**INSTRUCTIONS FOR PROOF OF CLAIM FORM**

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, exceptions to these general rules may apply.

**Items to be completed in Proof of Claim form**

**Court, Name of Debtor, and Case Number:**

Fill in the federal judicial district in which the bankruptcy case was filed (for example, Central District of California), the debtor's full name, and the case number. If the creditor received a notice of the case from the bankruptcy court, all of this information is at the top of the notice.

**Creditor's Name and Address:**

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

**1. Amount of Claim as of Date Case Filed:**

State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

**2. Basis for Claim:**

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

**3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:**

State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

**3a. Debtor May Have Scheduled Account As:**

Report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as scheduled by the debtor.

**3b. Uniform Claim Identifier:**

If you use a uniform claim identifier, you may report it here. A uniform claim identifier is an optional 24-character identifier that certain large creditors use to facilitate electronic payment in chapter 13 cases.

**4. Secured Claim:**

Check whether the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See Definitions.) If the claim is secured, check the box for the nature and value of property that secures the claim, attach copies of lien documentation, and state, as of the date of the bankruptcy filing, the annual interest rate (and whether it is fixed or variable), and the amount past due on the claim.

**5. Amount of Claim Entitled to Priority Under 11 U.S.C. § 507 (a):**

If any portion of the claim falls into any category shown, check the appropriate box(es) and state the amount entitled to priority. (See Definitions.) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

**6. Credits:**

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

**7. Documents:**

Attach redacted copies of any documents that show the debt exists and a lien secures the debt. You must also attach copies of documents that evidence perfection of any security interest. You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). If the claim is based on delivering health care goods or services, limit disclosing confidential health care information. Do not send original documents, as attachments may be destroyed after scanning.

**8. Date and Signature:**

The individual completing this proof of claim must sign and date it. FRBP 9011. If the claim is filed electronically, FRBP 5005(a)(2) authorizes courts to establish local rules specifying what constitutes a signature. If you sign this form, you declare under penalty of perjury that the information provided is true and correct to the best of your knowledge, information, and reasonable belief. Your signature is also a certification that the claim meets the requirements of FRBP 9011(b). Whether the claim is filed electronically or in person, if your name is on the signature line, you are responsible for the declaration. Print the name and title, if any, of the creditor or other person authorized to file this claim. State the filer's address and telephone number if it differs from the address given on the top of the form for purposes of receiving notices. If the claim is filed by an authorized agent, attach a complete copy of any power of attorney, and provide both the name of the individual filing the claim and the name of the agent. If the authorized agent is a servicer, identify the corporate servicer as the company. Criminal penalties apply for making a false statement on a proof of claim.

## DEFINITIONS

## INFORMATION

**Debtor**

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

**Creditor**

A creditor is a person, corporation, or other entity to whom debtor owes a debt that was incurred before the date of the bankruptcy filing. See 11 U.S.C. §101 (10).

**Claim**

A claim is the creditor's right to receive payment for a debt owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

**Proof of Claim**

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

**Secured Claim Under 11 U.S.C. § 506 (a)**

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien.

A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

**Unsecured Claim**

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

**Claim Entitled to Priority Under 11 U.S.C. § 507 (a)**

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

**Redacted**

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

**Evidence of Perfection**

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

**Acknowledgment of Filing of Claim**

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system ([www.pacer.psc.uscourts.gov](http://www.pacer.psc.uscourts.gov)) for a small fee to view your filed proof of claim.

**Offers to Purchase a Claim**

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

2. **LEASE.** Lessee agrees to lease from Lessor the Equipment or if separately scheduled, the Equipment identified on Schedule A attached and made a part of this Lease.

3. **NO WARRANTIES. LESSOR IS LEASING THE EQUIPMENT TO THE LESSEE "AS-IS." LESSEE ACKNOWLEDGES THAT THE LESSOR DOES NOT MANUFACTURE THE EQUIPMENT, LESSOR DOES NOT REPRESENT THE MANUFACTURER OR THE SUPPLIER, AND LESSEE HAS SELECTED THE EQUIPMENT AND SUPPLIER BASED UPON LESSEE'S OWN JUDGMENT. LESSOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, NOR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. LESSOR TRANSFERS TO LESSEE FOR THE TERM OF THIS LEASE ANY WARRANTIES MADE BY THE MANUFACTURER OR SUPPLIER UNDER A SUPPLY CONTRACT.**

