DEFINITIONS

DEBTOR
A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

CREDITOR
A creditor is any person, corporation, or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed.

CLAIM
A claim is the creditor's right to receive payment on a debt that was owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

PROOF OF CLAIM
A form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor's claim). This form must be filed with the court-appointed Claims Agent, BMC Group, at the address listed on the reverse side of this page

SECURED CLAIM Under 11 U.S.C. §506(a)
A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim Examples of liens on property include a mortgage on real estate or a security interest in a car.
A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

UNSECURED NONPRIORITY CLAIM
If a claim is not a secured claim it is an unsecured claim. A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full.

UNSECURED PRIORITY CLAIM Under 11 U.S.C. §507(a)
Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax-identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.), and any applicable orders of the bankruptcy court.

CONTRACT TO EMPLOY

This Agreement made effective as of the 30 day of May, 2008 in Montgomery County, Alabama between Allegro Law, LLC, mailing address 847 S. McDonough St, Suite 100, Montgomery, AL 36106 herein referred to as "Firm" and Maricela Aguilar, hereafter referred to as "Client." Client and Firm in some instances referred to as the "Parties."

In consideration of the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

1. . Services: Firm agrees to provide debt settlement services to Client under the terms and conditions of this agreement. Firm and their agents will negotiate with creditors on the Client's behalf for reduction of unsecured debt and also establish a payment schedule for the Client for the purposes of accumulating funds for settlement and payment of service fees. Firm shall respond promptly to Client and creditor inquiries and communications. Upon acceptance of Client into the program, Firm will provide a Debt Settlement Program Summary Estimate, an Estimated Debt Settlement Payout Schedule, a Payment Agreement, a List of Creditors included in the Program, including a description of creditors that are not eligible, along with further information about the program. Firm will advise Client of all good faith offers made by the creditors and debt collectors, and their acceptance of any offers made by Firm. Firm will not settle any account without the approval of the Client, who has absolute discretion to accept or reject any offer. This representation does not include defense of claims and allegations raised by third parties against Client. This agreement shall be construed as consummated in the State of Alabama and all services are performed in the State of Alabama.

2. Compensation of Firm: In consideration of the services to be performed by Firm, Firm shall receive from Client a non-refundable Processing Fee in an amount equal to $59.99 per month. Also, there will be a one-time set-up fee of $25.00 per account. In addition, there will be a fee in an amount equal to 16.00% of the total debt placed with the Firm. Your Payment Schedule shall be $678.00 per month for a period of approximately 48 months with a Setup Fee of $25.00 added onto the 1st payment, in accordance with the attached Estimated Debt Payout Schedule. In the event that the Client has accumulated a sufficient Set-Aside Amount, described further below, and allowed the Firm sufficient time, but in every case not less than 48 months, to attempt to reach a settlement on Client's behalf, and Client has fulfilled their obligations under the Payment Schedule during that period of time, and Firm is not able to negotiate a reasonable settlement for a particular debt, Firm will refund to Client that portion of the fees paid by Client in relation to that particular debt, exclusive of the non-refundable processing fee. In some states, State Law prohibits attorneys from maintaining escrow or trust accounts on behalf of a client when such accounts are used to pool money to be distributed to creditors.

3. Responsibilities of Client: Client shall be truthful and cooperative, make all payments and settlements agreed upon, notify Firm of any change of address, e-mail address, telephone numbers, change in income, ability to pay creditors, and of any developments affecting the

scope of this contract. Client will forward all correspondence from creditors to Firm. Client will not discuss his or her financial situation with creditors or discuss potential settlement options with creditors. Firm shall receive cleared funds monthly from Client to be placed into Firm's escrow account for the purpose of (a) establishing a Set-Aside Amount intended to be distributed to Client's creditors upon a settlement being successfully negotiated or until termination and (b) paying Processing Fees. The number of months that funds are to be set aside and the amount to be set aside each month will be determined by Firm and agreed upon by the Client. Additionally, Client shall not apply for any credit or extension of credit with existing creditors during the program. In addition, (a) Client will reasonably consider Firm's recommendations regarding any potential settlements; (b) Client will inform Firm of any credit account(s) that may have a cosigner, may be secured by personal property or wages, or any accounts that are not enrolled with Law Firm and are held by the same creditor of an enrolled account, prior to enrollment with Firm.

4. Client Set-Aside Amount. Client understands that in order pay settlements negotiated with creditors by Firm, he or she needs to have funds available for payment. An estimate of the total amount of money necessary to fund potential settlements and a suggested monthly Set-Aside Amount is provided on the attached Estimated Debt Payout Schedule.

