Re: Requested Adoption Under Section 252(i) of the TA96

Dear Mr. Gockley:

Verizon Maryland Inc. ("Verizon"), a Maryland corporation, with principal place of business at 1 East Pratt Street, Baltimore, Maryland 21202, has received your letter stating that, under Section 252(i) of the Telecommunications Act of 1996 (the "Act"), Allegiance Telecom of Maryland, Inc. ("Allegiance"), a Delaware corporation, with principal place of business at 9201 North Central Expressway, Dallas, Texas 75231, wishes to adopt the terms of the arbitrated Interconnection Agreement between Sprint Communications Company L.P. ("Sprint") and Verizon that was approved by the Maryland Public Service Commission (the "Commission") as an effective agreement in the State of Maryland in Docket No. 8887, as such agreement exists on the date hereof after giving effect to operation of law (the "Terms"). I understand Allegiance has a copy of the Terms. Please note the following with respect to Allegiance's adoption of the Terms.

1. By Allegiance's countersignature on this letter, Allegiance hereby represents and agrees to the following five points:
 - (A) Allegiance adopts (and agrees to be bound by) the Terms of the Sprint/Verizon arbitrated agreement for interconnection as it is in effect on the date hereof after giving effect to operation of law, and in applying the Terms, agrees that Allegiance shall be substituted in place of Sprint

Communications Company L.P. and Sprint in the Terms wherever appropriate.

- (B) Notice to Allegiance and Verizon as may be required under the Terms shall be provided as follows:

To: Allegiance Telecom of Maryland, Inc.

- (C) Allegiance represents and warrants that it is a certified provider of local telecommunications service in the State of Maryland, and that its adoption of the Terms will cover services in the State of Maryland only.
- (D) In the event that a voluntary or involuntary petition has been or is in the future filed against Allegiance under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an "Insolvency Proceeding"), then: (i) all rights of Verizon under such laws, including, without limitation, all rights of Verizon under 11 U.S.C. § 366, shall be preserved, and Allegiance's adoption of the Verizon Terms shall in no way impair such rights of Verizon; and (ii) all rights of Allegiance resulting from Allegiance's adoption of the Verizon terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment to Verizon pursuant to 11 U.S.C. § 366. In the event that an interconnection agreement between Verizon and Allegiance is currently in force in the State of Maryland (the "Original ICA"), Allegiance's adoption of the Terms (the "Amended and Restated Interconnection Agreement") shall be an amendment and restatement of, and replace in its entirety, the Original ICA. The Amended and Restated Interconnection Agreement is not intended to be, nor shall it be construed to create, a novation or accord and satisfaction with respect to the Original ICA. All monetary obligations of the parties to one another under the Original ICA shall remain in full force and effect and shall constitute monetary obligations of the parties under the Amended and Restated Interconnection Agreement; provided, however, in the event that Allegiance is currently a debtor in an Insolvency Proceeding nothing contained herein shall convert any claim or debt that would otherwise constitute a prepetition claim or debt in Allegiance's Insolvency Proceeding into a post-petition claim or debt.
- (E) Verizon's standard pricing schedule for interconnection agreements in the State of Maryland (as such schedule may be amended from time to time) (attached as Appendix 1 hereto) shall apply to Allegiance's adoption of the Terms. Allegiance should note that the aforementioned pricing schedule may contain rates for certain services the terms for which are not included in the Terms or that are otherwise not part of this adoption, and may include phrases or wording not identical to those utilized in the Terms. In an effort to expedite the adoption process, Verizon has not deleted such rates from the pricing schedule or attempted to customize the wording in the pricing schedule to match the Terms. However, the inclusion of such rates in no way obligates Verizon to provide the subject services and in no way waives Verizon's rights, and the use of slightly different wording or phrasing in the pricing schedule does not alter the obligations and rights set forth in the Terms.

