ASSIGNMENT OF CLAIM

ARVATO ENTERTAINMENT LLC ("Assignor"), having offices at PO BOX 75142, CHARLOTTE, NC 28262-2334 in consideration of the sum of \$ _____ ("Purchase Price"), does hereby transfer to Liquidity Solutions, Inc. ("Assignee"), having offices at One University Plaza, Suite 312, Hackensack, NJ 07601 all of the Assignor's right, title and interest in, to and under the claim or claims of Assignor, as more specifically set forth below (the "Claim"), against ATARI, INC. (the "Debtor"), Debtor or Debtors in the bankruptcy case pending in the United States Bankruptcy Court for the Southern District of New York (the "Court"), jointly administered Case No. 13-10176 (the "Proceedings") in the currently outstanding amount of not less than \$64,646.00 (the "Purchased Amount"), and all rights and benefits of the Assignor relating to the Claim, including without limitation the Proof of Claim identified below (if any) and the Assignor's rights to receive payment of principal, and any interest, penalties and fees, which may be paid with respect to or in satisfaction of the Claim, all cash, securities, instruments and other property which may be paid or issued by Debtor or any other party with respect to or in satisfaction of the Claim, and all voting rights with respect to any of the foregoing. The Claim includes the foregoing rights and benefits, "cure" amounts within the meaning of section 365 of title 11 of the United States Code (the "Bankruptcy Code") and the right to receive all payments in respect thereof. The Claim is based on amounts, not less than the Purchased Amount, owed to Assignor by Debtor for services rendered and/or goods delivered by Assignor to Debtor. This Assignment of Claim (this "Assignment") shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create a security interest except as may be otherwise provided herein. Assignee is assuming no liabilities or obligations of the Assignor under this Assignment.

Assignor represents and warrants that [check one of the following]:

A Proof of Claim has not been filed in respect of the Claim.

~~A Proof of Claim in the amount of \$ _____ has been duly and timely filed in the Proceedings, and a true copy of such Proof of Claim is attached to this Assignment. If the Proof of Claim amount differs from the Claim amount set forth above, Assignee shall nevertheless be deemed the owner of that Proof of Claim subject to the terms of this Assignment and shall be entitled to identify itself as owner of such Proof of Claim on the records of the Court.~~

Assignor further represents and warrants that as of the date hereof the Claim is a valid and allowed claim in the Proceedings in an amount not less than the Purchased Amount which will be treated no less favorably than general unsecured claims in the Proceedings against the Debtor, and the Claim is not subject to any defense, counterclaim, offset, setoff, dispute or objection. Assignor further represents and warrants that no payment has been received by Assignor, or by any third party claiming through Assignor, in full or partial satisfaction of the Claim, that Assignor has not previously assigned, sold or pledged the Claim to any third party, in whole or in part, that Assignor solely owns and has good title to the Claim free and clear of any and all liens, claims, security interests or encumbrances of any kind or nature whatsoever, and that to Assignor's there are no offsets or defenses or preferential payment demands that have been or may be asserted by or on behalf of Debtor or any other party to reduce or subordinate the amount of the Claim or to otherwise impair its value. Assignor represents that it is solvent and has no other relationship to the Debtor or any of its affiliates or principals other than as a creditor of the Debtor. Assignor is not an insider of the Debtor within the meaning of section 101(31) of the Bankruptcy Code and is not, and has not been, a member of any committee appointed in the Proceedings. All terms of this Assignment will be kept confidential.

Assignor is aware that the Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim and that such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization or liquidation. Assignor acknowledges that, except as set forth in this Assignment, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of the Debtor (financial or otherwise) or any other matter relating to the Proceedings, the Debtor or the Claim.

