Supplement to TotalSolution Program for Software Assurance

Dear Customer: We've written this Supplement to the TotalSolution Program (Supplement) in simple and easy to read language because we want you to understand its terms. Please read your agreement carefully and feel free to ask us any questions you may have about it. We use words **you** and **your** to mean the Customer. The words **we**, **us** and **our** refer to the Lessor indicated below.

Software Assurance (SWA) coverage provides you with software Update Releases (which may include bug fixes, patches and/or minor feature enhancements) and software Upgrade Releases (which includes major feature enhancements, and may contain bug fixes and patches) for the applicable product or products during the term without additional upgrade fees or charges for that software. Software Assurance does not include the labor and services to implement software Upgrade Releases for the covered product or products, nor does it cover the costs for any additional hardware should it be required for the software installation.

Supplement Number 124274-02
Supplementing Lease Number _____