2. Allegiance's adoption of the Sprint arbitrated Terms shall become effective as of October 1, 2003. The Parties understand and agree that Verizon will file this adoption letter with the Commission promptly upon my receipt of a copy of this letter, countersigned by Allegiance as to points (A), (B), (C), (D) and (E) of paragraph 1 above. The term and termination provisions of the Sprint/Verizon agreement shall govern Allegiance's adoption of the Terms. The adoption of the Terms is currently scheduled to expire on August 8, 2004.
3. As the Terms are being adopted by you pursuant to your statutory rights under section 252(i), Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to petition the Commission, other administrative body, or court for reconsideration or reversal of any determination made by the Commission pursuant to arbitration in Docket No. 8887, or to seek review in any way of any provisions included in these Terms as a result of Allegiance's 252(i) election.
4. Nothing herein shall be construed as or is intended to be a concession or admission by Verizon that any contractual provision required by the Commission in Docket No. 8887 (the Sprint arbitration) or any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commissions, the decisions of the courts, or other law, and Verizon expressly reserves its full right to assert and pursue claims arising from or related to the Terms.
5. Verizon reserves the right to deny Allegiance's adoption and/or application of the Terms, in whole or in part, at any time:
 - (a) when the costs of providing the Terms to Allegiance are greater than the costs of providing them to Sprint;
 - (b) if the provision of the Terms to Allegiance is not technically feasible; and/or
 - (c) to the extent that Verizon otherwise is not required to make the Terms available to Allegiance under applicable law.
6. For avoidance of doubt, please note that adoption of the Terms will not result in reciprocal compensation payments for Internet traffic. Verizon has always taken the position that reciprocal compensation was not due to be paid for Internet traffic under section 251(b)(5) of the Act. Verizon's position that reciprocal compensation is not to be paid for Internet traffic was confirmed by the FCC in the Order on Remand and Report and Order adopted on April 18, 2001 ("*FCC Internet Order*"), which held that Internet traffic constitutes "information access" outside the scope of the reciprocal compensation obligations set forth in section

251(b)(5) of the Act.¹ Accordingly, any compensation to be paid for Internet traffic will be handled pursuant to the terms of the *FCC Internet Order*, not pursuant to adoption of the Terms.² Moreover, in light of the *FCC Internet Order*, even if the Terms include provisions invoking an intercarrier compensation mechanism for Internet traffic, any reasonable amount of time permitted for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act.³ In fact, the *FCC Internet Order* made clear that carriers may not adopt provisions of an existing interconnection agreement to the extent that such provisions provide compensation for Internet traffic.⁴

7. Should Allegiance attempt to apply the Terms in a manner that conflicts with paragraphs 3-6 above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.

¹ Order on Remand and Report and Order, In the Matters of: Implementation of the Local Competition Provisions in the Telecommunications Act of 1996 and Intercarrier Compensation for ISP-Bound Traffic, CC Docket No. 99-68 (rel. April 27, 2001) ("*FCC Remand Order*") ¶44, remanded, *WorldCom, Inc. v. FCC*, No. 01-1218 (D.C. Cir. May 3, 2002). Although the D.C. Circuit remanded the *FCC Remand Order* to permit the FCC to clarify its reasoning, it left the order in place as governing federal law. See *WorldCom, Inc. v. FCC*, No. 01-1218, slip op. at 5 (D.C. Cir. May 3, 2002).

¹ In the event this Appendix 1 refers to a service that is not available under the Terms, the Terms shall control. Nothing in this Appendix 1 shall be deemed to require Verizon to provide a service that the Terms does not require Verizon to provide.

² All rates and charges specified herein are pertaining to the Interconnection provisions of the Terms.

³ Unless a citation is provided to a generally applicable Verizon Tariff, all listed rates and services are available only to Allegiance when purchasing these services for use in the provision of Telephone Exchange Service, and apply only to Reciprocal Compensation Traffic and local Ancillary Traffic. Verizon rates and services for use by Allegiance in the carriage of Toll Traffic shall be subject to Verizon's Tariffs for Exchange Access Service. Adherence to these limitations is subject to a reasonable periodic audit by Verizon.

As applied to wholesale discount rates, unbundled Network Elements or call transport and/or termination of Reciprocal Compensation Traffic purchased for the provision of Telephone Exchange Service or Exchange Access, the rates and charges set forth in Appendix 1 shall apply until such time as they are replaced by new rates as may be approved or allowed into effect by the Commission from time to time pursuant to the FCC Regulations, subject to a stay or other order issued by any court of competent jurisdiction.

⁴ See the note on the last page of this price appendix regarding measurement and calculation of Reciprocal Compensation Traffic termination charges.
