MOTION FOR ORDER UNDER 11 U.S.C. §§ 105(A) AND 366, (A) PROHIBITING UTILITIES FROM DISCONTINUING, ALTERING OR REFUSING SERVICE, AND (B) ESTABLISHING PROCEDURES FOR DETERMINING ADEQUATE ASSURANCE OF PAYMENT

The above captioned debtors and debtors in possession (collectively, the "Debtors"), hereby move pursuant to sections 105(a) and 366 of title 11 of the United States Code (the "Bankruptcy Code") for an order (a) prohibiting their utilities from discontinuing, altering or refusing service; and (b) establishing the procedures for determining adequate assurance of payment (the "Motion"). In support of the Motion, the Debtors respectfully state as follows:[2]

Jurisdiction

1. The Court has jurisdiction over the Motion under 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(A), (M) and (O).

[1] The Debtors consist of the following entities: Chi-Chi's, Inc., CCMR of Catonsville, Inc., CCMR of Cumberland, Inc., CCMR of Frederick, Inc., CCMR of Greenbelt, Inc., CCMR of Harford County, Inc., CCMR of Maryland, Inc., CCMR of Ritchie Highway, Inc., CCMR of Timonium, Inc., Chi-Chi's of West Virginia, Inc., CMM Dissolution, Inc., Koo Koo Roo, Inc., Maintenance Support Group, Inc., and Koo Koo Roo Licensing Systems, Inc.

[2] The facts and circumstances supporting this Motion are set forth in the Affidavit of Anthony Baril, President and Treasurer of the Chi-Chi's, Inc. and Koo Koo Roo, Inc., in support of First Day Motions.

DOCKET # 18
DATE 10-9-03

2. Venue in these cases and the Motion is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory predicates for the relief requested herein are sections 105(a) and 366 of title 11 of the United States Code (as amended, the "Bankruptcy Code").

Background

4. On October 8, 2003 (the "Petition Date"), the Debtors filed their respective voluntary chapter 11 petitions in this Court for relief under title 11 of the United States Code (the "Bankruptcy Code").

5. The Debtors continue to operate their businesses and manage their affairs as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request has been made for the appointment of a trustee or examiner, and no official committee of unsecured creditors has yet been appointed.

A. **History of the Debtors and its Parent Companies.**

6. Each of the Debtors is a direct or indirect operating subsidiary of Prandium and FRI-MRD Corporation and each engages in the restaurant business.

7. Chi-Chi's was founded in 1975 and became a Delaware corporation in 1986. Chi-Chi's restaurants are full service casual dining restaurants that serve moderately priced Mexican food. Within a few years of being founded, Chi-Chi's quickly franchised its concept and expanded rapidly. Between 1977 and 1982, the number of Chi-Chi's restaurants expanded from four to ninety-two. Chi-Chi's was incorporated in 1986. By the end of 1987, Chi-Chi's had expanded to over 200 restaurants. In 1988, Chi-Chi's was acquired by Foodmaker

Corp. ("Foodmaker"). In 1993, a consortium of investors, led by an affiliate of Apollo Advisors and which included Foodmaker, acquired The Restaurant Enterprises Group, Inc. ("REGI") out of bankruptcy following a divesture of 109 underperforming restaurants. The new restaurant group was renamed Family Restaurants, Inc. ("FRI"). El Torito, a former division of REGI, was combined with Chi-Chi's to form the Mexican Restaurant Division of FRI. By 1996, FRI's Mexican Restaurant Division operated 280 Mexican Restaurants in 30 states, including 184 Chi-Chi's.

8. Chi-Chi's has eight operating subsidiaries. CCMR of Catonsville, Inc., CCMR of Cumberland, Inc., CCMR of Frederick, Inc., CCMR of Greenbelt, Inc., CCMR of Harford County, Inc., CCMR of Maryland, Inc., CCMR of Ritchie Highway, Inc., CCMR of Timonium, Inc. (inactive), Chi-Chi's of West Virginia, Inc.

9. Koo Koo Roo, Inc. ("Koo Koo Roo") was formed in 1987. Koo Koo Roo's restaurants are in the growing segment of "fast-casual" dining and serve meals with the convenience and value associated with fast service eateries, but with the quality associated with full-service casual dining restaurants. Prior to 1998, Koo Koo Roo acquired Hamburger Hamlet. By 1998, Koo Koo Roo operated 38 restaurants and 16 Hamburger Hamlet restaurants.

