Examples of liens are a mortgage on real estate and a security interest in a car truck boat television set or other item of property A lien may have been obtained through a court proceeding before a bankruptcy case began in some states a court judgment is a lien In addition to the extent a creditor also owes money to the debtor (has a right of setoff) the creditor's claim may be a secured claim (See also Unsecured Claim)

Unsecured Claim

If a claim is not secured claim it is an unsecured claim A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full