4. **ORDERING EQUIPMENT, DELIVERY AND ACCEPTANCE.** If Lessee entered into any purchase or supply contract with any supplier, Lessee assigns to Lessor Lessee's rights under the supply contract, but none of Lessee's obligations, except for the obligation to pay for Equipment if it is accepted by Lessee according to the terms of this Lease. If Lessee has not entered into a supply contract, Lessee authorizes Lessor to enter into a supply contract. Lessee shall arrange for the delivery of the Equipment to Lessee. Lessee shall inspect the Equipment immediately upon Lessee's receipt of the Equipment to determine if it is in good working condition. The Equipment will be deemed irrevocably accepted by Lessee upon the earlier of: (i) the date of delivery of the Equipment to Lessee unless Lessee notifies Lessor in writing, within 10 days after equipment delivery, of Lessee's non-acceptance or (ii) the delivery to Lessor of a signed Certificate of Acceptance of Leased Equipment if requested by Lessor ("Acceptance Date").

5. **TERMINATION BY LESSOR.** Lessor shall have the exclusive option to terminate this Lease if within 90 days after Lessee has signed this Lease, the Equipment has not been delivered to Lessee, or Lessee has not accepted the Equipment as provided in paragraph 4.

6. **TERM AND RENT.** The term of this Lease commences upon the date on which the Equipment is delivered to Lessee (whether or not accepted) and ends upon the expiration of the number of months specified on the front of this Lease under "Initial Term of Lease" after the Rental Commencement Date. Lessee authorizes Lessor to insert in this Lease as "Rental Commencement Date" the date when the Equipment is delivered to Lessee or any later date selected by Lessor. The Lessee shall pay as rent either: i) the Total Lease Payment indicated on the front of this Lease or ii) if applicable, the amounts as shown on the Payment Schedule, plus applicable taxes ("Rent"). The first lease payment is due on the Rental Commencement Date, and each remaining periodic lease payment is due on the same day of each payment period thereafter for the initial term of lease. Additionally, Lessee shall, upon demand, pay, as Rent, daily interim rent, on all Equipment subject to this Lease, for the period from the date of delivery of Equipment (or any part thereof) to and including the day immediately preceding the Rental Commencement Date. The daily rent will be calculated on a 360 day year. No portion of any lease payments shall be deemed to constitute payment for any equity interest in the Equipment. If any payment due under this Lease is not paid within 5 days of its due date, Lessee shall pay Lessor a late charge not to exceed 10% of each late payment (or such lesser rate as is the maximum rate allowed by applicable law). Lessee authorizes Lessor to insert in this Lease as "Tax on Lease Payment" and "Total Lease Payment" the appropriate amounts when same are determined by Lessor.

7. **EXCESS USAGE AND SUPPLEMENTAL LEASES.** (Applicable to Turf Care and Maintenance Equipment Only): At the end of the Initial Term of Lease, Lessee shall pay as Rent to Lessor \$5.00 per hour on each item of Equipment for each hour of use in excess of 900 hours per year. Lessee shall pay such supplemental lease payment within ten (10) days of Lessor's written demand. The hours of use of an item of Equipment shall be determined by the hour meter attached to said item of Equipment. If any such hour meter becomes inoperable or inaccurate, Lessee shall immediately repair or replace same, and shall immediately notify Lessor in writing of such event and of the correct hours of usage for the Equipment during the period of time the hour meter was inoperable or inaccurate. Lessee shall promptly furnish Lessor such information as Lessor may reasonably request from time to time in order to document the hours of usage of the Equipment.

8. **EQUIPMENT LOCATION; USE AND REPAIR; RETURN.** Lessee will keep and use the Equipment only at the Equipment location shown on the front of this Lease. Lessee may not move the Equipment without Lessor's prior written consent. At Lessee's own cost and expense, Lessee will keep the Equipment eligible for any manufacturer's certification, in compliance with all applicable laws and in good condition, except for ordinary wear and tear. Lessee will not make any alterations, additions or replacement to the Equipment without Lessor's prior written consent. All alterations, additions and replacements will become part of the Equipment and Lessor's property at no cost or expense to Lessor. Lessor may inspect the Equipment at any reasonable time. Unless Lessee purchases the Equipment at the end of this Lease, Lessee will immediately deliver the Equipment to Lessor to any place in the United States that Lessor tells Lessee. Additionally, the Lessee agrees that the Equipment being returned must meet the Standard Equipment Return Conditions as set forth below. Lessee will pay all expenses of disinstalling, crating and shipping, and Lessee will insure the Equipment for its full replacement value during shipping.