10. In 1998, a new public company, Koo Koo Roo Enterprises, Inc. ("Koo Koo Roo Enterprises"), was formed that combined FRI and Koo Koo Roo through a reverse merger. As a result of the merger, Koo Koo Roo Enterprises became that parent company of the subsidiary El Torito, Chi-Chi's, Koo Koo Roo and Hamburger Hamlet chains. In 1999, Koo Koo Roo Enterprises renamed itself Prandium, Inc.

11. At the time of the merger, FRI, operating its two mature concepts, El Torito and Chi-Chi's, needed two things: access to more cash to complete the turnaround of Chi-Chi's and pay off debt, and ownership of a restaurant concept that could be a growth vehicle for the company. Prandium management believed that Koo Koo Roo provided the business opportunity to meet such strategic goals.

12. In June, 2000, Prandium sold the El Torito Restaurant subsidiary to Acapulco Acquisition Corp.

13. On May 6, 2002, Prandium and FRI-MRD, filed a chapter 11 cases (the "Affiliates' Cases") in the United States Bankruptcy Court for the Central District of California, Santa Ana Division (the "Bankruptcy Court") and submitted a pre-packed chapter 11 plan of reorganization (the "Pre-Packaged Plan") to the Bankruptcy Court for approval. The Cases were jointly administered as Case No. SA-02-13529. The Bankruptcy Court confirmed the Plan on June 20, 2002.

14. None of the Debtors were part of the Affiliates' Cases.

15. Under the Pre-Packaged Plan, in order to de-leverage Prandium and FRI-MRD's capital structure, a substantial portion of the unsecured indebtedness of Prandium and FRI-MRD was converted to equity in Prandium. Those former noteholders now hold the majority of the equity interests in Prandium. In addition, Prandium's old common stock was cancelled and the holders of the old common stock did not receive any consideration on account of such interests.

16. In accordance with the Pre-Packaged Plan, at the Closing, KKR and its subsidiaries, Chi-Chi's and its subsidiaries, Prandium and FRI-MRD entered into a new secured credit facility with Foothill Capital Corporation ("Foothill") that provides the Company with a working capital facility (the "Credit Facility").

17. The Pre-Packaged Plan was consummated on July 2, 2002 (the "Closing").

B. The Debtors' Industry and Business.

18. The restaurant industry segments in which the Debtors operate are highly competitive. Key competitive factors in the Debtors' industry segments are name identification, restaurant location, the quality and value of the food products offered, the quality and speed of service, and the appeal of the dining facilities. These factors are affected by trends in the restaurant industry, changes in the public's eating tastes, habits and preferences, demographic trends, spending and consumer traffic patterns, and local economic conditions. In order to remain competitive, the Debtors are required to promptly respond to the above factors, increases in food and labor costs, and pricing adjustments by their local and national competitors. The failure to quickly respond to changes in the Debtors' industry segments can have an immediate and long-term detrimental effect on the Debtors' financial condition and results from operations.

19. In recent years, Chi-Chi's has encountered increased competition from new Mexican full-service restaurant chains, the emergence of fast-casual Mexican dining eateries, and from restaurants that serve Mexican food as part of a dining concept that provides a variety of offerings.

20. Koo Koo Roo restaurants operate in an especially competitive industry segment that is characterized by the frequent introduction of new products accompanied by substantial promotional campaigns and competitive pricing. In recent years, numerous competitors, including those in quick-service, fast-casual and casual dining segments have introduced products targeted towards Koo Koo Roo restaurants primary consumers. These consumers prefer products, which usually feature chicken, that are, or are perceived to be, more healthy, nutritious, lower in calories and lower in fat content. The Debtors believe that they will continue to face increased competition from companies that target the above consumer preferences.

21. Maintenance Support Group was formed to act as a re-seller of original equipment. Original equipment manufacturers, including Squirrel, Inc, will not sell directly to an operating customer, such as Chi-Chi's, but will sell to a re-seller/distributor. Through Maintenance Support Group, Chi-Chi's could purchase and directly install original equipment and thereafter purchase parts directly, all of which resulted in significant advantages for Chi-Chi's.

