Addendum to Proof of Claim
(Claim of Wells Fargo Bank, National Association as Indenture Trustee

In re the Cliffs Valley Golf & Country Club, LLC, Case No. 12-1236)

Wells Fargo Bank, National Association, as Indenture Trustee in its capacity as indenture trustee and collateral trustee (the "Indenture Trustee") for the holders of certain Notes (as defined below) (the "Notes") submits this addendum to its proof of claim against debtor, The Cliffs Valley Golf & Country Club, LLC (the "Debtor"; and collectively with the other debtors in these chapter 11 cases, the "Debtors") As of the date the Debtors' Chapter 11 cases were filed, the claims described herein (the "Note Claim") totaled not less than \$74,777,999.75. This amount includes pre-petition principal, interest and expenses of the Indenture Trustee. It does not include any post-petition amounts. Further, as noted below, this amount also does not include any dues credits, or initiation or membership deposits, to which individual holders of the Notes may be entitled. The Indenture Trustee reserves any and all rights to amend this claim.

The Notes

The Notes were issued in the aggregate principal amount of \$64,050,000 pursuant to that certain Indenture dated April 30, 2010 (the "Indenture") between The Cliffs Club & Hospitality Group, Inc., certain Guarantors (the "Guarantors") including the Debtor, and the Indenture Trustee. Under the Indenture, there are two series of Notes, the Series A Notes (the "Series A Notes") which were issued in the original principal amount of \$39,800,000 and the Series B Notes (the "Series B Notes and with the Series A Notes, the "Notes") which were issued in the original principal amount of \$24,250,000. The obligations evidenced by the Notes and any of the other Note Documents (as defined below) are referred to herein as the "Note Obligations".

Documents Supporting Claim.

The documents supporting the Note Claim are too voluminous to attach to the Indenture Trustee's proof of claim. The Indenture Trustee believes the Debtors have a full set of the documents relating to the Indenture Trustee's claim and, upon written request to counsel to the Indenture Trustee at the address included in this claim, the Indenture Trustee will make available copies of supporting documents.

The Note Claim is principally based on various documents that relate to Debtors' agreements to borrow the proceeds of the Notes, and to make payments of principal, interest, premium, if any, and other costs, fees and expenses associated with the Notes. These documents also form the secured basis of the Indenture Trustee's Note Claim, and include, without limitation, the Indenture, a Pledge and Security Agreement dated as of April 30 2010 (the "Pledge and Security Agreement"), certain mortgages, deeds of trust, and leasehold mortgages as applicable (collectively, the "Mortgages"), and the Trust Agreement dated April 30, 2010 (the "Collateral Trust Agreement"). Collectively, the Indenture, the Notes, the Pledge and Security Agreement, the Mortgages, the Collateral Trust Agreement, and any other documents related to the Notes are referred to herein as the "Note Documents".

Payment of the Note Obligations was guaranteed jointly and severally by James B. Anthony, individually, and each of the Guarantors, pursuant to Article X of the Indenture. For the reason that each of the Debtors is obligated on the Note Documents, the Indenture Trustee has filed a claim against each of the Debtors asserting the full amount owed as of the Petition Date under the Note Documents.

Amount of and Security for the Indenture Trustee's Claim.

The Debtors commenced their Chapter 11 Bankruptcy Cases on February 28, 2012 (the "Petition Date"). The liquidated amounts owing by the Debtor to the Indenture Trustee as of the Petition Date total not less than \$74,777,999.75 comprised of the following:

Principal on Series A Note	\$39,800,000
Interest on Series A Note	\$5,891,708
Principal on Series B Note	\$24,250,000
Interest on Series B Note	\$3,589,797
Pre-Petition Fees and Expenses of the Indenture Trustee (including professional fees and expenses)	\$1,246,494.75
Total:	<hr/> \$74,777,999.75

In addition to these amounts, the Debtor is liable for all other pre-petition costs of collection including, but not limited to other fees and expenses, all as more fully set forth and described in the Note Documents.