This amount is based on information Client has provided to Firm and projections by Firm based on industry standards and metrics. Such projection includes the fees paid to Firm. Client understands that most creditor balances go up during the course of a debt settlement program and individual results will vary for each Client. All bases for the assumptions statement are estimations only and are not intended to be guarantees of performance or savings. The suggested Set-Aside Amount is also based upon the creditor information provided by Client and is merely a suggestion of a minimum amount that may be required for settlement with Client's creditors. Client's actual amount needed to reach a settlement may vary. Client may set aside additional funds at any time. Firm does not make regular monthly payments to Client's creditors. Under the suggested client Payment Plan, the fees paid to Firm are collected in its entirety by Firm before any monies would be accumulated by Client and paid in negotiated settlement of enrolled debt.

5. Obligations of Both Parties Regarding Settlements. Firm will inform Client of the amount, and the terms and conditions of all reasonable, written settlements offers. Firm will not settle Client's account without approval of Client, who possesses the absolute right to accept or reject any settlement offer. Client will notify Firm IN WRITING by mail, email, or facsimile of any settlement offers made directly to Client, verbally or written, from any enrolled creditor. CLIENT WILL MAKE ALL SETTLEMENT PAYMENTS AND AGREEMENTS DIRECTLY WITH CREDITOR. CLIENT POSSESSES THE ABSOLUTE RIGHT TO ACCEPT OR REJECT ANY SETTLEMENT.

6. Information Use and Credit Report Authorization. Client authorizes Firm to request, receive and discuss any and all information about Client's debt, the causes of any financial hardship (including medical problems), and any other information, including Client's consumer credit reports, which is or becomes pertinent to settlement negotiations. Client authorizes Firm to run Client's credit report(s) as needed to assist the Client in attempting to reduce and/or resolve outstanding debts. Client agrees to indemnify and hold Firm harmless of any loss, liability, or damage by any reason thereof. This authority is assignable and transferable.

7. Power of Attorney: Client hereby gives Firm Client's power of attorney to execute all documents connected with the subject matter of the Agreement, including any documents necessary to retain local counsel for Client.

8. Payments: Client authorizes the Firm to deduct all payments due under the Payment Schedule, including all settlement funding, Fees or other applicable charges, via Electronic

Payment Authorization from Client's checking or savings account. The Firm requires a minimum notice of five(5) business days to change any scheduled electronic fund transfers from Client's bank account. There is a $30.00 fee for each Non Sufficient Funds (NSF).

9. Non-payment of Minimum Payments: Client acknowledges that they have voluntarily discontinued making payments to their creditors because they can no longer afford to make their minimum payments on their unsecured debts as well as pay their necessary living expenses. Client acknowledges that non-payment of minimum payments to creditors will result in derogatory credit information being transmitted to the major credit reporting agencies, and will result in debt collection actions being taken against Client. Client also understands that the Fair Debt Collection Practices Act prohibits third party debt collectors from engaging in certain behavior. In the event that any negative effect is caused to Client's credit profile, Client hereby agrees to waive any claims against Firm and shall hold Firm, its principals, employees and agents harmless for all claims related to such damage to Client's credit.

10. Termination: Firm may cancel this contract if Client fails to make any payments as set forth in the Payment Schedule, if Client misrepresents or fails to disclose any material facts, fails to cooperate, if client acts contrary to Firm's advice, if client does not return Firm's phone calls in a timely manner, if Client fails to make two (2) consecutive monthly payments of fees, if anything else occurs that in Firm's judgment impairs an effective business relationship, or if otherwise breaches Client's duties hereunder. Client has the right to terminate Firm services for any reason upon three (3) days written notice. If Client chooses to terminate Firm services without cause, all fees are immediately due and payable, and non-refundable. However, if client is not 100% completely satisfied with Firm's services, and Client notifies Firm within the first 30 days of representation, Client shall receive a complete refund. Client is hereby notified that cancellation of this contract, whether by the Client or the Firm, terminates the terms and conditions of the contract prospectively from the date of cancellation. Client holds Firm harmless for any adverse consequences pertaining to the Client's debts enrolled as part of this contract, that may result from services performed under this contract prior to cancellation, including, but not limited to, the closing of any or all such debts.

11. Hold Harmless: Client agrees to hold Firm, its agents, administrators, executive directors, employees, officers and directors harmless of any liability or damage arising from Firm's administration of the Program or this Agreement, including, but not limited to, suits, garnishments, levies, repossessions, or the like.

12. Entire Agreement: This agreement embodies the entire understanding and agreement between both parties and all previous understandings, representations, statements, undertakings and agreements, written or oral, are canceled, withdrawn and/or have merged into this agreement. This Contract may be amended by Firm at any time upon 20 days notice of such an amendment. In the event any one or more provisions contained hereof for any reason be held invalid, illegal, or unenforceable in any respect, that invalidity, illegality, or unenforceability shall not affect any other provision within this Agreement, all of which shall remain in effect.