22. CMM Dissolution was formed and incorporated in 1995 to facilitate the sale of Color Me Mine. The corporation is no longer needed and has no assets or liabilities

C. The Debtors' Corporate Structure.

23. Chi-Chi's continues to be a privately held Delaware corporation. Chi-Chi's has 1000 shares of common stock issued and outstanding. FRI-MRD is the sole shareholder of Chi-Chi's. Chi-Chi's subsidiaries are as follows:

CCMR of Timonium formerly operated a Chi-Chi's restaurant in Timonium, Maryland, which has closed.

j. Maintenance Support Group, Inc ("Maintenance Support Group") was formed and incorporated in 1984. Maintenance Support Group is a privately held Kentucky corporation with 100 shares of common stock issued and outstanding. Chi-Chi's is the sole shareholder of Maintenance Support Group.

24. Koo Koo Roo is a privately held Delaware corporation that was incoporated in 1991 Koo Koo Roo has 1000 shares of common stock issued and outstanding. FRI-MRD is the sole shareholder of Koo Koo Roo.

D. <u>The Debtors' Financial Condition.</u>

25. As of August 2003, Chi Chi's and its subsidiaries consolidated un-audited financial reports indicate approximately $64.7 million in total assets, including approximately $1.5 million in cash and short-term investments, $1.2 million in accounts receivable, $50.5

million in equipment and property, $2.8 million in supplies and other goods, and $8.6 million in other intangible assets. Chi Chi's un-audited financial reports further indicate approximately $64.7 million in liabilities, including $9.1 million under the Credit Facility, $4.3 million in accounts payable, $4.2 million in accrued compensation and benefits, $9.1 million in other current liabilities, $237.4 million in non-current liabilities and $(199.4) million in paid in capital and retained earnings.

26. As of August 2003, Koo Koo Roo and its subsidiaries consolidated un-audited financial reports indicate approximately $9.4 million in total assets, including approximately $0.05 million in cash and short-term investments, $0.3 million in accounts receivable, $8.4 million in equipment and property, $0.5 million in supplies and other goods, and $0.1 in other intangible assets. Koo Koo Roo's un-audited financial reports further indicate approximately $9.4 million in liabilities, including $2.4 million under the Credit Facility, $0.5 million in accounts payable, $0.6 million in accrued compensation and benefits, $3.0 million in other current liabilities, $(2.6) million in non-current liabilities and $5.4 million in paid in capital and retained earnings.

E. Reasons for the Debtors' Bankruptcy Filings.

27. While Prandium's and FRI-MRD's bankruptcy recapitalized the Company at the parent level, it failed to address the subsidiaries' operating problems. Since the conclusion of Prandium's and FRI-MRD's bankruptcy, both Chi-Chi's and Koo Koo Roo have experienced comparable restaurant sales declines at their restaurants. Chi-Chi's and its subsidiaries' collective guest counts were down approximately 7.2% in 2001, 8.3% in 2002 and are down

4.5% year-to-date for 2003. Koo Koo Roo has experienced similar sales declines. As a result of the across-the-board decline in sales, the Debtors' operating performance has been significantly below the projections provided for in the Plan.

28. Further burdening the subsidiaries was the fact that the Debtors had limited financial resources to terminate the leases of underperforming or closed restaurants, so there was little way to deal with such restaurants other than to manage the cash cost through sublease arrangements. However, many of the Debtors' restaurants were subleased for less than the contractual rent or required a payout to the landlord to achieve an early termination of the lease.

29. As a result of the above, the Debtors are burning cash at a rate that will result in them running out of free cash in the next 5-7 business days. The Debtors have also exhausted their ability to borrow. Absent an immediate filing of these chapter 11 cases, the Debtors cannot continue as a going concern.

F. Proposed Sale Transaction.

30. Prior to the Petition Date, Koo Koo Roo determined that the best way to maximize value for the benefit of its estate and creditors is to sell substantially all of its assets (the "Assets"). Thereafter, Koo Koo Roo negotiated with a number of potential purchasers from the sale of all, or a portion, of the Assets. As a result of Koo Koo Roo's marketing efforts, immediately prior to the Petition Date, Koo Koo Roo received an offer to purchase the Assets (the "Proposed Sale") from Fuddruckers, Inc. ("Fuddruckers") for approximately $4 million pursuant to the terms of that certain Asset Purchase Agreement (the "Agreement"), subject to

certain adjustments for petty cash on hand and accrued gift certificate liability described in detail in the Agreement.