Assignor represents that it has adequate information concerning the business and financial condition of Debtor and the status of the Proceedings to make an informed decision regarding the sale of the Claim and that it has

2000825

independently and without reliance on Assignee, and based on such information as Assignor has deemed appropriate (including information available from the files of the Court of the Proceedings), made its own analysis and decision to enter into this Assignment of Claim. Assignor and Assignee each hereby acknowledge to the other that (i) it currently has, or may in the future have, information with respect to the Claim, the Debtor or any of its affiliates and/or the Proceedings that is not known to the other party and that may be material to a decision to sell or purchase the Claim (as applicable) ("Excluded Information"), (ii) it has determined to sell or purchase the Claim (as applicable) notwithstanding its lack of knowledge of the Excluded Information and (iii) neither Assignor nor Assignee shall have any liability to the other or any other party whatsoever with respect to the nondisclosure of the Excluded Information in connection with the transactions contemplated hereby.

In the event that: (i) the Claim is disallowed, reduced, subordinated, offset, setoff, objected to, treated differently in the Proceedings than general unsecured claims against the Debtor or otherwise impaired, for any reason whatsoever, in whole or in part; or (ii) any action or proceeding is commenced that could result in any of the foregoing or otherwise affect all or part of the Claim in any way, and such action or proceeding is not resolved within ninety (90) days of its commencement (each circumstance in subsections (i) and (ii), an "Impairment"), Assignor agrees, upon demand of Assignee, to make to Assignee immediate proportional restitution and repayment of the Purchase Price together with interest at the rate of five percent (5%) per annum on the amount repaid for the period from the date of payment of the Purchase Price by Assignee through the date such repayment is made. Assignor further agrees to reimburse Assignee for all losses, costs and expenses, including reasonable legal fees and costs, incurred by Assignee as a result of such Impairment or any objection to the transfer of the Claim by Assignor. IN THE EVENT ASSIGNOR HAS PREVIOUSLY ASSIGNED OR PLEDGED THIS CLAIM TO ANY THIRD PARTY, OTHERWISE LACKS SOLE TITLE THERETO, OR IN THE FUTURE PURPORTS TO ASSIGN OR PLEDGE THE CLAIM TO A THIRD PARTY, ASSIGNOR AGREES TO IMMEDIATELY PAY ASSIGNEE UPON DEMAND OF ASSIGNEE, LIQUIDATED DAMAGES IN AN AMOUNT EQUAL TO DOUBLE THE AMOUNT PAID TO ASSIGNOR HEREUNDER

In the event the Claim is ultimately allowed in amount greater than the Purchased Amount, at Assignee's sole option and after written notice (the "Notice") provided to Assignor by Assignee, Assignor shall, and is hereby deemed to, sell to Assignee, and Assignee hereby purchases, all, or any portion specified in the Notice, of such excess claim at the same price (expressed as a percentage of claim) provided for hereunder. Assignee shall remit such payment to Assignor after delivery to Assignor of the Notice and upon Assignee's satisfaction that the Claim has been allowed in the higher amount and is not subject to any Impairment.

Assignor hereby irrevocably appoints Assignee as its true and lawful agent and attorney-in-fact, solely with respect to the Claim, with the full power and authority to act in Assignor's name, place and stead, to demand, sue for, compromise and recover all such amounts as now are, or may hereafter become, due and payable for or on account of the Claim and to exercise all elections, voting rights and all other rights and remedies with respect thereto. Assignor further grants unto Assignee full authority to do all things necessary to enforce the Claim and its rights thereunder pursuant to this Assignment. Notwithstanding any of the foregoing, Assignee shall not settle or compromise the Claim, or any portion thereof, without providing Assignor a reasonable opportunity to decide, in Assignor's sole discretion, to prove and defend the Claim, or any portion thereof, from and against any objection (formal or informal) or other effort by Debtor seeking an Impairment of some or all of the Claim. Using reasonable efforts to provide seven (7) days' notice to Assignor by contacting Assignor at the address set forth above or contacting counsel to Assignor ("Assignor Notice") shall satisfy any obligation to provide Assignor with "reasonable opportunity to decide" as set forth in the immediately preceding sentence. Assignor agrees that the powers granted by this paragraph are coupled with an interest, and are therefore irrevocable, and are discretionary in nature and that Assignee may exercise or decline to exercise such powers at Assignee's sole option; provided, however, that Assignee shall provide Assignor with a reasonable opportunity to decide whether to prove and defend the Claim or any portion thereof. If Assignee fails to provide Assignor with such a reasonable opportunity to prove and defend the Claim or any portion thereof (which shall be deemed satisfied by Assignee providing Assignee Notice within a

2000825

reasonable time after Assignee's actual receipt of notice of any alleged or potential Impairment of the Claim), Assignee shall not be entitled to any recourse or remedies against Assignor provided for under this Assignment or at law. Assignee shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings. Assignor agrees to take such further actions as requested by Assignee as necessary or desirable to effect the transfer of the Claim to Assignee (or its designees) and any payments or distributions on account of the Claim including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.

