(Hereinafter referred to as "Bank")

Borrower promises to pay to the order of Bank, in lawful money of the United States of America by mailing to the address specified hereinafter or wherever else Bank may specify, the sum of Three Million and No/100 Dollars (\$3,000,000.00) or such sum as may be advanced and outstanding from time to time, with interest on the unpaid principal balance at the rate and on the terms provided in this Promissory Note (including all renewals, extensions or modifications hereof, this "Note").

**LOAN AGREEMENT.** This Note is subject to the provisions of that certain Loan Agreement between Bank and Borrower of even date herewith, as modified from time to time.

**LINE OF CREDIT.** Borrower may borrow, repay and reborrow, and, upon the request of Borrower, Bank shall advance and readvance under this Note from time to time until the maturity hereof (each an "Advance" and together the "Advances"), so long as the total principal balance outstanding under this Note at any one time does not exceed the principal amount stated on the face of this Note, each advance under this note shall be in an amount not less than \$500,000.00 and each advance term shall be determined at Bank's sole discretion and subject to the limitations described in the Loan Agreement to which this Note is subject. Bank's obligation to make Advances under this Note shall terminate if a demand for payment is made under this Note or if a Default (as defined in the other Loan Documents) under any Loan Document occurs or in any event, on April 10, 2009, unless renewed or extended by Bank in writing upon such terms then satisfactory to Bank. As of the date of each proposed Advance, Borrower shall be deemed to represent that each representation made in the Loan Documents is true as of such date.

If Borrower subscribes to Bank's cash management services and such services are applicable to this line of credit, the terms of such service shall control the manner in which funds are transferred between the applicable demand deposit account and the line of credit for credit or debit to the line of credit.

**USE OF PROCEEDS.** Borrower shall use the proceeds of the loan(s) evidenced by this Note for the commercial purposes of Borrower, as follows: finance working capital needs.

07138P302403

**INTEREST RATE.** Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the Bank's Prime Rate plus 0.50%, as that rate may change from time to time in accordance with changes in the Bank's Prime Rate ("Interest Rate"). "Bank's Prime Rate" means that rate announced by Bank from time to time as its prime rate and is one of several interest rate bases used by Bank. Bank lends at rates both above and below Bank's Prime Rate, and Borrower acknowledges that Bank's Prime Rate is not represented or intended to be the lowest or most favorable rate of interest offered by Bank.

**DEFAULT RATE.** In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from acceleration until the Obligations or any judgment thereon is paid in full.

**INTEREST AND FEE(S) COMPUTATION (ACTUAL/360).** Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective interest yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

**REPAYMENT TERMS.** This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on May 1, 2007, and continuing on the first day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on April 10, 2009.

**APPLICATION OF PAYMENTS.** Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

**DEMAND NOTE.** This is a demand Note and all Obligations hereunder shall become immediately due and payable upon demand. In addition, the Obligations hereunder shall automatically become immediately due and payable if Borrower or any guarantor or endorser of this Note commences or has commenced against it a bankruptcy or insolvency proceeding.

**DEFINITIONS.** **Loan Documents.** The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

**LATE CHARGE.** If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 10 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

**ATTORNEYS' FEES AND OTHER COLLECTION COSTS.** Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

**USURY.** If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

**DEFAULT.** If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise. **Due On Sale Or Further Encumbrance Or Transfer Of An Interest In Owner of Property.** If this Note is secured by real property containing or on which will be constructed 4 or fewer residential units (the "Property"), without the prior written consent of Bank in each instance, (i) the sale, conveyance, transfer or encumbering of the Property, or any part thereof or interest therein, whether legal or equitable, (ii) causing or permitting any transfer of the Property or any part thereof, whether voluntarily, involuntarily or by operation of law, or (iii) entering into any agreement or transaction to transfer, or accomplish in form or substance a transfer, of the Property. A "transfer" of the Property includes: (a) the direct or indirect sale, transfer or conveyance of the Property or any portion thereof or interest therein; (b) the execution of an installment sale contract or similar instrument affecting all or any portion of the Property; (c) if the owner of the Property ("Owner") or any