31. As part of the Proposed Sale, Koo Koo Roo will assume and assign to Fuddruckers certain contracts and leases (the "Assumed Agreements") in connection with the sale. As a condition of the Proposed Sale, Koo Koo Roo will pay all cure amounts required for the assumption of the Assumed Agreements to be assigned to Fuddruckers or its designee in connection with the sale.

32. Koo Koo Roo also seeks to sell the Assets in a competitive bidding process through an auction (the "Auction") pursuant to certain proposed sale procedures and bidding protections, in order to maximize the sale price for the Assets.

33. The Proposed Sale on an expedited basis is clearly in the best interest of Koo Koo Roo and its creditors. Koo Koo Roo is currently operating at a loss. Management has aggressively and extensively marketed the company. The $4 million offer from Fuddruckers is the highest and best offer Koo Koo Roo has received. The value of the Assets will continue to decline over time, rather than increase, until those assets are sold.

34. Chi-Chi's has also determined that the best way to maximize value for the benefit of its estate and creditors is to sell substantially all of its assets. Chi-Chi's anticipates that it will shortly be filing a motion to sell substantially all of its assets to a third-party.

G. Proposed Debtor-in-Possession Financing.

35. Pursuant to that certain Senior, Secured, Super-Priority Debtor-In-Possession Loan And Security Agreement between the Debtors and Foothill, subject to approval

by this Court, Foothill has agreed to provide the Debtors with a $19,100,000 debtor-in-possession credit facility on a senior secured super-priority basis (the "DIP Facility").

H. Utility Services Used By Debtors.

36. In the operation of their facilities, the Debtors incur utility expenses for water, sewer service, electricity, gas, local telephone service, long-distance service, waste disposal and other utilities. These utility services are provided by numerous Utility Providers. A non-exhaustive list of these Utility Providers is attached as Exhibit A and is incorporated herein by reference.

Relief Requested

37. Pursuant to sections 105(a) and 366 of the Bankruptcy Code, the Debtors request entry of an order (1) prohibiting the utility companies identified on Exhibit A (the "Utility Providers") from discontinuing, altering or refusing service and (2) establishing a procedure for determining adequate assurance.[3] The Debtors further request that the above requested order (the "Order") provide that:

a. The Utility Providers are forbidden to discontinue, alter or refuse service on account of any unpaid prepetition charges, or request payment of a deposit or receipt of other security in connection with any unpaid prepetition charges without further order of this Court except as otherwise provided in the Motion,

[3] Although the Debtors believe that the list of Utility Providers attached as Exhibit A is a complete list, they reserve the right, without further order of the Court, to supplement the list if any Utility Provider has been omitted.

b. The Debtors will serve the Order on the Utility Providers via U.S. Mail, within five (5) business days of the date the Order is entered by the Court (the "Date of Entry");

c. A Utility Provider may request additional assurance of payment in the form of deposits or other security within thirty (30) days of the Date of Entry (an "Additional Assurance Request") and, if the Debtors believe the Additional Assurance Request is unreasonable, the Debtors will promptly schedule a hearing to determine if additional assurance is necessary (the "Determination Hearing");

d. Any Additional Assurance Request must (i) be made in writing and (ii) must include a summary of the Debtors' payment history relevant to the affected account(s);

e. Pending resolution of any such Determination Hearing, any Utility Provider making an Additional Assurance Request shall be prohibited from discontinuing, altering or refusing service to the Debtors on account of unpaid charges for prepetition services;

f. A Utility Provider shall be deemed to have adequate assurance of payment until a future order of this Court is entered in connection with a Determination Hearing; and

g. If a Utility Provider makes an Additional Assurance Request that the Debtors believe is reasonable, then the Debtors shall be entitled to comply with such request, as described in the Motion, without further order of the Court.