13. Venue/Jurisdiction: This agreement shall be governed by the laws of the State of Alabama. Any action to enforce this agreement, or otherwise institute litigation against any party whether in law, equity, tort, or contract shall only be brought in Montgomery County, Alabama.

14. Client Disclosures. Client agrees they have received and read the Process Verification, attached hereto. In addition, the Client agrees that:
14.1 Firm does not and will not provide any credit repair, tax, or investment advice. Client should seek the advice of an independent professional to obtain this type of advice.

14.2 Client results will vary based on individual circumstances. Any individual creditor may use a number of different criteria in determining that creditor's willingness to settle a debt or the amount acceptable in settlement, including, but not limited to, the amount of debt, the current status of the debt, the reasons you are seeking these services, the type of debt and the amount of your disposable income.

14.3 Firm does not guarantee the cessation of all telephone calls or correspondence related to collections.

14.4 The Agreement between Firm and Client does not include any representation for any cause of action or claim for damages brought against Client by creditor(s), which Client acknowledges is a possibility. It also does not include counter claims or appeals in which Customer is a party.

14.5 LAW FIRM CANNOT MAKE AND HAS NOT MADE ANY GUARANTEES REGARDING RESULTS.

14.6 Client's delinquent accounts may continue to accrue interest and late fees until the accounts are settled. Client also understands creditors may continue to impose other penalties as a result of delinquent payments, including but not limited to: the reporting of adverse information to credit bureaus, the filing of a lawsuit to collect subject debts if the creditor is unwilling to accept a settlement offer, or Client is unable to propose a settlement offer acceptable to the creditor. Furthermore, Client understands that negative information that will appear on Client's credit report as a result of participating in the Firm's debt settlement program will remain on credit reports following the completion of the program.

14.7 When a creditor settles Client's debt, a savings of $600 or more off what Client owed may be reported by creditor to the IRS as Discharge of Indebtedness income.

14.8 Client acknowledges that Firm has not nor shall it take any actions to disrupt the relationship between Client and any creditors or persons with whom Client has any contractual or business relationship. Client further acknowledges that Firm has not provided Client with any advice or recommendations regarding the reduction or termination of payments to creditors. Client has engaged Firm for the sole purpose of negotiating a resolution of said creditors within the Agreement.

15. Miscellaneous.

15.1 Consent to Electronic Communication. Client acknowledges that, in connection with our work on this matter, Firm may correspond or convey documentation via internet e-mail unless Client expressly requests otherwise and that neither Client nor Firm has control over the performance, reliability, availability, or security of internet e-mail.

15.2 Privacy Policy. Client agree to the terms of Firm's Privacy Policy, attached hereto. This policy may change from time to time as set forth therein. Among other things, the policy includes important information on what information Firm collects about you, how Firm uses that information, and with whom Firm shares that information (for example, to provide you certain services, to protect Firm's rights and interests, to respond to legal process, to facilitate a merger, etc.). Also, to ensure the quality of Firm's services and for other lawful purposes, Firm may also monitor or record calls between the Parties (for example, Client conversations with customer service, sales departments or processing agents). If Client does not agree with the terms of Firm's Privacy Policy, Client should not purchase or use Firm's services.

15.3 Limitation of Obligation. Force Majeure – Firm and/or its associates shall not bear the responsibility of obligations if non-fulfillment is caused by Force Majeure (Acts of God - such as, but not limited to; a fire or hurricane.) The liability of obligation shall/may be

postponed until the Force Majeure or the resulting effects are eliminated.

15.4 *Attachments. All attachments to this Agreement are herein incorporated by* reference. In the event of a conflict between an attachment and the terms and conditions of this Agreement, the terms of this Agreement will control.

15.5 *Assignment and Amendment. Client may not assign this Agreement, or any part of* it, to any other party. Firm may modify this Agreement at any time, by providing Client with 20 days notice of such an amendment. If Client does not accept the terms of any superseding agreement and/or provisions, Client has the right to discontinue the services provided by Firm *by providing written notice to Firm.*

15.6 Providing Notice to Each Other Under the Agreement. Except as the Agreement specifically provides otherwise, notices must be provided in writing.

15.7 Signatures. By signing the Agreement, Client authorizes Firm to act as their agent, for the limited purpose of negotiating, obtaining, and discussing their financial information with creditors. Client also acknowledges receiving a copy of this Agreement and its attachments. A *faxed signature on this Agreement shall be considered the same as an original.*

16. Client acknowledges that it has read the attached Consumer Credit File Rights under State and Federal Law and understands the terms thereof.

