Dear Sirs/Mams:

Please consider this claim with the highest priority. I was laid off last August by Shared Technologies as part of a company wide reduction in force. Nothing has changed as far as the work I have continued to do for them as a technician subcontractor. The differences are I do not get benefits or a vehicle. A summary of the hardest and longest month of work is what you have in front of you, the month they filed Chapter 11. This is my income for mortgage, family of four, and all expenses associated with being newly self employed. Your help in expediting the funds due to me would be incredibly appreciated Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Soldati", with a long horizontal flourish extending to the right.