The Indenture Trustee asserts the right to recover post-petition amounts due, including, without limitation, principal, interest, premium, fees, costs and charges, which amounts are currently unliquidated and continue to accrue, and the right to assert any additional claims including unsecured claims, administrative expense claims, priority and/or super-priority claims pursuant to, inter alia, Bankruptcy Code §§ 365, 507(a)(2) and 503(b)(3) and 503(b)(5), and/or as further set forth in the Final Order (I) Authorizing Use of Cash Collateral, and (II) Providing Adequate Protection dated March 5, 2012 (the "Cash Collateral Order").

The Indenture Trustee's claim is secured as set forth in the Note Documents and in the Cash Collateral Order. The Indenture Trustee's claim is additionally secured, among other

things, by (i) setoff rights, all of which the Indenture Trustee expressly reserves; and (ii) the obligations owed under the Note Documents. The Indenture Trustee demands that all monies or other property payable or deliverable on account of the claims of the Notes be delivered to it for distribution pursuant to the terms of the Note Documents. Without waiving the Indenture Trustee's rights under Bankruptcy Code § 1111(b)(2), the claims asserted in this claim are secured to the extent of the value of this security and unsecured for a deficiency, if any.

Cash Collateral Order

The Cash Collateral Order was a conclusive and binding determination on all parties of (i) the amount of the Note Claim, and (ii) that the Indenture Trustee's security interests were duly perfected and are in all respects valid and enforceable first priority security interests and liens and not subject to any claim under Bankruptcy Code Sections 506(c) and 552(b).

Additional Terms, Conditions

Holders of the Notes in their individual capacities may have separate claims against the Debtor that are not included in this Proof of Claim and this Proof of Claim shall be without prejudice to such separate claims. An example of such claims – although not the only example of such claims – is that each holder of a Note provided a membership or initiation deposit when such holder joined the clubs (the "Membership/Initiation Deposit Obligations"). While this Proof of Claim does not include the Membership/Initiation Deposit Obligations, the Note Documents secured such obligations. In its schedules, the Debtors listed the Membership/Initiation Deposit Obligations as being unsecured. The Indenture Trustee and the Debtors filed a stipulation with the Court [Docket No. 347] whereby the individual holders of the Notes were not required to file proofs of claim to assert the secured status of such claims, with each of the Indenture Trustee and the Debtors reserving rights to file a motion before the Court

prior to confirmation of a plan of reorganization in these cases to determine the secured nature of such claims.

The Indenture Trustee expressly reserves its right to amend or supplement this Proof of Claim (including, but not limited to, for purposes of fixing the amount of interest or additional fees, costs, and expenses referred to herein) at any time and in any respect, including but not limited to the secured nature of the Membership/Initiation Deposit Obligations.

This Proof of Claim is made without prejudice to the filing by the Indenture Trustee of additional proofs of claim with respect to any other indebtedness or liability of the Debtor to the Indenture Trustee, including, but not limited to any claim arising any judgment entered in connection with the Note Documents.

By executing and filing this Proof of Claim, the Indenture Trustee does not waive any right to any security, claim, or any other right or rights with respect to all claims it has or may have against the Debtor or any other person or persons. The filing of this Proof of Claim is not intended and should not be construed to be an election of remedies or waiver of any past, present or future defaults or events of default under the Note Documents. Nothing herein is intended to prejudice any rights and remedies under any post petition agreements to which the Debtor and the Indenture Trustee are parties.

The Indenture Trustee submits itself to the jurisdiction of the United States District Court for the District of South Carolina and, to the extent the United States Bankruptcy Court for the District of South Carolina may constitutionally exercise the powers of the District Court, to the Bankruptcy Court solely for the purpose of the resolution of the claims set forth herein. The Indenture Trustee objects to the exercise of jurisdiction by the District Court or the Bankruptcy Court over the Indenture Trustee or over any cases or controversies concerning the Indenture

Trustee for any other purpose. The Indenture Trustee hereby demands trial by jury on all issues so triable.