17. Processing Company. Client agrees that Firm may use one or more third party processing companies, including Seton Corp., with its principal office located at 311 Crossways Park Drive, Woodbury, New York 11797 ("Service Company") for the purpose of providing to *Client services under this Agreement.*

Client acknowledges that it has read the foregoing Contract to Employ, understands the terms thereof and has had an opportunity to obtain legal counsel to consult with it regarding the terms and conditions contained herein and that the *Client voluntarily signs here consenting to* the terms and conditions and the imposition of the obligations and rights granted by virtue of this Contract to Employ. Client acknowledges that this is NOT a Debt Consolidation program, and that the services provided by Allegro Law, LLC are intended as a last resort for consumers who can no longer afford to make payments to their creditors as well as afford their necessary living expenses.

Client has informed Firm that they have voluntarily discontinued making payments to their creditors because they can no longer afford to make their minimum payments on their unsecured debts as well as pay their necessary living expenses. Client understands that their voluntary decision to stop making payments to their creditors will result in Client falling past due with respect to their enrolled debts and, as a result, creditors will report Client as late to the credit bureaus, which will have a negative impact on Client's credit.

YOU MAY CANCEL THIS AGREEMENT, WITHOUT ANY PENALTY OR OBLIGATION, AT ANY TIME BEFORE MIDNIGHT CENTRAL TIME OF THE 3rd BUSINESS DAY THAT BEGINS THE DAY AFTER YOU AGREE TO IT BY ELECTRONIC COMMUNICATION OR BY SIGNING IT BY RETURNING THE ATTACHED "NOTICE OF RIGHT TO CANCEL" FORM. IF YOU DO NOT REVOKE THIS AGREEMENT WITHIN THE THREE (3) DAY REVOCATION PERIOD, THEN THE TERMINATION PROVISIONS OF SECTION 10 SHALL APPLY.

Notice To Consumers
IMPORTANT PLEASE READ

While the hiring of an attorney is a strong strategy when dealing with debt collectors, you must realize that none of the creditors or third party debt collector's rights are affected by the hiring of an attorney.

(1) Creditors and credit reporting agencies will report the consumer as late and the consumer's credit score will be negatively impacted throughout the duration of the service; (2) late fees, penalties, and interest will continue to accrue on the consumer's debt until the consumer's creditors accept and receive a settlement or until the debt is charged off or sold; (3) a consumer's creditors may still sue to collect on the debts and garnish the consumer's wages in those states which permit wage garnishment for unsecured debt; (4) a creditor may raise the interest rate and/or lower the maximum credit limit on any debts included in the program, as well as unsecured debts not included in the program; (5) any money a consumer saves in negotiating a settlement with a creditor must be treated as income for tax purposes if the discharged amount is equal to or greater than $600; and (6) a debt settled for less than the full amount owed is not the same as a debt that is paid in full in terms of reporting on the consumer's credit report.

PROCESS VERIFICATION

This document serves as verification that I understand fully the debt negotiation process as explained below and also confirms I am able to address situations that may occur throughout the course of my enrollment with Allegro Law, LLC (AL).

1.I understand that a Referral Company will refer my file to Allegro Law, LLC, and that the Referral Company is a referral service, not the Law Firm itself.

2.I understand the representative with the Referral Company has only explained the Allegro Law Firm services, and is not licensed to provide me with legal advice. That the Referral Company does not charge me a fee for their services or debit my account.

3.Allegro Law, LLC is a debt negotiating firm that will attempt to negotiate work-out agreements between me and my creditors. All negotiations are handled by licensed attorneys and their support staff.

4.This is NOT a loan; nor is it a debt consolidation, debt adjustment, or credit counseling program. AL will NOT be making monthly payments on my behalf to my creditors. The monthly payments that I make to AL will accumulate to settle my accounts and satisfy attorney fees for services rendered. AL will not perform any services until receipt of my first payment. All fees are nonrefundable.

5.I understand that I have, or soon will, voluntarily discontinued making payments to my creditors because I can no longer afford to make my minimum payments on my unsecured debts as well as pay my necessary living expenses.

6.I understand that my voluntary decision to stop making payments to my creditors will result in me falling past due on my enrolled debts, and, as a result, my creditors will report me as late to the credit bureaus which will have a negative impact on my credit.

7.I have been advised not to open any new lines of credit or attempt to qualify for any new loans until legal services have been completed. It may take from 12-48 months for this service to be completed depending on my debt and financial situation.

8.I understand that AL cannot prevent me from receiving debt collection calls. I understand that debt collection calls will occur subsequent to retaining Firm.

9.I understand that although it has been proven *that most creditors accept settlement offers that AL is required to disclose that there are inherent risks associated with debt negotiation services. These risks include* the creditors sending these accounts to collections, charging late fees, judgments, wage garnishments, creditor phone calls and/or other measures in an attempt to collect moneys owed during the debt negotiation process.