**9. STANDARD EQUIPMENT RETURN CONDITIONS.**

A. Notwithstanding anything to the contrary contained in the Lease, and in addition to the terms and conditions contained herein, Lessee shall, at Lessee's sole cost and expense, return all, but not less than all, of such Equipment to Lessor immediately upon the expiration of the Initial Term of Lease or any extensions and with respect to each item of Equipment, as applicable, the following must be true:

- All safety equipment must be in place and meet applicable federal, state and other governmental standards.
- All covers and guards must be in place with no sheet metal, plastic or cowling damage.
- All parts, pieces, components and optional equipment must be present, installed and operational.
- All accessories shall be returned in proper order.
- All motors shall operate smoothly without overheating and shall have good bearings and bushings.
- All electronic controls shall operate per manufacturer's specifications. Controls which bypass normal operations shall be repaired at Lessee's expense.
- All electrical systems shall be able to provide electrical output as specified by the manufacturer.
- All batteries shall be in good, safe operating condition with no dead cells or cracked cases. Batteries shall hold a charge and provide adequate power to operate the equipment.
- All Equipment shall have serviceable tires, with 50% remaining tread, retaining proper air pressure, and without repair patches.
- All oil and grease seals must contain lubrication in the manufacturers designed reservoir.
- All Equipment must have a relatively clean appearance
- All Equipment shall be free from excessive wear necessitating major component repair or replacement caused by lack of recommended maintenance as detailed in customer operation/maintenance manuals.
- All Equipment shall be free from structural damage or bent frames.
- Any usage or metering devices must not have been altered in any way.
- All Equipment attachments, if any, must be in good operating condition.
- All hydraulic cylinders must not be bent, nicked, gouged or leaking.

**B. RETURN PERFORMANCE.** Each item of Equipment must be able to complete the following tests.

- Operate normally in forward and reverse directions through all its speed ranges or gears
- Steer normally right and left in both forward and reverse.
- Have all functions and controls work in normal manner.
- Be able to stop with its service brakes in a safe distance in both forward and reverse.
- Operate without leaking any fluids.
- Perform its designed functions in a satisfactory manner.
- All curling units (if applicable) must be able to lower, turn on, run, raise and shut off as they are designed to do

C. **REQUIRED PURCHASE.** If any item of Equipment is damaged or does not meet the standards set forth above for the return condition of such Equipment or if the Lessee fails to discharge Lessee's obligations set forth above with regard to any item of Equipment, Lessee shall pay to Lessor, immediately upon demand, the Stipulated Loss Value of such item of Equipment.

10. **TAXES.** Lessee shall promptly reimburse Lessor for, or shall pay directly if so requested by Lessor, as additional Rent, all taxes, charges and fees which may now or hereafter be imposed or levied by any governmental body or agency upon or in connection with the purchase, ownership, lease, possession, use, location or relocation of the Equipment, or otherwise in connection with the transactions contemplated by the Lease, excluding, however, all taxes on or measured by the net income of Lessor. Lessee agrees to reimburse Lessor for all personal property taxes immediately upon receipt of Lessor's invoice including without limitation such taxes assessed or arising during the term of this Lease but remitted by Lessor after the termination of this Lease. At Lessor's option, Lessee agrees to remit, along with Lessee's lease payments under this Lease, an amount equal to a percentage of Lessor's reasonable estimate of the personal property taxes that will be assessable against the Equipment. Any such amounts remitted to Lessor will be credited by Lessor against Lessee's obligations under this paragraph. Lessee will remain obligated in the event that such amounts are insufficient to fully reimburse Lessor the actual amount of such taxes and any surplus will be either credited to Lessee's other obligations to Lessor or returned to Lessee. If requested, Lessee agrees to file promptly on behalf of Lessor all requested tax returns and reports concerning the Equipment in form satisfactory to Lessor, with all appropriate governmental agencies and to mail a copy to Lessor concurrently with the filing thereof. Lessee further agrees to keep or cause to be kept and made available to Lessor any and all necessary records relevant to the use of the Equipment and aforesaid taxes, assessments and other governmental charges.

