See info from ABDC below. Seems that ABDC shipped thru 3/2. So alt least $52,157.32 was shipped on the filing date and should be deemed a post-petition shipment. I will try to find out how much was shipped on 3/2.

.....

Acct 100084318 COMMUNITY MEM HOSP 340B 161,733.43.