10.I understand that I have entered into various contracts with several national banks and for reasons beyond my control I may default on such contracts. I have retained AL to assist in the renegotiation of those contracts. I am retaining AL because I cannot afford to make the minimum payments due on my unsecured debts and pay my necessary living expenses.

11.I understand that I cannot continue to use any of the accounts included in this process and that the creditors have the right to close the accounts, and they may continue to charge late fees and penalties until the accounts are settled.

12.I understand that I cannot have any credit cards, loans, insurance, or bank accounts (checking, savings, CD's etc.) related to or connected with any account and/or any creditor included with this process. I understand that creditors related to debts not included in this process may increase the interest rate or lower the credit limit on those debts as a result of non-payment of monthly minimums in regards to debts included in this process.

13.I understand that should I receive any time sensitive court documents, summons or legal documents of any kind related to the debt placed with the firm, I will forward them to AL within 48 hours of receipt and confirm AL has received said document(s).

14.I understand that there are costs involved with the setup and maintenance of the debt negotiation program which equate to 16.00% of my total debt and a $59.99 monthly administration fee. In addition, there is a one time set-up fee of $25.00. The combined total costs in my case equal $1,381.00 which has already been included in the payment plan.

15.I understand that only unsecured debt qualifies for the debt negotiation program and none of the accounts included are Secured Debt, Payday Loans, Student Loans or Cash Advances.

16.I have not received correspondence from a law firm in relation to any of these accounts and none are in Judgment status or have received a Summons to appear in court

17.I understand that my approximate initial payment(s) are $878.00 for approximately 1 months, and that my approximately ongoing monthly reoccurring payments thereafter are $678.00 for approximately 47months.

18.I have given the authorization to debit my account for the payments outlined above.

19.I understand that should I need to change stop or cancel any of debits I understand the request must be submitted IN WRITING no later than 5 business days prior to the payment date

20.I have read and fully understand the above information.

☒ I have read the Written Verification and I accept the above terms.

CONSUMER CREDIT FILE RIGHTS UNDER STATE AND FEDERAL LAW

You have a right to dispute inaccurate information in your credit report by contacting the credit bureau directly. *However, neither you nor any 'credit repair' company or credit repair organization has the right to have* accurate, current and verifiable information removed from your credit report. The credit bureau must remove accurate, negative information from your report only if it is over 7 years old. Bankruptcy information can be reported for 10 years.

You have a right to obtain a copy of your credit report from a credit bureau. *You may be charged a reasonable* fee. There is no fee, however, if you have been turned down for credit, employment, insurance, or a rental dwelling because of information in your credit report within the preceding 60 days. The credit bureau must provide someone to help you interpret the information in your credit file. You are entitled to receive a free copy of your credit report if you are unemployed and intend to apply for employment in the next 60 days, if you are a recipient of public welfare assistance, or if you have reason to believe that there is inaccurate information in your credit report due to fraud.

You have a right to sue a credit repair organization that violates the Credit Repair Organization Act. This law prohibits deceptive practices by credit repair organizations. You have the right to cancel your contract with any credit repair organization for any reason within 3 business days from the date you signed it.

Credit bureaus are required to follow reasonable procedures to ensure that the information they report is accurate. However, mistakes may occur.

You may, on your own, notify a credit bureau in writing that you dispute the accuracy of information in your credit file. The credit bureau must then reinvestigate and modify or remove inaccurate or incomplete information. The credit bureau may not charge any fee for this service. Any pertinent information and copies of all documents you have concerning an error should be given to the credit bureau.

If the credit bureau's reinvestigation does not resolve the dispute to your satisfaction, you may send a brief statement to the credit bureau, to be kept in your file, explaining why you think the record is inaccurate. The credit bureau must include a summary of your statement about disputed information with any report it issues about you.

The Federal Trade Commission regulates credit bureaus and credit repair organizations.

NOTICE TO CONSUMERS

If you are having debt problems, you may feel overwhelmed and powerless. During periods of financial hardship, you may not have the resources to pay pressing debts, to meet family needs, and to get legal help. You may feel helpless to fight debt collectors pressing you for payment or threatening to seize your home, car, or other possessions.

We will help you make the best choices possible despite difficult financial circumstances. We will help you decide whether there are debts you can ignore and what your options are when you cannot ignore a particular debt. Most important, we will make sure that your rights as a consumer are protected. Many state and federal laws are designed to help people facing financial problems.

Most people in financial distress will first want to deal with the worst symptoms of a deteriorating financial situation. However, you should never make a decision based upon what a debt collector tells you. If you have an issue, have the debt collector call your attorney three ways to confirm what they have just said. Or, tell the debt collector that you need to call your attorney first, or better yet, ask the debt collector to contact us directly.

