed Class Plaintiff's Claim. To the extent any funds allocated for legal fees and expenses remain after the payment of such fees and expenses, the remainder shall revert to the Plan Fairness Fund and shall be Distributed in accordance with the Plan Fairness Fund Distribution Procedures;
- (v) As soon as reasonably practicable, after all the Claims or Interests identified in subsections (i), (ii), (iii) and (iv) above have been paid, or reserved for as set forth in the Plan and Professional Fees and Liquidating Trustee Expenses have been paid and/or reserved for as set forth in the Plan, and after the Allowed amounts of all Subordinated Claims have been finally determined, the Liquidating Trustee shall distribute the Plan Fairness Fund to Holders of Class 6B Subordinated Claims in accordance with the Plan Fairness Fund Distribution Procedures, provided, however, that Insider Claims are deemed Disputed until Allowed after the conclusion of the Liquidating Trustee's investigation into potential Causes of Action, and therefore, there shall be no Distributions to Holders of Insider Claims unless and until Allowed; and
- (vi) Net proceeds or recoveries from settlement, litigation or otherwise as the result of the Liquidating Trustee's pursuit of Causes of Action shall be Distributed Pro Rata to Allowed Class 5B Interests, provided, however, that Insider Interests are deemed Disputed until Allowed after the conclusion of the Liquidating Trustee's investigation into potential Causes of Action, and therefore, there shall be no Distributions to Holders of Insider Interests unless and until Allowed.

7.7 Distributions Upon Allowance of Disputed Claims or Disputed Interests. The Holder of a Disputed Claim or Disputed Interest that becomes an Allowed Claim or Allowed Interest subsequent to the Effective Date shall receive a Distribution from the applicable Reserve as soon as reasonably practicable following the date on which such Disputed Claim or Disputed Interest becomes an Allowed Claim pursuant to a Final Order or by agreement of the parties in accordance with Article VII of the Plan. Consistent with Section 6.3 of the Plan, the Liquidating Trustee is authorized to make such periodic Distributions in a manner and time period as the Liquidating Trustee deems appropriate in the Liquidating Trustee's sole discretion. Such Distributions shall be made in accordance with the Plan based upon the Distributions that would have been made to such Holder under the Plan if the Disputed Claim or Disputed Interest had been an Allowed Claim

or Allowed Interest on or prior to the Effective Date. No Holder of a Disputed Claim or Disputed Interest shall have any Claim against the applicable Reserve, the Disbursing Agent, the Liquidating Trustee, the Liquidating Trust Oversight Committee, the Estates' Assets, the Debtors or the Estates with respect to such Claim or Interest until such Disputed Claim or Disputed Interest becomes an Allowed Claim or Allowed Interest, and no Holder of a Disputed Claim or Disputed Interest shall have any right to interest, dividends or other Distributions on such Disputed Claim or Disputed Interest except as provided in the Plan.

7.8 Undeliverable and Unclaimed Distributions.

Holding Undeliverable and Unclaimed Distributions. If the Distribution to any Holder of an Allowed Claim or Allowed Interest is returned to the Disbursing Agent as undeliverable or is otherwise unclaimed, no additional Distributions shall be made to such Holder unless and until the Disbursing Agent is notified in writing of such Holder's then-current address. Nothing contained in the Plan shall require the Disbursing Agent to attempt to locate any Holder of an Allowed Claim or Allowed Interest.

- (a) **After Distributions Become Deliverable.** The Disbursing Agent shall make all Distributions that have become deliverable or have been claimed on and after the Distribution Date as soon as reasonably practicable after such Distribution has become deliverable or has been claimed.
- (b) **Failure to Claim Unclaimed/Undeliverable Distributions.** Any Holder of an Allowed Claim or Allowed Interest that does not assert a claim pursuant to the Plan for an undeliverable or unclaimed Distribution within six (6) months after the Distribution Date shall be deemed to have forfeited its right to such undeliverable or unclaimed Distribution and any subsequent Distribution on account of its Allowed Claim or Allowed Interest and shall be forever barred and enjoined from asserting any such Claim for an undeliverable or unclaimed Distribution or any subsequent Distribution on account of its Allowed Claims or Allowed Interests against the Debtors, their Estates, their property or the Estates' Assets. In such cases, Unclaimed Distributions shall be paid to Holders of Allowed Claims or Allowed Interests according to the parameters set forth in Article IV above within the time periods provided in Section 7.7 of the Plan, free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary.
- (c) **Charitable Donations.** On or about the time that a final distribution is made and upon the Liquidating Trustee determining that there are insufficient funds remaining in the Liquidating Trust to warrant a further distribution to Holders of Claims or Interests under the Plan, the Liquidating Trustee may donate any undistributed funds to one or more charities selected by the Liquidating Trustee, provided that any charity selected shall not be affiliated with or connected to the Debtors or the Liquidating Trustee.