11. **PURCHASE OPTION; AUTOMATIC RENEWAL.** If no Default exists under this Lease, Lessee will have the option at the end of the Initial or any renewal term to purchase all (but not less than all) of the Equipment as shown on the front of this Lease, plus any applicable taxes. Unless the Purchase Option is \$1.00, Lessee must give Lessor at least 120 days written notice before the end of the Initial Term that Lessee will purchase the Equipment or that Lessee will deliver the Equipment to Lessor. If Lessee does not give Lessor such written notice or if Lessee does not purchase or deliver all but not less than all of the Equipment in accordance with the terms and conditions of this Lease, this Lease will automatically renew for an additional 12 month term and thereafter renew for successive one month terms until Lessee delivers the Equipment to Lessor or purchases the Equipment. During such renewal(s) the Amount of Each Lease Payment will remain the same. Lessor may cancel an automatic renewal term by sending Lessee written notice 10 days prior to such renewal term. Fair Market Value ("FMV") shall equal the retail-in-place value as determined solely by the Lessor. Upon payment of the Purchase Option price to

Lessor plus all applicable taxes, Lessor shall transfer its interest in the Equipment to Lessee "AS IS, WHERE IS" without any representations or warranties whatsoever and this Lease will terminate.

**12. LOSS OR DAMAGE.** Lessee shall bear all risk of loss associated with an item of Equipment, including the theft, destruction, or damage. No such loss shall relieve Lessee from any of its obligations under this Lease. In the event of any loss with respect to particular Equipment, Lessee shall either: (a) place such Equipment in good repair, condition and working order, (b) replace such Equipment with like equipment (of the same year, make, model and accessories) in good repair, condition and working order, or (c) pay to the Lessor the Stipulated Loss Value of such Equipment. The "Stipulated Loss Value" for particular Equipment shall be an amount equal to: (i) the total of all Rent and any other amounts, if any, due with respect to such Equipment as of the date of payment of the Stipulated Loss Value, plus (ii) all future Rent with respect to such Equipment, plus (iii) the then estimated FMV of such Equipment as of the end of the Initial Term of Lease for such Equipment (assuming no loss or damage).

**13. INSURANCE.** Lessee shall keep in effect an "All Risk (or broad form of)" extended coverage property insurance policy covering the Equipment for its full replacement value or at a minimum, the stipulated loss value. Lessee shall also carry a comprehensive general liability insurance policy or other similar form of third party liability coverage with combined single limits of \$1,000,000 per occurrence and \$2,000,000 in aggregate limits. Such policies shall be in form, amount and with insurers acceptable to Lessor. The property insurance policy shall name Lessor and its assigns as Loss Payee and the general liability insurance policy shall name Lessor and its assigns as an Additional Insured. Each policy shall provide: (a) for no less than thirty (30) days prior written notice of cancellation or non-renewal to Lessor, and (b) that such policy shall not be invalidated as against Lessor or its assigns for the violation of any term of the policy by Lessee. Lessee appoints Lessor as Lessee's attorney-in-fact to request required insurance coverages, make claims, receive payments and execute and endorse all documents, checks, drafts or other instruments necessary or advisable to secure payments due under any policy contemplated hereby. The foregoing shall not relieve Lessee from its obligations to procure the insurance policies required herein, to make timely insurance claims and to otherwise cooperate with insurance carriers and Lessor in seeking insurance coverage and recoveries in connection with the Equipment. Proceeds from any general liability policy shall be made payable first on behalf of the Lessor to the extent of its liability, if any. All policies of insurance carried by Lessee, whether primary or excess, shall be primary as to any policies maintained by Lessor.

If Lessee fails to maintain the required insurance on the Equipment, or provide proof of same to Lessor, Lessor may at its sole discretion, but shall not be obligated to, obtain insurance to protect Lessor's interest in the Equipment. Lessee agrees to pay Lessor for all costs and expenses which Lessor pays or incurs as a result of Lessee's failure to maintain insurance. Without limitation, Lessee specifically agrees that it will pay the monthly insurance charge, as requested by Lessor at the time payment is due. The insurance charge may include, but not be limited to, the insurance premium paid by Lessor, finance charges on the premium (which may be higher than the rate used to determine Lessee's Equipment rental amount); tracking fees; fees for billing and collecting the insurance premium and related charges; administrative fees; and, other fees resulting from the failure to maintain insurance on the Equipment. Lessee acknowledges that Lessor may keep some or all of these insurance charges, including the billing, tracking and other fees; the finance charges; commissions or reinsurance premiums paid to Lessor or an affiliate of Lessor, and, a profit included in any of these charges. Lessee agrees that the premium and insurance charges assessed by Lessor are likely to be higher than the amounts Lessee would pay to maintain insurance on the Equipment as agreed in this Lease. Lessor's election to obtain insurance to protect the Equipment shall not constitute a waiver of Lessee's breach of its insurance obligations, and Lessor reserves all other remedies provided under this Lease or applicable law.