When your financial condition is such that you cannot meet your monthly payment requirements, we are here to develop a long-term strategy to deal with your debt problems. This strategy involves figuring out those debts that you need to repay, and understanding the likely consequences if you cannot pay certain debts.

The first discipline that you need to learn is keeping a log of your income and expenses for a few months. You should have already submitted an income statement worksheet to the lawyer referral Firm that referred you to our law Firm. We will make sure that we have this.

The second discipline is determining the priority of your debt. Debts with collateral are top priority. These include mortgages, rent, car loans, and loans secured by household goods. Debts without collateral are low priority debts. These include credit cards, charge cards, medical bills, gasoline cards, payday loans, and loans from family or friends.

The third discipline involves identifying those debts that should be paid first. Always pay family necessities. This means food and unavoidable medical expenses. Next pay your housing related bills. Pay your mortgage or rent if at all possible. If you own a home, pay your non-deferrable real estate taxes and your insurance unless they are included in the monthly payment. Failure to pay these bills can result in the loss of your home or apartment. If you *are having a serious problem that requires you to move, you might stop paying* the mortgage or rent. When you do so, do not spend this money. Save this money as a fund to use when you move, and to put down any required down payment. Pay the minimum required to keep your essential utility service. You should pay the minimum payment necessary to avoid disconnection. It would not make sense to work hard to keep your house or apartment only to not be able to live there because of no utility service. Pay car loans or car leases if you need to keep your car. If you need your car to get to work or for other essential transportation you should make your car payment your next priority after food, housing costs, and utilities. You may want to pay for the car first if the car is necessary to keep your job. You must pay your child support debts. A child support debt will not go away. If you need to modify a final order of child support obligation, then do it. You will have to prove that your financial condition has dramatically changed, and some states have minimum thresholds. However, if you do not make these payments, you can lose your license and go to jail.

When your financial condition is such that you cannot meet your monthly payment requirements, we are here to develop a long-term strategy to deal with your debt problems. However, if you do not make these payments, you can lose your license and go to jail.
- Income tax debts are a high priority. You must pay income taxes you owe that are not automatically deducted from your wages. You must file your federal income tax returns, even if you do not have the money to pay the tax liability. The government has powerful collection rights that other creditors do not have, particularly if you do not file your returns. If your income has been reduced due to a change in circumstances, you can have your tax liability reduced.

Client Responsibilities

The success of the Debt Negotiation service is as equally dependent on your ability to be patient, and your ability to perform your responsibilities as outlined below, as it is on the legal service provided by our attorneys. It is only as a result of our combined efforts that our clients obtain the financial and time saving benefits of the Debt Negotiation service and have the opportunity to begin the path to financial freedom.

1. Forward to Allegro Law any correspondence you receive from a bank, original creditor, debt collector, or attorney. This includes any legal pleading (lawsuit filed against you) or other legal or regulatory documents. Timing is important so please forward such documents immediately.
2. Refrain from engaging in conversations with original creditors, debt collectors and attorneys. All you need to tell them is that you have hired an attorney to assist you with your debts, and direct them to contact Allegro Law. Do not discuss the status of the debt or discuss any settlement offers with them. Doing so may negatively impact Allegro Law's ability to obtain the best possible settlement on your behalf.
3. Be patient and stay committed to the long term goal. In no event should you expect that the services will be completed in less than 36 months even though in some instances Allegro Law is able to finalize settlement agreements in less than 36 month. During that period you should anticipate receiving debt collection calls as well as be prepared to have your credit score negatively impacted. While these can be frustrating aspects of a Debt Negotiation service, always keep in mind that the ultimate goal is to save you time and money.
4. Make timely payments as agreed upon according to the Payment

Regarding Debt Collectors

The involvement of Debt Collectors during this process is inevitable. There are two general types of Debt Collectors: those that work for the Original Creditor, and third party organizations that purchase old debt from an Original Creditor. Regardless of the type of Debt Collector, both are required to abide by specific State and Federal Laws designed to protect consumers from inappropriate debt collection activity. The primary Federal Laws applicable to Debt Collection activities are the Fair Debt Collection Practices Act and Fair Credit Billing Act. It is important that you are aware of your rights in regards to debt collection activities (see 'Know Your Rights' above).

It is important to understand that the primary goal of a debt collector is to obtain payment for the alleged outstanding debt. In many instances, the Original Creditor you initially established your debts with, will sell the debt to a third party debt collection organization, thereby relinquishing all legal rights of the Original Creditor in regards to that debt. This is a normal part of the overall Debt Negotiation service and does not negatively impact our ability to resolve your debts.

IMPORTANT NOTE:

You may not have a legal obligation to pay a debt purchased by a third party debt collection organization. You may not maintain a Contract with a third party debt collector. A third party debt collector will attempt to engage you in a contract based on the potential statements you make while communicating with them and actions you take such as making payments. Do not engage in any conversations with a third party debt collector. Do not admit that the debt is yours. Do not make any payments to a third party debt collector. Do not allow yourself to be intimidated by a third party debt collector.

