**DECLARATION OF GEORGIOS CHRISTOFOROU IN SUPPORT OF APPLICATION
TO EMPLOY AND RETAIN U TURN BUSINESS RECOVERY CONSULTANTS LTD.
AS DEBTOR'S FINANCIAL ADVISOR IN THE COUNTRY OF GREECE**

I, Georgios Christoforou, being duly sworn, state the following under penalty of perjury:

1. I am the founder and a principal of U Turn Business Recovery Consultants Ltd. (“U Turn”), a financial advisory firm, with offices located in Athens, Greece.

2. I submit this declaration in support of the application (the “Application”¹) of the above-captioned debtor (the “Debtor”) for an order approving the employment and retention of U Turn as its financial advisor in the country of Greece in the Debtor’s bankruptcy case, in compliance with and to provide disclosure pursuant to sections 329 and 504 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2014-1 of the Local Rules and Procedure of the United States Bankruptcy Court for the Southern District of New York (the “Local Rules”). Unless otherwise stated in this declaration, I have personal knowledge of the facts hereinafter set forth. To the extent that any information disclosed herein requires amendment or modification upon U Turn’s completion of further analysis, or as additional

¹ Capitalized terms not otherwise defined herein have the meaning ascribed to them in the Application.

creditor information becomes available to it, a supplemental declaration will be submitted to the Court.

3. Subject to approval of this Court and in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules, U Turn intends to apply for compensation for professional services rendered in connection with the Debtor's bankruptcy case, plus reimbursement of actual, necessary expenses, and other charges incurred by U Turn during the Debtor's bankruptcy case.

4. U Turn's hourly rates as provided in the Application and Exhibit D attached thereto are U Turn's standard hourly rates for work of this nature. Moreover, U Turn has agreed to reduce these rates by 33% for this engagement only. These rates are set at a level designed to compensate U Turn fairly for the work of its professionals and to cover fixed and routine overhead expenses. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.

5. U Turn has informed the Debtor that these hourly rates are consistent with the rates that U Turn charges other comparable clients in the country of Greece. Notwithstanding the consistent hourly rates, U Turn as a practice reviews all time charges and makes adjustments as necessary to correct any inefficiencies that may appear before billing.

6. It is U Turn's policy to charge its clients for all other expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, telecopier toll and other charges, regular mail and express mail charges, special or hand delivery charges, document processing charges, printing/photocopying charges, travel expenses, expenses for "working meals," computerized research charges, transcription costs as well as non-ordinary overhead expenses such as secretarial and other overtime. U Turn will charge the Debtor for

these expenses in a manner and at rates consistent with charges made generally to U Turn's other clients or as previously fixed by this Court. U Turn believes that it is more fair to charge these expenses to the clients incurring them instead of increasing hourly rates and spreading these expenses among all clients.

7. U Turn submitted the names of the parties-in-interest in this case (the "Parties-in-Interest") for review for potential conflicts. A list of the Parties-in-Interest submitted is attached hereto as **Exhibit 1**.

8. After careful review, and except as set forth herein, neither I, U Turn, nor any director or associate thereof, insofar as I have been able to ascertain, holds or represents any interest adverse to the Debtor nor any connections with the Parties-in-Interest listed on Exhibit 1. Based upon the information available to me, I believe that U Turn is a "disinterested person" as that term is defined in Section 101(14) of the Bankruptcy Code, as modified by Section 1107(b) of the Bankruptcy Code.

9. I do not believe there is any connection or interest (as such terms are used in Section 101(14) of the Bankruptcy Code and Bankruptcy Rule 2014(a)) between U Turn and (i) the United States Trustee or any person employed by the Office of the United States Trustee or (ii) any counsel, accountants, financial consultants and investment bankers who represent or may represent claimants or other parties in interest in the Debtor's Chapter 11 Case, except as otherwise described herein. In addition, as part of its practice, U Turn appears in cases, proceedings and transactions involving many different attorneys, counsel, accountants, financial consultants, and investment bankers, some of which now or may in the future represent claimants and parties in interest in the Debtor's Chapter 11 Case. U Turn has not represented and will not represent any such entities in relation to the Debtor and its Chapter 11 Case, nor does U Turn

have any relationship with any such entities that would be adverse to the Debtor or its estate in the matters upon which U Turn is to be employed in this case. While U Turn did provide services for the benefit of the debtor at Mr. Meislik's request pre-petition, U Turn believes it has been paid for all such services prior to the petition date. In the event that any amounts were owing to U Turn as of the petition date, U Turn agrees to waive all pre-petition claims, if any, against the Debtor.

10. No promises have been received by U Turn, or by any director or associate thereof, as to compensation in connection with this case other than in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. U Turn has no agreement with any other entity to share with such entity any compensation received by U Turn. Notwithstanding the foregoing, as set forth in the engagement letter, U Turn may in consultation with Mr. Meislik engage the services of third party specialists and/or subcontract parts of the assigned tasks to its affiliate U Turn Consultants P.C. at its discretion, provided that U Turn will not mark up the charges of such third parties and/or affiliates and will only bill the estate the actual and necessary costs of such services charged to U Turn.

I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge and belief.
