INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, there may be exceptions to these general rules.

Fill in the federal judicial district where the bankruptcy case was filed (for example, Central District of California), the bankruptcy debtor's full name, and the case number. If you received a notice of the case from the Claims Agent, BMC Group, some or all of this information may have been already completed.

Creditor's Name and Address:

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

1. Amount of Claim as of Date Case Filed:

State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

2. Basis for Claim:

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

If any portion of your claim falls in one or more of the listed categories, check the appropriate box(es) and state the amount entitled to priority. (See Definitions) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). If the claim is based on delivering health care goods or services, limit disclosing confidential health care information. Your signature is also a certification that the claim meets the requirements of FRBP 9011(b). Whether the claim is filed electronically or in person, if your name is on the signature line, you are responsible for the declaration. Print the name and title, if any, of the creditor or other person authorized to file this claim. DEFINITIONS**DEBTOR**

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

CREDITOR

A creditor is a person, corporation, or other entity to whom the debtor owes a debt that was incurred before the date of the bankruptcy filing. See 11 U.S.C. § 101(10).

CLAIM

A claim is the creditor's right to receive payment for a debt owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. § 101(5). A claim may be secured or unsecured.

PROOF OF CLAIM

A proof of claim is a form sued by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. This form must be filed with the court-appointed Claims Agent, BMC Group, at the address listed on the reverse side of the first page.

SECURED CLAIM Under 11 U.S.C. § 506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court

judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

UNSECURED CLAIM

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

CLAIM ENTITLED TO PRIORITY Under 11 U.S.C. § 507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

REDACTED

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

EVIDENCE OF PERFECTION

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION**OFFERS TO PURCHASE A CLAIM**

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

Date-Stamped Copy

Return claim form and attachments, if any. If you wish to receive an acknowledgement of your claim, please enclose a self-addressed stamped envelope and a second copy of the proof of claim form with any attachments to the Claims Agent, BMC Group, at the address on the second page of this form.

Please read - important information: upon completion of this claim form, you are certifying that the statements herein are true.

Be sure all items are answered on the claim form. If not applicable, insert "Not Applicable."

Re: *Morgan Concrete Co.*
Project: The Cliffs at Mountain Park Golf Course
Debt Owed: \$20,041.80

Dear Mr. Anthony:

This firm represents Morgan Concrete Co. ("Morgan"). We have been asked to assist Morgan in obtaining payment for materials which have been provided to The Cliffs at Mountain Park Golf & Country Club, LLC ("The Country Club"). It is our understanding that Morgan contracted with The Country Club to provide materials on the above-referenced project by and with express consent of the co-owners, The Cliffs at Mountain Park, LLC ("The Cliffs"). It is also our understanding that Morgan has fulfilled its obligations to The Country Club and The Cliffs and has provided all materials requested on the Project, but that The Country Club has nonetheless refused to pay the outstanding contract balance of \$20,041.80

All prior attempts to amicably resolve this matter have been to no avail. Because Morgan's prior demands and attempts to resolve this matter have been refused and unsuccessful, Morgan, by and through its undersigned attorney, herewith makes the following demands and gives the following Notices:

- This letter serves as Morgan's demand for payment of \$20,041.80 under its contract with The Country Club on the above-referenced Project. Pursuant to South Carolina Code Ann. § 27-1-15, The Country Club and The Cliffs have a duty to make a reasonable and fair investigation of the merits of this claim and pay it, or whatever portion of it is determined to be valid, within forty-five days from the date of mailing of this demand. If The Country Club and The Cliffs unreasonably refuse to pay the claim or proper portion, they shall be liable for reasonable attorneys' fees and interest at the judgment rate from

At a minimum, such investigation should include you providing this office with complete documentation of any evidence that the sums demanded are incorrect, as well as complete documentation of any claims you assert are properly offset from sums otherwise due Morgan. This documentation should include, without limitation, documentation of costs incurred and compliance with legal and/or contractual notice requirements.

- Pursuant to the South Carolina Prompt Pay Act, South Carolina Code Ann. § 29-6-50, Morgan herewith demands payment in full of the principal amount listed above. Further, pursuant to the Prompt Pay Act, you will be liable for 1% interest per month as set forth in the above-referenced statute.
- That The Cliffs, as Co-Owners of the Project, hereby take notice that Morgan demands that it has a claim on all funds in the Owners hands now due or due in the future to The Country Club, including all existing, outstanding, and future pay applications and retainage presently being held, or which will be withheld in the future which will satisfy Morgan's claims. Any disbursements of the above-referenced funds without the consent of Morgan via a joint check may subject you to additional liability.
- Morgan further demands that you forward a complete copy of this demand letter to any surety of the Project and direct that surety to forward a copy of the payment bond for this Project to and contact the undersigned immediately.
- Morgan further demands that the surety pay Morgan's claim in full.
- **Morgan further herewith demands that The Country Club and The Cliffs immediately forward a complete copy of any payment bond issued on this Project to the undersigned. Further, that you immediately forward a copy of this demand to your surety that issued a payment bond for this Project, and have them contact the undersigned within seven (7) days from the date of this demand letter. The surety shall take notice that this demand shall act as a demand on the payment bond for this Project.**