When a debt is purchased by a third party debt collection organization, such organization will typically pay on average $0.10 for each $1.00 of debt purchased. For example, a third party debt collection organization will pay on average $100 for the acquisition of a debt of at least $1,000. Debt Collection organizations make a profit on any amount of money they can collect in excess of the amount they paid for the debt, in the prior example as much as $900 on a $1,000 debt that they paid $100 to acquire. With such a significant profit margin, it should come as no surprise that debt collectors often take aggressive action in an attempt to collect on the debt. In many instances the debt collector will use lies, threats and relentless telephone based pressure in an attempt to reap the significant available profits. Please familiarize yourself with the Fair Debt Collection Practices Act (see 'Know Your Rights' above).

ALLEGRO LAW

Shortly after receipt of your first payment Allegro Law will send written correspondence to any original creditor and/or debt collection organization that you identify in the Contract as currently representing your debt. If, during the overall Debt Negotiation process, a new debt collection organization contacts you, simply forward their contact information and/or written correspondence to Allegro Law and we will send written correspondence That correspondence will inform the creditor/debt collection organization that you are now being represented by Allegro Law. Doing so will trigger certain Federal rights as granted by the Fair Debt Collection Practices Act. One such right is the requirement of the debt collector to now contact your attorney in regards to the debt. From that point forward, any attempt to contact you directly may be considered a violation of the Fair Debt Collection Practices Act.

IMPORTANT NOTE:

It is not uncommon for a debt collector to claim that they have not been contacted by Allegro Law. A debt collector may do this in an attempt to rattle the Client into thinking that Allegro Law is not doing any work on our Client's behalf. Such a tactic is intended to fracture trust and pressure the Client into canceling their Contract with Allegro Law and paying the debt collector in full. Do not allow yourself to succumb to such debt collection pressure. Copies of the letters sent to your creditors and/or debt collectors are maintained by Allegro Law. Simply contact Customer Service and request that we resend the correspondence to the creditor and/or debt collector, or, request a copy to be sent to you so that you can produce the letter in the event a debt collector claims it does not exist. We are here to help.

IF YOU ARE CONTACTED BY A THIRD PARTY DEBT COLLECTOR YOU ARE RESPONSIBLE TO SAY THE FOLLOWING

'I have hired an attorney to assist me in paying off my debts. My attorney has informed me that in accordance with the Fair Debt Collection Practices Act that you must from this point forward contact my attorney related to this matter, and that any attempt to contact me again would be a violation of my rights. I can provide you with the contact information for my attorney. My attorney has sent correspondence to the original creditor. I do not believe that I have a contract with your organization. If you can produce the original contract associated with this debt, I would be happy to provide it to my attorney.'

Provide debt collectors with the following Allegro Law contact information and hang up the phone.

Allegro Law, LLC
223 Wall Street # 177
Huntington, NY 11743

(516)624-1693

DO NOT:

1. **DO NOT SAY** that the debt is yours or that you owe the money.
2. **DO NOT AGREE** to make any payments to the debt collector.
3. **DO NOT ENGAGE** in a conversation with the debt collector other than to make the statement outlined above.

Remember, a debt collector is a telemarketer paid to collect money. They will lie and mislead you in an attempt to convince you to make payments on the account.

DO NOT AGREE TO ANYTHING

Follow the instructions of your attorney. Most important, if any debt collector claims that your attorney has not sent them anything contact us immediately with their information.

ALLEGRO LAW

About the Debt Negotiation Process

Allegro Law, LLC is an organization of consumer protection attorneys that use federal and state consumer laws to assist in negotiating work-out agreements between consumers and their creditors. The Debt Negotiation service is intended for consumers who can no longer afford to make the minimum payments due on their unsecured debts in addition to meeting their basic and necessary living expenses. Our goal is to save our clients both time and money by negotiating a mutually acceptable resolution of the clients outstanding debt(s) for something less than the full amount.

During the initial phase of the Debt Negotiation service, Allegro Law will send a letter to your creditor(s) identifying that Allegro Law, LLC is representing you as a client, and attempting to initiate the debt negotiation process. (A SAMPLE copy of one of the letters used to communicate with your creditors is included in this package for your reference.) This is the first step in establishing the lines of communication between the law firm and your creditors, and serves to trigger certain Federal rights on your behalf. Please bear in mind that many creditors will indicate to our clients that they not have received correspondence from Allegro Law. While this is possible, it is more likely that the creditor is simply attempting to collect on the debt in full by contacting the consumer directly. If a creditor communicates to you that they have not been contacted by Allegro Law, simply obtain the proper address for the creditor and an additional communication will be sent. In some instances it takes multiple communications from Allegro Law to your creditor(s) before negotiations effectively begin. This is not unusual and in no way affects the timing and success of the overall negotiation process.