general partner or member of Owner, is a corporation, partnership, limited liability company, trust or other business entity, the transfer (whether in one transaction or a series of transactions) of any stock, partnership, limited liability company or other ownership interests in such corporation, partnership, limited liability company or entity including, without limitation, changes in stockholders, partners, members, managers, trustees, beneficiaries, or their respective interests; (d) if Owner, or any general partner or member of Owner, is a corporation, the creation or issuance of new stock by which an aggregate of more than 10% of such corporation's stock shall be vested in a party or parties who are not now stockholders; and (e) an agreement by Owner leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder, or a sale, assignment or other transfer of or the grant of a security interest in and to any leases.

**REMEDIES UPON DEFAULT.** If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

**FINANCIAL AND OTHER INFORMATION.** Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

**WAIVERS AND AMENDMENTS.** No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower. Each Borrower waives any rights and defenses that are or may become available to such Borrower by reason of Sections 2787 to 2855 inclusive, of the California Civil Code.

**MISCELLANEOUS PROVISIONS.** **Assignment.** This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and

interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the Obligations. **Applicable Law; Conflict Between Documents.** This Note and, unless otherwise provided in any other Loan Document, the other Loan Documents shall be governed by and interpreted in accordance with federal law and, except as preempted by federal law, the laws of the state named in Bank's address on the first page hereof without regard to that state's conflict of laws principles. If the terms of this Note should conflict with the terms of any loan agreement or any commitment letter that survives closing, the terms of this Note shall control. **Borrower's Accounts.** Except as prohibited by law, Borrower grants Bank a security interest in all of Borrower's deposit accounts and investment property with Bank and any of its affiliates. **Swap Agreements.** All swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time), if any, between Borrower and Bank or its affiliates are independent agreements governed by the written provisions of said swap agreements, which will remain in full force and effect, unaffected by any repayment, prepayment, acceleration, reduction, increase or change in the terms of this Note, except as otherwise expressly provided in said written swap agreements, and any payoff statement from Bank relating to this Note shall not apply to said swap agreements except as otherwise expressly provided in such payoff statement. **Jurisdiction.** Borrower irrevocably agrees to non-exclusive personal jurisdiction in the State of California. **Severability.** If any provision of this Note or of the other Loan Documents shall be prohibited or invalid under applicable law, such provision shall be ineffective but only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Note or other such document. **Payments.** All payments shall be mailed to Bank at Commercial Loan Services, P. O. Box 740502, Atlanta, GA 30374-0502; or other such address as provided by Bank in writing. **Notices.** Any notices to Borrower shall be sufficiently given, if in writing and mailed or delivered to the Borrower's address shown above or such other address as provided hereunder, and to Bank, if in writing and mailed or delivered to Wachovia Bank, National Association, Mail Code VA7628, P. O. Box 13327, Roanoke, VA 24040 or Wachovia Bank, National Association, Mail Code VA7628, 10 South Jefferson Street, Roanoke, VA 24011 or such other address as Bank may specify in writing from time to time. Notices to Bank must include the mail code. In the event that Borrower changes Borrower's address at any time prior to the date the Obligations are paid in full, Borrower agrees to promptly give written notice of said change of address by registered or certified mail, return receipt requested, all charges prepaid. **Plural; Captions.** All references in the Loan Documents to Borrower, guarantor, person, document or other nouns of reference mean both the singular and plural form, as the case may be, and the term "person" shall mean any individual, person or entity. The captions contained in the Loan Documents are inserted for convenience only and shall not affect the meaning or interpretation of the Loan Documents. **Advances.** Bank may, in its sole discretion, make other advances which shall be deemed to be advances under this Note, even though the stated principal amount of this Note may be exceeded as a result thereof. **Posting of Payments.** All payments received during normal banking hours after 2:00 p.m. local time at the office of Bank first shown above shall be deemed received at the opening of the next banking day. **Joint and Several Obligations.** If there is more than one Borrower, each is jointly and severally obligated together with all other parties obligated for the Obligations. **Fees and Taxes.** Borrower shall promptly pay all documentary, intangible recordation and/or similar taxes on this transaction whether assessed at closing or arising from time to time. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Patriot Act Notice.** To help fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For purposes of this section, account shall be understood to include loan accounts. **Final Agreement.**