7.9 Interest on Claims. Post-Petition Interest on Allowed Claims shall accrue only as provided for in the Plan or in the Confirmation Order.

7.10 No Distribution in Excess of Allowed Amount of Claim. Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim will receive, in respect of such Claim, Distributions under the Plan in excess of the Allowed amount of such Claim.

7.11 Means of Cash Payment. Cash payments made pursuant to the Plan shall be in U.S. funds, by the means, including by check or wire transfer, determined by the Liquidating Trustee.

7.12 Delivery of Distribution. Except as otherwise set forth in the Plan, Distributions to Holders of Allowed Claims or Allowed Interests shall be made (a) at the addresses set forth on the proofs of Claim or proofs of Interest Filed by such Holders (or at the last known addresses of such Holders if no proof of Claim is Filed or if the Disbursing Agent has been notified of a change of address), (b) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent, or (c) if no proof of Claim or proof of Interest has been Filed and the Disbursing Agent has not received a written notice of a change of address, at the addresses reflected in the Schedules, if any.

7.13 Record Date for Distributions. The Liquidating Trustee will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the 5:00 p.m. (prevailing Eastern Time) on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims or Allowed Interests that are Holders of such Claims, Interests, or participants therein, as of the close of business on the Distribution Record Date. The Liquidating Trustee shall instead be entitled to recognize and deal for all purposes under the Plan with only those record holders stated on the official claims register as of the close of business on the Distribution Record Date.

7.14 No Distributions Pending Allowance. Notwithstanding any other provision of the Plan, no payments or Distributions by the Disbursing Agent shall be made with respect to all or any portion of a Disputed Claim, Disputed Interest, or any holder of a Claim that is the subject of pending litigation commenced by the Debtors or the Liquidating Trustee, unless and until all Objections to such Disputed Claim or Disputed Interest, or the litigation against the holder of a Claim that is subject to pending litigation by the Debtors or the Liquidating Trustee have been settled or withdrawn by agreement of the parties or have been determined by Final Order, and the Disputed Claim, Disputed Interest, or the holder of a Claim that is subject to pending litigation, or some portion thereof, has become an Allowed Claim or Allowed Interest; provided however, that the Liquidating Trustee may, in his or her sole discretion, pay any undisputed portion of a Disputed Claim, Disputed Interest, or Claim of a Holder that was subject to pending litigation.

7.15 Withholding and Reporting Requirements. In connection with the Plan and all Distributions hereunder, the Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all Distributions hereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent shall be authorized to take any and all actions that may be reasonably necessary or appropriate to comply with such withholding and reporting requirements. Each Holder of an Allowed Claim or Allowed Interest shall be required to provide any information necessary to effect information reporting and the withholding of such taxes. Notwithstanding any other provision of the Plan, each Holder of an Allowed Claim or Allowed Interest that is to receive a Distribution pursuant to the Plan shall have sole and exclusive

responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding and other tax obligations, on account of such Distribution.

7.16 Setoffs. The Liquidating Trustee, as applicable, may, but shall not be required to, setoff against any Claim or Interest claims of any nature whatsoever that a Debtor may have against the Holder of such Claim or Interest; provided, however, neither the failure to do so nor the allowance of any Claim or Interest hereunder shall constitute a waiver or release by the Liquidating Trustee of any such claim that the Debtor may have against such Holder, unless otherwise agreed to in writing by such Holder and the Liquidating Trustee.

7.17 De Minimis Distributions. Notwithstanding any provision in the Plan to the contrary, no payment of less than one-hundred dollars (\$100.00) shall be made on account of any Allowed Claim or Allowed Interest. All Distributions not made pursuant to this Section 7.16 shall be treated as Unclaimed Distributions and are subject to Section 7.7 hereof.

7.18 Extensions of Time. The Liquidating Trustee, with the unanimous consent of the Liquidating Trust Oversight Committee, may submit an order to the Bankruptcy Court under certification of counsel extending any deadlines for making of Distributions or the establishment of Reserves hereunder prior to the occurrence of any such deadline. If the Liquidating Trust Oversight Committee does not unanimously consent to such extension, the Liquidating Trustee may File a motion, upon notice and a hearing, to extend any such deadlines prior to the occurrence of any such deadlines, to the extent necessary, which deadlines shall be deemed automatically extended after the Filing of such motion, and pending the entry of an order by the Bankruptcy Court extending any such deadline.

