**NOTES:** These specific notes to Schedule G are in addition to any general notes regarding the Debtor's schedules and statements.

In the aggregate, the Debtors are a party to approximately 140,000 customer contracts and 900 sales agent contracts; the existence of and terms and conditions of these contracts are all confidential commercial information. If any party is interested in obtaining information about these executory contracts, please contact Chris Luna of Allegiance Telecom, Inc. at (469) 259-2069; with appropriate confidentiality restrictions, appropriate information will be made available.

Listing a contract or agreement on this schedule does not constitute an admission or agreement that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement is in effect, effective and not terminated or terminable at-will by the Debtor. Any and all of the Debtor's rights, claims, set off rights, defenses and causes of action with respect to the contracts and agreements listed on this schedule are hereby reserved and preserved. The Debtor reserves its rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including Debtor's right to challenge if a contract is an unexpired non-residential real property lease. Similarly, the listing of a contract or lease on this schedule does not constitute an acknowledgement or admission that the underlying transaction is or is not a secured financing transaction.

While Debtor has used its best efforts to ensure the accuracy of this schedule, inadvertent errors or omissions may have occurred. The Debtor does not make, and specifically disclaims, any and all representations or warranties as to the completeness or accuracy of the information set forth herein, and reserves the right to dispute the validity, characterization, status, and enforceability of all contracts, leases, agreements or documents listed herein or omitted from herein.

The contacts, leases, agreements and other documents listed herein may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements and not all such various amendments, restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements may be or may not be listed herein. The absence of such various amendments, restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements does not prejudice the Debtor's right to assert that such various amendments are restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements constitute executory contracts. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Certain of the real property leases listed on this schedule may contain rights of first refusal, rights to lease additional space or other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately in this schedule and the Debtor specifically reserves all of its rights, claims, set off rights, defenses and causes of action with respect to such real estate property leases.

In the aggregate, the Debtors are a party to approximately 300 confidentiality agreements that prohibit the parties thereto from disclosing and using certain confidential information; such confidentiality agreements are not included herein.

This schedule does not include purchase orders, service orders and service requests on month-to-month terms that are not executory contracts, and other agreements used in the ordinary course of business for routine purchases of equipment, services, and supplies. In addition, in the ordinary course of business, the Debtor may have entered into agreements, written or oral, for the provisions of certain services on a month-to-month or at-will basis; such contracts may not be included in this schedule. The absence of any such contract, orders and requests from this schedule shall not prejudice the Debtor's rights to assert, and the Debtor reserves the right to assert, that any such contract, order or request are executory contracts or unexpired leases.
