Contested Matter  
Doc 835, 836, 837 Filed 06/29/10 Entered 06/29/10

Dear Sir:

I am in receipt of a copy of the NOTICE of Hearing on Plan Administrator's motion for authority to settle and compromise Claims against John Ottinger, Jr, Julie Ottinger, Jack Wehmiller, And Jayme Sickert.

Mr Sickert misrepresented Cornerstone Ministries to me and Never changed a word he said during my association with Cornerstone, even up until the day of Bankruptcy. Cornerstone Ministries Investments OWES The Myles Revocable Living Trust [ \$ 41,126.17 ] . CASE # 740 Forty One Thousand One Hundred Twenty Six dollars And Seventeen cents. I, for one, would object to any type Monetary settlement with Mr. Sickert.

May Judge Brizendine consider Mr. Sickert's lies when making His Decision. Thank you for informing me with your notice. Thank you for your help in this regard.