ARTICLE VIII.

PROVISIONS FOR CLAIMS OBJECTIONS AND ESTIMATION OF CLAIMS

8.1 Claims Objection Deadline; Prosecution of Claims Objections. Except as otherwise provided for in the Plan, as soon as reasonably practicable on or after the Effective Date, but in no event later than the Claims Objection Deadline (unless extended by an Order of the Bankruptcy Court), the Liquidating Trustee shall File Objections to Claims and Interests and serve such objections upon the Holders of each of the Claims and Interests to which Objections are made. The Liquidating Trustee shall be authorized to resolve all Disputed Claims or Disputed Interests by withdrawing or settling such Objections thereto, or by litigating to judgment in the Bankruptcy Court, or such other court having competent jurisdiction, the validity, nature, and/or amount thereof. If the Liquidating Trustee agrees with the Holder of a Disputed Claim or Disputed Interest to compromise, settle, and resolve a Disputed Claim or Disputed Interest by granting such Holder an Allowed Claim or Allowed Interest, then the Liquidating Trustee may compromise, settle, or resolve such Disputed Claim without Bankruptcy Court approval, subject to Liquidating Trust Oversight Committee approval as required by Section 6.3(b) of the Plan.

8.2 Estimation of Claims. The Liquidating Trustee, may at any time, request that the Bankruptcy Court estimate any Contingent or unliquidated Claim pursuant to Section 502(c) of the

Bankruptcy Code regardless of whether the Debtors, the Liquidating Trustee or any party in interests previously objected to such Claim. The Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation or a hearing concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Subject to the provisions of Section 502(j) of the Bankruptcy Code, in the event that the Bankruptcy Court estimates any Contingent or unliquidated Claim, the amount so estimated shall constitute the maximum allowed amount of such Claim. If the estimated amount constitutes the maximum allowed amount of such Claim, the Liquidating Trustee may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court, or in accordance with the Plan.

ARTICLE IX.

EXECUTORY CONTRACTS AND LEASES

9.1 Executory Contracts and Unexpired Leases Deemed Rejected. Except as otherwise provided for in the Plan, on the Effective Date, all of the Debtors' Executory Contracts and unexpired leases will be deemed rejected as of the Effective Date in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code, except to the extent: (a) the Debtors previously have assumed, assumed and assigned or rejected such Executory Contract or unexpired lease, or (b) prior to the Effective Date, the Debtors have Filed a motion to assume, assume and assign, or reject an Executory Contract or unexpired lease on which the Bankruptcy Court has not ruled. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all rejections of Executory Contracts and unexpired leases pursuant to this Section 9.1 and Sections 365(a) and 1123 of the Bankruptcy Code.

9.2 Insurance Policies. Notwithstanding anything to the contrary in the Plan or Confirmation Order, any insurance policies of the Debtors in which the Debtors are or were insured parties (including, without limitation, any policies covering directors' or officers' conduct) or any related insurance agreement issued prior to the Petition Date shall continue in effect after the Effective Date pursuant to the respective terms and conditions and shall be treated as if assumed. To the extent that any insurance policies or related insurance agreements are deemed executory contracts, then, notwithstanding anything to the contrary in the Plan, the Plan shall constitute a motion to assume, assume and assign, or ratify such insurance policies or insurance agreements. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to section 365 of the Bankruptcy Code and a finding by the Bankruptcy Court that such assumption is in the best interest of the Estates. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed upon by the parties prior to the Effective Date, no payments shall be required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to the respective insurance policy or insurance agreement assumed by the Debtors pursuant to this Section.

9.3 Bar Date For Rejection Damages. If the rejection by the Debtors of an Executory Contract or an unexpired lease pursuant to Section 9.1 of the Plan results in damages to the other

party or parties to such Executory Contract or unexpired lease, a Claim for such damages arising from such rejection shall not be enforceable against the Debtors or their Estates or agents, successors, or assigns, unless a Proof of Claim is Filed with the Claims Agent so as to actually be received on or before the Rejection Bar Date.

ARTICLE X.

