4 In consideration for entering into this Stipulation, the Claimant, on behalf of itself and its affiliates, hereby irrevocably, unconditionally and without reservation of any kind waives, releases and forever discharges the ATLT, the Debtors, and the Debtors' estates, and their respective parent firms and affiliates, and their officers, directors, employees, attorneys, professionals, and agents (collectively, the "Estate Parties") from and against any and all past, present and future actions, causes of action, claims, liabilities, suits, debts, judgments, and damages, of any kind whatsoever, whether matured or unmatured, whether at law or in equity, whether known or unknown, liquidated or unliquidated, foreseen or unforeseen, discoverable or undiscoverable, contingent or non-contingent, which Claimant and/or its affiliates have, had, or may have in the future against the Estate Parties, provided, however, that such waiver, release and discharge shall exclude the Bond Proofs of Claims

8       This Stipulation and Agreed Order is subject to approval by the Bankruptcy Court and the entry of a Final Order by the Bankruptcy Court, provided, however, that the parties shall support such Bankruptcy Court approval and comply with this Stipulation and Agreed Order pending the Bankruptcy Court's entry of a Final Order approving or disapproving this Stipulation and Agreed Order.

9       Nothing in this Stipulation and Agreed Order or any negotiations or proceedings in

connection herewith shall constitute or be deemed to be evidence of an admission by any party of any liability or wrongdoing whatsoever, or the truth or untruth, or merit or lack of merit, of any claim or defense of any party. Neither this Stipulation and Agreed Order nor any negotiations or proceedings in connection herewith may be used in any proceeding against any party for any purpose whatsoever except with respect to effectuation and enforcement of this Stipulation and Agreed Order.

10 This Stipulation and Agreed Order contains the entire agreement of the parties with respect to its subject matter and supersedes any prior or contemporaneous oral or written agreements. The parties acknowledge that no promise, inducement, or agreement not stated herein has been made to them in connection with this Stipulation and Agreed Order. The parties understand and agree that this Stipulation and Agreed Order may not be altered, amended, modified, or otherwise changed in any respect whatsoever except by a writing duly executed by both parties. The parties agree and acknowledge that they will make no claim at any time or place that this Stipulation and Agreed Order has been orally altered or modified or otherwise changed by oral communication of any kind or character. Each party agrees that any rule of construction to the effect that ambiguities are to be resolved against the drafting party will not be employed in the interpretation, construction, or enforcement of this Stipulation and Agreed Order.

11 This Stipulation and Agreed Order may be executed simultaneously or in one or more counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument. A facsimile copy of a signature page is the equivalent of an original signature page.
