Summary of earnings

This section summarizes earnings for each account and does not reflect your accounts tax status or reporting requirements. Use only official tax reporting documents (e.g. 1099-5498) for tax return purposes. The Unclassified column includes private investment distributions and earnings for accounts for which it is not appropriate to classify earnings as taxable or non-taxable (e.g. retirement plan accounts).

When available prices, income and current values may be approximate and thus gains/losses may not be accurately reflected. An asterisk (*) indicates the calculation of unrealized gains/losses based upon a UBS Financial Services adjustment to cost basis. The number "1" indicates cost basis information has been provided by a source other than UBS Financial Services. See the back of the first page for additional information. Gains/losses are not calculated on zero coupon investments. "Pending adjustment" or "P/A" indicates cost basis has not yet been allocated as a result of a spin off or taxable exchange. \$ indicates the rating for this stock may have been placed Under Review by the analyst, may be subject to a Rating/Return divergence or may have an exception to the core rating bands. ± indicates recommendation and price target information temporarily suspended pending review. For further information please refer to the "Research Rating Exceptions" daily report or contact your Financial Advisor.
