¹ The Debtors and the last four digits of their federal tax identification number are: AgFeed USA, LLC (8748); AgFeed Industries, Inc. (7168); TS Finishing, LLC (8748); New York Finishing, LLC (8748); Pork Technologies, L.C. The location of the corporate headquarters for AgFeed Industries, Inc. is 100 Bluegrass Commons Blvd., Suite 310, Hendersonville, Tennessee 37075. The location of the corporate headquarters for the remaining Debtors is 510 South 17th Street, Suite 104, Ames, Iowa 50010.

1. CohnReznick LLP ("CohnReznick" of "Applicant") is a firm of accountants and consultants retained by the Official Committee of Unsecured Creditors (the "Committee") as its financial advisors.

2. CohnReznick's retention was approved by this Court on September 9, 2013 effective as of July 25, 2013 (the "Retention Order"). A copy of the Retention Order is attached as Exhibit "A".

3. The Retention Order provides that all compensation and reimbursement of costs and expenses incurred during Applicant's employment be made only after appropriate application and approval of this Court.

4. The Interim Compensation Order provides that compensation and reimbursement of costs and expenses incurred during Applicant's employment be made pursuant to the appropriate monthly applications.

5. This application seeks allowance of compensation for professional services rendered to the Committee for the time period March 1, 2014 through March 31, 2014 (the "Subject Period"), for which CohnReznick has not previously sought interim compensation.

6. Applicant values the services rendered during the subject period to the Committee at \$4,425.75. Such amount represents a ten percent discount from the Applicant's usual and customary charges for services of a similar nature performed for other clients of the firm and computes to an average hourly rate of \$351.25. A summary indicating all professionals who rendered services to the Committee, their hourly billing rates, the amount of time spent by each individual, the total dollar value of each person's time and the overall average hourly rate charged during the Subject Period is reflected in the application cover sheet.

7. Applicant's billing rates are commensurate with the level of experience and industry expertise of the professionals at their respective levels of responsibility.

The most experienced professionals who are considered industry experts have the highest billing rates; those individuals are the partners, and their involvement in the assignment is that of coordinator and reviewer. Partners have in excess of twenty years of experience in their respective areas of expertise, namely, insolvency.

The next level of professional is the Director and Senior Manager who have the day-to-day responsibility for the assignment. Directors and Senior Managers have at least ten years experience in their respective area of expertise, namely, insolvency.

Managers have at least seven years of experience in their respective field and are responsible for various phases of the assignment as delegated by the senior manager.

Staff members range in experience from three years to seven years. They perform field work and various accounting functions as directed and delegated by the senior managers and managers.

Applicant's billing rates are commensurate with services of a similar nature performed for other clients of the firm. The use of various levels of staff permits the work to be performed at the lowest possible level, and consequently the least costly method, given the nature of the assignment. This necessitates periodic conferences between various levels of staff and management in order to coordinate efforts and/or monitor the progress of the assignment.

8. The following is a summary of services provided by CohnReznick at the direction of counsel for the Committee:

- a) Gain an understanding of Debtors' corporate structure and related parties.
- b) Review the reasonableness and feasibility of the Cash Collateral arrangements as to its cost to the Debtors and the likelihood that Debtors will be able to comply with the terms of the Order.