Authority for the Requested Relief

38. This Court has the authority to grant the relief requested herein pursuant to section 105(a) of the Bankruptcy Code which provides that the Court "may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of this title." The purpose of section 105(a) is "to assure the bankruptcy courts [sic] power to take whatever action is appropriate or necessary in aid of the exercise of their jurisdiction." 2 Collier on Bankruptcy ¶ 105.01, at 105-5 to 105-6 (15th rev. ed. 2001).

39. Section 366(a) of the Bankruptcy Code provides that utility companies cannot discontinue, alter or refuse service to a debtor during the first twenty (20) days of a bankruptcy case (the "Stay Period"). Furthermore, upon expiration of the Stay Period, a utility company cannot terminate its services if a debtor has furnished "adequate assurance of payment" within the meaning of section 366 of the Bankruptcy Code.[4]

40. The determination of whether "adequate assurance" has been provided is fully within this Court's discretion. See In re Marion Steel Co., 35 B.R. 188, 198 (Bankr. D. Ohio 1983). In this regard, bankruptcy courts are not bound by state or local regulations governing what constitutes adequate assurance of payment for postpetition utility services. Id. at 199; In re Begley, 41 B.R. 402, 405-06 (Bankr. E.D. Pa. 1984), aff'd, 760 F.2d 46 (3d Cir. 1987). In analyzing whether a debtor has provided adequate assurance of postpetition payment, a court is not required to give utility companies the equivalent of a guaranty of payment; rather, a

[4] The Debtors reserve the right to declare that any of the entities listed on Exhibit A are not utilities within the meaning of section 366(a) of the Bankruptcy Code.

court need only conclude that the utility is not subject to an unreasonable risk of non-payment for postpetition services. See, e.g., In re USG Corp., Case No. 01-2094 (RJN) (Bankr. D. Del. June 27, 2001) ((i) debtors' history of prompt and full payment for prepetition utility services, (ii) debtors' demonstrated ability to pay future services, (iii) administrative expense treatment afforded to postpetition utility claims and (iv) any existing security held by certain of the utility companies together constituted adequate assurance of future payment); In re Pillowtex, Inc., Case No. 00-4211 (SLR) (Bankr. D. Del. Nov. 24, 2000) (same); In re MobileMedia Comms., Inc., Case No. 97-174 (PJW) (Bankr. D. Del. Jan. 30, 1997) (same).

41. Other courts have held that a debtor's ability to pay postpetition bills promptly is most determinative of adequate assurance for utility companies. In In re George C. Frye Co., 7 B.R. 856 (Bankr. D. Me. 1980), a utility company demanded that a Chapter 11 debtor post a deposit or suffer termination of service. The Court denied the request for the deposit, stating that the preference for administrative claims (including utility service costs) and the requirement for their full payment provided adequate assurance. Id. at 857-58.

42. This Court, in other chapter 11 cases, has granted relief similar to that requested herein. See, e.g., In re ACP Holding Co., No. 03-12414 (Bankr. D. Del. Aug. 28, 2003); In re Exide Techs., et al., No. 02-11125 (Bankr. D. Del. May 10, 2002) (deeming utilities adequately assured of future performance and establishing procedures for determining adequate assurance); In re W. R. Grace & Co., No. 01-01139 (Bankr. D. Del. May 3, 2001) (same); In re Waccamaw's Homeplace, No. 01-00181 (Bankr. D. Del. Jan. 17, 2001) (same); In re Plainwell Inc., No. 00-04350 (Bankr. D. Del. Dec. 20, 2000) (same); In re Pillowtex, Inc., Case No. 00-

4211 (Bankr. D. Del. Nov. 14, 2000) (same); In re Harnischfeger Indus., Inc., No. 99-02171 (Bankr. D. Del. July 7, 1999) (same); In re Zenith Elecs. Corp., No. 99-02911 (Bankr. D. Del. Aug. 24, 1999) (same); In re Discovery Zone, Inc., Case No. 99-00941 (Bankr. D. Del. Apr. 22, 1999) (same); In re MobileMedia Comms., Inc., Case No. 97-00174 (Bankr. D. Del. Jan. 30, 1997) (same).