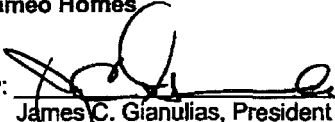

07138P302403

This Note and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

**ARBITRATION.** Upon demand of any party hereto, whether made before or after institution of any judicial proceeding, any claim or controversy arising out of or relating to the Loan Documents between parties hereto (a "Dispute") shall be resolved by binding arbitration conducted under and governed by the Commercial Financial Disputes Arbitration Rules (the "Arbitration Rules") of the American Arbitration Association (the "AAA") and the Federal Arbitration Act. Disputes may include, without limitation, tort claims, counterclaims, a dispute as to whether a matter is subject to arbitration, or claims arising from documents executed in the future, but shall specifically exclude claims brought as or converted to class actions. A judgment upon the award may be entered in any court having jurisdiction. Notwithstanding the foregoing, this arbitration provision does not apply to disputes under or related to swap agreements. **Special Rules.** All arbitration hearings shall be conducted in the city named in the address of Bank first stated above. A hearing shall begin within 90 days of demand for arbitration and all hearings shall conclude within 120 days of demand for arbitration. These time limitations may not be extended unless a party shows cause for extension and then for no more than a total of 60 days. The expedited procedures set forth in Rule 51 et seq. of the Arbitration Rules shall be applicable to claims of less than \$1,000,000.00. Arbitrators shall be licensed attorneys selected from the Commercial Financial Dispute Arbitration Panel of the AAA. The parties do not waive applicable Federal or state substantive law except as provided herein. **Preservation and Limitation of Remedies.** Notwithstanding the preceding binding arbitration provisions, the parties agree to preserve, without diminution, certain remedies that any party may exercise before or after an arbitration proceeding is brought. The parties shall have the right to proceed in any court of proper jurisdiction or by self-help to exercise or prosecute the following remedies, as applicable: (i) all rights to foreclose against any real or personal property or other security by exercising a power of sale or under applicable law by judicial foreclosure including a proceeding to confirm the sale; (ii) all rights of self-help including peaceful occupation of real property and collection of rents, set-off, and peaceful possession of personal property; (iii) obtaining provisional or ancillary remedies including injunctive relief, sequestration, garnishment, attachment, appointment of receiver and filing an involuntary bankruptcy proceeding; and (iv) when applicable, a judgment by confession of judgment. Any claim or controversy with regard to any party's entitlement to such remedies is a Dispute. **Waiver of Jury Trial.** THE PARTIES ACKNOWLEDGE THAT BY AGREEING TO BINDING ARBITRATION THEY HAVE IRREVOCABLY WAIVED ANY RIGHT THEY MAY HAVE TO JURY TRIAL WITH REGARD TO A DISPUTE AS TO WHICH BINDING ARBITRATION HAS BEEN DEMANDED.

**IN WITNESS WHEREOF,** Borrower, on the day and year first above written, has caused this Note to be duly executed under seal.

TRUST DEED

This trust deed, made this 20 day of June 2007, between JB Redmond, LLC, a California limited liability company, Grantor, Donald J. Chumside, as Trustee, and Wachovia Bank, as Beneficiary.

WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee in trust, with power of sale, the property in Lane County, Oregon, described as:

See Attached Exhibit "A"

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with the property.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of \$3,000,000.00, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the final payment of principal and interest hereof, if not sooner paid, to be due and payable April 15, 2008.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of the note becomes due and payable.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain the property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of the property.
2. To complete or restore promptly and in good and habitable condition any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.
3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.
4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the property against loss or damage by fire and such other hazards as the beneficiary may from time to time require, in an amount not less than \$3,000,000.00, written in companies acceptable to the beneficiary, with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary as soon as insured; if the grantor shall fail for any reason to procure any such insurance and to deliver the policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on the buildings, the beneficiary may procure the same at grantor's expenses. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
5. To keep the property free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against the property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.
6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.
7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney fees; the amount of attorney's fees mentioned in this paragraph 7 in all cases shall be fixed by the trial court and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of the property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly, upon beneficiary's request.

9. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyances, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plat of the property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the property or any part thereof, in its own name sue or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees upon any indebtedness secured hereby, and in such order as beneficiary may determine.

11. The entering upon and taking possession of the property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in grantor's performance of any agreement hereunder, time being of the essence with respect to such payment and/or performance, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event the beneficiary may elect to proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed by advertisement and sale, or may direct the trustee to pursue any other right or remedy, either at law or in equity, which the beneficiary may have. In the event the beneficiary elects to foreclose by advertisement and sale, the beneficiary or the trustee shall execute and cause to be recorded a written notice of default and election to sell the property to satisfy the obligation secured hereby whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.735 to 86.795.

13. After the trustee has commenced foreclosure by advertisement and sale, and at any time prior to 5 days before the date the trustee conducts the sale, the grantor or any other person so privileged by ORS 86.753, may cure the default or defaults. If the default consists of a failure to pay, when due, sums secured by the trust deed, the default may be cured by paying the entire amount due at the time of the cure other than such portion as would not then be due had no default occurred. Any other default that is capable of being cured may be cured by tendering the performance required under the obligation or trust deed. In any case, in addition to curing the default or defaults, the person effecting the cure shall pay to the beneficiary all costs and expenses actually incurred in enforcing the obligation of the trust deed together with trustee's and attorney's fees not exceeding the amounts provided by law.

14. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale or the time to which the sale may be postponed as provided by law. The trustee may sell the property either in one parcel or in separate parcels and shall sell the parcel or parcels at auction to the highest bidder for cash, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney, (2) to the obligation secured by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority and (4) the surplus, if any, to the grantor or to any successor in interest entitled to such surplus.

16. Beneficiary may from time to time appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by beneficiary, which, when recorded in the mortgage records of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

The grantor covenants and agrees to and with the beneficiary and the beneficiary's successor in interest that the grantor is lawfully seized in fee simple of the real property and has a valid, unencumbered title thereto, except as may be set forth in an addendum or exhibit attached hereto, and that the grantor will warranty and forever defend the same against all persons whomsoever.

**WARNING:** Unless grantor provides beneficiary with evidence of insurance coverage as required by the contract or loan agreement between them, beneficiary may purchase insurance at grantor's expense to protect beneficiary's interest. This insurance may, but need not, also protect grantor's interest. If the collateral becomes damaged, the coverage purchased by beneficiary may not pay any claim made by or against grantor. Grantor may later cancel the coverage by providing evidence that grantor has obtained property coverage elsewhere. Grantor is responsible for the cost of any insurance coverage purchased by beneficiary, which cost may be added to grantor's contract or loan balance. If it is so added, the interest rate on the underlying contract or loan will apply to it. The effective date of coverage may be the date grantor's prior coverage lapsed or the date grantor failed to provide proof of coverage. The coverage beneficiary purchases may be considerably more expensive than insurance grantor might otherwise obtain alone and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are:

(e) for an organization, or (even if grantor is a natural person) are for business or commercial purposes.

This deed applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, personal representatives, successors and assigns. The term beneficiary shall mean the holder and owner, including pledgee, of the contract secured hereby, whether or not named as a beneficiary herein.

In construing this trust deed, it is understood that the grantor, trustee and/or beneficiary may each be more than one person; that if the context so requires, the singular shall be taken to mean and include the plural, and that generally all grammatical changes shall be made, assumed and implied to make the provisions hereof apply equally to corporations and to individuals.

IN WITNESS WHEREOF, the grantor has executed this instrument the day and year first above written.