The majority of our clients are typically behind on their debt payments before engaging our services, or voluntarily choose to discontinue making payments to their creditors in their attempt to seek an alternative solution to their debt challenges. Allegro Law does not make payments on a monthly basis to your creditors. Rather, payments made to the law firm accumulate in an escrow account to be used to pay the creditor(s) once the agreed upon settlement amount is successfully negotiated. For the average client, it takes around 36 months for the successfully negotiated resolution of their debts to be paid and reflect a zero balance. Keep in mind the time needed to accrue sufficient funds in order to negotiate a settlement will vary depending on your monthly payment amount and account balances. Allegro Law cannot finalize a settlement until you have enough money in your escrow account to pay the agreed upon settlement amount.

IMPORTANT NOTE:

By voluntarily withholding payment to your creditors, your creditors and the credit reporting agencies will report you as late resulting in a negative impact on your credit score. You should consider whether or not this negative impact on your credit score is an acceptable trade-off for the financial and time savings that may result from a successful Debt Negotiation service.

The initial payments you make to Allegro Law are used to cover the fees required for Allegro Law to establish the account and begin the negotiation process. While Allegro Law respects the fact that clients want to build their escrow account quickly and resolve their debts as soon as possible, Allegro Law asks its clients to understand that the goal is to resolve their debts for less than the full amount, and that much of those savings are as a result of the work performed by Allegro Law during the initial phase of the services. According to our Contract, fees are non-refundable. However, if you want to cancel our services, and you notify Allegro Law in writing within the first 30 days of representation, a full refund will be provided.

Remember to contact Allegro Law if your situation improves and you are able to manage larger monthly payments. Larger, consistent payments may reduce your debt more quickly. Also, if your financial situation changes and you have the opportunity to pay off any or all of your creditors, call one of our Negotiation Specialists. We will obtain pay off balances and make sure your settlement is credited properly and in a timely manner. Allegro Law, LLC will notify you each time we negotiate an acceptable and affordable settlement offer. Your patience is a critical part of our mutual success.

Know Your Rights

It is important that you are aware of your rights regarding credit billing, debt collection and credit reporting. The Federal Trade Commission ('FTC') has produced consumer friendly summaries of the primary Federal Acts that protect consumers in regards to credit and debt collection activity. Three such Federal Acts are the Fair Credit Billing Act, Fair Credit Reporting Act and Fair Debt Collection Practices Act. We encourage you to visit the FTC's website at www.ftc.gov to read the summaries and familiarize yourself with your rights. The primary Federal Act you should be aware of as a participant in our Debt Negotiation Service is the Fair Debt Collection Practices Act. We encourage you to familiarize yourself with it.

Fair Debt Collection Practices Act (http://www.ftc.gov/bcp/conline/pubs/credit/fdc.pdf)

- Provides guidance for fair debt collection practices and prohibits certain methods of collection. that is in dispute.
- Specifies that if a consumer hires an attorney, the debt collector must contact the attorney, not the consumer, regarding the debt.
- Protects consumers from abusive debt collection activity that is in dispute.
- Debt Collectors may not use threats of violence or harm. that is in dispute.
- Debt Collectors may not repeatedly use the telephone to annoy someone.
- Debt Collectors may not state that you will be arrested if you do not pay your debt.

While outside of the scope of our Contract, the Fair Debt Collection Practices Act grants a consumer the right to sue for violations of the Act. We encourage you to document any debt collection activity you feel is in violation of the Fair Debt Collection Practices Act.

Although it has been proven that most creditors accept settlement offers Allegro Law would like to disclose to you that there are inherent risks associated with a debt negotiation service. Such risks include your accounts being sent to collections, your creditors charging late fees, judgments being filed against you, your wages being garnished, creditor phone calls and/or other measures in an attempt to collect moneys owed during the debt negotiation process. It is possible that your creditors may take legal action against you. It is critical that you immediately notify us if you become aware of any legal action taken against you, and immediately provide us with copies of any legal documents you may receive.

If a lawsuit(s) is filed, Allegro Law is committed to minimizing the effects, and expediting the settlement of your accounts, however Allegro Law has not been retained for litigation purposes.

Effective October 23, 2009, we are changing Overdraft Protection transfers from savings account. We will transfer the exact amount required to cover the overdraft in your checking account from the available balance in your linked savings account. However, we will not make a transfer if the transfer would reduce your savings balance to less than $10. Overdraft Protection Service can be a great way to help you prevent overdrafts on your checking account. If you haven't already signed up, call the number on your statement or visit your nearby banking center and an associate can help you.
