Electronic Check Processing - When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. *If you do not wish to participate in this program, please have your account number ready and call 1-877-272-3303.*

Closing your Gas Service - We require two (2) working days and access to the meter to close your gas service.

Information about Deposits

Amount of Deposit - The amount of deposit required to establish or re-establish service credit is twice the estimated average periodic bill.

Return of Deposit/Interest on Deposit - This deposit, together with any interest due, less the amount of any unpaid bills, will normally be returned either on discontinuance of service or after the deposit has been held for twelve (12) consecutive months, during which time continuous gas service has been received and all bills for such service have been paid in accordance with the rules in effect and filed with the Public Utilities Commission of the State of California. No interest will be paid if the service is temporarily or permanently discontinued for non-payment of bills.

Public Utilities Commission Notice - Should you question the amount of this bill, please request an explanation by calling the telephone number at the top of your bill. If you thereafter believe you have been billed incorrectly, the amount of the bill should be deposited with the California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, phone: 800-649-7570, e-mail: consumer-affairs@cpuc.ca.gov, to avoid discontinuance of service. Make remittance payable to the California Public Utilities Commission, and attach the bill and the statement supporting your belief that the bill is not correct. The Commission will review the basis of the billed amount and make disbursement in accordance with its findings. However, the Commission will not accept the deposits when it

appears that the dispute is over matters such as quality of service, level of rates, pending applications for rate increase, etc., which do not relate directly to the question of the accuracy of the bill.

If you do not make such a deposit with the commission within 15 days after The Gas Company notifies you of your right to do so, The Gas Company may discontinue your service for non-payment.

Billing Term Definitions

Baseline - Amount of gas billed at the lowest residential rate.

Billing Factor - Adjusts for differences in elevation, delivery pressure and the heating content of gas.

Public Purpose Surcharge - Charge to fund Public Purpose Programs such as California Alternate Rates for Energy (CARE), Direct Assistance program (DAP), energy efficiency and research and development. CARE customers are excluded from paying the CARE portion of the surcharge.

Rate - Identifies the rate schedule used to calculate your bill. You may review these rate schedules at a local office of The Gas Company or at www.socalgas.com