**14. TITLE.** Lessor is the owner of and will hold title to the Equipment. Lessee will keep the Equipment free of all liens and encumbrances. If this transaction is deemed to be a lease intended for security, Lessee grants Lessor a purchase money security interest in the Equipment (including any replacements, substitutions, additions, attachments and proceeds).

**15. DEFAULT.** Each of the following is a "Default" under this Lease: (i) Lessee fails to pay any Lease Payment or any other payment within 5 days of its due date; (ii) Lessee does not perform any of Lessee's other obligations under this Lease or in any other agreement with Lessor; (iii) Lessee or guarantor becomes insolvent, dissolves, or assigns its assets for the benefit of creditors, or enters any bankruptcy or reorganization proceeding; or (iv) any guarantor of this Lease dies, does not perform its obligations under the guaranty.

**16. REMEDIES.** If a Default occurs, Lessor may do one or more of the following: (i) Lessor may cancel or terminate this Lease or any other agreement that Lessor has entered into with Lessee; (ii) Lessor may require Lessee to immediately pay Lessor, as compensation for loss of Lessor's bargain and not as a penalty, a sum equal to the Stipulated Loss Value; (iii) Lessor may require Lessee to deliver the Equipment to Lessor as set forth in paragraph 8; (iv) Lessor or its agent may peacefully repossess the Equipment without court order and Lessee will not make any claims against Lessor for damages or trespass or any other reason; and (v) Lessor may exercise any other right or remedy available at law or in equity. Lessee agrees to pay all of Lessor's costs of enforcing Lessor's rights against Lessee, including reasonable attorney's fees. If Lessor takes possession of the Equipment, Lessor may sell or otherwise dispose of it with or without notice, at a public or private sale, and apply the net proceeds (after deducting all costs related to the sale or disposition of the Equipment) to the amounts that Lessee owes Lessor. Lessee agrees that if notice of sale is required by law to be given, 10 days notice shall constitute reasonable notice. Lessee will remain responsible for any amounts that are due after Lessor has applied such net proceeds.

**17. PERFORMANCE OF LESSEE'S OBLIGATIONS BY LESSOR.** If Lessee fails to make any payment or perform any act or obligation required hereunder, Lessor may, but need not, make such payment or perform such act or obligation at the expense of Lessee. Any such expense incurred by Lessor shall constitute additional Rent due hereunder and shall be payable by Lessee to Lessor upon demand. Such action by Lessor shall not be deemed a cure or waiver of any default by Lessee.

**18. FINANCE LEASE STATUS.** Lessee agrees that if Article 2A-Lessee of the Uniform Commercial Code applies to this Lease, this Lease will be considered a "finance lease" as that term is defined in Article 2A. By signing this Lease, Lessee agrees that either (a) Lessee has reviewed, approved, and received, a copy of the Supply Contract or (b) that Lessor has informed Lessee of the identity of the Supplier, that Lessee may have rights under the Supply Contract, and that Lessee may contact the Supplier for a description of those rights. TO THE EXTENT PERMITTED BY APPLICABLE LAW, LESSEE WAIVES ANY AND ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A.

**19. ASSIGNMENT.** LESSEE MAY NOT ASSIGN, SELL, TRANSFER OR SUBLEASE THE EQUIPMENT OR LESSEE'S INTEREST IN THIS LEASE. Lessor may, without notifying Lessee, sell, assign, or transfer this Lease or its rights in the Equipment. Lessee agrees that the new owner will have the same rights and benefits that Lessor has now under this Lease but not Lessor's obligations. The rights of the new owner will not be subject to any claim, defense or set-off that Lessee may have against Lessor.