43. The Debtors submit that this Court should use the authority granted it under section 105 of the Bankruptcy Code to grant the relief requested because issuance of the Order is necessary if the Debtors are to maximize the value of their businesses. Uninterrupted utility services are essential to ongoing operations and, therefore, to the success of the Debtors' effort to maximize the value of their restaurants through an orderly sale. Should the Utility Providers refuse or discontinue service, even for a brief period, the Debtors' business operations would be severely disrupted. The impact on the Debtors' business operations and revenue would be extremely harmful and would jeopardize the Debtors' sale efforts and the ultimate value received. It is therefore critical that the Debtors' utility services continue uninterrupted.

44. The Debtors submit that granting the relief requested is both necessary and appropriate pursuant to sections 105 and 366 of the Bankruptcy Code. The relief requested in the Motion will help the Debtors to successfully dispose of their restaurant units and thus fulfill the purpose of section 105 of the Bankruptcy Code. Furthermore, the relief requested in the Motion will not prejudice the rights of the Utility Providers under section 366 of the Bankruptcy Code. The Debtors have obtained postpetition funds that will allow them to pay each Utility Provider on a current basis during the postpetition period. In addition, the Debtors' payment

history shows that the Utility Providers will be paid current postpetition. If Utility Providers require deposits to secure continued services, the Debtors could face severe cash drains. This harm to the Debtors is particularly unnecessary under the current circumstances because the Debtors have sufficient funds to pay for postpetition utility services as the come due. Under the circumstances, this Court should grant the relief requested in the Motion.

Notice

45. Notice of the Motion has been given to (a) the Office of the United States Trustee; (b) counsel to Foothill Capital; and (c) the Indenture Trustee. Following the initial hearing in these cases, notice of the Motion will be given to (i) the Debtors' twenty largest unsecured creditors and (ii) those persons who have requested notice pursuant to Federal Rule of Bankruptcy Procedure 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

46. No prior motion for the relief requested herein has been made to this or any other Court.

WHEREFORE, the Debtors respectfully request that the Court enter an Order, substantially in the form attached hereto, (a) prohibiting utilities from discontinuing, altering or refusing service, (b) establishing procedures for determining adequate assurance of payment and (c) granting such other and further relief as the Court deems appropriate.

THIS MATTER came before the Court on the above-captioned the Motion for Order Under 11 U.S.C. §§ 105(a) and 366, (a) Prohibiting Utilities from Discontinuing, Altering or Refusing Service, and (b) Establishing Procedures for Determining Adequate Assurance of Payment (Docket No. 18) (the "Utility Motion"), filed with the Court on October 9, 2003, and to be served by the Debtors' counsel within five (5) business days thereafter by way of postage prepaid, first class regular mail.

[1] The Debtors consist of the following entities: Chi-Chi's, Inc., CCMR of Catonsville, Inc., CCMR of Cumberland, Inc., CCMR of Frederick, Inc., CCMR of Greenbelt, Inc., CCMR of Harford County, Inc., CCMR of Maryland, Inc., CCMR of Ritchie Highway, Inc., CCMR of Timonium, Inc., Chi-Chi's of West Virginia, Inc., CMM Dissolution, Inc., Koo Koo Roo, Inc., Maintenance Support Group, Inc., and Koo Koo Roo Licensing Systems, Inc.

DOCKET # 23

DATE 10-9-03

Eastern Time, only if objections are timely filed. Because the Debtors filed for bankruptcy on October 8, 2003, the time during which utilities are prohibited from altering, refusing or discontinuing service to the Debtors is set to expire after October 28, 2003. Pending the Court's adjudication of the Utility Motion, the Debtors have requested the entry of an order prohibiting utilities from altering, refusing or discontinuing services to the Debtors on account of prepetition claims. Based on the foregoing and sufficient cause appearing therefore;

IT IS HEREBY ORDERED THAT:

Until such time as an order on the Utility Motion is entered by the Court, the Debtors' utilities are forbidden to discontinue, alter or refuse services to the Debtors on account of any unpaid prepetition charges, or to discriminate against the Debtors, or to require payment of a deposit or receipt of other security for continued service as a result of the Debtors' bankruptcy filings or any outstanding prepetition invoices in connection with any unpaid charges for utility services furnished to the Debtors including, but not limited to, the furnishing of gas, electricity, water, telephone, networking or any other similar service furnished to the Debtors.