CONFIRMATION AND CONSUMMATION OF THE PLAN

10.1 Conditions Precedent to the Effective Date. Each of the following is a condition precedent to the occurrence of the Effective Date:

10.3 Waiver of Conditions Precedent to the Effective Date. The Debtors, in consultation with the Plan Supporter, may at any time, without notice or authorization of the Bankruptcy Court, waive in writing any or all of the conditions precedent to the Effective Date set forth in Section 10.1(d), whereupon the Effective Date shall occur without further action by any Person. The Debtors and the Liquidating Trustee reserve the right to assert that any appeal from the Confirmation Order shall be moot after the Effective Date of the Plan.

10.4 Effect of Non-Occurrence of Effective Date. If each of the conditions specified in Section 10.1 have not been satisfied or waived in the manner provided in Section 10.3 herein within thirty (30) calendar days after the Confirmation Date, then any party in interest may File a motion with the Bankruptcy Court seeking to have the Confirmation Order vacated, and if the Bankruptcy Court enters an order vacating the Confirmation Order, then: (i) the Confirmation Order shall have no further force or effect; (ii) no Distributions under the Plan shall be made; (iii) the Debtors and all Holders of Claims against or Interests in the Debtors shall be restored to the status quo as of the day immediately preceding the Confirmation Date as though the Confirmation

Date had never occurred; and (iv) all of the Debtors' obligations with respect to Claims and Interests shall remain unaffected by the Plan and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors, and the Plan shall be deemed withdrawn.

ARTICLE XI.

EFFECTS OF CONFIRMATION

11.1 Exculpation and Releases.

- (b) **Releases by the Debtors.** Except as otherwise expressly provided in the Plan or the Confirmation Order, on the Effective Date, for good and valuable consideration, to the fullest extent permissible under applicable law, each of the Debtors, on their own behalf and as a representative of their respective Estates, shall, and shall be deemed to, completely and forever release, waive, void, extinguish and discharge unconditionally, each and all of the Released Parties and the Released Insurance Carriers [of and from any and all Claims, Causes of Action, obligations, suits, judgments, damages, debts, rights, remedies and liabilities of any nature whatsoever, whether liquidated or unliquidated, fixed or Contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise, that are or may be based in whole or part on any act, omission, transaction, event or other circumstance taking place or existing on

or prior to the Effective Date (including prior to the Petition Date) in connection with or related to any of the Debtors, their respective assets, property and Estates or the Chapter 11 Cases, that may be asserted by or on behalf of any of the Debtors or their respective Estates, against any of the Released Parties; provided, however, that nothing in this Article XI shall be either (i) construed as a release or waiver of either the Debtors' or the Liquidating Trustee's ability and right to assert claims in connection with the Class Action Litigation or (ii) construed as a release of any Released Party from willful misconduct or gross negligence as determined by a Final Order.

- (c) **Injunction.** Except as provided in the Plan or the Confirmation Order, as of the Effective Date, (i) all Persons that hold, have held, or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, causes of action or liability of any nature whatsoever, relating to any of the Debtors or any of their respective assets, property and Estates, that is released or enjoined pursuant to the Plan and (ii) all other parties in interest in these Chapter 11 Cases are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions against any Released Party or Released Insurance Carriers, or the Estates' Assets, subject to administration under the Plan, on account of such released liabilities, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities:

 - (v) any act, in any manner, in any place whatsoever, that does not conform to, comply with, or is inconsistent with the provisions of the Plan in

respect of any Released Party or Released Insurance Carrier, in their respective capacities as such, or the Estates' Assets.

For the avoidance of doubt and notwithstanding anything to the contrary in the Plan, the Disclosure Statement, or the Confirmation Order, nothing in this Section 11.1(c) shall stay, restrain, prohibit, bar or enjoin any entity from taking any action against or seeking relief from any Released Party or Released Insurance Carrier for any act or omission constituting, arising out of, or relating to such Released Party's or Released Insurance Carrier's gross negligence or willful misconduct as determined by a Final Order.

Any Person or Entity injured by any willful violation of such injunction may seek actual damages and, in appropriate circumstances, may seek punitive damages from the willful violator. Nothing contained in this Article XI of the Plan shall prohibit the Holder of a Disputed Claim or Disputed Interest from litigating its right to seek to have such a Disputed Claim or Disputed Interest declared an Allowed Claim or Allowed Interest and paid in accordance with the distribution provisions of the Plan, or enjoin or prohibit the enforcement by the Holder of such Disputed Claim or Disputed Interest of any of the obligations of any Released Party or Released Insurance Carrier under the Plan.
