## IMPORTANT ACCOUNT INFORMATION

Periodically, we may evaluate the timing of statements, monthly service fee assessment and interest payments to your accounts. We may adjust the timing in order to align your statement, monthly service fee assessment (if any) and interest payment dates with one another. You may receive a partial statement that reflects activity and interest payments from the last statement date to the date of the change. No monthly service fees will be assessed during a partial statement period and there will be no impact to your interest rate or compounding frequency.