Assignor agrees to forward to Assignee all notices received from Debtor, the Court or any third party with respect to the Claim assigned herein, to vote the Claim assigned herein and to take such action with respect to the Claim in the Proceedings, as Assignee may from time to time request provided however, that Assignor shall not be required to incur any costs or expenses except in the event Assignor assumes prosecution or defense of the Claim as provided for in the Assignment (this shall in no way limit any other obligations of Assignor hereunder, including the restitution and repayment obligation of Assignor in the event of an Impairment). Assignor further agrees that any distribution received by Assignor on account of the Claim, whether in the form of cash, securities, instrument or any other property, shall constitute property of the Assignee to which the Assignee has an absolute right, and that (if received by Assignor) Assignor will hold such property in trust for the benefit of Assignee and will, at its own expense, promptly deliver to Assignee any such property in the same form received, together with any endorsements or documents necessary to transfer such property to Assignee.

The terms of this Assignment shall be binding upon, and shall inure to the benefit of, Assignor, Assignee and their respective successors and permitted assigns.

Assignor hereby acknowledges that Assignee may at any time reassign the Claim, together with all right, title and interest of Assignee in, to and under this Assignment, or any portion thereof or interest therein, without notice to or the consent of Assignor provided, however, any such re-assignee agrees to be bound by the terms and conditions of this Assignment. Assignor may not assign any of its right, title and interest in, to and under this Assignment, or any portion thereof or interest therein, without the prior written consent of Assignee, which the Assignee may grant or withhold in its discretion. All representations and warranties made herein shall survive the execution and delivery of this Assignment and any such re-assignment. This Assignment may be executed in multiple counterparts, and all such counterparts taken together shall be deemed to constitute a single agreement.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York without regard to conflicts. Any action arising under or relating to this Assignment must be brought in the federal or state courts located in the State of New York (County of New York) or the State of New Jersey. Assignor consents to and confers personal jurisdiction over Assignor by such courts and agrees that service of process may be made upon Assignor by mailing a copy of said process to Assignor at the address set forth in this Assignment, and in any action hereunder, **ASSIGNOR WAIVES ANY RIGHT TO DEMAND A TRIAL BY JURY ON ANY THEORY, INCLUDING WITHOUT LIMITATION CONTRACT AND TORT.**

CONSENT AND WAIVER

Upon Assignor's delivery to Assignee of its executed signature page to this Assignment, Assignor hereby authorizes Assignee to file a notice of transfer pursuant to Rule 3001(e) of the Federal Rules of Bankruptcy Procedure ("FRBP") with respect to the Claim while Assignee performs its due diligence on the Claim, which due diligence shall be completed within two (2) weeks from execution of this Assignment ("Due Diligence Deadline"). Assignee, in its sole and absolute discretion, may transfer the Claim back to the Assignor until the Due Diligence Deadline if the due diligence results are not satisfactory, in Assignee's sole and absolute discretion, by filing a notice pursuant Rule 3001(e) of FRBP transferring the Claim back to Assignor or withdrawing the transfer, and automatically at such time and in such event, each of Assignor and Assignee hereby release the other from all and any obligation or

2000825

liability regarding this Assignment; provided, however, that upon such re-transfer or withdrawal of transfer of the Claim, Assignor shall be obligated promptly to return to Assignee any payment made in respect of the Purchase Price. Assignor hereby acknowledges and consents to all of the terms set forth in this Assignment and hereby waives (i) its right to raise any objection hereto, and (ii) its right to receive notice pursuant to Rule 3001(e) of the FRBP.