**20. INDEMNITY.** Lessee assumes the risk of liability arising from possession, operation, or use of the Equipment. Lessee shall indemnify, defend and hold harmless the Lessor from any and all claims, costs, taxes, expenses, damages, and liabilities arising from or pertaining to the use, possession, or operation of the Equipment.

**21. CREDIT INFORMATION.** Lessee authorizes Lessor and its agents to obtain credit bureau reports and make other credit inquiries that Lessor determines necessary. Upon Lessee's written request, Lessor will inform Lessee whether Lessor has requested a consumer credit report and the name and address of any consumer credit reporting agency that furnished a report. Lessee acknowledges that without further notice Lessor may use or request additional credit bureau reports to update Lessor information so long as Lessee's obligations to Lessor are outstanding. Lessee shall at Lessor's request, deliver to Lessor, Lessee's future quarterly and annual reports of financial condition, which reports Lessee represents and warrants shall be prepared in accordance with generally accepted Accounting Principles.

**22. FURTHER ASSURANCES.** Lessee agrees to promptly, at Lessee's expense, deliver such other reasonable documents and assurances, and take such further action as Lessor may request, in order to effectively carry out the intent and purpose of this Lease.

**23. REPRESENTATIONS AND WARRANTIES.** Lessee represents and warrants to Lessor that: (i) the making of this Lease by Lessee is duly authorized on the part of Lessee and upon execution thereof by Lessee and Lessor they shall constitute valid obligations binding upon, and enforceable against, Lessee; (ii) neither the making of this Lease nor the due performance thereof by Lessee, including the commitment and payment of the Rent, shall result in any breach of, or constitute a default under, or violation of, Lessee's certificate of incorporation, by-laws, or any agreement to which Lessee is a party or by which Lessee is bound; (iii) Lessee is in good standing in its state of incorporation and in any jurisdiction where the Equipment is located, and is entitled to own property and to carry on business therein; and (iv) all financial information provided by Lessee to Lessor is true, accurate and provides a good representation of Lessee's financial condition. If requested, Lessee shall provide Lessor a Certified Copy of its Corporate Resolutions and or a Certificate of Incumbency in the form provided by Lessor or such other form that Lessor deems acceptable.

**24. MISCELLANEOUS.** Lessee agrees that the terms and conditions contained in this Lease make up the entire agreement between Lessee and Lessor regarding the Lease of Equipment. The declaration of invalidity of any provision of this Lease and/or Guaranty shall not affect any part of the remainder of the provisions of this Lease and Guaranty. Any change in any of the terms and conditions of this Lease must be in writing and signed by Lessor. Lessee agrees however, that Lessor is authorized, without notice to Lessee, to insert the Lease Number, and to supply missing information or to correct obvious errors in this Lease. Lessee authorizes Lessor to adjust the Amount of Each Lease Payment by not more than 15% if either (i) the final Total Cash Price (which is all amounts Lessor has paid in connection with the purchase, delivery and installation of the Equipment, including any upgrade and buyout amounts) differs from the estimated Total Cash Price, or (ii) comparable U.S. Treasury Note yields increase between the date Lessee signs this Lease and the Acceptance Date. Lessor shall not be obligated to purchase the Equipment if the actual Total Cash Price varies more than 16% from the Total Cash Price listed above. If Lessor delays or fails to enforce any of Lessor's rights under this Lease, Lessor will still be entitled to enforce those rights at a later time. All notices shall be given in writing by the party sending the notice and shall be effective when deposited in the U.S. Mail or a nationally recognized overnight delivery service, addressed to the party receiving the notice at its address shown on the front of this Lease (or to any other address specified by that party in writing) with postage prepaid. All of Lessor's right and remedies shall survive and remain in full force and effect and be enforceable after the expiration or termination of the Lease for any reason. It is the express intent of the parties not to violate any applicable usury laws or to exceed the maximum amount of time price differential or interest, as applicable, permitted to be charged or collected by applicable law, and any such excess payment will be applied to Rent in inverse order to maturity, and any remaining excess will be refunded to Lessee. If more than one Lessee has signed this Lease each of the Lessees agree that Lessee's liability is joint and several. LESSEE FURTHER AGREES TO PAY LESSOR AN ORIGINATION FEE ON THE DATE THE FIRST LEASE PAYMENT IS DUE TO COVER THE EXPENSES OF ORIGINATING THIS LEASE.
